TODD TO ATTEND EDUCATIONAL MANAGEMENT INSTITUTE

Dr. Edward S. Todd, RIT's vice president for Institutional Development and Planning, is one of 80 recipients of a grant from the Sloan Foundation to the Institute for Educational Management this summer at the Harvard Business School. The topics to be covered in lectures and seminars during the six-week course are Managing the Educational Institution, Managing Financial Resources, Managerial Control and Information Systems, and Interpersonal and Group Relationship Problems.

FACULTY-STAFF SOFTBALL LEAGUE SEEKS NEW ENTRIES

The summer Faculty-Staff Slo-pitch softball league is now accepting team and individual entries for the coming season, which is expected to start in mid-June. Groups wishing to enter as teams or individuals wishing to be placed on teams should submit their names to Sid Barsuk, Development Office, as soon as possible. "Commissioner" Barsuk is eyeing an expansion from four to six teams for the summer and noted that the door is not closed to female participation in the league.

PHYSICAL PLANT UNDERTAKES REORGANIZATION

Thomas Hussey, director of Physical Plant has announced changes in titles and/or responsibilities for six superintendents:

Andre Bessette, from Superintendent of Custodial Services to Superintendent, Academic Complex. He will be responsible for all Henrietta campus buildings except the residence halls.

John Habets, from Superintendent of Building Maintenance to Superintendent of Metropolitan Properties. He will be responsible for all buildings not on the Henrietta campus. He will have a new office at the Metropolitan Center.

Mrs. Maria Runge, from executive housekeeper to Superintendent, Dormitory Complex. She is responsible for the residence halls and Grace Watson Dining Hall.

Lodewyk Boyon, from Superintendent of Utilities to Superintendent, Auxiliary Services. He is responsible for all tradesmen: carpenters, painters, electricians, plumbers, and engineers.

Charles Smith, from supervisor of grounds to Superintendent of Grounds. He is responsible for grounds and vehicle maintenance.

George Cumming, Superintendent of Campus Development. He is responsible for major campus construction programs, including the NTID complex and modular housing, as well as landscaping.

#### LONG RANGE PLANNING REPORT NOW AVAILABLE

What Are the Potential Sources of Financial Support for a Private Institute of Technology, a report prepared by three members of the Institute's long range planning committee, is, for those interested in having a copy, in the Office of Instructional Development and Planning, on the third floor of the Administration Tower. A limited number of copies is also available at the library reserve desk.

The co-authors of the report are Dr. Edward Todd, Dr. Leo Smith, and Dr. Eugene Fram.
