THE LEGISLATIVE POWER OF THE STATE OF SOUTH CAROLINA

is vested (under the Constitution adopted in Convention December 4, 1895), in the "Senate" and the "House of Representatives," together styled the "General Assembly."

General Constitutional Provisions Pertaining to Members and Legislation.

ANNUAL SESSIONS—In Columbia, beginning on the second Tuesday in January. No limitation to length of session, which by custom has usually been 40 days. It lasted 47 days in 1919, 54 days in 1920, 54 days in 1921, 61 days in 1922, 75 days in 1923 and 75 days in 1924 (including a recess of 15 days upon convening, during which recess the Senate Finance Committee and the House Ways and Means Committee held public sessions on the General Appropriation Bill in an effort to introduce it earlier and thereby shorten the session). Following is the comparison with action on this Bill in 1923.

	1923	1924
Introduced in House....	Feb. 26	Jan. 23
Received by Senate.....	Mch. 2	Feb. 13
Returned to House.....	Mch. 14	Mch. 19
Free Conf. Appointed....	Mch. 16	Mch. 19
Free Conf. Report.....	Mch. 23	Mch. 21
Act Ratified	Mch. 24	Mch. 22

In 1925 General Appropriation Bill introduced in House on Feb. 17, and was passed and sent to Senate on Feb. 20.

ADJOURNMENT—During the session "neither House shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which it shall be at the time sitting." (Both Houses have frequently adjourned on Friday to meet again on Tuesday next.) Should either House be without a quorum for 5 days, or should the two Houses disagree as to the time of adjournment, the Governor may adjourn them to such time as he shall think proper.

BILLS AND ACTS—"Bills for raising revenue shall originate in the House of Representatives."

"Bills appropriating money out of the treasury shall specify the objects and purposes for which the same are made, and appropriate to them respectively their several amounts in distinct items and sections."

"Every Act shall relate to but one subject and that shall be expressed in the title."

Bills shall not have the force of law until read three times and on three several days in each house, the great seal of the State affixed, and signed by the President of the Senate and the Speaker of the House. Legislative rules may (and they do) provide for the first and third readings by title only.

ELECTIONS BY GENERAL ASSEMBLY OR EITHER HOUSE—Members shall vote *viva voce* except by unanimous consent, and their votes shall be recorded upon the Journal.

EXPULSION OF MEMBERS—"Each house shall punish its members for disorderly behavior, and, with the concurrence of two-thirds, expel a member, but not a second time for the same cause."

HOLDING TWO OFFICES—"No person shall be eligible to a seat in the General Assembly while he holds any office or position of profit or trust under this State, the United States of America, or any of them, or under any other power, except offices in the Militia and notaries public; and if any member shall accept or exercise any of the said disqualifying offices or positions he shall vacate his seat."—Const., Art. III, Sec. 24.

MEMBERS PROTECTED—"Members shall be protected in their persons and estates during their attendance on, going to and returning from the General Assembly, and ten days previous to the sitting and ten days after the adjournment," except where a Member is "charged with treason, felony or breach of the peace."

OATH OF OFFICE—All Members and all officers, before they enter upon their duties, shall subscribe to the following oath: "I do solemnly swear (or affirm) that I am duly qualified according to the Constitution of this State, to exercise the duties of the

office to which I have been elected, and that I will, to the best of my ability, discharge the duties thereof, and preserve, protect and defend the Constitution of this State and of the United States. I do further solemnly swear (or affirm) that I have not since the first day of January, in the year 1881, engaged in a duel as principal or second or otherwise; and that I will not, during the term of office to which I have been elected, engage in a duel as principal or second or otherwise. So help me God."

RIGHT OF PUNISHMENT—Each House may punish by imprisonment during its sitting any non-member guilty of disrespect, disorderly or contemptuous behavior in its presence, or who shall threaten harm to any member for anything said or done in either House, or who shall assault or arrest any person ordered to attend the House, in going or returning, or who shall rescue any person arrested by order of the House.

TERMS OF OFFICE—"The terms of office of Members chosen at a general election begin on the Monday following such election."

VETO BY THE GOVERNOR—Every Bill or Joint Resolution which shall have passed the General Assembly shall, before it becomes a law, be presented to the Governor, and if he approves it he shall sign it.

Any Bill vetoed by the Governor shall be returned, with his objections, to the House in which it originated. If two-thirds of that House agree, by yeas and nays, to pass it, it shall be sent to the other house, and if similarly approved thereby it shall have the same effect as if signed by the Governor.

Only so much of the Bill as is not approved by the Governor shall be re-considered, the approved portions becoming a law.

A Bill not returned by the Governor within three days after presentation to him, Sundays excepted, shall have the same force and effect as if he had signed it, unless the General Assembly, by adjournment, prevent its return, in which case it shall have such force and effect unless returned within two days after the next meeting.

(Governor may return Bill to the "next" house, even though a general election has intervened—Supreme Court decision, *Smith v. Jennings*, 67 S. C. 324.)

(At 1919 session, which began Jan. 14, Governor returned Bill to Clerk of House on Jan. 16, after House had adjourned. Upon objection to its consideration on Jan. 17, Speaker Cothran ruled that the two-day Constitutional limit had been complied with, citing *Corwin v. Comp. Gen.* 6 S. C. 398.)

Special Statutory Provisions

COMPENSATION OF MEMBERS—\$400 for each session (regular and special), 5 cents per mile "for actual distance traveled in most direct route going to and returning from" Columbia, and \$5 for stationery and postage.

EX OFFICIO BOARD MEMBERS—Every chairman of a committee of either House who is *ex officio* a member of any commission or board shall remain a member after each general election and until his successor is appointed chairman of such committee, and in case of vacancy or disability between sessions the Speaker or the President shall designate some member of such committee to serve on the board until the next meeting or the disability is removed.

REPEAL OF ACT, EFFECT OF—"The repeal of an Act or Joint Resolution shall not revive any law theretofore repealed or superseded, nor any office theretofore abolished."

TIME WHEN ACT TAKES EFFECT—The 20th day after the day of its approval by the Governor, unless some other day be specially named in the Act. (Construction by courts has been: Exclude the first day, include the last.)

ACTS AND RESOLUTIONS

"Resolution "

A Resolution (sometimes called a "plain" or "simple" Resolution) affects only the action of the house in which it is introduced and the members thereof. Requires only one

"Concurrent Resolution"

A "Concurrent Resolution" affects the action of the entire General Assembly or a member thereof; does not carry an appropriation; does not have the force of law as an Act does, but records the sense of the two houses concurrently; requires only one reading and adoption in each House.

"Act "

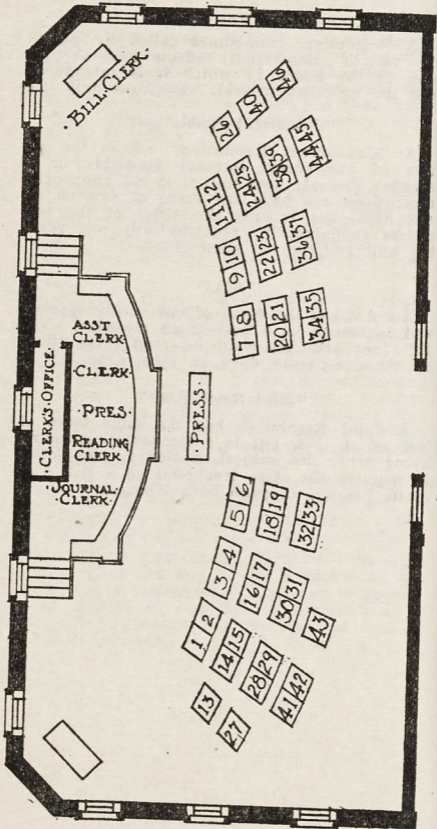

An Act has the force of law until repealed, and is known as a permanent measure. The Bill for such Act must be read three times on three separate days in each house.

"Joint Resolution "

A Joint Resolution has the same force of law as an Act, but is a temporary measure, dying when its subject matter is completed. It requires the same treatment as a Bill does in its passage through both Houses.

“When the Constitution speaks of ‘two-thirds of that House’ as the vote required to pass a bill or joint resolution over the veto of the Governor, it means two-thirds of the house as then legally constituted and acting upon the matter. Whenever the framers of the Constitution intended otherwise, the purpose was expressly declared, as in Art. XV, Sec. 1, ‘a vote of two-thirds of all members elected shall be required for an impeachment,’ and in Art. XVI, Sec. 1, where, in proposing amendments to the Constitution, ‘two-thirds of the members elected to each house’ must agree thereto.” *Smith v. Jennings*, 67 S. C., page 328.

RULES OF THE SENATE.

Adopted January 13, 1925.

RULE 1.**TIME OF MEETING.**

The Senate, on the first day of a session, shall convene at 12 o'clock m., and, on adjournment, shall stand adjourned until 12 o'clock m. of the following day, Sunday excepted, unless otherwise ordered by a majority vote of the members present.

RULE 2.**ATTENDANCE, DUTIES AND OBLIGATIONS OF SENATORS—QUORUM.**

Any member or officer of the Senate who shall absent himself from the service of the Senate, without leave of the Senate first obtained, shall forfeit his pay while so absent; and in case a less number than a quorum of the Senate shall convene, they are hereby authorized to send the Sergeant-at-Arms or any person or persons by them authorized for any or all absent members, as the majority of such members present shall agree, at the expense of such absent members, respectively, unless such excuse for non-attendance shall be made as the Senate, when a quorum is convened, shall deem good and sufficient; and in that case the expense shall be included in the contingent expenses of the Senate. This rule shall apply as well to the first convention of the Senate, at the legal time of meeting, as to each day of the session after the hour to which the Senate stood adjourned has arrived.

If at any time during the daily session of the Senate it is ascertained that there is not a quorum present, no business shall be in order except a call of the Senate, an order to send for absentees, or a motion to adjourn until a quorum shall be present.

RULE 3.**READING OF JOURNAL.**

The President having taken the chair, and a quorum being present, the Journal of the

preceding day shall be read, unless the reading is dispensed with by a vote of the Senate, to the end that any mistakes that may be made in the entries shall be corrected.

RULE 4.

DECORUM OF SENATORS.

When the President is in the chair, no Senator shall pass him with his head covered, nor shall any Senator pass between the President and a Senator who is speaking.

RULE 5.

WHICH SENATOR ENTITLED TO FLOOR.

When two or more Senators rise to speak at the same time, the Senator who first addresses the President shall have the floor and the President shall so announce it.

RULE 6.

SENATORS SHALL ADDRESS PRESIDENT.

Every Senator, when speaking, shall address the President, standing in his place and when he has finished shall take his seat.

RULE 7.

QUESTIONS OF ORDER—APPEAL FROM PRESIDENT'S DECISION.

If any Senator, in speaking or otherwise, transgress the Rules of the Senate, the presiding officer shall, or any member may, call him to order; and when a member shall be called to order by the President or a Senator, he shall sit down, and shall not proceed without leave of the Senate; and every question of order shall be decided by the President, without debate, subject to an appeal to the Senate; and the President may call for the sense of the Senate on any question of order.

RULE 8.

MAY SPEAK TWICE IN ONE DEBATE.

No Senator shall speak more than twice in any one debate, on the same day, without leave of the Senate.

RULE 11.

MOTION NOT DEBATABLE UNTIL SECONDED.

No motion shall be debated until the same shall have been seconded.

RULE 12.

WRITING AND WITHDRAWAL OF MOTIONS.
MOTION TO RECONSIDER.

When a motion shall have been made and seconded, it shall be reduced to writing, if desired by the President or any member, delivered in at the table and read before the same shall be debated; and any motion may be withdrawn by the mover at any time before a decision, amendment or ordering of the yeas and nays, except a motion to reconsider, which shall have gone out of the possession of the Senate.

And no motion for the reconsideration of any vote shall be in order after the matter shall have gone out of the possession of the Senate, nor shall any motion to reconsider be in order unless made on the same day on which the vote was taken, or within the next two days of the actual session of the Senate thereafter, and by a Senator voting with the prevailing side.

RULE 13.

MOTIONS TO ADJOURN, TO TABLE.

Motions to adjourn and to lay on the table shall be decided without debate.

RULES OF THE HOUSE OF REPRESENTATIVES

As Adopted January 13, 1924, with amendments thereafter.

RULE 1.

DAILY SESSIONS—CALLING HOUSE TO ORDER—QUORUM.

The hour to which the House shall stand adjourned every day shall be 10 o'clock a. m. of the succeeding day (except Saturday, when the House shall stand adjourned to 12 o'clock on the succeeding Monday), unless otherwise ordered by the House.

At the hour to which the House shall stand adjourned on any day the Clerk shall call the roll, and immediately thereafter the Speaker shall take the chair and call the members to order.

If a quorum be present, the Journal of the proceedings of the preceding day shall be read, and corrected, if necessary. If a quorum then or at any other time be not present, the members present, if twenty or more, may send for the absent members; and all questions as to expenses on further proceedings against such absent members shall be determined when a quorum shall be present.

RULE 2.

DECORUM OF MEMBERS.

When the House is called to order, every member shall take his seat, and shall, during the sitting, act with decorum becoming a gentleman. The members may keep on their hats while actually sitting in their respective seats, but at all other times they shall be uncovered (except such as shall be conscientiously restrained from uncovering their heads).

RULE 3.

MEMBERS MAY BE CALLED TO ORDER.

The Speaker shall preserve order and decorum. If any member, in speaking or otherwise, transgress the Rules of the House or

Parliamentary Law, as practiced or recognized by the House, the Speaker shall, or any member may, call him to order.

RULE 4.

PROCEDURE WHEN MEMBER CALLED TO ORDER.

If a member shall be called to order while speaking, he shall immediately take his seat until the question of order be decided, unless allowed to proceed upon explanation. If the decision be in favor of the member, he shall proceed; if otherwise, he shall not proceed without leave of the House; and, if the case require it, he shall be liable to such other proceedings as the House may take.

RULE 5.

CHAIR TO DECIDE QUESTION OF ORDER.

If one member on the floor call another to order for words spoken, the exceptionable words shall be taken down in writing by the member objecting, then read, admitted, denied or explained, by the member who spoke, and handed to the Chair, upon which the question of order shall be decided, and proceedings had as provided in the Fourth Rule.

RULE 6.

MEMBERS NAMED FOR DISORDER TO WITHDRAW.

If, in any manner, repeated cries of order shall not produce order, the Speaker may call by his name any member obstinately persisting in irregularity; whereupon, if the Speaker deem it necessary, he shall state the offense committed. The member may be heard in his exculpation and shall withdraw, and the House shall consider of the punishment to be inflicted, or further proceeding to be had.

RULE 7.

GALLERY OR LOBBY MAY BE CLEARED—CONTEMPT PROCEEDINGS.

In case of any disturbance or disorderly conduct in the gallery or lobby, the Speaker or Chairman of the Committee of the Whole shall have power to order the place to be cleared, or any member may move for such order; and any person guilty of a contempt

of the House may be ordered into custody by the House, and dealt with as may by it be deemed proper.

RULE 8.

MEMBER MAY APPEAL FROM DECISION.

All questions of order shall be determined by the Speaker in the first instance without debate, or with such debate as the Speaker, at his discretion may permit; but any member may appeal to the House from the decision of the Speaker, on which appeal no member shall speak more than once without leave of the House.

RULE 9.

SPEAKER MAY INFORM BUT NOT DEBATE.

The Speaker may give information or explain any matter before the House; he may speak on points of order in preference to other members, and as often as he may deem necessary; but he shall not enter into any debate or endeavor to influence any question before the House.

RULE 10.

DECORUM WHEN SPEAKING.

Every member, when about to speak, shall rise from his seat and respectfully address himself to "Mr. Speaker," and, in speaking, shall avoid disrespect to the House or to the Senate, and all personalities; and he shall confine himself to the question under consideration.

RULE 11.

WHEN MEMBERS ADDRESS THE SPEAKER.

The Speaker, when addressed by a member who rises in order, shall name the member, using no title but that of "Mr." The member who shall rise first in order shall be first heard; and if several rise about the same time, the Speaker shall decide who was first up.

RULE 12.

MEMBERS MAY SPEAK NOT MORE THAN TWICE ON SAME PARLIAMENTARY QUESTION.

No member shall speak more than twice to the same question without leave of the House,

except merely to explain his meaning, even if the debate on the question should be continued for many days.

RULE 13.

PENALTY FOR ABSENCE WITHOUT LEAVE.

If any member shall absent himself without leave, he may be sent for and made to pay expenses, and kept in custody, at the discretion of the House.

RULE 14.

CALL OF THE HOUSE.

Upon a call of the House being ordered, the Clerk shall call the roll of members and note the absentees; the names of the absentees shall then be called over at such intervals and as often as the House may direct; proclamation may be made and messengers sent to require the attendance of members; and, if the House shall not dispense with further proceedings, the doors may be closed; absentees (for whom no sufficient excuse is made) may be taken into custody as they appear, or they may be sent for and taken into custody wherever to be found, and each detained in custody and made to pay fees, at the discretion of the House.

RULE 15.

FEEES OF HOUSE MESSENGER.

The fees of the regular messenger, or of any special messenger, to be appointed by the House, shall be two dollars for any arrest; for each day's custody and for the discharge, one dollar; for traveling expenses, going and returning, ten cents a mile.

RULE 16.

SPEAKER TO APPOINT COMMITTEES.

All Committees shall be appointed by the Speaker, unless otherwise specially directed by the House, in which case they shall be elected by a *viva voce* vote.

The Speaker, in appointing the several Committees, shall name the members constituting said Committees in alphabetical order, and the Chairmen shall be elected by the several Committees.

And the Committee may at its discretion elect a Vice Chairman.

RULE 19.

WHEN COMMITTEE MAY BE CHANGED.

After a Committee has been appointed no addition to it or change shall be made, on motion, except to fill a vacancy or excuse a member.

RULE 20.

ELIGIBILITY OF MEMBERS OF COMMITTEES.

No member shall be appointed on a Committee before he shall have been sworn and have taken his seat. Any member who shall be sworn after the general announcement of the Committees shall, within a few days afterward, be placed by the Speaker on one or more Standing Committees, even although the number of the Committee should thereby be extended beyond the regular number.

RULE 21.

ATTENDANCE AT COMMITTEE MEETINGS.

A majority of a Committee shall, when assembled, constitute a quorum for business. If the members fail, to the probable delay or neglect of business, to form a quorum, upon the summons of the Chairman, or if individual members frequently fail to attend the meetings of the Committee, the Chairman shall report the delinquency to the House, which shall in its discretion, take order for the censure of the delinquents, or other suitable proceeding.

RULE 22.

SITTINGS OF COMMITTEES.

No Committee, without special leave, shall sit during the sitting of the House, except that the Committee on Engrossed Bills, the Committee on Enrolled Acts, and any Committee of Free Conference, may sit at any time, and may report at any time when a message might be received. All Committees shall have leave to report by Bill or otherwise.

RULE 23.

DIVISION VOTE OF HOUSE.

If, upon a question taken by acclamation, the Speaker doubts, or a division be called for, the House shall divide by those in the

affirmative first rising from their seats, then those in the negative. If the Speaker still doubts, or a count be required, the Speaker shall name one member from each side to tell the numbers in the affirmative and those in the negative, and from their report shall state the decision.

RULE 24.

WHEN AYES AND NOES SHALL BE ORDERED.

Upon any question, at the request of any ten members, who may signify their request by rising, the ayes and noes shall be ordered; whereupon, at the decision, the Clerk shall call the roll and take the names of all who vote aye, and all who vote no, which he shall enter on the Journal.

RULE 25.

PROCEEDINGS GOVERNING AYES AND NOES.

When a question is to be taken by ayes and noes, after the House is ready for the question, and the same has been stated, and the first response has been made to the Clerk's call, the debate shall cease, the Doorkeeper shall close the door and keep it closed until the decision shall have been announced by the Speaker.

After the door has been thus closed, no member, when called by the Clerk, shall say more than "aye" or "no." Every member who may be in the House when called shall (unless the House shall have before excused him from voting on the question), give his vote under the penalty of such proceeding as the House may, after decision, in its discretion, adopt to punish his contempt.

No member shall, under any circumstances, be permitted to vote after the decision shall have been announced by the Chair. After the decision of the question, a member absent may be permitted to record the vote he would have given if present, but such vote shall not affect the previous question.

RULE 26.

WHEN MEMBER SHALL NOT VOTE.

No member shall vote on any question of a private nature in the event of which he is personally or pecuniarily interested.

RULE 27.

SPEAKER TO VOTE LAST—EQUAL VOTE
REJECTS THE QUESTION.

The Speaker shall vote in all cases (except when he may be personally or pecuniarily interested or shall be excused), his name being called last in the ayes and noes. If with his vote the House be equally divided, the question shall be decided in the negative.

RULE 28.

WHEN DEBATE IS IN ORDER.

No motion shall be debated until it shall have been seconded and stated by the Speaker. When moved and seconded, any motion shall, if desired by the Speaker or any other member, be reduced to writing, and delivered in at the table and read, before it shall be debated.

RULE 29.

MOVER MAY WITHDRAW QUESTION.

The mover may withdraw any question or proposition before an amendment or decision, except a demand for the ayes and noes, after the same has been ordered.

RULE 30.

NO NOTICE REQUIRED TO INTRODUCE BILL.

No notice shall be required of a member of his intention to introduce a Bill.

RULE 31.

HOW PAPERS MUST BE ENDORSED.—TITLES
AND TEXTS OF BILLS TO AMEND STATUTES.

Every Bill, before presentation, shall have its title endorsed; every report, its title at length; every petition, memorial or other paper, its prayer or substance; and, in every instance, the name of the member presenting any paper shall be endorsed, and the papers shall be presented by the member to the Speaker at the desk.

And every Bill or Joint Resolution which shall propose the amendment or repeal of any Section, Chapter or Title of the General Statutes, or of any Act of Assembly or Joint

Resolution, shall, in its title, express the subject matter of such Section, Chapter, Title, Act or Joint Resolution, so sought to be amended or repealed. If this be not complied with, the paper shall not be received by the Speaker.

Every Bill or Joint Resolution proposing to amend any Section or Sections of any Chapter of the General Statutes, or of any Act of Assembly or Joint Resolution, shall give the full text of the said Section or Sections as it or they would read with such amendment or amendments inserted therein. And if this latter clause of this Rule be not complied with, the Bill or Joint Resolution shall be amended so as to conform to this Rule before it be considered by the House.

RULE 32.

HOUSE MAY DECLINE TO RECEIVE ANY QUESTION.

When any motion or proposition shall be made, before any debate or order on the subject, the Speaker, at his pleasure, may, or, upon the demand of any member, shall, put the question:

"Will the House now receive this?" which question shall be decided without debate; and if it be decided in the negative, the matter shall be as if not presented and shall not again be presented that day. If no such question be put, the matter, if in order, shall be received without question. In like manner, upon any petition, or other paper, the question of receiving may be made, but otherwise, it shall be received and disposed of.

RULE 33.

DILATORY MOTION NOT ENTERTAINED.

No dilatory motion shall be entertained by the Speaker.

RULE 34.

SUSPENSION OF QUESTION OR SPEECH.

A question before the House shall be suspended:

1. A message.
2. Report of the Committee on Engrossed Bills, but Bills reported by said Committee shall only be read as provided in subsequent Rules.

3. A Report of the Committee on Enrolled Acts.

4. A Report of a Committee of Free Conference.

5. A question of order.

6. A question of privilege.

7. A question of taking a recess.

8. Any other incidental question, such as of reading papers, dividing a question, withdrawing a motion, excusing a member from voting, or the like;

of which the seven first named may suspend even a speech: Provided, That the seventh, if once negatived, be not received during the same speech without the assent of the member speaking.

RULE 35.

DEBATE MAY BE INTERRUPTED.

When a question is under debate, no motion beside those mentioned in the next preceding Rule shall be received, except:

1. To adjourn.

2. To continue.

3. To lay on the table.

4. For the previous question.

5. To postpone indefinitely, or to a day beyond the session.

6. To adjourn the debate to a certain day within the session.

7. To commit or recommit.

8. To amend.

which several motions shall have precedence in the order in which they are here arranged, and of these the first and second may be permitted to interrupt a speech; subject to provisions contained in subsequent Rules.*

[Speaker's Ruling: At the 1919 session Speaker Cothran ruled that a motion to adjourn to a day beyond the session is not in order. See House Journal, page 771.]

RULE 36.

PRECEDENCE OF MOTIONS.

A motion to strike out the enacting words of a Bill, or resolving words of a Resolution, shall have precedence of a motion to amend, and, if carried, shall be considered as equivalent to rejection.

*See Rules 41, 42.

RULE 37.

HOW BLANKS SHALL BE FILLED.

In filling a blank with any number or date, the largest number and the shortest date proposed shall be first put.

RULE 38.

ORDER OF REFERENCE TO COMMITTEES.

When a motion to refer shall be made, and different Committees be named, the question shall be taken in the following order, viz: The Committee of the Whole, Standing Committee, a Select Committee.

RULE 39.

QUESTION FIRST MOVED TO BE PUT FIRST.

Subject to the exceptions contained in the five Rules next preceding, the question first moved shall be put first.

RULE 40.

DIVISION OF A QUESTION.

Any member may, without debate, call for the division of a question, and the House may divide it if it shall appear to comprehend the question so distinct that, one being taken away, the rest may stand entire for decision. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not be deemed equivalent to agreement, nor shall it preclude either amendment or a motion to strike out and insert.

RULE 41.

NON-DEBATABLE MOTIONS.

Motions to:

Adjourn

Take a recess

Continue

Lay on the table

Take up from the table

Take up any matters in the orders of the day not regularly reached

Proceed to the orders of the day

Discharge, lay aside for the day, depart from, or suspend the orders.

Postpone indefinitely, or to a day beyond the session

Adjourn a debate

shall be decided without debate; after such short conversations as the Speaker may permit.

No motion to:

Lay on the table

Postpone or adjourn a debate

Proceed to general orders of the day; or to

Commit

having been negatived, shall be again allowed at the same stage of the Bill or proposition within one hour of the time when the question was before negatived.

RULE 42.

MOTION TO ADJOURN AND TO RECESS.

Motions for adjournment shall always be in order, except whilst the House is actually engaged in deciding a question by ayes and noes, or in voting *viva voce*, or in balloting; but a motion to adjourn, or to take a recess, having been negatived, no new motion to adjourn, or take a recess, shall be in order until fifteen minutes shall have elapsed from the decision of the former motion.

RULE 43.

INDEFINITE POSTPONEMENT.

Indefinite postponement shall dispose of the question for the session.

RULE 44.

MOTION TO RECONSIDER.

When a question shall have been once decided in the affirmative or negative, any member who voted with the prevailing side may, on the same day or the next day of the sitting of the House, move for a reconsideration thereof; and if the House shall refuse to reconsider, or, upon reconsideration, shall affirm its first decision, no further motion shall be in order except by unanimous consent.

Provided, That the Bill, Resolution, Message, Report, Amendment, Motion, or the paper upon which the vote was taken shall not

have gone out of the possession of the House announcing the former decision.

A motion to reconsider may be laid on the table without affecting the question with reference to which the same is made; and if such motion be laid on the table, it shall be deemed a final disposition of the motion.

RULE 45.

PROCEDURE ON FIRST READING.

The first reading of a Bill shall be for information. No amendment shall then be in order. If opposition be then made to the Bill, the question shall be: "Shall this Bill be rejected?" If no opposition be made, or if the question to reject be lost, the Bill shall be referred to some Committee, unless the House unanimously agree, without debate, to dispense with reference.

RULE 46.

FIRST READING BY TITLE ONLY.

Bills shall be read by their title only as a first reading unless the reading of the entire Bill is called for by ten members.

RULE 47.

SECOND READING OF BILL.

The second reading of a Bill shall be Section by Section, and line by line, and word by word—recurrence not being allowed, unless by leave of the House, upon motion, without debate. After the Bill shall have been read, and all amendments and privileged motions (if any) disposed of, the question shall be: "Shall this Bill be ordered to a third reading?" Upon a decision in the affirmative, the order shall be made accordingly. A decision in the negative shall be a rejection.

RULE 48.

THIRD READING OF BILL.

At the third reading of a Bill, the Bill shall be read by its title only, without question, unless the reading of the entire Bill be called for by ten or more members.

If the Bill originated in the House, the question then shall be: "Shall this Bill pass

and be ordered to be sent to the Senate?" A decision in the negative shall be a rejection. Upon a decision in the affirmative, the order shall be made without question.

In the case of a Bill which originated in the Senate (if no amendment has been made by the House), the question shall be: "Shall this Bill pass, the title thereof be changed to an Act, and be ordered enrolled?"

If the Bill has been amended in the House, the question shall be: "Shall this Bill pass and be ordered to be returned to the Senate with amendments?" A decision in the negative shall be a rejection. Upon a decision in the affirmative, the order shall be made without question.

RULE 49.

HOUSE BILL AMENDED BY SENATE.

A Bill which originated in the House having been returned from the Senate, with amendments, the Speaker shall call the attention of the House to such amendment. The question then shall be: "Will the House agree to the Senate amendment?" A decision in the negative shall be a rejection. Upon a decision in the affirmative, the title of the Bill shall be changed to an Act, and ordered to be enrolled.

[Speaker's Ruling: At the 1919 session Speaker Cothran ruled that Rule 49 simply declares the *pending question*; and that as such it is subject to a motion to postpone to a day beyond the session or to a motion to adjourn debate to a certain day within the session; also that the House can amend the Senate amendment and return the Bill to the Senate.]

RULE 50.

AMENDMENTS ON THIRD READING.

At the third reading of a Bill, no order or amendment shall be permitted without unanimous consent, except that the Chairman of the Committee on Ways and Means may (if he shall have given notice at the second reading of his intention to offer amendments at the third) be permitted to offer amendments to any Bill to raise supplies or to make appropriations, such as may be pertinent to the Bill; and,

Provided that the House may, in its discretion, commit or recommit any Bill at its third reading; and in such case there shall

go with the Bill to the Committee any amendments which any member, at the second reading, may have given written notice of his intention to offer at the third reading; and after the report of the Committee any amendment which it shall recommend may be adopted.

RULE 51.

NO THIRD READING ON FINAL DAY.

No bill shall be read, a third time on the day fixed for the adjournment of the General Assembly.

RULE 52.

BILLS TO BE PRINTED.

All Bills reported by a Committee shall of course, be printed, together with the report of the Committee, unless the House shall specially dispense with printing. The Standing Committees may order to be printed, for their use, such papers as shall be referred to them.

RULE 53.

PRINTED BILLS TO BE ON DESKS ONE DAY PREVIOUS TO SECOND READING.

No Bill or Joint Resolution shall receive a second reading unless printed copies of the same shall have been laid on the desks of members at least one day previous to such reading.

RULE 54.

MOTIONS TO COMMIT AND RECOMMIT.

Any Bill, Report, Petition, or other paper which may come before the House, may be committed or recommitted before a final decision thereon.

RULE 55.

SPEAKER MAY ORDER ENGROSSMENT.

The Speaker may, whenever he may think it necessary, order any Bill, after its second reading, or any Resolution, Report or other paper which has been under consideration, to be fairly engrossed.

RULE 56.

AMENDMENTS MUST BE PERTINENT.

No motion or proposition on a subject materially different from that under consideration shall be admitted under color of amendment; and no clause shall be admitted or intro-

duced into Bill which does not relate to the general objects of the Bill.

RULE 57.

SPECIAL AND GENERAL ORDERS.

Orders of the day shall be Special or General; Special, when a particular day, at a particular hour, may be specially appointed for a particular matter; General, when a matter is ordered for consideration or action on a day subsequent, without special reference given to it.

Any member may insist upon a Special Order of the Day, or other Special Orders, until it be discharged.

A General Order of the Day shall always require the special assent of the House before it be proceeded in or executed.

A Special Order, set for a certain day and hour or for a certain day and hour and from day to day until disposed of, not being considered by the House at the hour named, shall be transferred by the Clerk of the House to the Special Orders of the following day immediately after Third Reading Bills and from day to day until disposed of, in the chronological order of original appointment.

RULE 58.

CONSIDERATION OF MATTERS, IMMEDIATE AND DEFERRED—PRIORITY OF FREE CONFERENCE REPORT.

Every Bill which shall be ordered for a second reading, every Report of a Committee, and every original Resolution received from any member shall be ordered for consideration on the next day of sitting after the order, and shall be placed in its turn in the General Orders of the Day, and each paper in the General Orders shall have priority according to the date of the last order for consideration made upon it.

Except that the House may make a Special Order for the consideration of any subject on any day subsequent, or may agree to take up any matter in the Orders of the Day before it be reached in order*; or may

*[On Feb. 5, 1925, Speaker Brown ruled that this requires merely a majority vote, and that (contrary to the practice in the 1924 session) the objections of ten members, stated in the sentence following it; have no reference to matters on the Calendar.—The Clerk.]

consider any Report or Resolution on the day it may be submitted, provided ten members do not signify objections to doing so by rising when called on for that purpose, if a proposition so to consider be made to the House; and,

Except that a Bill reported by a Committee shall be read a first time, when the Report may be received and ordered for consideration along with the Bill; and that a Report made by the Committee on Privileges and Elections, on any question relating to elections, may be considered whenever the House may direct; and that a Report of the Committee of the Whole, or of the Committee on Engrossed Bills, or of the Committee on Enrolled Acts, or of a Committee of Free Conference, may be considered whenever the House shall direct.

Except that upon the question of the consideration of a report of a Committee of Free Conference, at the request of any ten members, who may signify their request by rising, the report of the Committee of Free Conference shall be printed in the Journal, and lie over for consideration on the next day of sitting after the presentation of report.

RULE 59.

MOTION TO CONTINUE.

When the General Orders of the Day have been taken up, any member may move to continue a matter, when called on the Calendar, to the next session; and if the House agree thereto, the matter shall be thereupon continued; and the Clerk of the House shall make up a Calendar of all the matter so continued, placing the same thereon in the order in which they have been continued, and at the ensuing session the continued matters shall be taken up and considered in the same stage in which they were when so continued; and matters ordered to be placed in the General Orders at the said ensuing session shall be placed there in turn, and have priority according to the last order for consideration made upon them, and the Calendar shall be proceeded in as hereinbefore provided.

A motion to continue shall have precedence of a motion to lay on the table and shall be decided after such short conversation as the Speaker may in his discretion permit.

RULE 60.

QUESTION OF PRIORITY NOT DEBATABLE.

All questions as to a priority of business, or as to the time when any matter shall be considered or ordered for consideration, and as to a departure from the regular order of business, shall be decided without debate.

RULE 61.

ORDER OF BUSINESS DAILY.

When the House shall not direct a different course, which, at any time, in any particular not forbidden by these Rules, it may do, the following order of business shall be enforced every day by the Speaker, unless departed from by the leave of the House:

1. After the reading of the Journal, the Speaker shall present to the House communications on the Speaker's table intended to give information to be referred; messages and papers from the Senate requiring immediate action, or not likely to lead to debate, including, of course, Reports from the House concurred in by the Senate and returned; Bills read three times in the Senate, and to be read a first time in the House; but the House may, at any other time, when no question is pending before the House, direct Bills read three times in the Senate and to be read a first time in the House to be read a first time; Reports from the Senate to be referred or laid on the table until Reports of the House on the same subject are to be considered; Bills to be committed to the Engrossing Committee.

2. The Speaker shall call, in alphabetical order of Counties, for petitions, memorials, presentments of grand juries, returns of commissioners, and such like papers, to be presented by members and disposed of, and Resolutions, Bills, or motions to be presented by individual members; the call each day to be resumed where interrupted the previous day. When the House, however, shall determine to dispense with the call of Counties, as provided in the last preceding clause, the Speaker shall call for petitions, memorials, presentments of grand juries, returns of commissioners, and such like papers, to be presented by members and disposed of, and Resolutions, Bills or motions to be presented by individual members.

3. The Speaker may, on any day, and shall on Tuesdays and Fridays, call for Reports of Committees; first, the Standing, then the Special Committees.

4. The Speaker shall present any message or papers from the Senate on subjects likely to produce division in the House, which, without hindrance of business, may be delayed until this time, and Bills requiring a third reading; but the House may at any other time, when no question is pending before the House, direct Bills requiring a third reading to be read a third time.

5. The House not ordering to the contrary, the orders of the day shall be taken up at a point where they were last interrupted, and be continued until the House adjourns, or directs these orders to be suspended or departed from for the purpose of taking up some other matter.

6. The orders of the day having been disposed of, or laid aside, and no special direction for other business having been given by the House, the Speaker shall call for motions to take up matters on the table.

7. That upon each legislative day the House shall, for a period of thirty minutes, if so much time be necessary, consider uncontested second and third reading Bills before considering special orders or other general orders. Upon this call a single objection shall prevent the consideration of the Bill. Such objection shall be made in the manner prescribed by Rule 10. It shall be entered upon the Calendar with the name of the member or members objecting and the Bill thereafter shall be deemed a contested Bill until the member or members objecting shall formally from the floor withdraw objection.

RULE 62.

TAKING UP MATTERS FROM THE TABLE.

A motion to take up any matter which lies on the table may be made either when the Speaker calls for motions or when he calls for motions to take up matters on the table, if the matter be such as should not properly be in the orders of the day.

But if the matter be such as has been in the orders of the day, or would regularly be placed there if not laid on the table, a motion

to take it up shall be made only when motions to take up matters on the table have been called for, except as follows:

At any time when no question is before the House, a motion to take up any matter on the table may be made by unanimous consent.

A motion to take up from the table any matter may be made whenever a subject with which it is proper to be considered is presented for consideration.

A motion may, at any time, when the House is not engaged upon another question, be made to take up a Bill, or other paper, for the purpose of placing it in the orders of the day, or of referring it, or of making an order relating to the printing of it.

At any time when the House is engaged in the orders of the day a motion may be made to take up any matter which, having been in the orders of the day, was laid on the table, when called for consideration in the course of the orders.

A motion to take up any matter on the table, or to take up any matter not reached in the orders of the day, having been negatived, shall not be renewed within one hour, if objection be made.

RULE 63.

CLERK TO PREPARE DAILY CALENDAR.

The Clerk of the House shall cause to be printed and laid on the tables of the members, every morning, the orders of the preceding day, arranged according to priority, and numbered from the commencement of the session, every matter being introduced and numbered anew after every new order upon it, and the substance of the order being summarily stated, as: "Bill, etc., ordered for a second reading"; "Report of Committee, etc., on Bill, etc., ordered for consideration"; "Report on Bill, etc., taken from the table and ordered for consideration."

RULE 64.

RESUMPTION OF INTERRUPTED DEBATE.

A debate interrupted by a simple adjournment shall afterwards be resumed at the point of interruption, as if debate had been formally adjourned. If the matter under debate be in the orders, general or special, it shall be first taken up when next the orders are taken up,

unless a special order to the contrary be made by the House.

If it be a matter not in the orders, it shall be taken up at the next meeting before any other question is presented, except incidental questions, and such matters on his table as the Speaker may think necessary to present, and such questions as the House may give special leave to be first presented.

In like manner, and with like exceptions, a matter interrupted by a call for the orders of the day shall, after the orders have been disposed of, or laid aside, and such matters as may be taken up from the table have been disposed of, or after adjournment, be resumed at the point of interruption, before any other question.

RULE 65.

WHEN MESSAGES MAY BE RECEIVED.

Messages may be received at any time whilst the door is open, except whilst a question is being put, or a ballot, or a *viva voce* vote is taken. A message shall be presented to the House by the Speaker when received, or afterwards, according to its nature, and the business in which the House is engaged; or its consideration may, on motion, be ordered by the House.

RULE 66.

DUTIES OF CLERK AND READING CLERK.

The Clerk, or Reading Clerk, as the Speaker may direct, shall prepare in writing, present to the Speaker for his signature, and send all messages to the Senate ordered by the House, unless a different form of sending any message be ordered by the Speaker of the House.

The Reading Clerk shall read all papers to be read at the desk, except the Journal, which shall be read by the Clerk of the House, which the Speaker may direct him to read, the Speaker being specially responsible that all amendments ordered by the House be correctly made, and that the attention of the House be called to all amendments made by the Senate since the matter was before the House.

The Clerk shall also be charged with the duty of having executed, in a prompt and accurate manner, all the printing required by the Rules or orders of the House.

RULE 67.

REPORTS TO BE MADE ON PETITIONS,
MEMORIALS AND SENATE REPORTS.

The prayer of no petition nor memoria shall be granted, nor shall any report from the Senate be concurred in, until there has been a report from a Committee of the House on the said petition or memorial, or on the said report of the Senate, or on the matter of the said report, unless the report of its committee shall be dispensed with by the House unanimously, without debate.

RULE 68.

CONTINGENT ACCOUNTS OF COUNTY OFFICERS.

No contingent account of any County officer shall be received by the House which does not come to the House through the Comptroller General.

RULE 69.

RULE 70.

CHAIRMAN COMMITTEE OF THE WHOLE.

In forming a Committee of the Whole, the Speaker shall leave the Chair and appoint a Chairman to preside over the Committee.

RULE 71.

RULES FOR COMMITTEE OF THE WHOLE.

The Rules of the House, so far as they may be applicable, shall be observed in a Committee of the Whole, the Chairman being substituted for the Speaker, except the Rule limiting the time of speaking on a debatable question; but no member of the Committee shall speak on the same question oftener than twice until every other member choosing to speak has spoken.

RULE 72.

AMENDMENTS BY COMMITTEES.

No Committee of the Whole, or other Committee, shall deface or interline a Bill or other paper referred to it, but shall report any amendments recommended on a separate paper, noting the page and line.

RULE 73.

SPEAKER PRO TEMPORE.

If inexpedient to elect on the opening day of the session, the Wednesday following the organization of the House, a Speaker *Pro Tempore* shall be elected, who shall preside in the absence of the Speaker. The Speaker in the absence of the Speaker *Pro Tempore*, or the Speaker *Pro Tempore*, may name a member to fill his place during occasional absences from the chair, but such substitute shall not extend beyond an adjournment.

In the absence of the Speaker and Speaker *Pro Tempore*, the House shall elect a Speaker *Pro Tempore* to serve until the return of the Speaker or Speaker *Pro Tempore*.

RULE 74.

PAY CERTIFICATES.

It shall be the duty of the Clerk to issue pay certificates to members for per diem and mileage, and to officers and employees when the two Houses shall have ordered the same by Concurrent Resolution, and for incidental expenses, upon the order of the House or of the Speaker, the signature of the Speaker being attested by the Clerk.

RULE 75.

TITLE OF MEMBERS.

No other title or addition except "Mr." shall be used by the Speaker or Clerk in calling the name of any member in the House.

RULE 76.

ADMISSION TO HALL—HATS.

No person not a member or officer of the House shall be admitted within the bar without the special leave of the House. Beside

All persons in the gallery or lobby shall be uncovered, and all persons not members of the House shall be uncovered whilst in the Hall.

The Doorkeepers and Messengers are charged with the enforcement of this Rule.

RULE 77.

TIME ALLOWED TO EXPLAIN VOTE.

No member having asked and obtained leave of the House to explain his vote on any question before the House shall be allowed more than ten minutes for such explanation.

RULE 78.

CHANGING OR SUSPENDING RULES.

None of the foregoing Rules shall be rescinded, suspended, or altered without the concurrence of two-thirds of the members present after one day's previous notice of motion to rescind, suspend, or alter, has been given (except Rule I), and such alteration, suspension, etc., shall only be made by written Resolution.

RULE 79.

PRECEDENT AND PARLIAMENTARY LAW.

In all particulars not determined by these Rules, or by the laws or Constitution of this State, or of the United States, the practice of this House shall conform to its previous usage or be guided by parliamentary law as it may be collected from the best authorities.

RULE 80.

ALLOTMENT OF SEATS.

As soon as practicable, after the House has been organized, the seats of the members shall be allotted as follows: The Clerk shall prepare a number of ballots, equal to the number of Counties, upon each of which shall be written or printed the name of a County. These shall be put into a hat or closed box, and, under the direction of the Speaker, shall be drawn out one by one by the youngest Page present. RULE 1.

READING OF BILL.

Every Bill shall receive three readings on three several days in the House in which it originates before it is sent to the other House.

RULE 2.

MESSAGES BETWEEN THE TWO HOUSES.

All messages between the two Houses must be in writing and numbered in regular sequence for each session, except that messages announcing the organization of either House, or its readiness to adjourn pursuant to Joint Resolution, may be communicated orally by the Clerk in person.

RULE 3.

PRESIDENT PRESIDES IN JOINT ASSEMBLY.

When the two Houses meet for any purpose, the President of the Senate shall preside and discharge the duties of the Joint Assembly.

RULE 4.

COMMITTEE OF FREE CONFERENCE.

Questions of disagreement between the two Houses shall be referred to Committees of Conference, as follows:

If the disagreement be upon a Resolution, Bill, or Report adopted by one House and sent to the other House for consideration, and it be proposed to amend such Resolution, Bill or Report, the House in possession of the paper will send a message to the other House containing the amendment proposed. If that House disagree to such amendment, it will return a message accordingly. If the House proposing the amendment still desires to urge it, it will send a message to the other House, insisting upon its amendment, and asking that a Committee of Free Conference may be appointed, at the same time naming its own Committee of Free Conference. This will be granted as of course. The Committee of Free Con-

ference shall meet in Joint Session and shall formulate and submit their report in writing to both Houses. If the Joint Committee of Free Conference fail to agree upon any plan of settlement, or their Report be not concurred in by both Houses, the Resolution, Bill, or Report shall be lost.

RULE 5.

NOTICE OF REJECTION TO BE SENT.

When a Bill or Resolution or any other matter which shall have passed in one House is rejected in the other, notice thereof shall be given to that House in which the same shall have passed.

RULE 6.

PAPERS TO BE INCLUDED WITH BILL.

Each House shall transmit to the other all papers upon which any Bill or Resolution or Report sent to it for consideration shall have passed.

RULE 7.

RATIFICATION OF ACTS.

All Bills that have been read three times in each House and have been duly engrossed and become Acts, shall be returned into the possession of the Clerk of that House in which the Bills originated. A day for the ratification thereof in the Senate Chamber shall be fixed by a message between the two Houses. At the time appointed, the Speaker of the House, attended by the Clerk of the House and Sergeant-at-Arms, in the official costume, with the members of the House, shall repair to the Senate Chamber, the Clerk of the House taking with him the House Acts which are to be ratified. The Senate, with its officers, shall duly receive the House and its officers, the Clerk of the Senate having in his possession the Senate Acts which are to be ratified. Whereupon the President of the Senate and Speaker of the House shall interchangeably sign and present to each other the Acts from their respective Houses by their respective titles; and when they are all signed and ratified, they shall be left with the Clerk of the

Senate, and the Speaker, with the House and its officers, shall retire to the Hall of the House. The Clerk of the Senate shall forthwith deliver the said Acts to the Governor for his action, making a note on each Act of the day and hour of its delivery.

RULE 8.

CLAIMS.

The Report of the Comptroller-General to the General Assembly on Claims, filed in his office, required by Section 5 of an Act entitled "An Act to prescribe and regulate the introduction of measures relating to private interests and the conduct of the same in the progress thereof," approved December 26, A. D. 1885, shall be referred to the Committee on Claims of the two Houses, who shall examine the same and hear any parties desiring to be heard in reference to any claim therein mentioned, and report back to their respective Houses the result of such examination for the final action of the General Assembly.

RULE 9.

MEASURES OF PRIVATE INTEREST.

That no measures relating to private interest shall be introduced into the General Assembly, except in strict conformity to the provisions of an Act entitled "An Act to prescribe and regulate the introduction in the General Assembly of measures relating to private interest, and the conduct of the same in progress thereof," approved December 26, 1885, and the conduct of such measures in their progress through the General Assembly shall be regulated by the terms and requirements of the said Act.

RULE 10.

VOTING IN JOINT ASSEMBLY.

In a Joint Assembly, when a vote is being taken, no member may change his vote after it has been announced and recorded, but a member who did not vote when his name was called, may do so before the result has been duly announced.

That in all elections held by the Joint Assembly nominations to fill the vacancies shall be called for by the presiding officer,

and no member shall second any of the nominations until the presiding officer shall declare that "it appears to the Chair that no further nominations are to be made."

Seconds to nominations will then be in order until the motion to "proceed to ballot" is made and adopted. No nomination or seconding speeches will be allowed unless by previously arranged Concurrent Resolutions providing for such.

Should there be but one nomination to fill any one vacancy, it shall be permissible to elect and declare the election by *viva voce* vote.

In elections where there are more nominations than there are vacancies, there shall be appointed on behalf of the Senate by the President of the Senate two Senators and the Assistant Clerk of the Senate, and by the Speaker of the House of Representatives two Representatives and the Assistant Clerk of the House of Representatives, who shall serve as tellers for the pending election. The Clerks of the respective House shall call the respective rolls.

CONFEDERATE MONUMENT

Located on north plaza of State House.
"Erected by the Women of South Carolina
to South Carolina's Dead of the Confed-
erate Army, 1861-1865."

Historical.

Erected by S. C. Monument Association, organized in Columbia Nov. 4, 1869. Owing to the government being in the hands of carpetbaggers and Africans, no attempt then made to use State House grounds or city street. Spot on Taylor (Arsenal) Hill, overlooking Sydney Park, bought, and contract made in July, 1873, with architects Muldoon, Walton & Cobb, of Kentucky. Granite for foundation and base given by Judge John S. Green, from his quarry on Congaree.

As foundation was laid quicksand was struck. Directors of Elmwood Cemetery gave spot on crest of hill at entrance to cemetery, and work again started there. In 1875 the marble shaft and statue, wrought in Italy, from famous Carrara quarries, was received, but work stopped for lack of funds.

In 1878, alien rule having been overthrown, Legislature granted a spot on State House grounds and appropriated \$650 to move base from Elmwood. Cornerstone laid March 27, 1879, and work finished on Memorial Day, May 10, 1879, the site being near the eastern end of State House, about 60 feet from front wall, and about 100 feet from present location.

Monument unveiled May 13, 1879. Oration of surpassing beauty and eloquence delivered by the foremost orator of the South, John S. Preston, of Columbia.

Total expenses of the work were \$11,761, collected by the women.

The Monument when first erected was 40 feet in height, base to top. The surmounting statue is a Confederate infantryman, seven feet and three inches high, on guard. On front of

shaft is a Palmetto tree. On east side of the die block are navy emblems, and artillery emblems on the west.

(The foregoing facts were obtained from an official pamphlet by Miss Isabel D. Martin, of Columbia, recording secretary of the association, published in 1879.)

The Monument was struck by lightning several times, the last stroke, on Thursday, June 22, 1882, about 5 o'clock p. m., demolishing the figure. The original contractors were reemployed by the Association. On April 5, 1884, the old base was removed to the present better and more conspicuous position, and on April 23 the cornerstone was laid, for the third time, with Masonic ceremonies.

On May 9, 1884, the new statue (chiseled by Nicoli, of Carrara, "one of the finest sculptors in all Italy") was placed on the pedestal. The Columbia Flying Artillery fired a salute and ladies garlanded the base with flowers.

Col. J. C. Hemphill wrote of it in the *News and Courier* at that time: "The new monument is fully as handsome as the first, but different in several details. The soldier's hat has a broader rim, the canteen is different, the soldier's face is almost unchanged. The base of the monument has been raised about 18 inches and the effect of this change is good."

Mrs. A. T. Dargan, of Columbia, the only surviving member of the board of directors, informed the author that, in point of manly strength and beauty, the new face and figure are not the equal of the original.

THE INSCRIPTION

was prepared at the request of the directors of the association by William Henry Trescot, of Charleston, the most brilliant prose stylist of the South. His wonderful composition has been termed, by a noted scholar, "deathless poetry that may outlast the stone and marble of the monument itself."

Although Mr. Trescot wrote lines for three faces of the die block, only two faces were available for engraving, and he accordingly designated the following (which is an exact copy of the lines as they appear on the monument) to be used:

North Side.

THIS MONUMENT
 ENDURE FOREVER.
 PERPETUATES THE MEMORY,
 OF THOSE WHO
 TRUE TO THE INSTINCTS OF THEIR BIRTH,
 FAITHFUL TO THE TEACHINGS OF THEIR
 FATHERS,
 CONSTANT IN THEIR LOVE FOR THE STATE,
 DIED IN THE PERFORMANCE OF THEIR DUTY.
 WHO
 HAVE GLORIFIED A FALLEN CAUSE
 BY THE SIMPLE MANHOOD OF THEIR LIVES,
 THE PATIENT ENDURANCE OF SUFFERING,
 AND THE HEROISM OF DEATH,
 AND WHO,
 IN THE DARK HOURS OF IMPRISONMENT,
 IN THE HOPELESSNESS OF THE HOSPITAL,
 IN THE SHORT, SHARP AGONY OF THE FIELD,
 FOUND SUPPORT AND CONSOLATION
 IN THE BELIEF
 THAT AT HOME THEY WOULD NOT BE
 FORGOTTEN.

South Side

LET THE STRANGER,
 WHO MAY IN FUTURE TIMES
 READ THIS INSCRIPTION,
 RECOGNIZE THAT THESE WERE MEN
 WHOM POWER COULD NOT CORRUPT,
 WHOM DEATH COULD NOT TERRIFY,
 WHOM DEFEAT COULD NOT DISHONOR.
 AND LET THEIR VIRTUES PLEAD
 FOR JUST JUDGMENT
 OF THE CAUSE IN WHICH THEY PERISHED.
 OF ANOTHER GENERATION
 LET THE SOUTH CAROLINIAN
 REMEMBER
 THAT THE STATE TAUGHT THEM
 HOW TO LIVE AND HOW TO DIE,
 AND THAT FROM HER BROKEN FORTUNES
 SHE HAS PRESERVED FOR HER CHILDREN
 THE PRICELESS TREASURE OF THEIR MEMORIES,
 TEACHING ALL WHO MAY CLAIM
 THE SAME BIRTHRIGHT
 THAT TRUTH, COURAGE AND PATRIOTISM

"WOMEN'S MONUMENT."

Located just below South entrance to State House. "To the Memory of the Women of the Confederacy, 1861-65. Reared by the Men of their State, 1909-11."

Historical

Erected by Women's Monument Commission. Wilson & Sompayrac, of Columbia, architects; Frederick W. Ruckstul, of New York, sculptor.

The Base is of one solid 28,000-lb. block of Winnsboro granite, pronounced by Ruckstul as "one of the finest in the world," "on the finest site for a monument in South Carolina." The sculptor's effort was to honor the great middle class at the end of the war, with the central figure that of a woman of about 40 years. The monument is partly realistic and partly symbolic.

In 1909 the Legislature passed Maj. John G. Richard's Bill appropriating \$7,500, on condition that an equal sum be raised by voluntary contributions from the males. Five months and 21 days thereafter the Columbia State announced it had raised \$11,000.

The monument was unveiled at 1:22 o'clock p. m. on April 11, 1912. Gen. C. Irvine Walker, Chairman of the Commission, delivered it into the keeping of the United Daughters and Sons of the Confederacy and the address of acceptance was made by Arthur L. Gaston, of Chester, Commander of the Sons of Confederate Veterans.

The oration by Joseph W. Barnwell, a distinguished lawyer of Charleston (a member of the corps of Citadel cadets who volunteered for the war), was a notable panegyric.

Gen. Eli Torrance, of Minneapolis, formerly commander-in-chief of the Grand Army of the Republic, sent two beautiful wreaths.

THE INSCRIPTION.

The Committee conducted a contest for the honor of writing the inscription. From the large number of compositions that came from various States, unsigned but numbered, the following, submitted by Capt. William E. Gonzales, editor of the *Columbia State*, was selected (exactly as it appears on the monument):

East Side

IN THIS MONUMENT
 GENERATIONS UNBORN SHALL HEAR THE VOICE
 OF A GRATEFUL PEOPLE
 TESTIFYING TO THE SUBLIME DEVOTION
 OF THE WOMEN OF SOUTH CAROLINA
 IN THEIR COUNTRY'S NEED.
 THEIR UNCONQUERABLE SPIRIT

 THEIR TENDER CARE WAS SOLACE TO THE

 REVERENCE FOR GOD
 AND UNFALTERING FAITH IN A RIGHTEOUS

 INSPIRED HEROISM THAT SURVIVED
 THE IMMOLATION OF SONS
 AND COURAGE THAT BORE THE AGONY OF

 THE TRAGEDY OF THE CONFEDERACY MAY

THE STATE FLOWER

THE YELLOW JESSAMINE

Officially Adopted by the General Assembly
on February 1, 1924 upon the Report of
a Select Legislative Commission consist-
ing of Senator T. B. Butler, of Gaffney,
and Representatives G. B. Ellison, of
Columbia, and T. S. Heyward, of Bluffton.

"As fair as Southern Chivalry,
As pure as truth, and shaped like stars.

* * * *

"No flower that blooms holds such perfume,
As kindness and sympathy won.

Wherever there grows the sheltering pine
Is clinging a Yellow Jessamine vine."

(From "Legend of the Yellow Jessamine,"
by Mrs. Teresa Strickland, of Anderson, S. C.,
when this flower was made the emblem of
Dixie Chapter, U. D. C., about 1906.)

The "Carolina, or Yellow Jessamine" is
defined by the New International Encyclo-
paedia as "a climbing plant which grows
upon trees and fences and bears a profusion of
yellow, funnel-shaped flowers an inch in di-
ameter, with a fragrance similar to that of
the true Jasmine." Its odor on a damp even-
ing or morning fills the atmosphere with a
rare and delicate sweetness.

EMBLEMS OF LEGISLATIVE AUTHORITY.

Facts concerning the Sword of State and the Mace used in the Senate and the House, respectively.

The Sword of State.

This sword hangs from the front of the Senate Rostrum during daily sessions and is carried by the Sergeant-at-Arms on all State occasions. Facts as to its history were secured, as follows, from A. S. Salley, Jr., Secretary of the State Historical Commission:

Earliest mention found is in Journal of the "Commons House of Assembly of South Carolina" for Friday, May 5, 1704, wherein it is stated that £26: 11s: 3d (about \$129) be paid for a Sword of State "for the Rt. Honl. the Governor, and all succeeding Governor's for the Honr. of this Government."

The Governor and the eight deputies of the eight Lords Proprietors of Carolina constituted the Upper House of the General Assembly. The Sword of State was secured and used by the Grand Council until that body passed out of existence with the overthrow of the government of the Lords Proprietors in South Carolina in December 1719.

Thereafter it was used by His Majesty's Council for South Carolina, at least until June 23, 1722, when Arthur Middleton, president of the Council, and acting Governor, informed the Commons House that it was "no way proper to be used by any of his Majesty's Governors" and suggested that the House give it to the "Corporation of Charles City (Charleston) and Port, to be carried before the Mayor." Says Mr. Salley:

"Whether this suggestion was carried out and a new sword procured, the writer has so far been unable to ascertain, but throughout the records of His Majesty's Council for South Carolina down to the Revolution evidence is found of the use of a Sword of State." On March 26, 1776, South Carolina adopted a constitution independent of the government of Great Britain and elected John Rutledge president of the State. He was inaugurated on the following day, and the Journal of the Lower

House records that his Excellency was 'preceded by the Sheriff bearing the Sword of State and the Officers of the Legislative Council.' "

"The same Sword of State," says Mr. Salley, "has been in constant use ever since, being borne by the Sergeant-at-Arms of the Senate instead of the Sheriff of Charleston District (now County) as then."

"That this Sword of State was made in Charles Town (now Charleston) by a local silversmith is evidenced by the fact that it contains no hallmarks, which would not be the case had it been made in England."

The Mace.

This is the emblem of authority of the House of Representatives. Every day, upon the opening of the session by the Clerk calling the roll, the Sergeant-at-Arms bears the Mace ahead of the Speaker and lays it upon its specially prepared rack on the Rostrum in front of the Speaker, where it remains until recess or adjournment. Whenever the House officially attends in the Senate Chamber, and upon State occasions, the Mace is always borne at the head of the procession, and its appearance is greeted with far more deference than is the cry of "gangway."

The following facts concerning the Mace are taken from Mr. Salley's official Bulletin No. 3 of the Historical Commission of South Carolina:

The Mace was made in London in 1756, as shown by the hallmarks thereon, by Magdalen Feline, and purchased by the "Commons House of Assembly of the province of South Carolina" for 90 guineas. The panels contain the royal arms of Great Britain, the arms of the House of Hanover, the arms of the province of South Carolina, and other insignia.

Made of solid silver, with gold burnishing, and very much resembles the mace of the Common Council of Norwich, England. So far as Mr. Salley is able to learn it is the only mace in use in the United States that antedates the Revolution. In the diary of Joseph Quincy, Jr., of Massachusetts, it is recorded that on March 19, 1773, he visited the House

in Charleston and saw the mace, "a very superb and elegant one," on the table before the Speaker.

During the Revolution this mace was appropriated by British sympathizers who offered it for sale to the House of Assembly of the Bahama Islands. The records of that body show that authority was given to purchase it, but show no further action. Mr. Salley's article declares that "as a matter of fact" it was not purchased and that the mace now in Nassau was made in London 43 years after the South Carolina mace was made.

Mr. Salley disproves the "silly twaddle" about the South Carolina mace being the mace of the British House of Commons which Cromwell referred to as a "bauble."

From the time the mace disappeared from its place in the old State House in Charleston, during the latter part of the Revolution, to 1819, its whereabouts was known to only a very few. "In 1819 when the Hon. Langdon Cheves, of South Carolina, went to Philadelphia, as president of the Bank of the United States, he found it in a vault of the bank and restored it to its rightful owners."

In a letter to Mr. Salley, the Hon. James Simons, of Charleston, deceased, states that the "mace was not used after the war until I became Speaker, when I had it brought up into the House and used for the purposes for which it was intended."

Department Data.

Department of Education has been forced to grow along with the rapid growth and development of the schools. The people of the State stand undivided on the school question. Special taxes and bonds have been voted in nearly every district almost without opposition. Every day in the year letters and callers request this department for information and aid in planning and organizing school policies. The State Superintendent disburses more than \$3,000,000 annually.

The State Board of Examiners for Teachers has certificated more than 16,000 teachers. Nearly 20,000 examination papers are read and graded yearly.

The High School Supervisor has direct supervision of 281 high schools. There are 1,543 high school teachers instructing 29,537 pupils.

The Rural Supervisor spends his whole time in the field, but cannot reach half of the rural schools in any year. His services are especially valuable to trustees and new teachers.

The Mill School Supervisor visits the schools in all mill villages, assisting teachers and mill officials in planning school buildings and organizing schools until now there are among these many of the best schools of the State. Mill authorities have put millions of dollars of their own money into these schools and are still contributing liberally to them.

The Adult School Supervisor has organized thousands of adult classes and has led many illiterates into the light of literacy.

The School Community Organizer fosters school improvement by regular organizations in which thousands of dollars are raised to supplement the regular school funds.

The Supervisor of Negro Schools directs the expenditure of the Rosenwald Fund. This fund amounted to \$66,800.00 in 1924. He also directs the policies of the negro schools as set up by the State Department of Education.

The Smith-Hughes workers are all field people. The Federal Government's quota last year was \$78,322.00.

The General Education Board of New York pays the salaries and traveling expenses of seven people in the Department, but has given notice that three of these will be discontinued after July 1, 1925. This Board sent into the State \$54,015.00 in 1924.

The Jeanes and Slater Funds amount to \$18,377.00.

The 1924 Legislature appropriated \$2,919,880.00 to this Department. The total expenditures for the schools of the State, session 1923-'24, were \$12,962,000.89.

Total enrollment for both races was 467,425; total teachers for both races 11,566; the value of free public school property in the State is \$28,468,832.00.

THE 6-0-1 LAW.

No State-wide law on any subject could prove more generally satisfactory than has the operation of this law. The Department recommends only minor adjustments, and discourages changes or amendments for the purpose of meeting unusual cases and conditions.

Taxes collected in 1924, \$412,401.42. Expenditures of Department, \$18,821.89. Taxes disbursed through State Treasurer to State, counties and fire departments of municipalities.

Department duties embrace 3 fields that are covered in many States by separately organized departments with large forces of workers:

(1) Insurance—Life, casualty, surety, fire; stock companies and mutuals, foreign and domestic. Total number licensed in 1924, 334.

Financial statements and statistical reports required; bonds required or deposits of securities to protect claimants in the State; policy forms examined and disapproved when found unfair or otherwise objectionable.

Rates not subject to control by Department, but filed as public record. Rebating or other discrimination in rates prevented or punished if possible.

Questions in dispute on claims considered and arbitrated as far as possible. Department exercises large influence in advising and promoting equitable adjustments without expense and delay of lawsuits.

Entire field of insurance problems studied and recommendations made to companies or to the General Assembly for correction of evils and improvement of service.

Agents licensed, and for misconduct denied licenses. Consideration of disputes between companies and agents to prevent unjust dealings and settlements.

(2) Fire Prevention—Duties that are usually assigned to State Fire Marshal's Department: Enforcement of requirements of building codes of municipalities and periodic inspections of fire hazards under fire prevention regulations; investigation of suspicious fires and prosecution in cases of incendiarism; receipt of reports from municipal fire departments and administration of law for collection and disbursement of tax on fire insurance premiums for the Firemen's Fund.

(3) Fraudulent Stock Sales Prevented—Administration of so-called "Blue Sky Law," which forbids sale of corporation stocks and other securities unless licensed by Insurance Commissioner: licenses not granted except upon sworn evidence of plan of operations and all details of organization and salaries and profits to promoters consistent with fair dealing to all stockholders; excessive compensation to salesmen or unfair privileges to the controlling stockholders for alleged consideration of patents, good will, or organization expenses disallowed; speculative concerns viewed with suspicion; oil stocks and gambling ventures and scheming enterprises scrutinized and rejected; the unsuspecting public protected from persuasive canvassing salesmen of bogus values on paper.

State Warehouse Law enacted at extraordinary session of Legislature, 1914, to regulate grading, storing and marketing of cotton so that the storing of the State's greatest staple asset could be handled by official State receipts. Scope of the law enlarged in 1921, so that it now includes storing and receipting for of all non-perishable farm products.

This fits into the system of diversified agriculture now being adopted by the farmers, providing means for realizing upon all crops grown in State until the market demands their sale.

During the last four years the department has handled more than one million bales of cotton and many thousand of bushels of various grains grown in the State, and has been instrumental in educating the people in preserving their productions from loss by careless methods and from insect damage.

Boll weevil poison is being handled directly from the manufacturer to the farmers through the Department, thereby reducing the cost price, and by its system of chemical analysis guaranteeing the effectiveness of the material for the purpose intended.

STATE EDUCATIONAL INSTITUTIONS

CITADEL, THE

(The Military College of S. C. Located at Charleston. Annual meetings of Board of Visitors at Citadel during the June Commencement and on third Tuesday in October.)

Founded in 1842 as a State college patterned after West Point. It occupied the buildings at Marion Square for 80 years, moving in 1922 to a splendid new site on the Ashley River. Value of the beautiful and extensive campus and grounds, gift of City of Charleston, estimated at half a million dollars. The State has constructed dormitories and college buildings which, with a fully equipped modern hospital donated by a Charlestonian, and an alumni building by graduates, make a college plant unexcelled in the South.

The Citadel is a member of the Association of Colleges of the Southern States, and has been rated continuously for many years by the War Department as "Distinguished College." In Jan. 1925 the Department officially rated it as *first* in the Fourth Corps Area, which covers 8 Southern states, with 41 military colleges. The Government details 14 Army officers and three non-commissioned officers for the military department, and furnishes equipment valued at over \$150,000.

EARLY HISTORY OF SOUTH CAROLINA

Secured from W. M. Stewart, Director of the Census (in advance of publication by the Bureau in its State Compendium for South Carolina), and corrected for the MANUAL by A. S. Salley, Jr., Secretary of the Historical Commission of South Carolina.

HISTORICAL NOTE.—The original province of Carolina was named in honor of Charles I of England.

The shores of the region now constituting South Carolina may have been seen by Cabot, an Italian in the service of England, at about the close of the fifteenth century, but no explorations were made until 1521, when an expedition sent out by De Ayllon, a Spaniard of San Domingo, visited the coast region. Five years later De Ayllon made an attempt at settlement, which was short lived. In 1582 French Protestants made a settlement on what is now Parris Island, but abandoned it the next year. In 1565 the Spaniards made a settlement at Port Royal, believed to be on St. Helena Island, but abandoned it the next year, but reestablished it in 1577 and remained there for about twenty years. The first permanent settlement was made by the English nearly a century and a half later. In 1670 a settlement was made on the Ashley River by the English, and in 1680 it was moved across the river and developed into what is now Charleston.

The present area of South Carolina was included in part in the grants made to Virginia by the charters of 1606, 1609, and 1612. In 1629 Charles I granted the territory between the thirty-first and thirty-sixth parallels, under the name Carolina, to Sir Robert Heath. No settlements were made under this grant, however, and the patent was vacated. In 1663 Carolina, extending from the thirty-first to the thirty-sixth parallels and from the Atlantic to the Pacific, was granted by King Charles II to eight "lords proprietors." Two years later the northern and southern limits were changed to latitudes $36^{\circ} 30'$ and 29° , respectively, and settlement was begun soon afterward. At first there was no formal division of the province, but

the northern portion gradually came to be known as North Carolina and the southern part as South Carolina, and each had its own separate government. In 1729 seven of the eight lords proprietors sold their shares to the English Crown, and Carolina was definitely and authoritatively divided into the royal provinces of North and South Carolina.

In 1732 the "Trustees for Establishing the Colony of Georgia in America" obtained a royal charter granting them all the lands between the Savannah and the Altamaha, and from the heads of these rivers to the Pacific Ocean.

In 1763 the St. Marys River was, by royal proclamation, made the southern boundary of Georgia, but South Carolina did not relinquish its claim to the tract between the Altamaha and St. Mary's Rivers until 1787. In the same year South Carolina ceded to the United States what was supposed to be a strip of land between the southern slope of the Blue Ridge Mountains and the 35th parallel of north latitude, and extending to the Mississippi River, but upon the location of the 35th parallel in 1813 it was found to be on the south side of the mountain ridge and the ceded strip vanished.

South Carolina was one of the original thirteen states.
