TO THE TRADE: In presenting our annual trade list for 1900, we desire to thank our customers for their very liberal patronage and are respectfully soliciting a continuance of the same.

Our terms are—strictly cash with the order. Our prices are as low as good stock can be grown for, and we cannot afford the risk and expense of credits. Please send money by draft or post-office money order, made payable at Colma, Cal. No plants sent C. O. D. unless one-fourth of the amount is sent with the order.

Orders for rooted cuttings of carnations or chrysanthemums for a future date are allowed five per cent. discount, provided one-fourth the amount is sent with the order, though the order must be sent not less than sixty days prior to the date of shipment.

No charge will be made for packing.

We exercise the greatest care to have all plants true to name, and to fill orders correctly. Should errors occur, please notify us at once, and we will make such corrections as will be satisfactory.

After delivery to forwarders in good condition, all goods travel at customer's risk, and complaints will not be entertained unless made promptly upon receipt of goods.

We warrant all cuttings that are grown and sold by us, to be in healthy growing condition and free from any disease whatever, but we do not warrant any cuttings to remain free of disease after they have passed from our care, nor do we assume any responsibility whatever regarding the purchaser's success in cultivating the plants.
