TITLE 3—THE PRESIDENT

EXECUTIVE ORDER 10056

CREATING AN EMERGENCY BOARD TO INVESTIGATE A DISPUTE BETWEEN THE UNION RAILROAD COMPANY (PITTSBURGH) AND CERTAIN OF ITS EMPLOYEES

WHEREAS a dispute exists between the Union Railroad Company (Pittsburgh), a carrier, and certain of its employees represented by the Brotherhood of Railroad Trainmen, a labor organization; and

WHEREAS this dispute has not heretofore been adjusted under the provisions of the Railway Labor Act, as amended; and

WHEREAS this dispute, in the judgment of the National Mediation Board, threatens substantially to interrupt interstate commerce within the State of Pennsylvania to a degree such as to deprive that portion of the country of essential transportation service:

NOW, THEREFORE, by virtue of the authority vested in me by section 10 of the Railway Labor Act, as amended (45 U. S. C. 160), I hereby create a board of three members, to be appointed by me, to investigate the said dispute. No member of the said board shall be pecuniarily or otherwise interested in any organization of railway employees or any carrier.

The board shall report its findings to the President with respect to the said dispute within thirty days from the date of this order.

As provided by section 10 of the Railway Labor Act, as amended, from this date and for thirty days after the board has made its report to the President, no change, except by agreement, shall be made by the Union Railroad Company (Pittsburgh) or its employees in the conditions out of which the said dispute arose.

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders), Department of Agriculture

[Lemon Reg. 319]

PART 953—LEMONS GROWN IN CALIFORNIA AND ARIZONA

LIMITATION OF SHIPMENTS

§ 953.426 *Lemon Regulation 319*—(a) *Findings.* (1) Pursuant to the marketing agreement, as amended, and Order No. 53, as amended (7 CFR, Cum. Supp., 953.1 et seq.; 13 F. R. 766), regulating the handling of lemons grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Lemon Administrative Committee, established under the said amended marketing agreement and order, and upon other available information, it is hereby found that the limitation of the quantity of such lemons which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rulemaking procedure, and postpone the effective date of this section until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat. 237; 5 U. S. C. 1001 et seq.) because the time intervening between the date when information upon which this section is based became available and the time when this section must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient, and a reasonable time is permitted, under the circumstances, for preparation for such effective date.

(b) *Order.* (1) The quantity of lemons grown in the State of California or in the State of Arizona which may be handled during the period beginning at 12:01 a. m., P. s. t., May 15, 1949, and

By the Civil Aeronautics Board.

PART 301—RULES OF PRACTICE IN AIR SAFETY PROCEEDINGS

§ 301.0 *Applicability of part.* The provisions of this part shall govern all proceedings initiated by or before the Civil Aeronautics Board for the suspension or revocation of certificates issued under authority of Title VI of the Civil Aeronautics Act of 1938, as amended, and for the review of a refusal by the Administrator of Civil Aeronautics to issue an airman certificate to an applicant therefor. This part shall also be applicable to petitions for waiver, rescission, amendment or reconsideration of any rule, regulation or standard issued under authority of Title VI or Title VII of the act.

PRE-HEARING PROCEDURES

§ 301.1 *Who may initiate proceedings.* A proceeding may be initiated by the Administrator of Civil Aeronautics as Complainant by filing a complaint with the Board. In any case where the circumstances, in the opinion of the Board, require action and no complaint has been filed by the Administrator, the Board may institute proceedings by an order to show cause. Where the Administrator has denied an application for the issuance of an airman's certificate, the applicant may initiate a proceeding by filing a petition for review of such denial.

§ 301.2 *Time limitation on instituting proceedings.* The examiner shall, unless good cause is shown for the delay, dismiss any allegations in a complaint or show cause order requesting suspension of an airman certificate on the basis of alleged violations of Title VI or other misconduct occurring more than six months prior to the date of filing thereof, and dismiss any petition for review of the Administrator's refusal to issue an airman certificate filed more than six months after such refusal.

§ 301.3 *Allegation of complaint, petition or order to show cause.* The complaint, petition or order to show cause shall contain a short, plain statement of the grounds upon which the Board's legal authority and jurisdiction rest; a plain statement of the facts on which the complainant, petitioner or the Board's case rests; and a statement of the action requested, or which the Board proposes to take.

§ 301.4 *Filing of complaint, petition or order to show cause.* An original and 9 copies of the complaint or order to

show cause, either in printed or typewritten form, shall be filed with the Docket Section of the Board. A petition may be filed by mailing to the Docket Section a signed letter stating briefly the facts upon which the petition rests.

§ 301.5 *Evidence of previous violations.* Where a Respondent has had a certificate suspended or revoked, or has had a civil penalty assessed against him for a violation of Titles VI or VII of the act or has been subjected to any disciplinary action for violation of air safety standards, the Administrator shall serve notice on the Respondent prior to hearing or to submission of evidence where hearing has been waived that he intends to call such matters to the attention of the examiner, if the examiner determines that Respondent has committed any of the offenses alleged in the complaint or order to show cause. The Respondent may file with the Administrator such reply as he deems advisable.

§ 301.6 *Service of complaint or order to show cause.* When a complaint or order to show cause is filed, the Safety Enforcement Proceedings Division of the Board shall either make personal service upon or dispatch by registered mail a copy thereof to the Respondent, together with a copy of these rules of practice and a statement concerning hearing as provided in § 301.11. The complaint or order to show cause will be deemed served upon the Respondent on the date specified on the postal receipt; if the postal receipt is returned unsigned, the complaint or order to show cause shall be deemed to have been served on the date mailed to the last known address of the Respondent. All other notices, orders, and decisions shall be similarly served on the parties.

§ 301.7 *Answer.* After service upon him of the complaint or order to show cause the Respondent shall have ten days within which to answer in writing the allegations set forth therein. An original and two copies of such answer shall be filed with the Dockets Section. An answer when received shall be deemed filed as of the date of mailing to the Civil Aeronautics Board properly addressed in accordance with written instructions received upon service of the complaint, with postage prepaid. Failure to answer any of the allegations within the prescribed ten-day period shall be deemed an admission of the allegations not answered. Upon good cause shown, the examiner to whom the case is assigned or the Safety Enforcement Proceedings Division may grant additional time within which to answer.

§ 301.8 *Motion for more definite statement.* Respondent may file with his answer a motion that the allegations in the petition or order to show cause be made more definite and certain. Such motion shall point out the defects complained of and the details desired. If the motion is granted and the order of the examiner is not complied with within 15 days after notice is given, the examiner shall strike the allegation or allegations in any complaint or petition to which the motion was directed.

§ 301.9 *Amendment of pleadings.* At any time more than 15 days prior to the time of hearing, a party to a proceeding may amend his pleadings, as a matter of course, by serving a copy of such amended pleadings on the adverse party and by filing with the Board three copies thereof. After that time, or in the event a hearing has been waived, amendment shall be allowed at the discretion of the examiner assigned to the case. Where amendment has been granted, the examiner shall allow the party affected thereby a reasonable opportunity for reply, and to request a hearing thereon if hearing had previously been waived.

§ 301.10 *Withdrawal of pleading.* A complaint, petition or other pleading in a case may be withdrawn, as a matter of course, at any time prior to hearing, or where hearing has been waived, prior to submittal of evidence. Thereafter, a pleading may be withdrawn only upon approval of the examiner or the Board.

§ 301.11 *Request for, or waiver of hearing.* An appropriate form indicating a request for, or a waiver of, a hearing shall be mailed to Respondent with a copy of the petition or order to show cause. Respondent shall have until the time for filing of his answer to request a hearing. Failure to make such request within the prescribed time shall be deemed a waiver of Respondent's right to a hearing.

§ 301.12 *Appearances.* Any party to a proceeding may appear and be heard in person or by an authorized representative. No register of persons who may practice before the Board is maintained and no application for admission to practice is required. Any person practicing or desiring to practice before the Board may, upon hearing and good cause shown, be suspended or prohibited from so practicing.

NOTE: Section 287.3 of the Economic Regulations Representation of private parties by persons formerly associated with the Board, is applicable to safety as well as economic proceedings.

§ 301.13 *Notice of hearing.* When a hearing has been requested the examiner to whom the case is assigned or the Safety Enforcement Proceedings Division shall give the Respondent adequate notice of the date and place where such hearing will be held and the nature of such hearing. In fixing the times and places for hearing, due regard shall be had for the convenience and necessity of the parties and their representatives.

§ 301.14 *Subpoenas.* Subpoenas requiring the attendance of witnesses, or the production of documentary or tangible evidence at a hearing shall be issued to any party to a proceeding upon proper application to the examiner to whom the case is assigned. An application for a subpoena for the production of documentary or tangible evidence must describe in detail the articles and documents desired.

§ 301.15 *Depositions.* After answer is filed by Respondent, testimony of any person within the United States may be taken by deposition at the instance of a party to the proceeding. Such deposi-

tions shall be taken before any person having power to administer oaths who is designated by the examiner to whom the case is assigned or by the Safety Enforcement Proceedings Division. The deposition shall be taken in accordance with the provisions of section 1004 of the Civil Aeronautics Act of 1938.

§ 301.16 *Intervention.* Any person having substantial interest in the subject matter of any proceeding may petition for leave to intervene in such proceeding and may become a party thereto if the examiner finds that such person will, or may be, bound by the order to be entered in the proceeding, or that such person has a property or financial interest which may not be adequately represented by existing parties: *Provided*, That such intervention would not unduly broaden the issues or delay the proceedings. No petition for leave to intervene will be entertained if filed less than 10 days prior to hearing unless the petitioner shall clearly show good cause for his failure to file such petition within the time so limited.

§ 301.17 *Submission without hearing or appearance.* If a hearing has been waived by the Defendant the record shall consist of the pleadings and such signed statements, reports, documents and exhibits as may be submitted by the parties. On the basis of such record the examiner shall issue his initial decision in writing and serve it. The service of the decision and all proceedings thereafter shall be in accordance with rules relating to written initial decisions as set forth in § 301.26.

HEARINGS

§ 301.20 *Assignment of examiner.* The hearing shall be held before an examiner assigned by the Safety Enforcement Proceedings Division.

§ 301.21 *Disqualification of examiner.* An examiner shall withdraw from the case if at any time he deems himself disqualified. If, prior to the rendering of an initial decision in the case there is filed, in good faith, an affidavit of personal bias or disqualification of examiner with substantiating facts and the examiner does not withdraw himself, the Board shall determine the matter as a part of the record if an appeal is filed from the examiner's initial decision. The Board shall not otherwise consider any claim of bias or disqualification. The Board, if it so desires, may order a hearing on a charge of bias or disqualification.

§ 301.22 *Powers of hearing examiners.* A hearing examiner shall have the following powers:

- (a) To give notice concerning, and hold hearings;
- (b) To administer oaths and affirmations;
- (c) To examine witnesses;
- (d) To take or cause depositions to be taken whenever the ends of justice would be served thereby;
- (e) To rule upon offers of proof and receive competent evidence;
- (f) To regulate the course of the hearing;
- (g) To hold conferences, before or during the hearing, for the settlement or

simplification of issues, by consent of the parties;

(h) To dispose of procedural requests or similar matters;

(i) Within his discretion, or upon the direction of the Board, to certify any question to the Board for its consideration and disposition;

(j) To issue subpoenas and authorize the taking of depositions;

(k) To make initial decisions;

(l) To take any other action authorized by these rules, and the hearing examiner's authority in each case will terminate:

(1) When the time for filing specifications of error under § 301.30 has expired;

(2) When he shall have withdrawn from the case upon considering himself disqualified.

§ 301.23 *Evidence—(a) Right to full and true disclosure of the facts.* Every party shall have the right to present his case or defense by oral or documentary evidence, to submit evidence in rebuttal, and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(b) *Burden of proof.* In general, the proponent of any rule or order shall have the burden of proof thereof.

(c) *Admission and exclusion of evidence.* The hearing examiner shall admit relevant, material, and competent evidence, and may exclude irrelevant, immaterial, incompetent, or unduly repetitious evidence.

(d) *Order to be based on whole record.* No initial decision shall be issued except upon consideration of the whole record or such portions as may be cited by any party and as supported by and in accordance with reliable, probative and substantial evidence.

(e) *Objections.* Objections to the evidence before a hearing examiner shall be in short form; but written argument in support of such objections, specifying the grounds thereof, may be presented at the discretion of the hearing examiner. The transcript shall not include argument or debate thereon except as ordered by the hearing examiner. Rulings on such objections shall be a part of the transcript.

§ 301.24 *Argument and submittals.* The examiner shall give the parties to the proceedings adequate opportunity for the presentation of arguments in support of motions, objections, and exceptions to his decision. Prior to each initial decision, the parties shall be afforded a reasonable opportunity to submit for consideration proposed findings and conclusions and supporting reasons therefor.

§ 301.25 *Record.* The transcript of testimony and exhibits, together with all papers, requests and rulings filed in the proceeding shall constitute the exclusive record for decision. The record, including any agency proceeding upon an affidavit of personal bias or disqualification of an examiner, and the initial and final decisions, if any, shall be made a part of the record, which shall be available, upon payment of a reasonable charge, to any party making a request therefor at least 10 days prior to hearing.

§ 301.26 *Initial decision.* When a hearing has been held in a proceeding, the examiner may render his initial decision orally at the close of the hearing, or he may render such decision in writing at a later date. Where the examiner has determined that remedial action is required, the examiner shall ask the Administrator if there is any evidence of previous suspensions or revocations of Respondent's certificate or whether Respondent has had any assessment of civil penalties levied on him; whether proper notice thereof has been given Respondent, and for copies of any reply thereto. Unless there is a dispute as to the facts, the examiner may take official notice of such evidence, otherwise he shall hear the parties thereon. The initial decision in the case shall become a part of the record and shall include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all material issues of fact (including the credibility of witnesses where such finding is material), law or discretion presented on the record and the appropriate sanction or denial thereof. If the initial decision is in writing, the examiner shall prepare and serve the initial decision upon the parties. At any time before the date for filing an appeal has passed, the examiner or the Safety Enforcement Proceedings Division may, for good cause shown, extend the time within which to file an appeal to the Board, and the examiner may also reopen the hearing for good cause upon notice to the parties. If no appeal to the Board from either party nor motion by the Board to review the initial decision is filed within the time allowed, such initial decision shall become final. The filing of such appeal or motion shall stay the order in the decision.

APPEALS

§ 301.30 *Procedure.* A party may appeal by filing with the Board a notice of appeal within ten days after notice of the initial decision. The appeal may be dismissed by the Safety Enforcement Proceedings Division unless within twenty days after notice of initial decision or such additional time as the examiner or the Safety Enforcement Proceedings Division shall allow, the appellant shall file with the Board and serve upon the parties a specification of the errors to which the appellant takes exception, separately enumerating each point relied upon. Each point shall be itemized by reference to the initial decision and to pages of the transcript or to matters in the record and shall be explained by a statement of the grounds for each exception, including appellant's reasons for believing that the error was prejudicial to him. Any error that is not so specified shall be deemed to be waived by appellant.

§ 301.31 *Issues on appeal.* In considering issues raised on appeal which relate to findings of fact or the remedial order of the examiner, the Board will consider only (a) whether any finding excepted to is supported by substantial, reliable and probative evidence; or (b) whether the remedial order is consistent with the Board's policy. If the Board determines that the examiner erred in

any such matter, the Board may then make any proper findings or order in lieu thereof or remand the case for further hearing.

§ 301.32 *Briefs.* Any party may file a brief, and shall promptly furnish copies to all parties. Oral argument before the Board will not be granted unless specifically requested and a need therefor is shown. Opening briefs must be filed and served within 20 days after notice of the initial decision. Reply briefs are not required, but if submitted shall be filed within 10 days after service of the opening brief. Additional time for filing such briefs or for the privilege of filing additional briefs may be granted by the Safety Enforcement Proceedings Division upon good cause shown.

§ 301.33 *Final decision.* When a Board order affirms an initial decision in whole or in part the Board's order shall be based thereon except as otherwise indicated.

§ 301.34 *Petition for rehearing, reargument, reconsideration or modification of Board order.* (a) Any party to a proceeding may petition for rehearing, reargument, reconsideration or modification of any final order of the Board. The Board will not entertain any petition filed more than 30 days after service of the order, unless good cause is shown for the delay. The petition shall be in writing, filed with the Board, and served by

the petitioner upon the adverse party and his attorney of record. If the petition be to take further evidence the nature and purpose of the new evidence to be adduced must be briefly stated and the reasons why such evidence was not presented at the time of the hearing must be stated. If the petition be for reargument, reconsideration or modification of the order, the matters claimed to be erroneously decided shall be specified and the alleged errors briefly stated.

(b) Replies to petitions filed pursuant to this section shall be filed and served upon petitioner and his attorneys of record within 10 days after the receipt of the petition. Upon good cause shown, the Board may extend the time for filing such replies.

(c) The filing of a petition under this section shall not operate to stay the effectiveness of the order unless otherwise ordered by the Board.

§ 301.35 *Saving clause.* Repeal or amendment of any Civil Air Regulation shall not affect any pending proceeding or any proceeding thereafter to alter, amend, modify, suspend or revoke any certificate issued by the Administrator for causes arising or acts committed prior to said repeal or amendment, unless the act of repeal or amendment specifically so provides.

§ 301.36 *Decisions involving official notice.* Where any decision rests on official notice of a material fact not appearing in the evidence in the record, any

party shall, upon filing a petition within 10 days after notice thereof, be afforded a reasonable opportunity to show to the contrary.

§ 301.37 *Applicable rules of Federal procedure.* In any situation not provided for or controlled by the foregoing rules of practice, the rules of civil procedure for the District Courts of the United States, where applicable, shall govern.

REQUEST FOR WAIVER, RESCISSION, AMENDMENT OR RECONSIDERATION OF CIVIL AIR REGULATIONS

§ 301.40 *Filing of requests.* A request for issuance, waiver, rescission, amendment or reconsideration of any rule, regulation, or standard promulgated under authority contained in Title VI or VII of the act may be filed by any interested person. Such request shall be made by filing an original and 5 copies with the Docket Section of the Board.

§ 301.41 *Action.* The Board will, after consideration of the matters presented in the petition, and as it may appear in the public interest, either grant or deny such petition in whole or in part. A public hearing will not be held on such petition unless ordered by the Board. Where a request for issuance, amendment, or rescission of a rule is not denied, it will be processed in accordance with the usual rule-making procedures.

No applications for these lands may be allowed under the homestead, small tract, desert land, or any other non-mineral public land laws unless the land has already been classified as available or suitable for such type of application or shall be so classified upon the consideration of an application.

The plat of survey and the field notes show two springs in the township situated in lot 12, sec. 1, and lot 13, sec. 4.

The legal subdivision containing each of the springs and the lands within a

quarter of a mile of each spring may be affected by the general withdrawal made by Executive Order of April 17, 1926 (43 CFR, 292.1), creating Public Water Reserve No. 107 but the question of whether each spring is of such size or value or so needed by the public as to bring the lands within the scope of the withdrawal is left for future determination.

At the hour and date specified above the said lands shall, subject to valid existing rights and the provisions of existing withdrawals, become subject to application, petition, location, or selection as follows:

(a) *Ninety-one day period for preference-right filings.* For a period of 91 days, commencing at the hour and on the day specified above, the public lands affected by this notice shall be subject only to (1) application under the homestead or the desert-land laws or the Small Tract Act of June 1, 1938, 52 Stat. 609 (43 U. S. C. 682a), as amended, by qualified veterans of World War II and other qualified persons entitled to preference under the act of September 27, 1944, 58 Stat. 747 (43 U. S. C. 279-284), as amended, subject to the requirements of applicable law, and (2) application under any applicable public-land law, based on prior existing valid settlement rights and preference rights conferred by existing laws or equitable claims subject to allowance and confirmation. Applications

under subdivision (1) of this paragraph shall be subject to applications and claims of the classes described in subdivision (2) of this paragraph. All applications filed under this paragraph either at or before 10:00 a. m. on the 35th day after the date of this notice shall be treated as though filed simultaneously at that time. All applications filed under this paragraph after 10:00 a. m. on the said 35th day shall be considered in the order of filing.

(b) *Date for non-preference-right filings.* Commencing at 10:00 a. m. on the 126th day after the date of this notice, any lands remaining unappropriated shall become subject to such application, petition, location, selection, or other appropriation by the public generally as may be authorized by the public-land laws. All such applications filed either at or before 10:00 a. m. on the 126th day after the date of this notice, shall be treated as though filed simultaneously at the hour specified on such 126th day. All applications filed thereafter shall be considered in the order of filing.

A veteran shall accompany his application with a complete photostatic, or other copy (both sides), of his certificate of honorable discharge, or of an official document of his branch of the service which shows clearly his honorable discharge as defined in § 181.36 of Title 43 of the Code of Federal Regulations, or constitutes evidence of other facts upon which the claim for preference is based and which shows clearly the period of service. Other persons claiming credit for service of veterans must furnish like proof in support of their claims. Persons asserting preference rights, through settlement or otherwise, and those having equitable claims, shall accompany their applications by duly corroborated statements in support thereof, setting forth in detail all facts relevant to their claims.

Applications for these lands, which shall be filed in the District Land Office, Carson City, Nevada, shall be acted upon in accordance with the regulations contained in § 295.8 of Title 43 of the Code of Federal Regulations and Part 296 of that title, to the extent that such regulations are applicable. Applications under the homestead laws shall be governed by the regulations contained in Parts 166 to 170, of Title 43 of the Code of Federal Regulations, and applications under the desert-land laws and the said Small Tract Act of June 1, 1938, shall be governed by the regulations contained in Parts 232 and 257, respectively, of that title.

Inquiries concerning these lands shall be addressed to the Acting Manager, District Land Office, Carson City, Nevada.
