| Being an aggregate of | \$250,000 00 |

he therefore begs to recommend in the absence of any Legislative provision for the payment of the sums necessary to meet said services, the necessity for payment being urgent, that in pursuance of Sub-section 2 of Section 9 of Chapter 21, R.S.O., a special warrant be prepared and signed by the Lieutenant-Governor, authorising the issue and appropriation out of the Consolidated Revenue Fund of the said \$250,000, said amount to be placed by the undersigned to a special account.

| Totals (see note A) | | 1,107,600 17 | 159,690 30 | 1,267,290 47 |

NOTE A.—By the terms of the original contract for excavating, concreting, masonry, brickwork, etc., approved by the Provincial Legislature, the contractor was to receive (1) \$671,250, and (2) thirteen and one-half million of brick from the Central Prison. If less than this amount of brick was supplied from the Central Prison he was to be paid at the rate of six dollars per thousand for the difference between the quantity supplied and said thirteen and one-half millions. The actual quantity of brick supplied from the Central Prison to the contractors was only 10,454,450, which at \$6 per thousand amounts to \$62,726.70. There is, therefore, in addition to the above item of \$30,000, a further sum of \$32,726.70 chargeable against construction account of the buildings for the brick supplied contractors from the Central Prison. Adding this sum of \$32,726.70 to the first two items contained in the last column of this statement, it will be found (1) that the total of the actual cost of work done under the contracts with Lionel Yorke and Carroll Gaylord and Vick for excavating, concreting, masonry, brickwork, etc., is \$763,925.90 and (2) that the grand total of cost to 31st December, 1893, in connection with all the contracts and other services covered by and included in this statement, amounts to \$1,300,017.17.

NOTE B.—The preliminary expenditures for and in connection with the competitive and other plans, etc., prior to those prepared by Mr. Waite, and which preliminary expenditure amounted to a total of \$17,876.75, are omitted from this statement, as they form no part of the actual cost of the erection and construction of these buildings under Mr. Waite's plans.

| | NOTE.— <i>By R. S. O. c. 116, s. 136 (3), the salaries of the Local Masters of Titles are to be "fixed from time to time with reference to the amount or probable amount of the business." Accordingly, the amount each year is fixed with reference to the business of preceding year, and to the fees collected by them and payable into the Consolidated Revenue Fund. These fees aid in fixing the value of the work done at the request of private parties after registration of patents. The first registration of patent is done at the request of the Government, free of charge to the patentees, unless where they have encumbered their land. The fees collected from the parties in 1893 were, Sault Ste. Marie, \$599.10; Parry Sound, \$304.63; Bracebridge, \$159.50; Port Arthur, \$223.85; North Bay, \$95.10; Rat Portage (since 1st July), \$235.95.</i> | | |
