

Programs & Events Dashboard

My goals for this session

1. Learn how people are using the dashboard
2. Answer your questions about how to get what you want from the dashboard
3. Find out what improvements and changes you need most

Tracking events after they happen

Tracking events after they happen

Create an Independent Program

The program title and institution form the URL of the program. The home wiki is the main wiki where participants will be working, and edits on this wiki will tracked by default. If your program spans multiple languages or projects, contributions will also be tracked for any wiki that has an 'Available Article' or 'Assignment' for that wiki. Click "Create my Program!" to start building the page for your wiki program.

Program title:

Start of activity tracking:

CAI ArtAndFeminism 2018

Edit Description

لماذا نُكتب ونُعدل في ويكيبيديا

مُشكلة الجندر في ويكيبيديا مُوثقة للغاية. بينما أسباب الفجوة بين الجنسين موضع نقاش، فإن الأثر العملي لهذا التفاوت ليس كذلك. يتأثر المُحتوى بقلة مُشاركة المرأة. وهذا يُمثل عيَابًا مُقلقًا في مُستودع مُتزايد الأهمية للمُعرفة المُشتركة والمُتبادلة

دعونا نُغير ذلك. انضم إلى التحديث الجماعي لمقالات ومواضيع ويكيبيديا فيما يخص الفن والنسوية. سوف نُزودكم بدورس للمُبتدئين الويكيبيديين {EDIT AS NEEDED reference materials, childcare, and refreshments /EDIT}. احضر جهاز الكمبيوتر المحمول الخاص بك، وكابل الطاقة وجهاز الأفكار التي نحتاجها للتحديث أو الإنشاء. ندعو كل الأشخا من مُختلف الهويات والأجناس للحُضور والمُشاركة

Inläsning - Hur fungerar Wikipedias redigeringsprocess?

In Class

Edit

Läs in dig på Wikipedias ramverk som styr över både processen och innehållet.

Dessa sidor kan vara till hjälp:

- [Wikipedia:Stilguide](#)
- [Wikipedia:Källhänvisningar](#)
- [Wikipedia:Att skriva om Litteratur](#)
- [Wikipedia:Biografiska artiklar](#)

Korta videoklipp för nybörjare om Wikipedia:

- [Exempel på bra artikel och artikel med brister, diskussionssida och versionshistorik.](#)
- [Enkel redigering, skapa konto, användarsida, användardiskussion, sandlådan, bevakningslistan.](#)

Välj din Wikipediaartikel

In Class

Edit

För att kunna börja bidra till Wikipedia behöver du identifiera vilken artikel (uppslagsord) du ska bidra till. Använd strategierna som föreslås i [Strategier för att välja Wikipediaartikel](#). Samtidigt som du söker i Wikipedias innehåll efter det bäst lämpade ämnet för dig, ska du också börja fundera över vilken litteratur du behöver eller redan har tillgång till som kan fungera som fundamentet på vilket du grundar ditt bidrag till Wikipedia. Sikta på att hitta minst tre trovärdiga källor att basera ditt bidrag på.

Skapa ditt användarkonto

In Class

Edit

De flesta av användarna i Wikipedias community har användarkonton som inte är under deras riktiga namn. Även om kontot har ett annat namn kan man välja att presentera sig under sitt riktiga namn på sin användarsida, vilket vissa men inte alla gör.

Välj ett användarnamn som inte är exakt som ditt riktiga namn. Du skapar kontot uppe till höger

Короткий тест про п'ять основ

Стаття Вікіпедії повинна...

- Обережно подавати факти, щоб переконати читачів зробити певні висновки.
- Дублювати найкращу інформацію від опублікованих авторів, дослівно.
- Поширювати нейтральні факти з надійних джерел, що збалансовано представляють усі точки зору.
Правильно! Статті Вікіпедії повинні подавати нейтральні факти з авторитетних джерел. Коли є суперечність, подавайте лише факти, з якими згодні усі точки зору на цю суперечність.
- Подавати цікаві думки з перших вуст про досвід автора на тему.

PLEASE EDIT AS YOU SEE FIT, AND {CHANGE ALL BRACKETED SECTIONS}

Why we Edit

Wikimedia's gender trouble is well-

Campaigns and analytics

Download data in CSV format.

Overview data

Overview data provides cumulative statistics for the whole project.

Edits data

Edits data shows details for each edit made during the project.

Commons uploads data

Commons uploads data shows the name and usage count of each media upload.

Editors data

Editors data lists all the enrolled editors, how much they edited, and whether they registered their accounts during the project.

Articles data

Articles data includes the number of edits to each page, which pages are new, and pageview totals. These pageview values may be out of date for courses that have already ended, so a url to the WMF Tool Labs pageview tool is included.
