

TRUSTEES' MEETING

CITY ATTORNEY INSTRUCTED TO PREPARE STREET-NAMING ORDINANCE

The Board of Trustees met in regular session at the City Hall at 8:50 p. m. June 13, 1918. All members present.

The minutes of the last regular meeting were read and approved.

A communication was read from Dr. J. E. Bahrenburg, 322 West Park avenue, requesting permission to conduct a private sanitarium and rest cure at that address. On motion, referred to the City Manager and Health Officer, to make a report at the next regular meeting.

A communication was read from John C. Anderson and twelve other electors of the proposed Sycamore Canyon Annexation District protesting against the proposed annexation.

Another petition was presented signed by certain electors of the proposed Sycamore Canyon Annexation District, requesting their names withdrawn from the original petition for annexation.

A communication was received from certain property owners of the proposed Sycamore Canyon Annexation District expressing their willingness to have the said district annexed to and made a part of the City of Glendale.

A communication was presented signed by certain residents of the proposed Sycamore Canyon Annexation District, requesting the cancellation of their names on the protest which they had signed against the annexation of the territory alluded to above.

The City Clerk made a report on the original petition for annexation of Sycamore Canyon District, to the effect that he had carefully checked the names attached thereto with the Great Register of the County and finds that they constitute a majority of the registered voters of the district, that they have registered since January 1, 1918, and previous to signing the petition which is therefore legally sufficient. On motion of Trustee Muhleman, all of the communications in reference to this subject were referred to the Committee of the Whole.

The following demands were presented and referred to the Finance Committee.

Miss Ina Whitaker and C. B. Guthrie appeared before the Board with the suggestion that the name of Ninth street be changed to Maida-vaile.

On motion of Trustee Shaw, it was ordered at this time, that the election returns from Municipal District No. 2 be canvassed.

The Chairman appointed Trustees Muhleman and Jackson as Clerks to canvass the vote and after having canvassed the vote, the Committee submitted a resolution.

On motion, Resolution No. 1017, Resolution of the Board of Trustees of the City of Glendale declaring result of the special election held in Municipal Improvement District No. 2 of the City of Glendale on June 4, 1918," was taken up for reading. On motion of Trustee Henry, the same, upon being read, was adopted.

A communication was read from a number of citizens, signed by H. T. Paschal and others, protesting against changing the name of Sycamore avenue to Aliso street, and requesting that if a change is made, the name of Doran street be given to that thoroughfare. On motion, referred to the Committee of the Whole.

On motion, "An Ordinance of the City of Glendale providing for the issuance of Forty-four Thousand (44,000.00) Dollars bonds of Municipal Improvement District No. 2 of the City of Glendale, authorized by the voters of said District, at a special election held on June 4, 1918," was taken up for first reading. On motion, this ordinance was declared read for the first time and was taken up for second reading. On motion, this ordinance was declared read for the second time and was laid over for one week for the third and final reading.

Trustee Shaw of the Committee on Rules presented a report embodied in a resolution, which was ordered to be read.

On motion, Resolution No. 1018, "A Resolution prescribing rules for conducting of proceedings of the Board of Trustees of the City of Glendale," was taken up for reading. On motion of Trustee Shaw, the same, upon being read, was adopted.

Trustee Muhleman submitted the following list of proposed changes in street naming, and on motion, the City Attorney was instructed to prepare an ordinance putting the same into effect:

Third Street—Wilson Avenue.
Second Street—California Street.

FOR DEMOCRACY

CITIZENS' LOYALTY MARCHING PARADE SET FOR TUESDAY EVENING, JUNE 25TH

At an enthusiastic meeting of the precinct captains of the War Savings Stamps Campaign, held in the High School last night with City Chairman Harry L. Howe presiding, it was unanimously decided to hold a Citizens' Loyalty Parade on the evening of Tuesday, June 25, 1918.

Inasmuch as this is a thrift campaign, it was felt that the committee would not have the right to ask the stores and organizations to go to any expense for a parade emphasizing this idea. For even a most simple parade there is the expense of preparing of floats, of banners, the expense of hiring music, the expense of automobile wear and tear as well as of fuel to propel them, but more than any of these is the inestimable loss to the community of time in the daylight hours. Stores would have to be closed with a loss of service as well as a loss of money to the storekeepers. Business men are called from their work, and the women, who at this time are doing so much work, can ill afford the time.

But it must be admitted there is a certain effect of a "feeling of unity" produced by a parade which can not be neglected in war times. The American people have gone into this war as a whole. The first line trenches are important, filled with the brave men who are willing to give their lives for their country's cause. But the second line and the third line, and every line back of them is no less important. It is the line of citizenship that says, "Hold fast, boys." "Buck up, boys." "We are behind you."

And so in this great campaign for Glendale's share of the \$15,000,000 which this county must raise, we, too, must get behind the boys at the front. To this end, a Citizens' Loyalty Parade was suggested by Mr. Howe.

The plan is this, simple but all inclusive: Every citizen of Glendale, men, women and children, shall form into a marching line. No automobiles. All on the same basis, just as the men are in the trenches, prince and pauper, millionaire's son and ragpicker's son, every nationality, fighting shoulder to shoulder for one great cause. Then, in solemn procession, march to the High School where, after singing some patriotic song, the whole assembled body will pledge allegiance to our flag, a short speech on the subject of the day, a prayer for victory in His name, the singing of "The Star-Spangled Banner" as Old Glory comes down from the mast at sunset. Simple? Yes, but what greater outpouring of expression of loyalty and patriotism could one ask?

E. K. Barnes of Casa Verdugo was named as chairman of the parade committee. He will name his own assistants and make all the details for assemblage, line of march, etc. The only limitation placed upon him was that a central location should be chosen so that a complete representation will be present from all parts of the community. Glendale, Casa Verdugo and Tropic. We are all one in this great expression of loyalty to our country.

Every citizen will want to know about it. Don't leave any one out. Pass the word along. Think how you would feel if you didn't have this opportunity to express your patriotism, merely because you had not been told.

The Broadway School P.-T. A. was inadvertently omitted from the list the other evening. On the contrary, it should have received especial praise. Its little folks have already purchased over three hundred and sixty dollars' worth of stamps.

BAPTIST PASTOR RESIGNS

At a meeting of the officials of the First Baptist Church of this city last Wednesday evening a letter from Rev. Vernon H. Cowser tendering his formal resignation as pastor of the church, was read by the clerk. It was received with expressions of regret and a committee was appointed to draw up resolutions expressing the sentiments of the church.

In his letter Rev. Cowser congratulated the church on its material prosperity and its establishment on a sound financial basis, also on its increased membership and its prospects of steady growth.

Rev. Cowser states that he has received several calls and has practically accepted one from Corning, California, where there is a wide-awake, prosperous Baptist organization which has recently built a handsome, well-equipped house of worship and where he feels he can do better work than in Glendale.

AUSTRIAN PREMIER RESIGNS

MOB IN LEMBERG PLUNDERS MILITARY TRAIN CARRYING FOOD TO AUSTRIANS ON ITALIAN FRONT

(Special Service to Glendale Evening News)

AMSTERDAM, June 14.—Vienna reports state that the Austrian premier, von Seydler, in audience with Emperor Karl tendered his resignation. Action on it was postponed until the Emperor can consult with parliamentary leaders. It is understood there were serious food riots in Lemberg Saturday, when a mob plundered a military train carrying food to the Italian front. At Ymuden a mob of Dutch fishermen, angered because a submarine shelled the life-boats of a Dutch lugger that was sunk without warning, attacked a hotel where German airmen are interned. The police saved the lives of the Germans whom the mob sought to lynch.

There is active cannonading on a twenty-mile front between Villiers-Cotterets wood and Chateau Thierry. Elsewhere there are only raiding operations. French raids at Corcelles, Bossaires, west of Rheims and in the Champagne region were successful.

SUES FOR \$10,000 DAMAGES

(Special Service to Glendale Evening News)

LOS ANGELES, June 14.—Wilhelm Oehler, who moved from San Francisco to Glendale a short time ago, has today filed suit in the Superior Court against William Cornelius, also of Glendale, demanding \$10,000 damages for alienating the affections of his wife, Helene Oehler. His complaint states that Cornelius and Mrs. Oehler are cousins. He alleges that Cornelius made love to her and during May persuaded her to leave their home in Glendale. He also alleges that his complaints to the Glendale police officials caused the arrest of Cornelius and Mrs. Oehler, but that they were later discharged.

STEPHENS CLUB

MEETS IN INTEREST OF GOVERNOR'S RE-ELECTION AT BRALY HOME

Mrs. John Hyde Braly, who was appointed chairman for the 61st Assembly District to organize the women of the district into a Stephens for Governor club, held a preliminary meeting at her home Thursday, when Mrs. Florence Collins Porter spoke to a number of the prominent Republican women of Glendale. The object of the meeting was to prepare for the formation of a Women's club to work for Governor Stephens' nomination and re-election. Mrs. Porter emphasized the necessity for working for the nomination. If there is apathy at the time of the primaries, all may be lost. She spoke of her personal acquaintance with Governor Stephens, his record and qualifications.

Mr. Braly said it is not a good plan to swap horses in the middle of the stream. Governor Stephens has sustained the policy of the president so there can be no objection to him on that score. Mr. Braly also spoke of a long personal friendship with the governor and his regard for him as a man and as California's chief executive.

Mrs. Braly expects to divide the district into sections, with captains for each to line up the women as members of this club.

Captains appointed yesterday were Mesdames Gertrude Follansbee, F. M. Parke, J. C. McQuiston, Calvin Whiting, S. C. Leppelman, J. F. Paldelford, T. H. Addison, C. W. Houston, R. Sherman, John Robert White, Harry Lee Howe, Dan Campbell, H. S. Duffield.

THE HOME STORES

Mr. and Mrs. Frederick Baker of 109 North Maryland avenue have had the pleasure of entertaining their friends, Mr. and Mrs. James Hinchshaw of Ontario, for a few days. While here, they have made shopping tours of Los Angeles, and Thursday morning Mrs. Baker persuaded them to inspect some of the Glendale stores. They were so pleased with what they saw and the prices given them, which were considerably below some of the figures secured in Los Angeles, that they made quite a number of purchases here. Mrs. Baker feels that we do not sufficiently appreciate our local stores and that we can often buy to great advantage at home with far less wear and tear than a trip to Los Angeles entails.

FORUM PICNIC

Members of "The Forum," a debating society of Union High School, will have a picnic Friday afternoon at Brookside Park. Besides the regular membership there will be a few guests of honor, the list including Dan Campbell, Berna Martin, editor of the Explosion during the last year, Clarence Ralston and Harlan Durand, debating champions. No subject for debate at this gathering has been announced and it is understood that the motion to adjourn, which is not debatable, will not be put until a late hour and that in the meantime the picnickers will enjoy themselves with swimming, tennis, boating, etc.

CHOIR PARTY

The junior members of St. Mark's parish were entertained Thursday afternoon from 4 to 9 o'clock at the home of Mrs. Le Roy Bosserman, 814 South Central avenue. There were twenty guests, all members of the choir and all boys, and at the proper time Mrs. Bosserman served them a delicious dinner of the sort that boys like best. She has sons of her own and she knows. Special guests of honor were Winston and Richard Marshall, who leave soon for the Imperial Valley, and Allen Pollock, who goes to San Francisco to spend four months and perhaps longer. The boys were entertained with games and music in the evening.

WEDNESDAY R. C. CLUB

The newly organized Wednesday Club, which assembles fortnightly, met this week at the home of Mrs. William Gibson at 700 West Ninth street. While these gatherings are pleasant social affairs, they are chiefly for the accomplishment of Red Cross work, both for the local Chapter and for French and Belgian relief. In the three sessions held by the club, twelve surgeons' aprons, seven blankets and twenty-one pairs of baby shoes have been made. The next meeting will be a picnic at Echo Park, but the ladies will take their work along just the same as usual.

FATTY ARBUCKLE

LOSES VALUABLE PEDIGREED DOG YESTERDAY WHILE IN GLENDALE

Thursday the distinguished film comedian, Fatty Arbuckle, came up from the Balboa Studio at Long Beach to call upon little Baby Osborne, the bright, particular star of the Diando Company. With him came his white-footed brindle bull dog of ancestry so distinguished that his pedigree inspires respect. Possibly the excitements of filmdom have palled upon this highly bred quadruped and he took this opportunity of seeking a quiet spot where his nerves could relax. At any rate he disappeared and it was supposed that he had sought the quiet thoroughfares of Glendale. When his master was ready to return to Long Beach the bull dog could not be found and the comedian was forced to make the trip without him. The dog wears a collar bearing his name and his Long Beach license tag. As stated above, he is of brindle color with four white feet, and can be easily identified. The finder of the dog is asked to return him to the Diando Studio on Verdugo road.

There is a possibility that Mr. Arbuckle may himself try the mountains for a change and accept an engagement with the Diando Company.

In this connection it is of interest to know that a new star, in the person of Mildred Reardon, late of the Ziegfeld Follies, New York, has just arrived and will be featured in a five-reel picture which the company is arranging to produce. A serial company is now working at the studio, with prospects that two more companies will be added within the next six weeks.

John English, formerly advertising manager, is now acting as general manager of the studio. Several important improvements have been made for the comfort of players, not the least of which is the filling of the reservoir for a swimming pool.

HARDING-RIVERS WEDDING

A pretty home wedding was solemnized at eight o'clock Monday evening, June 10th, at the home of Mr. and Mrs. E. S. Harding of 1411 West Colorado street, Glendale, when their charming young daughter, Gladys, who is well known in local High School and church circles, became the bride of Claude W. Rivers, a capable young man in the Aviation Corps of the United States Navy, now stationed at San Diego.

The bride was gowned in pink taffeta silk and was attended by Miss Lindsay, of Highland, wearing an apricot voile gown. Little Bettie Hitchcock, daintily garbed in white, carried a basket of Cecil Bruner roses containing the ring. Carl Tolle of Los Angeles, cousin of the bride and for many years a chum of Mr. Rivers, acted as best man.

A large draped American flag hung above the bridal party, and pink carnations and ferns profusely decorated the living room. Only relatives and very close friends were present.

Mr. and Mrs. Rivers spent a short honeymoon motoring to San Bernardino and Highland, the bride's former home, and then left for San Diego, where Mr. Rivers reported for duty.

Mrs. Rivers plans to be near her husband until he is sent abroad.

CHANGED TRAVEL CONDITIONS

Miss Pauline Hamilton, daughter of W. W. Hamilton of 303 West Tenth street, has returned from Iowa where she has been attending the State Teachers' College at Cedar Falls and specializing in kindergarten work. She will spend the vacation here with her parents and return to the school in August. When asked about her journey, she reported that on account of the reduction in the number of trans-continental trains which has been made by the Government, more stops have to be made and more changes are necessary, which combine to make the trip about a day longer than it was under old conditions. Between Omaha and Los Angeles she changed five times, but that was because the old time schedule with which her train started did not exactly dovetail with the new schedule, which went into effect during the course of her travel. She expects after this it will not be such a long and complicated affair, though it is bound to consume about a day's additional time. She experienced no difficulty in getting a permit to travel and does not anticipate any restrictions when she is ready to return to Iowa.

 An application was read from Mrs. H. L. Perkins for permission to conduct a dairy at 1504 Lomita avenue, which, having the approval of the Milk Inspector, was granted.
 Application was presented from Louis George Verdugo, requesting permit to conduct jitney service,

which, being approved by the City Manager and City Marshal, was granted.
 Reports of the Building Inspector and the Tax Collector were presented and ordered to be filed.
 Trustee Jackson made a report for the Public Welfare Committee in regard to the dog pound, and on motion of Trustee Muhleman, it was ordered that the various members of the Board co-operate with the Committee for further investigation of the matter.
 Trustee Jackson presented the following resolution and moved its adoption and the same being seconded by Trustee Henry, was adopted:
 "Whereas, we heartily favor the increase in wages of the employees of the Pacific Electric Railway, be-

lieving that the immense traffic over the Glendale branch of the P. E. will amply justify it, and

Whereas, the distance over the line is nine miles, and single fare 15 cents round trip, the proposed rate of 25 cents for single fare is in our opinion so exorbitant, that we are firmly convinced it deters people from settling and renting homes in this city.

And, Resolved, that we the City Trustees of Glendale, do not believe that the P. E. Railway is justified in raising rates on this branch, and we earnestly oppose it."

On motion of Trustee Shaw, the City Attorney was instructed to appear before the Railroad Commission upon the occasion of the hearing of the Pacific Electric Railway Company in its application for a permit to increase fares, to protest against the same and take such action as to him may seem advisable, but not to incur any expense except for his own services.

On motion of Trustee Shaw, the City Manager was instructed to secure a copy of Roberts Rules of Order and to have ten copies of Resolution No. 1018 provided for the use of the Board.

On motion, Resolution No. 1019, "A Resolution of the Board of Trustees of the City of Glendale declaring weeds growing upon and in front of certain lots in said City to be a public nuisance," was taken up for reading. On motion of Trustee Shaw, the same, upon being read, was adopted.

Trustee Shaw called the attention of the Board to a bad condition in the sidewalk on San Fernando road between Tropico avenue and Central avenue, and on motion, the Street Superintendent was instructed to have the same repaired so as to be made safe, at the expense of the property holder if practicable.

On motion of Trustee Henry, it was ordered that hereafter the City Marshal shall see that the curfew bell is rung at nine o'clock p. m.

The City Attorney advised the employment of an expert to assist in the investigation of certain matters connected with the proposed increase of telephone rates and, on motion, it was ordered that Mr. Barker be employed for this service at a rate of \$25.00 per day for a period of not more than six days.

Mrs. W. L. Andrews of 1552 Pioneer drive has been confined to her home the past week by a bad cold and attack of pleurisy.

Mrs. Knoche, daughter of Mrs. Frank Zerr of 141 Cedar street, who has been ill at a hospital, was brought home Thursday afternoon.

Girls of the Round Table met Wednesday evening at the home of Blanche Shea on Brand boulevard. They discussed taking up a new kind of war work.

Next Saturday evening the Lucky Thirteen Club will be entertained by Lois Candee at a picnic in the Eagle Rock Hills, where they will have supper and a general good time.

Miss Ada Gies of 1443 Sycamore avenue is recuperating from a severe operation at Thornycroft Hospital. She will soon be able to return to the home of her sister, Mrs. Reed Heustis.

Mrs. J. F. Lilly is spending the summer with her parents, Mr. and Mrs. Robert Waugh, in Colorado Springs, Colo. In the meantime J. F. is enjoying a visit from his parents, Mr. and Mrs. P. H. Lilly, who will probably make their permanent home in Glendale.

George M. Carpenter and wife, of Brooklyn, N. Y., who formerly resided in Glendale, have returned and expect to make their permanent home here. Mr. Carpenter is a mural artist of some reputation. He has been a great sufferer from asthma, but is improving in health.

Mr. and Mrs. George Holman of 340 Central avenue are having the pleasure of entertaining as their house guest Miss Ida Holman, an art teacher in a San Antonio college and a graduate of the Boston School of Fine Arts. She is a relative of Mr. Holman and will spend the summer in Glendale.

Mrs. Louis Baker of Brand boulevard reports that letters from her son Roger indicate that he is very well and expecting soon to be sent abroad from Camp Lewis. He had leave last Sunday and visited Seattle where he had dinner with Mrs. Niding of the Fraternal Brotherhood, formerly of Southern California.

Several soldier boys have come up from Camp Kearny and will attend the Flag Day ceremonies tonight at the Elks Club, the list including J. T. Beach of the Field Artillery Band, James W. Gibson of Battery F, 143d Field Artillery, Corporals Sidney Simon and "Herb" Henning, also of the 143d Artillery.

Miss Anna Woodbury of 419 South Glendale avenue returned Tuesday from Jerome, Arizona. The trip was made overland in a Studebaker Six by way of Ash Fork and Needles. At the Needles the temperature was 112 degrees Sunday and the manager of the Harvey House remarked that it would be quite comfortable as soon as it was hot enough to kill off the rest of the flies and mosquitoes.

Wesley Bullis of 101 Central avenue reports that his brother, Allen Bullis, who was stationed for several weeks at Camp Merritt, sailed recently for France and he hopes soon to have a letter announcing his safe arrival and describing his journey.

Miss Carol Duncan, who has been teaching at Chino, and her sister, Miss Lois Duncan, who has been teaching at Brea, have returned to the home of their father, Dr. A. M. Duncan, 307 South San Fernando boulevard, for the summer vacation.

COSTUME STUNT PARTY

The New Thought Center will have a fancy costume stunt party at the home of Mrs. C. N. Williams, 1228 Maple avenue, Friday evening at which Mrs. Gertrude Follansbee will recite, little Merna Kahler will give a wonderful song and dance, and Mrs. U. F. Newlin will present a character sketch of a "Colored Lady Suffragette." Quaint costumes will be welcomed and it promises to be a charming novelty in social affairs to which all members and friends of the Center are invited.

The marriage of Vernon R. Cowser of this city and Miss Helen P. Norman of Toronto, which will take place next Monday evening at the Baptist church at 7:30 o'clock, will be a very simple war wedding, with all ceremonies reduced to the minimum. Rev. Vernon H. Cowser, father of the groom, will officiate, and the bridal pair will enter and leave the church together and without attendants. They will reside in Glendale for the present. Vernon is employed in the statistical department of the Santa Fe Railroad. He is a registrant and will probably be called with the next draft.

FLAG SUNDAY

The 100th anniversary of the adoption of the "Star-Spangled Banner" will be fittingly observed in the Lutheran church, corner of Fifth and Maryland, this coming Sunday morning at the 11 o'clock service. To increase the interest and add importance to the occasion, the G. A. R. and the W. R. C. of Glendale and vicinity will be present. The pastor will speak on "Our Starry Banner," giving its brief history and showing what "Old Glory" means today while floating over millions of free people, and striving on the blood-soaked fields of France to extend its benign influence and protection to the downtrodden of the earth. There will be special flag decorations and music. The Misses Esterly and Frank Booth, "The Coffee King," will sing. "Your Flag and My Flag" will be rendered and an especially painted blue field exhibited, showing the location of the star of each state. Do you know the location of our state star on "Old Glory" Every citizen welcome to do honor to the "Star and Stripes."

FLAG CEREMONIAL TONIGHT

Readers of this paper are urged not to forget the beautiful Flag Ceremonies which the Elks are giving tonight at their fine club house and in which they are inviting the entire city to participate. It will be a beautiful spectacle, as other organizations are to unite with the Elks in this patriotic pageant, notably the Knights Templar, who will be there in full regalia. John G. Mott, a prominent Elk and a fine orator, will make the leading address on the theme: "Our Flag and What it Signifies Today," and there will be fine vocal and orchestral music.

FAREWELL SENIOR DANCE

Seniors of Glendale Union High have arranged for a farewell dance which will be given Friday evening at 8:30 at the Masonic Temple. It will be a pretty affair, gay with flags, which will be used lavishly in decoration. Walter Beach is the general chairman, and he will probably lend his assistance to Ardis Heisler and Daphne Burlingham, who have charge of decorations and of refreshments. Leo Goode of this city, the fine drum player, with players of the banjo, saxophone and piano to assist him, will furnish the music and it is quite safe to predict that it will be good music. The price of tickets has been fixed at \$1 per couple and all over and above the expenses will be invested in Thrift Stamps, which will be given to Glendale Union High as a memorial, with the understanding that when the War Certificates mature, the proceeds are to be invested in some suitable memento of the Class of 1918.

"United We Stand Divided We Fall"

THE main reason for the purchase of War Savings Stamps is because your country is at war. Your country needs every penny which every man, woman and child can save and lend, in order to feed, clothe, arm, and equip the soldiers and sailors of America and to win this righteous war in defense of American honor.

If we are to win the war, we must win it as a united people. The savings of ALL are necessary if we are to hasten the victory.

War Savers Are Life Savers

A single strand in the cables which uphold the great Brooklyn Suspension Bridge is not very strong, but thousands of these strands bound together uphold one of the greatest thoroughfares of the world.

When our fathers and sons and brothers were called by our Country to take up arms in her defense, you did not hear an individual soldier refuse to serve because his service alone would not win the war. Each man was ready to do his part. The great army thus formed is going forward to face the fire of battle and to risk everything for the safety and security of our homes and our families and for the very existence of our country.

These are the men for whom you are asked to save and lend your dollars.
