WH E R E A S his Excellency General *Washington* hath recommended to this State to invest the Executive Authority with full Powers, during the Recess of the General Assembly, to comply with any further necessary Requisition that he may make for Men, Provisions, or for the Means of Transportation: And whereas, from the present Appearances, there is Reason to apprehend that this State, in the Course of the Campaign, may be subject to Invasion; and unless the necessary Powers to call forth the Strength of the State, in Cases of imminent Danger, be invested in a suitable Council the Safety of the State may be greatly endangered:

Be it therefore Enacted by this General Assembly, and by the Authority thereof it is Enacted, That a Council of War be constituted, to consist of Five Members, Three of whom shall make a Quorum: That the said Council, when called by his Excellency the Governor, or his Honor the Deputy-Governor, shall and may, in the Recess of the General Assembly, make, ordain, constitute, and appoint all such Orders, Decrees, Regulations, and Commands of a military Nature, necessary for calling forth the Strength of this State, in all Cases that require sudden and immediate Dispatch: And that such their Orders, Decrees, Regulations, and Commands shall be as Valid as though enacted and ordained by this General Assembly.

An ACT in Addition to an Act passed in December, A D. 1780, intituled, " An Act ascertaining the Depreciation of the Bills of public Credit, and fixing the Value of private Contracts in Spanish milled Dollars, since the same have been in Circulation, &c."

WHEREAS

Act in Addition to the Act ascertaining Depreciation.

WHEREAS the Depreciation of the Paper Currency is ascertained in the aforesaid Act only up to the First Day of *April*, A. D. 1780, since which Time there hath been a still further and great Depreciation thereof; and in Order that Justice may be done, it is necessary that the same should be ascertained to the present Time; and that the Courts of Law should be directed in what Manner to make up Judgments and issue Executions for Contracts in the Paper Currency:

Be it therefore Enacted by this General Assembly, and by the Authority thereof it is Enacted, That the following Table or Estimate, exhibiting the Value of the Paper Currency in *Spanish* milled Dollars, shall be the Standard for fixing the Value of all Contracts, in Bills of Credit of the United States, issued before the 18th of *March*, 1780, made since the said First Day of *April*, A. D. 1780, to the 30th Day of *May*, 1781, and that the several Courts of Law within this State shall govern themselves by the same, in making up Judgments, *to wit*:

From *April* 1, 1780, to *April* 20, one *Spanish* milled Dollar was equal to 40 of the old Emissions of Continental Currency.

To <i>April</i>	25,	42	To <i>September</i>	10,	71

<i>May</i>	6,	46	<i>November</i>	10,	73

	20,	54	<i>February</i>	27,	75
	25,	60	<i>April</i>	15,	76
	30,	62		20,	77
<i>June</i>	10,	64		25,	78
	15,	68		30,	79
	20,	69	<i>May</i>	15,	80
<i>August</i>	15,	70		30,	160

And be it further Enacted by the Authority aforesaid, That the Courts of Law in this State be, and they hereby are, directed and required to make up and enter their Judgments, in all Cases, for lawful Money, in Silver or Gold, as ascertained in an Act of the General Assembly, passed at *June* Session, A. D. 1763, intituled, "*An Act* declaring what

what is and shall be Lawful Money." &c. And that all Costs arising in any Suit at Law, of what Kind soever, and Officers Fees, shall be computed in like lawful Money, and shall, on Account of the raised Prices of the Necessaries of Life in general, be 25 *per Cent.* or One Quarter Part more than as allowed by Law in the Year 1774. And all Fines, Penalties and Forfeitures, shall be computed in like lawful Money, equal in Value to the Sums specified.

And whereas the Continental Paper Bills of the old Emissions have been considered as a Medium of Trade, and a Measure in Dealings, in Lieu of Money, for which Obligations have been given, and are not yet discharged, and the said Bills, by the general Consent of the People, have, in great Measure, ceased to circulate as a Currency; and the Continental Bills of the new Emission have been also considered as a Medium of Trade, and for which like Obligations have been given; and Experience hath shown, that they are likewise liable to Depreciation, and great Contests and Disputes may arise between Debtors and Creditors, in determining what shall be a just Equivalent for such Debts:

Therefore, for the better securing of Property, and for causing impartial Justice to be done, *Be it further Enacted by the Authority aforesaid.* That all Contracts made for Continental Bills, of the old or new Emissions, or Debts for which Depreciation is due by Law, from Persons who have received Monies for others in Paper Bills, may be discharged, by paying the just Value of such Debts in Silver or Gold lawful Money, or Bills of the new Emission issued by this State, pursuant to a Resolve of Congress of the 18th of *March*, 1780; which Value shall be ascertained by the aforesaid Scales of Depreciation, and such Scale of Depreciation as shall be agreed upon and established by the Superior Court of Judicature, &c. as herein after mentioned.

And be it further Enacted, That notwithstanding Execution shall issue from the Courts of Law, for levying and collecting the just Value of any Paper Money Debts as aforesaid, in Silver or Gold, yet the Person against whom the same is issued may discharge such Part of the Execution as shall be due from him for a Paper Money Debt as aforesaid

said, by paying the Value of the Sum of Gold or Silver specified in the Execution to be due from him as aforesaid, in Continental Bills of the new Emission, issued in this State, pursuant to said Resolve of Congress of the 18th Day of March, 1780, at the current Exchange on the Day he shall pay the same; which Value and current Exchange shall be determined from Time to Time by the Justices of the Superior Court of Judicature, &c. who for this Purpose shall meet, if necessary, once a Month, and oftener in Case of an apparent Depreciation of said Bills of the new Emission; and who shall monthly notify the Rate of Exchange between the said Bills and *Spanish* milled Dollars, in the Newspapers of this State: And that the Sheriff who shall have such Execution, shall pay the same immediately to the Person in whose Favour it is issued, or on Default thereof shall pay to such Person the Depreciation of the Money, while in his Hands: But in case the Sheriff shall be obliged to collect the said Money, due on such Execution, by Sale of Goods, Chattels or real Estate, he shall receive Gold or Silver only in discharge thereof.

And be it further Enacted, That the reckoning of the Depreciation of said Bills, as ascertained by the three Scales aforesaid, shall be considered as having Reference to each Day specified, and as having taken Place regularly and progressively, in equal Degrees, from any Day specified in said Scales to the next specified Day.

And it is further Enacted, That Judgments of Court, already obtained for Paper Money Debts, and whereon Executions have been issued, and are not yet returned, and all Judgments for Paper Money, may be discharged, by paying to the Person in whose Favour such Judgment is passed, or to the Officer in Possession of such Execution, the just Value thereof, at the Time such Judgment was rendered, in Bills of the new Emission issued by this State as aforesaid, which Value shall be ascertained, in Case of Execution being issued, by the Officer who has the same, from the said Scales of Depreciation. *Provided nevertheless,* That until the Scale of Depreciation of the new Emission as aforesaid shall be published by said Court, any Officer now possessed of any Execution, may receive in Discharge thereof *One Dollar* in the new Emission of Continental Currency for *Twelve Pounds* of the old Emissions, and in like

like Proportion for a greater or less Sum; and that any Person, in whose Favour any Execution hath been issued, may, if he sees fit, order it to be returned for an alias, that the Value of such Judgment may be justly ascertained.

And whereas Creditors are often injured by being unreasonably delayed from their just Dues, from the Length of Time between the Courts: *Be it therefore Enacted*, That all Executions from the Inferior or Superior Courts, shall be returnable in Three Months from the Time of issuing such Executions.

And it is further Enacted, That this Act be in Force immediately from and after the Rising of this Assembly; and that the Secretary immediately publish the same in all the Newspapers of the State.

It having been represented unto this Assembly, That the Wife of *Benjamin Wiley* hath a large Family of Children, who are in a suffering Condition, for Want of the Necessaries of Life: And it appearing that the said *Benjamin Wiley* hath faithfully served in the Continental Troops of this State Three Years, and was honorably discharged: That he hath since reenlisted into, and is now on Duty in, the Continental Battalion of this State; and that there is due to him *Forty-four Pounds Sixteen Shillings*, for the Depreciation of his Wages: *It is therefore Voted and Resolved*, That *Six Pounds*, Silver Money, be allowed the said *Mrs. Wiley* for the present Support of the Family; and be paid to her, by the General-Treasurer, out of the Tax ordered at the present Session for Silver Money: And that the same be deducted out of the abovesaid Sum due to the said *Benjamin Wiley*.

And that the said States send forward as soon as may be the salted Provisions requested, and the necessary Supplies of Rum, Salt, and Summer-Cloathing :

Which Report being duly considered, *It is Voted and Resolved*, That the same be, and hereby is, accepted ; and that the Assembly will provide the Ways and Means of procuring this State's Proportion of the Supplies agreeable to the said Report.

A Mare to be
restored to *W.*
Stevens.

The Committee appointed to inquire into the Facts set forth in the Petition of *William Stevens* made the following Report, *to wit* :

We the Subscribers, agreeable to our Appointment, have taken the said Petition into Consideration, heard the Parties with their Evidences, and report, that the Mare claimed by the said *William Stevens* is his Property.

John Cooke,
Sylvester Gardner,
Gideon Mumford.

And the said Report being duly considered, *It is Voted and Resolved*, That the same be, and hereby is, accepted : That *Benjamin Bourne*, Esq; A. D. Q. M. G. deliver the said Mare to the said *William Stevens* : And that the Commissary of Purchases call upon the Person of whom he purchased the said Mare to refund the Money given for her.

Further Time
allowed to pay
Money for
Beef.

It is Voted and Resolved, That the several Towns in this State, which are deficient in the Payment of the Money already assessed for Beef, be allowed Twenty Days longer Time to pay the same : That, upon the Payment thereof, with the Interest and Costs, within the said Time, they be exonerated from the Penalty of paying double the Sum assessed upon them : That those Towns, which have already paid in the Sums so assessed upon them, with the Interest and Costs, be excused from the said Penalty : And that the Town of *Middletown*, which hath paid the said Penalty, have Credit therefor in the Tax assessed at the last Session in Silver Money.

Depreciation-
Money to be
paid for the
Use of the Fa-
milies.

It is Voted and Resolved, That the Town-Treasurers of the respective Towns in this State be, and they are hereby, empowered

empowered to receive of Lieut. *Oliver Jenckes* the Depreciation-Money in his Hands due to the Soldiers who have Families in their respective Towns, which have been supplied by the several Towns, or are likely to stand in Need of being so supplied.

It is Voted and Resolved, That the Sheriffs of the Counties of *King's-County* and *Kent* be, and they are hereby, directed to advertise, and sell at publick Vendue, the Stock and personal Estates of those Persons who have lately broke Gaol and fled; and that they sell the same for Silver Money; and pay the Amount of the Sales into the General-Treasury.

Estates of Persons who have broke Gaol to be sold.

Whereas divers of the Town-Treasurers within this State have been committed to Gaol, by Reason of the Negligence of the Collectors of Taxes of their respective Towns in not duly collecting the Taxes: And whereas the said Town-Treasurers have called Special Courts, and obtained Judgments and Executions against the said Collectors, and their Sureties, and suggest that they shall be enabled to discharge and pay the Demands the General-Treasurer hath against them, within Thirty Days: And whereas their being confined in Gaol is very prejudicial to them:

Further Time allowed for the Payment of Taxes, and to *Gloucester* to raise their Quota of Soldiers.

It is therefore Voted and Resolved, That the several Town-Treasurers within this State, who are now confined in Gaol, be permitted by the Sheriffs of the respective Counties to return home. And, in case the said Demands of the General-Treasurer against them be not settled and discharged at the Expiration of the said Thirty Days, the respective Sheriffs who shall liberate the said Town-Treasurers are hereby directed and required to take into Custody the said Town-Treasurers, and commit them to close Gaol, there to remain until they shall pay the same.

And it is further Voted and Resolved, That a further Time of Twenty Days be allowed unto the respective Town-Treasurers to pay the Monies for which the General-Treasurer hath issued Warrants of Distress against them; and that, if the same be not paid at the Expiration of the said Time, the respective Sheriffs commit such Town-Treasurers as shall be delinquent to Gaol.

And

And it is further Voted and Resolved, That a further Time of Twenty Days be allowed to the Town of Gloucester, to procure the Quota of Men assigned the said Town for filling up this State's Continental Battalion: That in the mean Time the Town-Treasurer of the said Town be liberated from Gaol; and that, in case the Deficiency of the said Town be not made up at the Expiration of the said Time, the Sheriff of the County of Providence commit the said Town-Treasurer to the Gaol in the said County.

Post at Rhode-
Island to be
commanded by
a Lieutenant-
Colonel, and
Thanks given
to Col. Crary.

Whereas this Assembly, at the last Session, did appoint *Archibald Crary, Esq;* Colonel-Commandant of the Post at *Rhode-Island*: And whereas *Brigadier-General Choisy* hath the Command of the *French Troops* on that Island, which renders an Officer of so high a Rank as a Colonel-Commandant to the Command of the Militia, doing Duty there unnecessary:

It is therefore Voted and Resolved, That the Militia called forth to do Duty be commanded by a Lieutenant-Colonel-Commandant. And this Assembly, being sensible of the good Conduct of the said Archibald Crary, during the Time he commanded at the said Post, Do Vote and Resolve, and it is Voted and Resolved, That the Thanks of this Assembly be, and are hereby, given to the said Archibald Crary, for his Services: And that the Secretary immediately transmit a Copy of this Resolve to the said Archibald Crary.
