CERTIFICATE

5 February 1948

Shoichiro Kobayashi,
Special Liquidator for the Manchurian Heavy Industries Development Co., Ltd. and the Manchurian Investment Securities Co., Ltd.
Chairman of the Closed Institutions Liquidating Commission.

The relations between the Japan Marine Products Co., Ltd. (Nippon Suisan Kaisha, Ltd.) and the two companies; the Manchurian Investment Securities Co., Ltd. (Manshu Toshi Shoken Kabushiki Kaisha) and the Manchurian Heavy Industries Development Co., Ltd. (Manshu Jukogyo Kabushiki Kaisha) as far as can be examined upon checking the books, documents and other reference data in the custody of this Commission, I affirm the below-mentioned matters to be true in every particular.

1. The Manchurian Heavy Industries Development Co., Ltd. (hereinafter abbreviated Manchurian Industries) and the Manchurian Investment Securities Co., Ltd. (hereinafter abbreviated Manchurian Investment) were designated as closed institutions respectively on the day mentioned below and their business has been suspended from that day on:

   Manchurian Industries ---------- 30 September 1945
   Manchurian Investment ---------- the same as above

2. The Manchurian Industries transferred all the shares (449,246 shares, face value, 50 yen, totally paid up) of the Japan Marine Products Co., Ltd. held by the former Company to the Manchurian Investment. Ratio of the shares held then by these companies to the total capital of the Japan Marine Products Co., Ltd. is 23.82 percent, which had not changed until the Company was closed.

3. There has not been any clarified agreement that the Manchurian Industries and the Manchurian Investment should control the personnel affairs of the Japan Marine Products Co., Ltd., and in fact, such a control has not been exercised. In consequence, no previous approval for the officers' appointment to the Japan Marine Products Co., Ltd. has been requested in actuality.

4. The Manchurian Industries and the Manchurian Investment have dispatched, in fact, the following officers as representatives of the shareholders, but, in actuality the personnel concerning officers of the Japan Marine Products Co., Ltd. have not been influenced by these persons:

Hisao Tamakawa	Auditor (non-regular)	from Sep. 1939 to Mar. 1941
Michihiro Umetani	"	"	from Mar. 1941 to Mar. 1943
Kantaro Miho	"	"	from Mar. 1943 to Nov. 1945

CERTIFICATE

1948

Gisuke Ayukawa

I was designated in 1948 as a zaibatsu in accordance with Law No.2, and I affirm the below-mentioned matters concerning the control of personnel affairs of the Japan Marine Products Co., Ltd. (Nihon Suisan Kabushiki Kaisha) (hereinafter abbreviated Japan Marine Products).

I had not concluded any clarified agreement with the Japan Marine Products. But, I have been a member of the directors' council of the Japan Industrial Co., Ltd. (Nihon Sangyo Kabushiki Kaisha) until this Company was dissolved on 27 December 1937, and had asked virtually, until this day, that my previous approval should be requested for the election of leading officers (managing directors and upwards) of the Japan Marine Products. However, on the occasion of the dissolution of the Japan Industrial Co., Ltd. followed by the inauguration of the Manchurian Heavy Industries Development Co., Ltd. (Manshu Jukogyo Kaihatsu Kabushiki Kaisha), I washed my hands of the virtual control over all companies in Japan. In consequence, I have never executed from that day on any control of the personnel affairs of their officers.

Moreover, I have declared in public the above-mentioned fact, and furthermore, I was then strictly requested by the Manchukuo Government to do the same. Therefore, the status of president-director which I had been holding continually from 1937 to March 1941, and that of councillor to which I was appointed to afterwards, are only nominal. In fact, I had no chance of attending

directors' meetings, and never interfered, by these statuses, with the personnel affairs of officers of the Japan Marine Products.

In consequence, I affirm I have not approved for the appointment of Mr. G. Hayashi to Director / Auditor of the Japan Marine Products.

Misao Ueda

1. I am not relatedin anyway either by blood or marriage to Mr. Gisuke Ayukawa, as certified by theappended copy of my census register.

2. As stated in my individual questionnaire, I was graduated in March 1915 from the Otaru Higher Commercial School, and served as staff-member in the Russo-Japanese Fisheries Co., Ltd. (Nichiro Gyogyo Kabushiki Kaisha), the Japan Fishing-boat Co., Ltd. (Nihon Gyosen Kabushiki Kaisha), the Northern Seas Fisheries Co., Ltd. (Hokuhyo Suisan Kabushiki Kaisha) and the Japan Joint Cannery Boat Co., Ltd. (Nihon Godo Kosen Kabushiki Kaisha), and in June 1935, I was elected director of the Japan Joint Cannery Boat Co., Ltd.

This company was, from the standpoint of its capital, a company invested in by the Kyodo Fisheries Co., Ltd. (Kyodo Gyogyo Kabushiki Kaisha), but the personnel affairs of officers of this company were decided by the free will of its president. In August 1936, I was elected director of the Kyodo Fisheries Co., Ltd. by the recommendation of the president of this company. The personnel affairs of leading officers; managing directors and upwards required before the fact the appoval of Mr. Ayukawa, but those of ordinary directors were decided by the president's will, and were not interferred with by Mr. Ayukawa.

In April 1937, the company was renamed the Japan ~~Fisheries~~ Marine Products Co., Ltd. At that time, I was in the post of director, and as manager of the Osaka or Hakodate Business Offices, took charge of duties concerning business in these districts. In March 1941, I resigned from the post of director, and in the same month appointed as a non-regular auditor. In March 1943, having

resigned fromthis post too, I was elected, in April 1943, auditor of the Yamato Fisheries Co., Ltd. (Yamato Gyogyo Kabushiki Kaisha), subsidiary company of the Japan Ocean~~ic~~ Fisheries Control Co., Ltd. (Nihon Kaiyo Gyogyo Tosei Kabushiki Kaisha) (renamed in accordance with the ~~Fisheries~~ Marine Products Control Ordinance), and remained in the post up to the present. I was elected in February 1947, auditor of the Nissan Fisheries Experimental Laboratory, Ltd. (Kabushiki Kaisha, Nissan Suisan Kenkyusho), subsidiary company of the Japan ~~Fisheries~~ Marine Products Co., Ltd. (renamed due to the abolishment of the ~~Fisheries~~ Marine Products Control Ordinance), and also elected, in the same month of the same year, director of the Hoyo Fisheries Co., Ltd. (Hoyo Gyogyo Kabushiki Kaisha), subsidiary company of the Japan ~~Fisheries~~ Marine Products Co., Ltd. and remained in these posts up to the present.

The election to the above-mentioned posts of officer was recommended by thewill of the president ofthe Japan Fisheries Co., Ltd.

As things are as stated above, I wish to state here that, evidently, I am not an officer that would have any relation to the zaibatsu, in view of theactual circumstances of my appointment to office or those of my execution of duties.

Furthermore, I report also that there has never been any agreement that the election of officers should require the approval of the zaibatsu or zaibatsu-controlled companies, or that such an approval has ever been given.

3. I have held the post of officer of a semi-controlled company, the Japan ~~Fisheries~~ Marine Products Co., Ltd., but I was an ordinary director and non-regular auditor whose duties and rights are clearly

shown in the appended Service Regulations of the Company. I had virtually no rights or any supremacy that would be mre powerful than those of the standing directors.

4. I have never been appointed concurrently as an officer of any other zaibatsu-controlled company of the Japan Industrial Company Line except thedirector of the Japan ~~Fisheries~~ marine Products Co., Ltd. as stated in my individual questionnaire. This fact will be clearly understood, ifconcerned documents submitted from all zaibatsu-controlled companies of the Japan Industrial Company Line, are examined.

Additional Statement Concerning the Reason of

Petition for Recognition of Non-Zaibatsu Official

February 5, 1948

To: Mr. KATAYAMA Tetsu
Prime Minister

I have devoted myself as a Loochoo native to the aid of the unfortunate Loochoo people and educational work while handling the company's business.

I have never been idle to act for the company's business by doing the above activities and served successively in Investment Dept, Statistical Dept, Osaka Branch which was crowned with success, I was convinced.

Under these circumstances, I was appointed as the director of the Mitsui Trust Co., Ltd. on April 28 1944, and concurrently served as the Manager of Osaka Branch working hard in the first line of the business. Pursuant to an earnest desire of Loochoo people at home, I made up my mind to devote myself mostly to the relief works for Loochoo people. Retiring from the first line of the business of The Mitsui Trust Co., Ltd. in January 1947, I organized the Okinawa Foundation, and was appointed as Chairman of the foundation exerting every effort in this field.

Since I entered The Mitsui Bank Ltd. thirty-five years ago at the recommendation of president of Yamaguchi Higher Commercial School, I have fostered real ability by making utmost efforts, having neither background nor connections.

I am herewith convinced that I have no relationship with the Mitsui

Family and my appointment as the director of the Mitsui Trust Co., Ltd. was due to the desire of the employees and not to specific relationship with the Zaibatsu.

The Mitsui Trust Co., Ltd.,
Director

To: Mr. Tetsu Katayama
Prime Minister

I. Substance of Petition

I hereby request for your approval that I am an official who has nothing to do with Zaibatsu although I was appointed a Managing Director and Director of The Mitsui Trust Co., Ltd., which was designated a direct Zaibatsu affiliate by the Law for termination of the Zaibatsu family control on April 28 '44 and Nov. 26 '45.

II. Reason

1. (A) It is shown in Para.11 Item 2 of my Questionnaire that the reason why I was appointed a director is due to my fifteen years' experience and career of trust business as an employee of The Mitsui Trust Co., Ltd.

(B) It is shown in the attached document, Affidavit of Mr. Morio Shimada the former president that with reference to the appointment of an official I requested previous approval to Mitsui Honsha Ltd. only for formal investigation and I assumed the position by the recommendation of Mr. Morio Shimada, the former president.

(C) It is shown in Para. 7 of my Questionnaire that after the assumption of the post of official I devoted myself in the front line of the business and was appointed a managing director at the general meeting of shareholders on Nov. 26 1945 receiving no previous approval of Mitsui Zaibatsu or Mitsui Honsha Ltd. when the Directive concerning dissolution of Mitsui Zaibatsu was enforced on Nov. 6 1945 and the function of Mitsui Honsha Ltd. was closed and democratic movement sprang up vigorously among the employees.

2. As above mentioned I am applicable to Article 6 Para. 1 Item 2 of the Law and an official nothing to do with Zaibatsu. I herewith request for your approval as above mentioned pursuant to Article 6 of the Law.

CERTIFICATE OF TAKAKIMI MITSUI

1. In respect of exercising voting right of The Mitsui Trust Co., stocks held by Takakimi Mitsui & ten other Mitsui Families, I put the matters under Mitsui Honsha Ltd.'s charge and stopped the function of Mitsui Honsha Ltd. on Nov. 6 '45 after the enforcement of the Directive concerning the dissolution of Mitsui Honsha Ltd. Therefore I have nothing to do with the general meeting of shareholders of The Mitsui Trust Co., Ltd. and election of new officials.

2. I herewith certify that I was not asked previous approval for Mr. Y. Hika's appointment of a managing director on Nov. 26 '45.

1. Though we approved Mr. Yoshiatsu Hika's assumption of director of The Mitsui Trust Co., Ltd. on April 28, 1944 in accordance with our custom, it was only an approval of recommendation of the company.

2. As the Directive concerning the dissolution of Zaibatsu was enforced on Nov. 6, 1945 and the statement concerning the dissolution was issued to all members of the company and its affiliates on Nov. 8, we did not give a previous approval about Mr. Yoshiatsu Hika's assumption of managing director on Nov. 26, 1945.

AFFIDAVIT OF MORIO SHIMADA

3 February, 1948

1. I recommended Mr. Yoshiatsu Hika a director at the general meeting of shareholders of The Mitsui Trust Co., Ltd. on April 28 1944 and Nov. 26 1945 as he has worked for fifteen years serving many important posts and had remarkable experience and career.

2. I obtained previous approval of Mitsui Honsha Ltd. when he was appointed a director on April 28, 1944 but it was usual way that the official recommended by the company was approved to resume the position. Therefore the above approval for him was considered to be nothing more than formal investigation.

3. As the Directive concerning the dissolution of Mitsui Honsha Ltd. had been enforced before Nov. 26, 1945 the above custom was abolished and therefore I requested no previous approval of Mitsui Honsha Ltd.

APPLICATION Misao Ueda

February 5, 1948.

To: The Hon. Tetsu Katayama,
Prime Minister.

Sir:

Our company, Nihon Kogyo K.K.(Japan Mining Co., Ltd.) was designated as an affliated concern with Nissan Zaibatsu in compliance with the Law No.2 to Eliminate the Controlling Influence of Zaibatsu Families promulgated on January 7, 1948 and with the procedure Provisions of the Directive No.7 of the same Law promulgated by General Affair Board on the same date. Consequently I have come under the law as an officer of the Zaibatsu company concerned.

I hereby submit this application for your kind approval in accordance with Article 6 of the Law that I am not an officer of the Zaibatsu company concerned according to the reason stated in the separate sheets.

S. Iijima

(Sanai Iijima)
Former Representative Director
of the Chosen Nissan Kagaku
Kogyo K.K.
(Korean Nissan Chemical Ind.
Co., Ltd.)
Director of the Taisho Unyu K.K.
(Taisho Transportation Co., Ltd.)

Reference of Application

Feb. 5, 1948.

I graduated the Agricultural Chemistry Dept. of the Tokyo Imperial University in July, 1913 and was employed by the former Dai Nippon Zinzo Hiryo K.K.(Japan Chemical Fertilizer Co., Ltd.) as an engineer.

Afterwards, the said company reformed into the Nissan Kagaku Kogyo K.K.(Nissan Chemical Industrial Co., Ltd.) During my service in that company, I have had been served successively as a manager of a factory, section chief and deputy chief engineer, but I was only an engineer. On Oct. 30, 1940, I retired from the said company. On establishment of the Chosen Nissan Kagaku K.K.(Korean Nissan Chemical Industrial Co., Ltd.) I was appointed to be an officer of the company, because I have had a long technical experience in the fertilizer business and moreover I had many seniors and school-mates in the circle of the Korean fertilizer industry and it would afford me much conveniences in acquiring raw materials and also in managing factory.

I was, however, on the position of managing director, I devoted myself entirely in the technical affairs under the direction of the representative directors, President Fusajiro Adachi and Senior Managing Director Tamiichi Nakamura, so I had no controlling power higher than the representative directors.

I am not an officer of the Zaibatsu concern as above-mentioned. I hope you will realize my business carrier and I would like to call your special attention upon my sincere application.

Remark:

The Korean Chemical Industrial Co., Ltd. was at first

planned to establish at Chinnampo-Fu in Korea as an lime superphosphate plant of the Japan Chemical Fertilizer Co., Ltd. Afterwards, the construction work of the plant was undertook since the autumn of 1937 as the Chinnampo plant of the Nissan Chemical Industrial Co., Ltd.

As the pyrite, the raw materials of sulphuric acid which is necessary for lime superphosphate production, was supplied to the Chinnampo Refinary, the plant was separated from the Nissan Chemical Industrial Co., Ltd. in the autumn, 1940 when the construction was completed. The Korean Nissan Chemical Industrial Co., Ltd. was established with the 80% investment from the Nissan Chemical Ind. Co., Ltd. and 20% from the Japan Mining Co., Ltd.
