The first club following a name indicates where letters may be sent.

Club abbreviations, not included in the above list, refer to New York, Washington, Philadelphia, Chicago or Baltimore Clubs, to distinguish which is added respectively the letters *n*, *w*, *p*, *bl*, or *ch*.

Aht.' Br.' Cl.' Dth.' H.' P.' Wms.' Y.' respectively indicate the college, and, when the date follows, the graduating class.

Social Registers for Boston, Chicago, New York, Washington, Philadelphia and Baltimore are issued in November, February, May and August. They record the full names and addresses of the several members of prominent families grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

The names of Juniors  $\left\{ \begin{array}{l} \text{Misses from 12 to 17} \\ \text{Mrs " 14 to 20} \end{array} \right\}$  appear underneath the names of older members of their families.

On the last pages of these issues will also be found an index of marriages and deaths and an alphabetical list of the maiden names of married women.

The February and May issues contain changes of address, etc., that have been made since the November number. The August number gives the country or foreign addresses of all these cities in one issue.
