COUNTER PETITION IS FILED

Recall Petition Bearing 406 Signatures Was Filed With the City Clerk On Monday

Counter Petition Goes to City Clerk, Asking for Withdrawal
of Many Names on First Petition—Hearing With Trustees
Set for September 8.

A counter petition against the recalling of Mayor H. F. McNellis and City Trustees Carl Blank and Hugh McCaffrey was filed this week with City Clerk Dan McSweeney. It is claimed by the petitioners that enough names required to disqualify the first petition was obtained. This petition calls for the withdrawal of names from the original recall petition.

The original petition for recall was filed with the city clerk last Monday for verification of the signatures. It was signed by 406 voters, according to the circulators. Each name on this petition must be verified by San Mateo County registration records, directly checked against the registration affidavits. After such checking is done the petition will be brought before the board of city trustees at their meeting of September 8.

In like manner the counter petition must be verified with county registration affidavits. If this petition is found in order, then names of those parties signing the second petition will be withdrawn from the first. The recall petition requires 247 bona fide names, and in order to quiet the recall petition the counter petition must withdraw at least a greater portion of the 406 signatures.

According to hearsay, it is not anticipated that the board will set a date for the recall at the coming meeting. Such date, if the petitions are still in order, will probably come from the court, in the event the court should find the petition for recall sound.

COMMITTEE OF LOCAL C. OF C. MEETS TONIGHT

A meeting of the executive committee of the Chamber of Commerce has been called for this evening at the chamber's rooms in the city hall. The receiving and discussing of plans and estimates for the beautification of the civic center and the initiation of certain work on the three park sites recently acquired by the city is the purpose of the meeting. Also the problem of needed changes in the firehouse and fire equipment will be discussed.

The members of the executive committee are: F. A. Cunningham, I. H. Potter, Father James P. Moran, J. O. Snyder, Mrs. E. P. Kauffmann, W. H. Dinning, H. A. Cavassa, William J. Hyland, Enrico Rosetti, P. R. Thompson, Em. Kardos, John Williams, B. J. Rodondi, B. H. Traax, Trustees H. F. McNellis, F. A. Cunningham, A. J. Eschelbach, Carl Blank, Hugh McCaffrey, City Attorney J. F. Davis.

Barron G. Collier

Barron G. Collier of New York well-known advertising man, is a member of one of the two hostile camps on Marco Island, near Fort Myers, Fla. They are quarreling over the ownership of a mile-wide strip of uncharted land across the middle of the island. The sheriff is supporting Collier's interests as against the other faction, made up largely of old settlers and a syndicate which recently bought the town site of Marco.

Many Visit Here At Dedication of Church

By Special Representative
Sunday was a great day at St. Paul's Community Church (Methodist Episcopal). There was a fine audience at each service. At 11 a. m. Bishop Charles Wesley Burns electrified his hearers with a great message on "The Meaning of Christ and His Church to the World." He is not only a great thinker, but is attractive as a speaker because of his sparkling humor and bubbling genius before an audience.

Dr. Warner, district superintendent of San Francisco, directed in securing pledges for indebtedness on the church and there was a fine and liberal response, considering that so many had previously subscribed for this fund. Nearly two thousand dollars was quickly pledged.

In the afternoon service a number of ministers from the conference were present and were happy in their greetings. In brief messages they gave tribute to the value of the church and were especially complimentary in admiration and praise of the beautiful new church. Some even expressed surprise at finding such a commodious and beautiful building. Dr. George W. White of Los Angeles, for seven years district superintendent; Dr. Looft-bourro of Burlingame, Dr. Wise of Palo Alto, Doctors Morrill, Langdon, A. C. Stevens and Warner, all of San Francisco; Dr. Linn of San Jose, Dr. Thomas Leak of Halfmoon Bay and Dr. B. J. Morris and wife of Berkeley were present, as were also Dr. N. J. Crysler and wife of San Rafael. Their addresses were quite clever and the coming of so many of these ministers was a token of the interest these Christian leaders have in the advancement and promotion of the kingdom of Christ.

Bishop Burns, wittily and with felicitous facetiousness had part in the afternoon service. Dr. Warner called for additional pledges and there was kindly response.

In the evening Dr. Warner gave a fine address on the "Leadings of God" and pictured four adventures in life which were full of interest. The offerings for the day totaled fully \$2,500, were very good, for so many of those present had already given. Many, however, took additional pledges.

The choir, under the direction of Earl Hargraves, rendered splendid music. Those who sang solos were the choir leader, Helen Reed, Alice Luty, J. G. Walker, H. J. Owen and Mrs. W. E. Sullivan. All these songs were well received. The music was of a high order and received fine mention by the bishop and other visitors.

The memorial windows taken are beautiful. The two large windows with lilies were presented as a memorial to Charles Young, by the Masons. The other two large windows are taken by Mr. and Mrs. J. G. Walker as memorials to Mrs. Walker's father and mother, Mr. and Mrs. Daggett. The insets are the Greek letters, Alpha and Omega, the terms used by Christ as applied to himself as the First and the Last. The pretty windows in the southeast part of the auditorium, with inset of the Boy Christ is a memorial to little Jessie Sites. In the Sunday school rooms next to Spruce are eight beautiful windows suitable for memorials. Four have been taken. Mrs. Peck presents one as a memorial to her father, John Terrace. The inset is a picture of the open Bible. Mr. and Mrs. E. H. Lewis have taken one of these beautiful windows as a memorial to Charmeen, a sweet child now in Heaven. The inset is a little lamb. The preachers present subscribed for a window for Dr. George W. White, for seven years superintendent of this district. Immediately after the Ladies' Aid took another window for Mrs. Dr. White.

The day was fine. Every service was pleasing and successful in every way. The people of the community all rejoice that there has been completed such a commodious and beautiful temple of worship. The full cost of the building and the furnishings,

Post Office Is Moved to 222 Grand Ave.

Greater efficiency was made possible in the South San Francisco post-office last week when it took up new quarters on Grand Avenue. For the past few years the postoffice has been cramped for space in its former location at 221 Linden Avenue. The new building affords three times as much floor space, occupying over 2,800 square feet. The office is located at 222 Grand Avenue, in the Frank Giffra building. This new business block was recently completed, giving South San Francisco a building which adds much to its business section.

With the change in location, according to Postmaster Hardy, comes several improvements in service. Besides the additional space, which affords the handling of mail more rapidly, two windows for service to the public will be used. Seven new mail boxes are to be installed. Recently two were placed in the city, making nine boxes in the last month. The seven which have been ordered in will be located, one on Randolph Avenue, one on Chapman, two on Commercial, two on Baden and one in front of the postoffice on Grand.

Besides the installation of the new boxes, an increase in the force is contemplated, states Hardy.

and including the lot, is \$47,000.

The building committee, trustees, pastor and his people are to be congratulated in a large way. Pastor Beall speaks in high praise for those associated with him in this great enterprise. He especially rejoices that there has been so much of harmony and good will on the part of all. He praises the people of the community for their generosity and for the splendid help rendered from so many sources. From all classes and from church people of various faiths there has been such a fine, liberal spirit. Indeed, this is a community church and all, with a big, broad brotherly spirit have not only shown a large interest, but have encouraged in material and friendly ways.

Connected with the dedicational week there are three more services. There will be services of a high order, with special music and with fine speakers on Thursday, Friday and Sunday nights. The public will wish to participate and will be present. Dr. Beall will finish his third year as pastor next Sunday. He preaches at 11 a. m. His subject will be, "Faith's Center the Cause of Greatest Character and Greatest Exploits."

Mrs. Beall is superintendent of the Sunday school and is a consecrated, skillful and indefatigable worker. She is greatly loved by the people and by her Sunday school and league friends.

Rev. Asa P. Beall has held some fine pastorates, and is said to always leave things better in every charge he serves. He has built several church buildings. In his last charge before coming to California, Muskogee, Oklahoma, he received over five hundred members into his church and built a church building. In Los Angeles he addressed an audience of from eight hundred to a thousand people every Sunday for over four years. He won honors in oratory in his college, the Illinois Wesleyan, and carried the highest grades in his 5-year conference course. He gives his laymen great credit for the success of this fine enterprise and says not too much praise can be given the splendid Ladies' Aid, of which Mrs. Elsie Dotson is president and Mrs. E. C. Peck is vice-president. Mrs. Elizabeth Coffinberry has been also a fine counselor and helper, as have many others.

EPWORTH LEAGUE TO HAVE LAUNCH RIDE

The Epworth League of the Methodist Church will enjoy a launch ride around the bay tomorrow evening, September 5, leaving San Francisco at 5 p. m. A picnic lunch will be eaten at Paradise Cove. Some of those who will enjoy this ride and picnic will be: Misses Dorothy Truax, Sylvia Thomas, Ruth Hattersley, Myrtle James, Elva Dinning, Catherine MacLeod, Bernice Maxey, Georgian Knock, Louise Pedrett, Ruth Carleton, Dorothy Carleton, Rhoda Tibbets, Betty Maddrell, Leta Lloyd, Mabel MacLeod, Linda Gibson, Ava Connelly, Bertha and Beatrice Maple, Alice Luty, Althea Spangler, Eleanor Hynding, Rue Clifford and Messrs. Adrian Bell, Ed Kingsland, H. Davies, Leavada Maxey, Bud Esler, Frank Whitehouse, Emery George, Robert Reed, Roy Zimmer, Bill Newton, Albert Luty, Elmer Vaccari, Karl Koellner, Earl Potter, N. Hynding.

LADIES' AID TO SERVE BANQUET

The Ladies' Aid of the Methodist Episcopal Church will serve a banquet for the purpose of dedicating the new banquet hall at the church, corner of Spruce and Miller Avenue, Thursday evening, September 18. The cost per plate will be \$2.50. Dr. Gordon of the San Francisco Congregational church will be the main speaker for the evening. Everyone is invited.

School Opened August 24

"School again!" "Have a good vacation?" "Oh, dear! I met the most wonderful fellow!" "Going out for football?" Such were the remarks heard at the local high school Monday, August 24, when the students again assembled for the fall term.

The girls paraded up and down the halls showing off their new dresses, or stood in groups talking about the new drawing teacher, while the boys swept the halls with their wide trousers and made a terrible racket with their loud sweaters.

New students were registered, books and locker keys given out, last year's debts paid and everything made ready to start work Tuesday.

"Oh, well, vacation's all right, but it's good to get back to school again."

Student Body Meeting

The first student body meeting was held last Friday afternoon. The president announced that committees would be appointed to look after the freshman initiation and the entertainment which is to be given in the fall.

Inaugural speeches were given by the new officers of the student body and the five new teachers.

Five New Teachers

Five new teachers have been added to the faculty this year. Miss Helen Bourke will have charge of all the music, including stringed and wind instruments, glee club and orchestra. Lloyd Lukens, shop. Harold Ansley, art. Lisle Norman, physical education. F. T. Anderson, chemistry, science.

Football Practice

On the first Wednesday after school started Coach Hunter gave football suits to sixteen or seventeen boys who are going out for the team. Besides the substitutes of last year's team and the new applicants, seven regulars of the last year team were present. The tryouts have been light, but by next Monday strenuous practice will begin.

The school wants to get behind the team and give them incentive for duplicating last year's performance.

High Seniors

The High Seniors held a class meeting Thursday and elected the following officers: President, Marion Volonte; vice-president, Virgil Ringue; secretary, Enes Tacchi; treasurer, Charles Gillardi; reporter, Wilma Davidson.

Two new members have joined the class, Louis Beltrami and Herbert Lago.

Superintendent Asks Observance Of September 17

Communications were sent out this week to all teachers of San Mateo County requesting them to make special observance of September 17. This day is the 138th anniversary of the signing of the Constitution of the United States.

Teachers of the local schools are making preparations for special exercises on that date. The letter as sent out by Pansy J. Abbott, county superintendent of schools, is as follows:
To San Mateo County Teachers:
GREETINGS

Hon. Will C. Wood, state superintendent of public instruction, suggests that September 17, 1925, marks the 138th anniversary of the signing of the Constitution of the United States. Inasmuch as the teaching of the Constitution is required by law in the schools of California and inasmuch as the young people of the state should become acquainted with the spirit of this great document, he requests that the day be observed in a fitting manner in all the schools of the state by holding suitable exercises in civics classes or general assemblies.

Very truly yours,
PANSY JANET ABBOTT,
County Superintendent of Schools.

SOUTH SAN FRANCISCO STRUCTURE OF RECORD

SACRAMENTO, Sept. 4.—Details made public here by the bridge department of the California highway commission indicate the underpass on the Bay Shore Highway, plans for which have been submitted to the state railroad commission, will be the largest structure of its kind on the state highway system.

The proposed subway will carry the Bay Shore Highway under the two main line tracks and six additional tracks of the Southern Pacific near the city of South San Francisco. It will be constructed of steel and concrete and will be 150 feet long with an overhead clearance of fourteen feet. The subway will have a clear roadway width of forty feet and in addition an 8-foot sidewalk for pedestrians.

It will be so constructed that it may be widened in the future as traffic increases to an ultimate width of eighty feet of roadway.

The preliminary drawings have been completed by the commission's bridge engineers and work has started on the detail plans.

The highway commission has filed an application with the railroad commission for an order authorizing the construction of the grade separation and the assessment of the cost against the state and the railroad. Final estimates of the cost have not been made, but it is expected to run into six figures.

Daniels Breaks 24 Out of 25 Birds In S. S. F. Club Shoot

In the grand merchandise shoot of the South San Francisco Gun Club, held at the traps of the club at South San Francisco, Daniels, with 24 breaks out of 25 birds, was high gun. G. W. Thomas was second with 23, while Schamberg and Goodman tied for fourth place with 21. Others competing were Gearhart, 18; Mitchell, 18; Bone, 16; Lavers, 15; Oglum, 15, and Webb, 14.

In the shoot-off, non-prize winners in the merchandise shoot to profit, the scores were as follows: Schamberg, 23; Daniels, 23; Thomas, 20; Montgomery, 20; Mitchell, 19; Gearhart, 17; Webb, 16; Lavers, 15, and Otto, 14.

In the special match Thomas and Montgomery, with 21 breaks out of 25, divided first money. Rowe was third with 16, Otto, 14, and Valerga 19.

Work Starts on New Finance Co. Home in S. S. F.

Work was started on the new location of the California Finance and Loan Corporation of South San Francisco. The corporation will occupy the former location of the post-office. Complete remodeling is being done and the new offices will be equipped equivalent to the most modern banking institutions on the Peninsula.

The company was recently organized by leading business and financial men of this city. The corporation is capitalized for \$200,000 and half of that amount has been subscribed for by the founders of the organization. The company is placing on the market \$75,000 worth of preferred stock, non-assessable, free from personal property taxes in California, exempt from normal federal income tax and is 7 per cent cumulative, participating up to 10 per cent after 7 per cent has been paid on the common stock.

The business of the company is financing where banks leave off. Also it will conduct a loan department for wage earners.

On another page of this issue the entire plan of the company is explained. The organization of such a corporation for South San Francisco should mean much to business conditions here. Through its functioning it makes business more punctual and allows business men to conduct their business with access to a greater amount of cash without increasing their capital stock.

ANDERSON-REED WEDDING HELD WEDNESDAY EVE

The marriage of Miss Helen Reed, a former teacher in the local high school, to Neil J. Anderson, who has a scholarship given by the Institute of American Meat Packers, was solemnized at the home of the bride's parents on Miller Avenue Wednesday evening, September 2, with Rev. Asa P. Beall officiating.

The home was beautifully decorated for the occasion, the dining room being wreathed in white and yellow daisies and ferns. The table had four white streamers attached to a yellow light, each streamer fastened and held by three daisies at the table's edge, and the living room was decorated with an arch of palm branches set off by flowers in pink and white—dahlias, asters, sweet peas and a huge basket of pink and white gladioli, the latter a gift from the high school student body.

Miss Louise M. Pedrett was the bridesmaid and Horace Miller, M. D., acted as best man. The bridesmaid wore a chin-chin blue hand embroidered voile gown over gold crepe and carried a bouquet of pink roses.

The bride's gown was of ecru lace over cream satin, and she wore white shoes and hose. The gown was a straight effect with flaring skirt. She carried a shower bouquet of white roses and lilies of the valley and she also carried a handkerchief that had been a family heirloom.

The following was the program for the evening: Song, "For You Alone," by Earl Hargraves; "Wedding March" (Mendelssohn), played by Robert E. Reed, a brother of the bride; ceremony, congratulations from the guests and a wedding supper, consisting of cake, ice cream and punch was served by Misses Olive and Annie Hitchman, Christine Hollingsworth, Bernice Waterman and Carol Davis. The bride's bouquet was caught by Miss Louise Pedrett.

The happy couple left Thursday morning by the Western Pacific No. 2 at 9:20 for Chicago, where they will make their future home. The bride's outfit consisted of a dove gray traveling suit (ensemble style), shoes, gloves and hose to match and she wore a hat of deep cherry red grosgrain ribbon.

Among the guests present were the Messrs. and Mesdames J. M. Burke of Berkeley, F. P. Reed of Stockton, J. A. Voorhus, A. A. Davis, son Frank, and daughter Carol, Earl Hargraves, Asa P. Beall, Misses Bernice Waterman of Oakland, Christine Hollingsworth of Denair, Esther Carr of San Francisco, Rue Clifford, Olive, Ethel and Anna Hitchman of San Jose, Francis Luderman, Louise Pedrett, Mrs. W. E. Sullivan, Mrs. J. F. Haight of Burlingame, and Messrs. Lester Hollingsworth of Denair and Wallace Andrews of Miller Avenue.

Germany's Three Calamities: Lost War, Coup d'Etat and Inflation Period

By PROF. ADOLF HARNACK, in Vienna Neue Freie Presse.

One who takes into consideration these three calamities—the lost war, the coup d'etat and the inflation period, will not wonder that the soul and the body of the German people should be gripped by a dire disease, which finds expression in savage egoism, in a reprehensible passion for gain, and in infringements upon laws and morals.

The German nation, the most industrious in the world, has never ceased to work. It is working now also, and, what is more, it is working twice as hard as before. It would work even still harder if its physical health were better, and if it could find a richer and wider field for its toil. As to the work done by our mental workers—the students—I can testify out of my own experience that they are working with a greater diligence than ever. The same is evidenced by our physical workers.

The love of work, which is the mother of all civic virtues, is helping our people to overcome the influence of evil forces. And already now one may say: Go and see the German people while at work, and you will be able to form an idea as to what it is and what it can accomplish!

It Was Not the Purpose or Intent of the Sherman Anti-Trust Law

By JUSTICE STONE, United States Supreme Court Decision.

It was not the purpose or the intent of the Sherman anti-trust law to inhibit the intelligent conduct of business operations, nor do we conceive that its purpose was to suppress such influence as might affect the operations of interstate commerce through the application to them of the individual intelligence of those engaged in commerce, enlightened by accurate information as to the essential elements of the economics of a trade or business, however gathered or disseminated. . . . Trade associations or combinations of persons or corporations which openly and fairly gather and disseminate information as to the cost of their product, the volume of production, the actual price which the product has brought in past transactions, stocks of merchandise on hand, approximate cost of transportation from the principal point of shipment to the points of consumption, as did these defendants, and who, as they did, meet and discuss such information and statistics, without, however, reaching or attempting to reach any agreement or any concerted action with respect to prices or production or restraining competition, do not thereby engage in unlawful restraint of commerce.

A Proper Discrimination of Place of Athletics in the College Order

By PRESIDENT EMERITUS C. F. THWING, Western Reserve University.

In the undergraduate and graduate mind the year has helped toward a proper discrimination of the place of athletics in the college order. In the past the double aim of the higher education as a sound mind in a sound body has received an emphasis too strong upon the part of the sound body. In the yet earlier period perhaps the sound mind was overvalued in relation to the worth of the bodily condition.

Administrative officers and college faculties are becoming convinced that athletics may be, not an asset, but a menace. Their dominance not only hurts the influence of the scholarly spirit, but that dominance also gives to that part of the public which is unthinking a false impression of the work and the worth of the college. That dominance, too, makes the thoughtful grieve.

A better proportion of physical and intellectual values is coming to prevail. The stadium is really getting a larger place by the side of the chapel. The extravagant compensation given in the past to football coaches is becoming less extravagant. The whole athletic system is assuming its proper relation in the academic order.

"Time Flies. If You Would Catch Up With It You Must Fly Also"

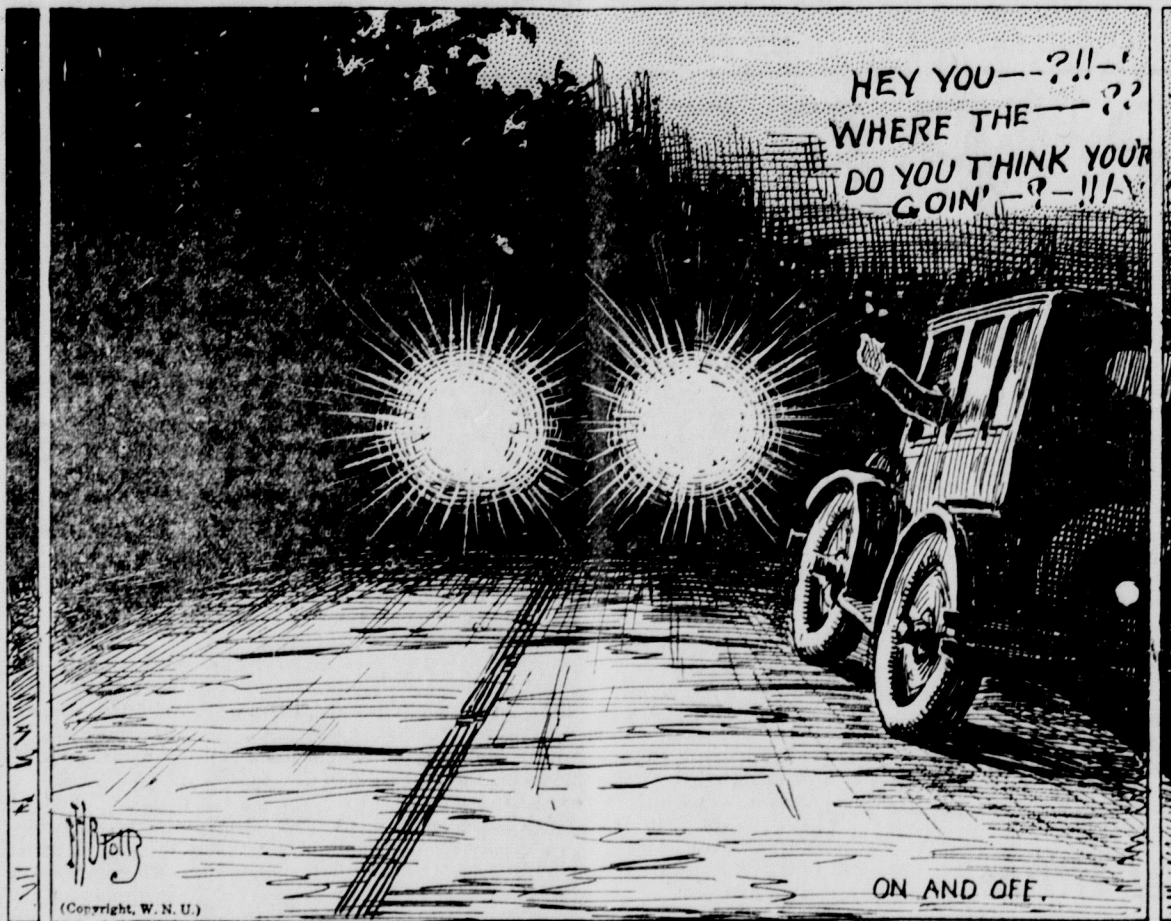

By U. S. SENATOR HIRAM BINGHAM, Air Expert.

Permit me to call to your attention certain things which must be done if we are to enjoy the enormous saving of time which commercial aviation will permit. In the first place, we must plan to use airplanes over land and airships over sea.

In the second place, we must recognize the absolute necessity of proper terminal facilities. There must be adequate airports if there is to be much air commerce. There must also be suitable flying fields as air stations and frequent landing fields to use as anchorage in time of storm and stress.

In the third place, we must realize the necessity of developing navigable airways and providing them with adequate charts, lighthouses, buoys, beacons, radio and other necessary aids to navigation. Finally, our municipalities must aid by furnishing airports; our states must aid by providing airways. Our national government, through a bureau of air navigation in the Department of Commerce, must do as much to aid air commerce as it has to aid ocean commerce. Time flies. If you would catch up with it you must fly also.

GOOD THINGS TO EAT

The early apples are in the market, delicious, juicy and healthful. For a dinner dish to serve with steak try the first green apples from the Duchess tree. Cut them after washing into thin slices, leaving the peeling unremoved. Add a few slices of onion and place in a frying pan with a little sugar, salt and pepper to give additional flavor.
Before the Duchess apple is ripe is the time to can a few for winter use. The flavor is much more delicious for sauce or pie. Canned without sugar, the fruit may be reheated with sugar and a bit of butter added and you have a dish of apple sauce which tastes like the fresh apple.

Peach Whip—Beat the whites of three eggs until stiff, add three table-spoonfuls of powdered sugar and when smooth add the pulp from six ripe peaches which have been peeled and pressed through a sieve. Beat until thick. Serve in tall sherbet glasses, adding a bit of lemon juice to each.

Chicken Baked in Cream—Prepare a fowl for frying. Roll in seasoned flour and place in a heated pan with three tablespoonfuls of butter. Season well with salt and pour over one cupful of cream. Cover and place in a hot oven to bake until tender. Remove the cover and brown before serving. Serve with a highly seasoned sauce prepared from the gravy in the pan.

Roll Jelly Cake—This is a cake, when well made, everybody asks for again. Take three eggs, beat very light, add one cupful of sugar, a pinch of salt and two tablespoonfuls of baking powder sifted with one cupful of flour. Bake in a dripping pan in a moderate oven. Grease the pan and when the cake is done turn out on a towel wrung out of cold water. If the edges are crisp trim them before rolling.

Asparagus which seems too tough to cook may often be peeled and then makes a tasty dish.

Two Great Church Services

At St. Paul's Community Church, Spruce and Miller avenues, Thursday and Friday nights, September 3 and 4, at 7:30 o'clock special services will be held. Thursday night Dr. A. C. Stevens of San Francisco will give the message. Friday night Dr. W. J. Sherman, also of San Francisco, will speak. These are strong men, pastors of great churches, and everyone should hear them. There will be fine instrumental and vocal music. Mr. Hargraves is soloist Thursday night and Professor Claudio, with orchestra, for Friday night. Jim McGiffin will also speak Thursday night. These will be services of extraordinary interest and no one should miss them.

Upholstery Is Old

The art of upholstery originated in the East. It is known that from the earliest times the Egyptians used upholstered couches and chairs and the Assyrians, their neighbors, who were masters in the art of weaving, introduced the rich woven draperies used both for covering the seats of furniture and for the draping of walls.

Fish's Odd Protection

The sea cucumber, one of the curious jelly bodies that inhabit the ocean, can practically efface itself when in danger by squeezing the water out of its body, and forcing itself into a crack so narrow as not to be visible to the naked eye.

Historic Sherwood

The original Sherwood forest of Robin Hood fame was twenty-five miles long by ten miles wide; but included pastures, heaths and even barren tracts, with here and there a densely wooded grove.

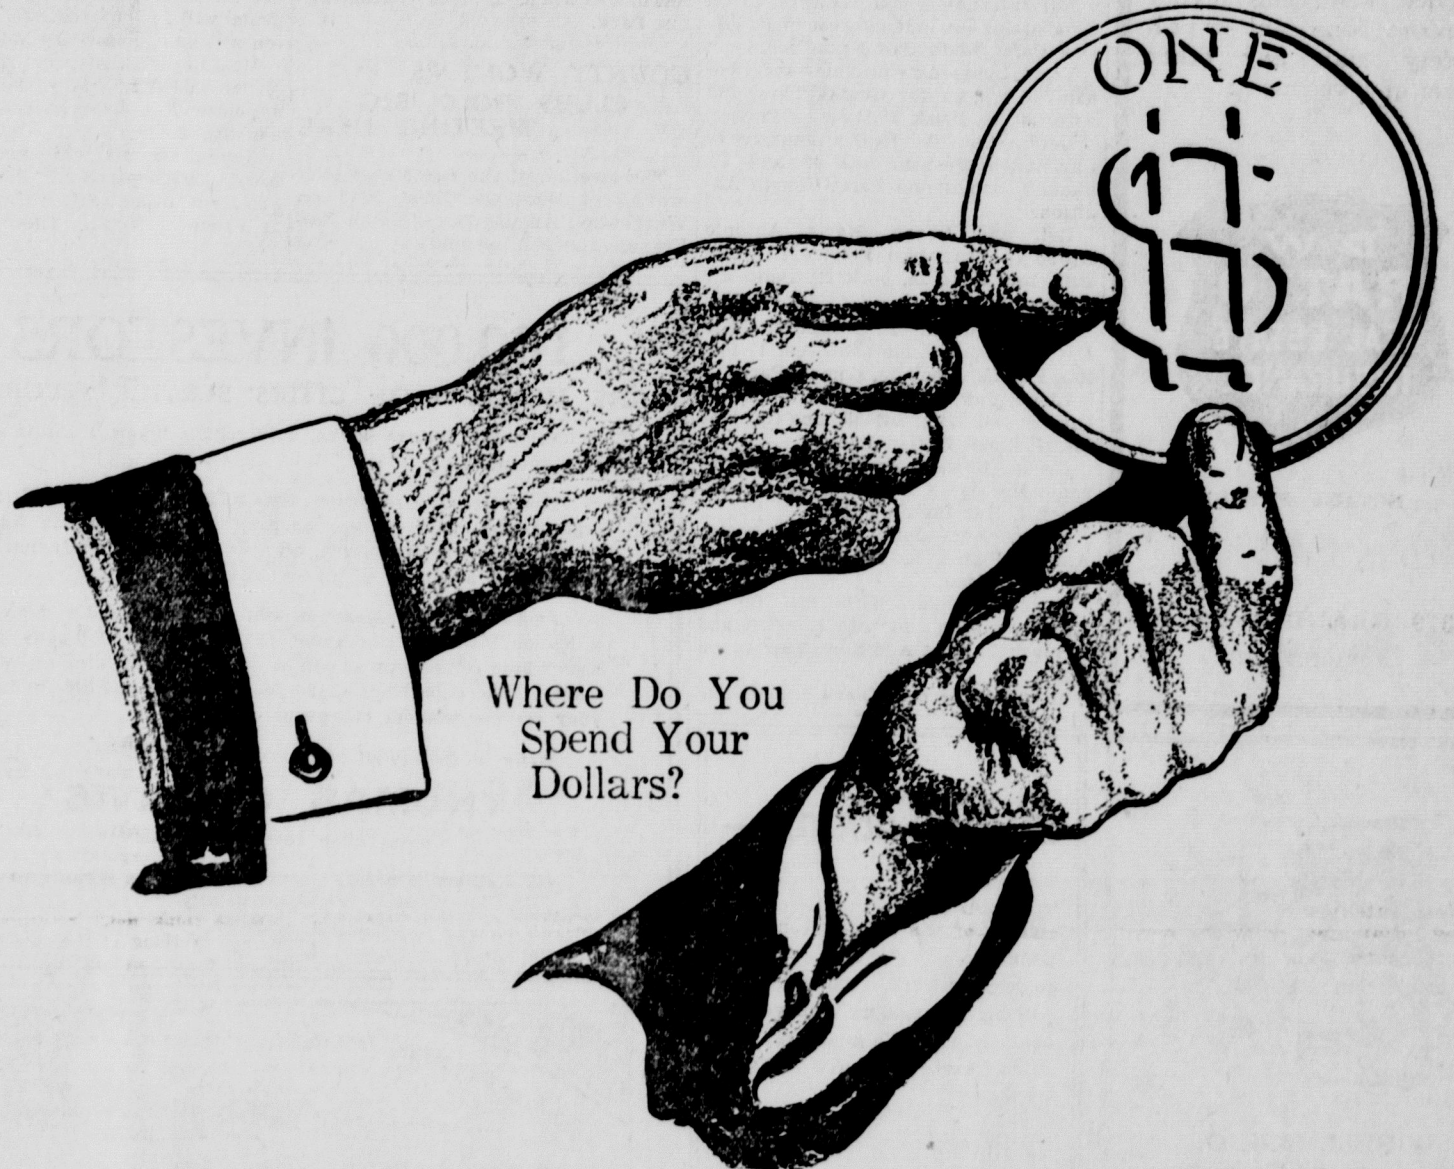

No Witnesses Wanted

Welcome, Mischief, if thou comest alone.—Benjamin Franklin.

Great Lawyer Prolific

John B. Moore, in his "Life of Marshall," states: "During his period of service, 195 cases of international law were decided. Marshall delivered the opinion on 80 of these." Mr. Moore also states that of 62 opinions on constitutional law handed down during Marshall's period of service, 1801-1835, Marshall delivered 36 written opinions.

IT MAKES A BIG DIFFERENCE TO YOU WHERE YOU SPEND YOUR DOLLARS

Supposing, for instance, that every man, woman and child in this community spent their money away from home, what would happen to this town?

There would be no stores, no shops, no schools, no churches, no good roads, no newspaper—in fact there would be no town.

South San Francisco is the market place for whatever you produce, whether it be labor or farm products. Without home trade there could be no town of South San Francisco. Everyone would move away. Trains would cease stopping and it would be almost no-time before our home town would be but a memory.

So you see, it does make a big difference with you and with your neighbors, where you spend your money.

"Thirty years of Service"

SEPTEMBER 9, 1895, our Folsom Power House at *Folsom, California, the first hydro-electric plant of commercial importance in the United States, sent forth precious energy at 11,000 volts over 23 miles of lines that lighted streets and houses and provided motive power to operate the street cars at Sacramento.

This event marked the beginning of an era of expansion and development for the state. It was the motive for a great celebration on Admission Day at Sacramento.

Since that time progress has been rapid. Great plants have been constructed; thousands of miles of line have been built; an efficient organization has been perfected, providing light—heat and power to 2,200,000 people, until today, California leads in the production of hydro-electric energy and "Nowhere is power so cheap as in California."

In doing this for the people in the State, many problems were encountered; many failures occurred; fortunes, yes! even lives were sacrificed to give the customers the benefits they enjoy.

The policy of this company has been and will continue to be one of increasing its facilities in advance of the needs of the territory served.

It always has been and will continue to be the desire to aid in every way, the progress of this great growing commonwealth.

COUNTY WOMEN'S CLUBS HOLD BIG MEETING HERE

The meeting of the San Mateo Federation of Women's Clubs, held on Wednesday, August 26, at South San Francisco, was a particularly splendid

one. Mrs. E. C. Peck, president of the federation, presided at the meeting. At the executive meeting in the morning appointments for chairman of departments were ratified as follows:
 Mrs. L. E. Aubury, North Burlingame Community Club, civics, narcotics and legislation.
 Mrs. W. I. Claves, Burlingame Woman's Club, art, literature and music.
 Mrs. Eschelbach, South San Francisco, motion pictures.
 Mrs. George Reardon, Burlingame Woman's Club, co-operation with institutional relations.
 Mrs. Beulah C. Schindler, Woman's Club of San Mateo, press.
 Mrs. John Vickerson, Burlingame Woman's Club, parliamentarian.
 Mrs. John L. McGinn, Woman's Club of San Mateo, child welfare and public health.
 Mrs. Thomas Stentford, Menlo Park Study Club, emblem, endowment and federation extension.
 The next meeting of the federation will be held at Menlo Park on November 10, at which time a patriotic program will be enjoyed. The committee will be appointed by Mrs. Peck.
 Mrs. Lewis E. Aubury, Mrs. George Miller and Mrs. Mary Gervais were appointed as a committee to revise the constitution.
 Announcements were made as follows: Luncheon to Dr. Bertola, state president, to be held on September 25 at Fairmont Hotel. There will be a

The Way to Beautiful Homes

A real WELCOME

The hallway of the home makes the first impression upon a guest. If this entrance is light and cheery, the effect is one of hospitality. But if the hall is dark and gloomy, the guest misses the hearty "Welcome!" you would have him feel.

What is true of the hall is equally true of all the other rooms in the home. By using GOLD SEAL ENAMEL throughout on the woodwork, every room is made pleasant for the family and visiting friends. While you always think of light woodwork for the new house, the dark woodwork in the older home can be easily refinished with Gold Seal Enamel.

The superior quality of this enamel assures you of a permanently beautiful finish. A high gloss, or a rubbed effect (egg shell finish) may be had in white, ivory or french gray.

You can now paint your property and pay on the *Bass-Hueter Monthly Payment Plan*. Call and let us explain this plan to you.

special table for San Mateo County. Presidents of clubs are to send reservations to Mrs. Peck. Mrs. Dora Crosby announced the carnival to be held at Sequoia High School the last Saturday of October. Funds to be used toward the swimming tank for the boys at the U. S. Veterans' Hospital at Menlo Park.

Mrs. Lucy Drysdale of Rummymede spoke of the work being done by her committee toward the swimming pool. She read a letter from Dr. Borden of the hospital telling of its immediate necessity. Mrs. Lucy McClintic of San Jose told of the law enforcement conferences held in San Mateo County and of the active campaign for law enforcement. She requested the official endorsement of the federation.

Luncheon was served by the South San Francisco Club to the board and guests at a beautifully decorated table. Jubilee colors were used.

During the afternoon session Mrs. A. Kaufmann, president of the South San Francisco Club, presented Mrs. Peck with lovely flowers on behalf of the club. Mrs. Peck introduced the speakers.

Dr. Mariana Bertola, state president, gave an interesting outline of the work as outlined by the state federation. Main points to be stressed include (1) finance; (2) federated news; (3) extension of clubs and formation of new ones; (4) supervision of paralytics; (5) re-organization of home division, including nutrition and gardens. She told of the flying squadrons to be formed all over the state, which will arrange for rallies. She stated that the Americanization department has been re-organized for practicability; that you cannot Americanize foreigners unless you are a good American yourself. Her message was of hope and inspiration to those fortunate in hearing her.

Mrs. W. S. Sales of Petaluma, district president, stated that the district will stress different phases of the American home. She urged that each club member read a good history of California and that the development of California history and landmarks be given importance in club work. Legislation, law enforcement, a department of institutional relations, garden sections and a radio division are some of the departments which will be emphasized by the district. Flowers were presented to Mrs. Peck, Mrs. Lewis E. Aubury, past president of the federation, and fruit and candy to the speakers of the afternoon. The meeting was well attended and the musical numbers were most delightful. Three selections were presented by Miss Emella Da Prato, musical artist of San Francisco, who was accompanied by her instructor, Mrs. Davies of San Francisco.

By
MISS SYLVIA HAUBRICH

Last Saturday evening the home of Mrs. Helen O'Connor, on Evergreen Avenue was the scene of a merry surprise party, given in honor of Miss Tessie O'Connor, the occasion being her eighteenth birthday. The rooms were beautifully decorated in blue and gold and this color scheme was carried out in the favors and place cards. A delicious midnight supper was served. The evening was enjoyably spent in dancing and playing games. Several of the guests entertained with songs and piano solos and two of the boys gave an exhibition of the Charleston. Among those present were: Misses Marge O'Connor, Viola Diestel, Tessie O'Connor, Grace Johnston, Margaret Johnston, Clara Foppiano, Edna Phelan, Clara Peterson, Hester Blaylock, Mrs. Helen O'Connor, Mr. and Mrs. Robert Wall, Messrs. Charles Lynch, Michael Kennedy, Ted Conklin, John Johnston, Elmer Blaylock, Mel Garibaldi, Charlie Priolo, Henry Blaylock and Joseph Leonard.

The drill team of El Carmelo Parlor met at the Civic Center last Monday evening for a practice drill.

Miss Minnie Zraggen and Florentine Jench of Colma were married in San Francisco last week.

The many friends of Mrs. Annie B. Bauer of Price Street will be pleased to learn that she is rapidly recovering from her illness.

Mrs. Biggio, sr., Mrs. Annie Biggio, Ruthie Biggio and Henry Biggio spent last week-end at their summer home in Fairfax.

Miss Elsie Fahey arrived home last evening from Alaska, where she spent a most enjoyable vacation.

Miss Esther Torello, Miss Potter and other members of the Jefferson Union High School faculty attended the minstrel show rehearsal Wednesday evening at the Community Center building.

Miss Annette Lucey of Crocker tract visited Miss Haubrich of Mission Street one evening of last week.

There is every indication that this year's minstrel and vaudeville program, presented by the Colma Community Center in the high school auditorium October 10, will be bigger and better than ever.

Last Monday evening in Jefferson Hall, El Carmelo Parlor No. 256, Native Sons of the Golden West, held their regular meeting and initiated six new candidates and installed one. El Carmelo members enjoyed the delicious chicken dinner provided by Thomas J. Callan. The drum corps is practicing often and have a cracker-jack outfit. They will take part in the big Admission Day parade, being in the seventh division. They will be dressed as Spanish caballeros.

The Chateau Rogue on San Pedro Avenue was raided early last Sunday morning by San Francisco prohibition agents.

Lloyd McBride of San Francisco was visiting local friends on day of last week.

Frank Kosta is now employed at the Kusber brothers' service station on Mission Street, near Vale.

The moonlight picnic given by the Colma Athletic Club in Lovchen Gardens last Saturday evening was a great success. A fine jazzy crowd was present.

Professor W. J. Savage and Thomas Callan, prominent Native Sons of El Carmelo Parlor, motored to California Redwood Park, near Santa Cruz, to attend the initiation of a large class of candidates into various parlor of Native Sons of the Golden West last Sunday.

Friends of Mrs. Margaret McDonald were sorry to learn that she is again ill at the Franklin Hospital. Mrs. McDonald recently underwent a serious operation.

Don't forget the dance given by the Girls' Club of St. Maximus Church Saturday evening, September 19, in the Daly City Auditorium.

Mrs. A. Gowland of Willis Street was tendered a delightful surprise party in honor of her birthday last Saturday evening.

An interesting weekly is being published by the student body of Jefferson Union High School and is called "The Totem Pole." It is issued under the supervision of Miss Dorothy Staib, faculty adviser.

From the rumors and excitement about town it seems that Friday evening, September 4, is going to be one big night at the Jefferson Union High School Auditorium. An invitational costume dance is being sponsored by the student body on that evening. Miners, dance hall girls, beautiful

senoritas, cow punchers, etc., are arranging to be present. Herbert Frary's jazzy orchestra will supply the music. There will be entertaining numbers between dances, as well as get acquainted dances. Plan to attend and start the Diamond Jubilee celebration right.

Mrs. B. W. Haubrich and Miss Sylvia Haubrich visited Mrs. E. Bergmann of San Francisco last Monday.

Mr. and Mrs. Frank Beffa and children, Vivian and Frances, of Tracy motored down for the week-end to visit Mrs. Annie B. Bauer of Price Street.

Louis Lombardi of San Bruno was visiting relatives and friends here last Sunday.

Frank Donohue of Salada Beach, who was injured and in the Franklin Hospital to several weeks, is now home and expects to soon be back in the office of the Coastside Stage Company here.

Carl Schwarz is now painting the Salada Beach school.

Mr. and Mrs. E. Maffie of Lomita Park visited Mrs. B. W. Haubrich last Sunday evening.

Mrs. W. Johns of Palo Alto is now teaching at the Salada school.

Mrs. Harry Danman of Pedro Valley visited friends here last week while going to San Francisco to spend the week with relatives.

Miss Dayna Valentine and Clarence Welsh of San Francisco are in the Park Emergency Hospital as a result of their car skidding over a 25-foot embankment on the Skyline Boulevard near here.

Mrs. T. Lyng of Ben Lomond visited her brother, M. H. Lawson, for several days last week.

Mr. Lyan Heaton, efficient teacher of languages in the local high school, is expected home from Spain by way of Paris.

Mr. Charles Cooley, athletic instructor of Jefferson High, was married last Saturday to Miss Winona E. Riggs. They will reside in Daly City.

The home of Mr. and Mrs. Swarts on First Avenue is being raised and remodeled.

Mr. Kollenbaum of Alameda visited the Khale family last Monday.

A debating class has been formed among the freshmen of the high school and will be offered on Wednesdays and Thursdays, coached by Mr. C. K. Binkley, head of the English department.

Students of Jefferson Union High School will enjoy a vacation from September 7 to 11, in order to attend the Jubilee celebration.

The Graziani home on First Avenue is being reshingled.

Mr. and Mrs. Pasero and baby daughter of Vale Street returned from Fresno, where they spent an enjoyable vacation.

Mr. and Mrs. Lopez, Mrs. P. Deller, Harry and Phillip Deller motored to California Redwood Park last Sunday to attend the initiation of over a hundred candidates into the order of Native Sons of the Golden West.

Mr. and Mrs. Attilio Conserva and daughter, Eleanor, returned home from their vacation.

El Carmelo Parlor No. 181, Native Daughters of the Golden West, will hold their regular meeting in Masonic Hall, Daly City, Wednesday evening and a large class of candidates will be initiated on this occasion. A banquet will follow the meeting.

At the monthly whist party of El Carmelo Parlor, which was held in Masonic Hall, Daly City, Wednesday evening of last week, Mrs. Greene won the large basket of groceries which was raffled. The affair was under the direction of Mrs. Annie K. Bauer and the newly installed officers of the parlor. Among those who received honors at whist were Mr. H. Devine, Mrs. J. Arnold, Mrs. J. Witt, Mrs. McCarty, Mrs. Gouin, Mrs. Julia Sturla, G. A. Mazette, J. K. Beirne, Mrs. Elsie Fuchs, Mrs. J. Uhren, A. A. Rambere, Thomas Harrison, Mrs. Jack Dennis, Mrs. W. J. Reed and Hedwig Papps. The next of these popular affairs will be held the third Wednesday in September and you are invited to attend.

Many local people attended the excellent concert rendered by the Kohler & Chase concert artists in the Daly City Auditorium last Friday evening. The proceeds of the evening went to the St. Maximus Church building fund. Among the well known artists was Fawn Post Trowbridge, who possesses a wonderful voice.

Attend the competitive drill meet at the Civic Center in San Francisco Sunday, September 6, and boost El Carmelo's drill team, which is taking part. The girls are practicing often and are confident of making an excellent showing, although they are competing with drill teams which have been organized for years. These girls have been meeting only two months.

Mrs. F. R. Sampson of Vendome Avenue spent last Monday in Redwood City on business.

H. Fellows, contractor, has sold one of his houses on Evergreen Avenue to J. Jefferson and family of the Richmond district.

Mrs. M. E. Walker of Vendome Avenue entertained at a luncheon last Wednesday at her home. Those present were: Mrs. Gertrude Gehringer of Woodrow Street, Mrs. Anderson of San Mateo and Mrs. Ricardo of Vendome Avenue.

Mr. and Mrs. Robert Mullen of 123 Miriam Street are the proud parents of a fine baby boy born last Tuesday morning at the Franklin Hospital. Both Mrs. Mullen and son are doing nicely. The baby will be named Robert Eugene Mullen, jr.

Mrs. Silvio A. Landini of Winchester Street was the hostess of a whist party given at her home last week. The proceeds were for the benefit of the Jefferson Union High School Parent-Teachers' Association.

Horace Fellows of Niantic Street and J. Hesselein of Willis Street left last Saturday on a trip to Fresno and other points of interest. Mr. Fellows and Mr. Hesselein expect to stay one week.

El Carmelo Parlor No. 181, Native Daughters of the Golden West, held a successful whist in Masonic Hall last Wednesday evening.

Many local people attended the moonlight picnic given at Lovchen

Gardens in Colma last Saturday evening. Dancing was enjoyed until 1 o'clock in the morning. Music was furnished by Pete Buttl.

Beatrice Cuneo of Peoria Street entertained several of her girl friends at her home last Monday afternoon. The occasion was her tenth birthday.

Last Sunday morning the firemen of this city held a fire drill. The siren sounded at a certain time and all the companies responded very readily. Brush and trees were burned in the Vista Grande Park.

Mrs. S. S. King of Vista Grande Avenue entertained the Ladies' Aid of the Daly City M. E. Church last Wednesday afternoon.

S. Eldrup has moved his pool hall to his new building on Mission Street, just south of the Daly City library.

The firemen of Company No. 4, Daly City volunteer fire department, held a meeting in their firehouse on Peoria Street last Friday evening. It was well attended, both by members of this company and other companies. The committee gave their reports concerning the Diamond Jubilee parade to be held in San Francisco on September 9, in which the firemen will take part. Refreshments were served following the meeting.

Last Sunday evening David Gheringer of Woodrow Street celebrated his eighteenth birthday by entertaining a few of his many friends at his home. The evening was enjoyably spent in games and dancing. Those who enjoyed the evening were: Frances Stark, Frances Sampson, Rosa Bauer, Josephine Jensen, Clara Hammer, Emmarillis Gheringer, Edward Goldkuhl, Gofford Teel, Victor Saarnen, Albert Saarnen and David Gheringer. The home was beautifully decorated in pink and blue. Dainty refreshments were served by Mrs. Gertrude Gheringer.

PACIFIC TEL. CO. WORKING ON PROJECT

The Pacific Telephone and Telegraph Company is now engaged in a project here which, when completed, will cost \$321,350.

The work involves the placing of over fifty-five thousand feet of underground conduit and nearly forty-six thousand feet of underground cable between San Mateo and Palo Alto and the work also provides for the stringing of over twenty-two thousand feet of aerial cable. The conduit and underground cable have now been placed between San Mateo and Palo Alto and the work is rapidly nearing completion.

This project is a unit of the San Francisco-San Jose toll cable now being built and, according to J. F. Adams, manager of the Pacific Telephone and Telegraph Company here, the complete project will cost \$858,350. This unit is scheduled for completion the early part of November.

The work was necessitated by increased demands for long distance service between these cities, which is indicative of the increased business relations.

LEGAL RESOLUTION OF INTENTION

RESOLVED, that it is the intention of the Board of Trustees of the City of South San Francisco, State of California, to order the following work to be done and improvements to be made in the City of South San Francisco, to-wit:

That BRADEN AVENUE from the northeasterly line of Chapman Avenue to the southeasterly line of Randolph Avenue be improved by grading between the existing curbs of said street and by constructing on both sides of said street concrete gutters of the dimensions and at the locations shown upon the plan and specifications hereinafter referred to and by paving said street between the edges of said proposed gutters with a pavement of a White Process Composition wearing surface one and one-half (1 1/2) inches in thickness, laid upon a Willite Process Composition base three (3) inches in thickness.

That four (4) inch vitrified, salt-glazed ironstone pipe lateral or side sewers be constructed to connect with and run from the existing main sewer to the existing curbs on either side of said Braden Avenue, between Chapman Avenue and Randolph Avenue to the number of one such lateral or side sewer for each lot or parcel of land fronting upon said Braden Avenue.

Excepting from all of the herein described work, all of said work that is already done to the satisfaction of the Board and in accordance with the said plans and specifications hereinafter referred to. All of said work and hereinafter shall include any and all street intersections, terminations, and opposite terminations, and particularly as described upon the plan and specifications hereinafter referred to for the full and detailed description of said proposed work and improvement.

All of said work done hereunder shall be done to the grades as shown on the plans and specifications hereinafter referred to, and shall be done and performed in accordance with the plans and specifications heretofore adopted for said work and now on file in the office of the City Clerk of said City, which said plans and specifications are hereby expressly referred to for the full and detailed description of said proposed work and improvement.

AND WHEREAS, said contemplated work and improvement in the opinion of the Board of Trustees is of more than local or ordinary public benefit, said Board hereby makes the expenses of said work and improvement chargeable upon a district, which said district said Board hereby declares to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof, which said district is bounded and particularly described as follows, to-wit:

BEGINNING at a point on the southerly line of Randolph Avenue where the same is intersected by the median line of Block "D"; thence southerly along said line of Block "D" to the northeasterly line of Chapman Avenue; thence easterly along the said southerly line of Randolph Avenue to a point where the same is intersected by the median line of Block "B"; thence southerly along the median line of said Block "B" to the southeasterly line of Chapman Avenue; thence northwesterly along the said northeasterly line of Chapman Avenue to a point where the same is intersected by the median line of the first herein mentioned Block D; thence northwesterly along the median line of said Block D to the northeasterly line of Chapman Avenue; thence southerly along the said southerly line of Randolph Avenue to the point of beginning.

All of said property being in the City of South San Francisco, County of San Mateo, State of California.

Excepting from the above described area, the area of all public streets, roads, drives, courts and ways contained therein. Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of seven (7) per cent per annum will be issued hereunder in the manner provided by the "Improvement Bond Act of 1925," the installment of which bonds shall mature nine years from the second day of July next succeeding ten months from their date.

Notice is hereby given that on Tuesday, the 8th day of September, 1925, at 8 o'clock P. M., at the City Hall of the City of South San Francisco, in the council chambers of the Board of Trustees of said City, any and all persons having any objections to the herein proposed work and improvement may appear before said Board and show why said proposed improvements should not be carried out in accordance with this Resolution.

The City Clerk shall cause this Resolution of Intention to be published twice in "The Enterprise," a weekly newspaper published and circulated in said City of South San Francisco, which said newspaper is hereby designated for that purpose by the Board of Trustees of said City, there being no daily newspaper published in said City.

The Superintendent of Streets shall cause to be conspicuously posted along the line of said contemplated work and improvement and along all the open streets within said district above described, notices of the passage of this Resolution of Intention in the time, form and manner prescribed by law.

Except as hereinbefore noted, all of the herein proposed work shall be done pursuant to an Act of the Legislature of the State of California, designated the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Attention is hereby called to the General License Mixture Agreement of the California White Company, dated March 23rd, 1925, and on file in the office of the City Clerk of said City.

I hereby certify that the foregoing Resolution was duly and regularly introduced and adopted by the Board of Trustees of the City of South San Francisco, at a regular meeting thereof held on the 17th day of August, 1925, by the following vote, to-wit: AYES—Trustees Blank, Cunningham, Eschbach, McAffrey and McNellis. NOES—Trustees, None. ABSENT—Trustees, None. (SEAL) DANIEL McSWEENEY, President Board of Trustees, City of South San Francisco. City Clerk, City of South San Francisco. Have You had Your Ride in the Better Buick

You may think you know Buick and Buick performance from having driven Buicks in the past. But you are destined to undergo a new motoring experience—you will discover a new Standard of Performance!

A performance wonderfully improved; 75 horsepower and more to meet the "go" in traffic and to take any hill in high. Engine dependability further insured by the three new seals for the famous Buick Sealed Chassis: air cleaner, gasoline filter, oil filter. Buick approved mechanical 4-wheel brakes for the constant protection of your family and yourself.

Thousands of people are taking rides in the Better Buick every day. If you haven't time to drop into the show room, a telephone call will bring one to your door.

St. Paul's Community Church
The service at 11 a. m. will have special significance, as it brings the closing sermon of the pastor for the conference year. His subject will be, "Faith's Center the Cause of Noble Character and Great Exploits." There will be special music. Members and friends of the church, let us rally and make this a great service. A rousing attendance is desired for the Sunday school at 9:45 a. m.

The young people will convene at an important meeting at 6:45 p. m. Alex James is president of the Senior League and Mrs. Beal is superintendent of the Intermediate League.
At 7:30 p. m. the annual Labor Day special service. All industrial leaders and workers invited. The men who do things and move things by their toil will have a very special welcome. Dr. E. P. Dennett, a student of the business, social and industrial

world, will be the speaker. Like Henry George, Dr. Dennett, "Is for Men." Men of South San Francisco and vicinity, you cannot afford to miss this service. There will be special music. Everybody invited.

CLOSES THIRD YEAR OF PASTORATE

Rev. Asa P. Beall closes his third year as pastor of St. Paul's Community Church next Sunday. He speaks but once that day, as Dr. Dennett will be the speaker at the great Labor Day service at night.

Mr. Beall speaks at 11 a. m. and will take for his subject, "Faith's Center the Cause of Noblest Character and

Greatest Exploits." Special music will be rendered by the choir and the service will have special significance. The public is invited.

Labor Day Sunday

A special Labor Day service will be held in St. Paul's Community Church, corner of Spruce and Miller avenues, next Sunday at 7:30 p. m. Dr. E. P. Dennett of San Francisco, editor of the California Advocate and a close

student of world conditions and problems, will be the speaker. There will be special music and a program sparkling with interest.

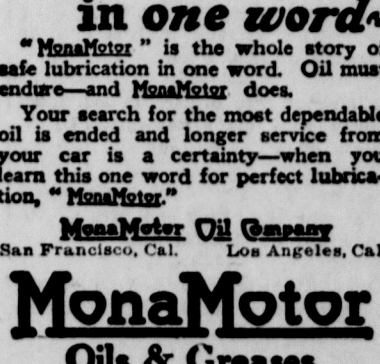

The relation of capital and labor will be keenly analyzed by an able thinker and speaker and the men who hear will find uplift and help. While all will find cordial welcome, the men of our city and community are especially invited.

Stock Is Tax Exempt

ANNOUNCEMENT is made herewith of an issue of \$75,000 worth of the preferred stock of the California Finance and Loan Corporation of South San Francisco. This company is incorporated under the laws of the State of California and the stock is non-assessable, free from personal property taxes in California, exempt from normal federal income tax and is 7 per cent cumulative, participating, redeemable, preferred. It participates up to 10 per cent after 7 per cent has been paid on the common stock.

Loans and the Security Behind Them

The business of this corporation is to loan money to wholesalers, jobbers, merchants and agriculturists on bills or accounts receivable, acceptances, drafts, automobile contracts, installment lien obligations, warehouse receipts and first and second trust deeds. Salary and character loans to wage earners.

All loans are secured by substantial margins of collateral or endorsements or guarantees. With exception of the amount invested in mortgages the assets will be kept liquid by reason of the fact that the average maturity on loans of this character is about ninety days.

The corporation will deposit its loans and collateral with a trust company, which certifies to its collateral trust notes, which are then disposed of to banks and other investors. This enables corporations of this character to turn over their capital many times a year.

The officers and directors are men of wide experience as bankers, manufacturers and business men.

Their knowledge of business and banking has given them an intimate acquaintance among those merchants and wholesalers who use the service such as is supplied by the California Finance and Loan Corporation. Their complete knowledge of the workings of the commercial banking business insures an intelligent and productive management of this corporation's affairs.

Rapid Capital Turnover

The personnel of the corporation is made up of the most substantial business men of South San Francisco and the San Francisco Peninsula. In this personnel there is strength and the ability of financial leaders. Look over the executives and directors. You are acquainted with these men. No company can be stronger than its personnel.

Securities In Which This Company Deals

The California Finance and Loan Corporation finances well-rated jobbers and wholesalers who sell their goods on the usual terms of trade. In other words, the business of this corporation, commonly known in the East as "Commercial Banking," is the purchase of bills or accounts receivable, acceptances, drafts, installment lien obligations, warehouse receipts and trust deeds.

Higher Rates Of Profit Are Made Possible

A fact well known to every banker and business man is that after fixed overhead charges are paid, additional business means not only more profits, but higher rates of profit.

We loan on accounts about 80 per cent of their face value upon proof of receipt of shipment. The remaining 20 per cent is retained as a guarantee and paid only as each account is collected.

Liquidity Is Valuable Feature

Our charges are about half the rates usually offered as "trade discounts."

When we purchase warehouse receipts, discount trade acceptances, purchase installment lien obligations, we deposit the collateral received with a TRUST COMPANY under the terms of a trust indenture. We then issue California Finance and Loan Corporation collateral trust notes against this collateral, which are certified and registered by the trustee. These are "three-name" obligations—buyer, seller and this corporation. There is a margin of 20 per cent on the face value of the accounts. When based upon transactions in staple commodities they form an exceptionally strong short-time investment. It is this corporation's intention to largely refinance through the sale of these collateral trust notes, and the re-discounting and re-selling of its trust deeds.

"Three-Name" Obligations

Methods Are Proven Good By Experience

The methods are based upon the old-fashioned and satisfactory practice of England and Continental Europe, exemplified in this country by the successful companies established at Baltimore a few years ago.

The present expanding demands for working capital require the speeding up of capital turnover in every sound way. This corporation's method is believed to be the most effective agency now at work toward this end.

Besides the conversion of inactive into active capital, the method puts punctuality and regularity in the business served. In speeding up capital turnover it stimulates production and increases earnings upon the capital employed.

No Competition With Banks

No deposits are received and there will be no competition with banks.

Our business is based on the following financial plan:

- (1) Regular commercial transactions.
- (2) Two or more rated names.
- (3) Short-time maturities.
- (4) A guarantee of payment at maturity.
- (5) No fluctuations but on stability at par.
- (6) Notes readily transferable and convertible into cash.
- (7) Discounting of second (junior) trust deeds.
- (8) Salaried loans to wage earners.

Large Amount Of Business Is Available

The volume of business now offered in this field is very large. Established manufacturers and wholesalers are expanding in order to meet the demands of a rapidly increasing population and the attendant increase of business in the State of California.

Expert Opinion

"A railroad man tells the Fort Scott Tribune that if the railroads spent a billion dollars a year for 19 years eliminating grade crossings in America, there still would be 84,000 crossings left," says the Kansas City Times.

CHEVROLET

The Coach \$695 F.O.B. Flint, Mich.

The Public Acclaims this the finest Low Priced Coach

Built on the new Chevrolet chassis with construction typical of the highest priced cars—powerful motor; a new disc clutch, the easiest-acting you have ever handled; extra strong rear axle; long semi-elliptic springs—this car provides a remarkable combination of strength, power and comfort.

But in addition it is a beautiful car. Its fine Fisher body meets your ideals of fine appearance and comfort. It is finished in sage-green and black Duco whose lustre and color last for years. For such a coach to be priced so low is truly an achievement in motor car manufacture. See this car today.

Two Letters

The first written twenty years ago, the second recently by Mrs. J. H. Bourland, Frankston, Texas.

June 2, 1904, she writes:—
"For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head, a continual dropping of mucus into my throat causing frequent expectoration. My entire system became involved and I grew worse. It seemed as if I could not recover from a constant cough and frequent attacks of bilious colic. My bowels were affected, causing alarming hemorrhages. I tried many remedies and finally took Pe-ru-na. In three days I was relieved of my bowel trouble and entirely cured by five bottles. I most cheerfully recommend Pe-ru-na."

June 30, 1924, Mrs. Bourland writes again:—
"I will soon be seventy-nine years old and enjoy good health for one of my age. I still recommend Pe-ru-na and take it myself when necessary."

For more than half a century Pe-ru-na has a proud record of good done. Men and women the world over stand ready to testify to its value in the treatment of all catarrhal disorders.

Send 4 cents postage to the PE-RU-NA COMPANY, Columbus, Ohio, for book on catarrh.
Pe-ru-na in either tablet or liquid form sold everywhere.

What's in a Name?
A vigorous family, the Boyles, both mentally and physically. One of Conan Doyle's sisters married a clergyman named Angel, a dear ugly fellow. They lived near to us at Wallingford, and next door to them happened to live another clergyman named Dam. And later on Dam was moved to Goring and found himself next door to a Roman Catholic priest whose name was Father Hell. Providence, I take it, arranges these little things to some wise purpose.—Jerome K. Jerome, in Harper's Magazine.
