We insert to day a communication from Matemoras. ther than that we believe the account has been authorized

since from a visit to a neighbor, and passing a bridge on intenference by whites with the slave of colored population the bayon Teche, had the contents of a gun lodged in his by teaching, preaching or other course of conductbody. Although he did not immediately die, it is feared of the investigation.

Day before yesterday two dead bodies were found opposite the plantation of Mr Lusseps one a white man, who had received three wounds of a dagger, one in the heart, one on the shoulder, and a third on the head; -and the other a negro who had been bereft of his crammin.

On Sunday, a slave belonging to John M Back, was stabled by a white person, who was immediately arrested; and on Sunday night, a follow being pursued by the 6th ward patrole, shut himself up in a house at the corner of prosecuting committees as substitutes for the authorized Tchapitoulas and Gravier streets; and when close set, he pushed open the door, fired at and wounded two or three of ; his assailants. He was arrested.

A fire broke out last night about half past 11 o'clock, in the rear buildings of a lot of ground situated in Conde stree; between St Philip and Ursuline, but was soon over by the engines. Ne other damage has been sustained but two kit- of tobacco. The crops thereabouts were abundant.

Two correspondents of the Louisiana Advertiser "Scrutator and 'A Citizen in the rout' have attacked the editorial remarks on the French side of this paper, concerning the contemplated compromise between the corporation and the heirs of Deslondes. Unfortunately the editor of this side of the Bee had not read their former remarks; and left them to be unswered by his brother editor of the French eide. But as we have not a copy of the papers containing the remarks of those opposing our brother editor, we trust they will forward us a copy-or rather that they will succincity and pithily condense all their arguments against the compromise; and try if we cannot answer them, if they answer our pur-

The principal topics of excitement among our citizens during the past three or four weeks have been the attempts of the abolitionists and incendiaries to ruin slaveholders. subvert the constitutional and just privileges of naturalized citizens. We combine them thus together: for they are alike injurious to the common weal. To many, the property in slaves is subordinate in consideration to their property is privileges as citizens: an infraction of the latter is commensurate in enormally and evils with a violation of the former Both are constitutional rights legally sanctioned and se-

. He that would attempt to deprive a naturalized citizen of his conferred privileges is as much as incendiary, as he for as possible to have but one alphabetical sign for each air. who would endeavor to deprive planters or others of their slaves. Nay in re so : for slaves are only properly; but the represent one sound; we have g and j, i and y, c and s, etc. privileges of naturalized citizens are to them liberty and property and reputation. They were the lures to residence; and we have no signs to represent the palatal sounds in vision; the commend them to clear out the premises and fence up the are the essential components of political existence. He that church, etc. does not enjoy the rights and privileges of a state or government can have no more interest in its welfare, than the honest Hiberman had in a house being burned, when he exclaimed-'What the divil need I care? I am but a lodger?' But we shall tomorrow or next day consider at large the subject of naturalization, as it is in America; and is or was in other countries.

Committees of safety are now formed in the parishes o Feliciana, Ascension and St Helena. At Greensburg in studied—although inaccurate in some respects. the latter place, a gang has been routed of gambling abolitionists; a couple of suspensions de collatie occurred; and and is said to be at the convent.

The postmaster has politely furnished us with an extra elip tenfold. from the Na-hville Republican dated 10th inst-which gives tionist caught and punished.

Congress—and perhaps Colonel Crockett; for the returns as yet made assign him a majority over Huntsman. The returns to the state legislature are not of much importance here. Yet we find that Mossrs Craighead, Culturess Mosley, Fry, Ledburg, W.b. fer Cahal, Gray, Totten and James Gray are also and the constant constant.

this oriented business was to dispose or the corrage order, but it was found from his correspondence and journals that he had been enquiring who would locally set agents for the Ohio abolition siciety. He received 20 atripes on his bare back; and an ord r to leave the place in 24 hours.

subsidize a press—to deprive them of their rights and privilleges as citizens. We must meet the enemy with his own weapone. Let not one naturalized citizen ever vote for a sidge member or nominee or adv cate of the above association; and petrust that the Hibernian naturalized citizens will not (to be the words of Dr Barrett, S. P. T. C. D) 'sail their ears to the pump.'

the first to whom the apply its apply; and if shortly to proced to the Articker of the purpose of the first and the sum of the first and the f

activity of our citizens and the speedy arrivel of the fire being in a bustling condition -chiefly assegards the storage

If Mr Wi'd is in New Orleans, we shall be glad of a wisit

The Mirror and Evening Post of New York have get singular funcy crutchet in resorting to the made of speland the attempts of other abolitionists and incendiaries to the sake of eccentricity; but it displays very little taste or tact or talent.

Why we should spell spublic' in the quendum sty's publick'; and 'horror,' 'horrour'-we see no authority but observance. Our design should be simplification in every dangerous illness have occurred on Unitral, itowers, another whorver, which many persons think may be tieced to flanguage: so far as to make the spelling of words correspond with the pronunciation. We should endeavor as arriculate sound. In the word high' we have four signs to fore a."

The doctrine of articulate sounds has never been proper ly studied in this country—if we except an execulent essay headed Cadmus in the early volumes of the Transactions of the American Philosophical society; and some essays written for the same work by Dr Duponecau-particularly his Phonelogy of the English language. The doctor has indeed been incorrect in most of his suppositions or positions; but the Cadmus essay deserves to be known and

We think we could clearly prove that all the articulate sounds used in the language of any nation, are and have some corporeal flug-liations. A few sufferers by the latter been in number only 28; and that those who agree that b have escaped to this city; and are not likely to be idle in and p, tand d, s and z, g and k, etc, are the same sound lifeless body of his wife lying on the floor with the cards —Middlings, &c do the qui rire: for many suspicious persons have arrived simple elementary articulate sounds in any and every during the past 3 or 4 days. One has come from Havana, language. In a newspaper we would hesitate to write on where he succeeded in exciting an insurrection among the such a thesis. But we are convinced that if the doctrine slaves before he was expelled—as he had similarly been of articulate sounds were properly studied, and the system from Mexico. He assumes the garb of a jesuit or priest; of orthography made to correspond with it, the acquisition of a language verancular or foreign would be facilitated

Our New York brethren should endeavor to simplify not an account of the elections in Tennessee, and of an aboli- mistify the orthography of the Anglo-American language, pectable. They rely on the authority of Dr Johnson, who was the The election for governor of Tennessce resulted in 12,450 slave of custom; while as Americans and intelligent genvotes for Carroll; 11,233 for Canon; and 1804 for Humphrey | it men they should have preferred the authority of Noah Messrs Pork, Pevtor, Bell and Many have been elected to Webster—who is preferred to Johnson and Walker even and perhaps Colonel Crockett; for the returns as in England. We testify from personal knowledge. in England. We testify from personal knowledge.

To the editors of the New Orleans Bee:

Fry y, Ladbrier, W.b fer Cahal, Gray, Totten and James Gray are the ted state senators.

The abblittonist was a young rean of the name of Dresser, who was accused of disseminating traces and pame hets of an inflam to y rature in relation to slavery. From the pamers etc found on birm, it appeared that he was an agent of an ab-brion society in Chica and had with others been expelled to not the Lane seminary in Cincinnation account of the uningerous and lavery principles be maintained. His orienable business was to dispose of the cottage bible; but it was found from his correspondence and journals that resents the affair to the prejudice of all concerned, and as desirable p operty—and was greatly wanted for im— I happened to be an eye witness also, I will thank you to provement by the citizens generally. The property was passengers. insert in your columns my statement, in order that "your put up and sold for cash. The sale went entirely the

But should not this be also the determination of naturalized editions from every other country? We know it is the fixed design of our Gailic citizens; shall it not also be of those from England, Scotland, Germany and other places? We may not from England, Scotland, Germany and other places? We show a seen coming out she issued there was seen coming out she issued her wind to rejoin her nembers of the N A Ase's have subscribed 2000 dollars to subscribe a press—to deprive them of their rights and privileges. order to enter the port, which order had arrived at the brazo from this place the night before, and he therefore.
