3rd January, 1933.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 2nd instant respecting the steamer "TOSCA", together with verification of marking form, and to say that the particulars of alterations effected to this ship have been inserted on the freeboard report C/11.

I may add that in compliance with your request the Convention freeboard certificate for this ship, together with certified copy, is today being forwarded to Messrs. Robinson & Brown of Blyth. This certificate has been issued on the assumption that the 2nd Special Survey No. 3 of this ship was not completed at Hull at this time.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
HULL.
