EXTRACTS FROM THE REVISED STATUTES OF THE UNITED STATES IN RELATION TO THE BIENNIAL REGISTER.

SECTION 508. The Superintendent of Public Documents shall be charged, subject to the general direction of the Secretary of the Interior, with the duty of collecting, arranging, preserving, packing, and distributing the publications received at the Department of the Interior for distribution, and with the duty of compiling and supervising the Biennial Register.

SEC. 510. As soon as practicable after the last day of September in each year in which a new Congress is to assemble, a register shall be compiled and printed under the direction of the Secretary of the Interior, of which seven hundred and fifty copies shall be published, and which shall contain the following lists, made up to such last day of September:

1. Correct lists of all the officers, clerks, employes, and agents, civil, military, and naval, in the service of the United States, including cadets and midshipmen, which lists shall exhibit the amount of compensation, pay, and emoluments allowed to each, the State or country in which he was born, the State or Territory from which he was appointed to office, and where employed.

2. A list of the names, force, and condition of all the ships and vessels belonging to the United States, and when and where built.

3. Lists of all printers of the laws of the United States and of all printers employed by Congress or by any department or officer of the government during the two years preceding the last day of September up to which such list is required to be made, with the compensation allowed to each, and designating the department or officer causing the printing to be executed.

4. A statement of all allowances made by the Postmaster-General, within the same period of two years, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract and the sums paid as additional allowance.

AN ACT PROVIDING FOR THE PRINTING AND DISTRIBUTION OF THE BIENNIAL REGISTER.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in lieu of the number of copies of the Biennial Register now authorized by law to be printed, the Secretary of the Interior be, and he is hereby, directed to cause to be printed twenty-five hundred copies of the said work, to be distributed as follows: To the President of the United States, four copies, one copy of which shall be for the Library of the Executive Mansion; to the Vice-President of the United States, two copies; to each Senator, Representative, and Delegate in Congress, one copy; to the Secretary of the Senate, one copy; to the Clerk of the House, one copy; to the Library of the Senate, fifty copies, of which one copy shall be supplied to each standing committee of the Senate; to the Library of the House of Representatives, seventy-five copies, of which one copy shall be supplied to each standing committee of the House; to the Library of Congress, twenty-five copies; to the Department of State, two hundred and fifty copies; to the Treasury Department, one hundred and fifty copies; to the War Department, fifty copies; to the Navy Department, twenty copies; to the Department of Justice, twenty-five copies; to the Post-Office Department, one hundred copies; to the Department of the Interior, two hundred and fifty copies; to the Department of Agriculture, five copies; to the Smithsonian Institution, four copies; to the State library and State historical society of each State, and to the executive of each Territory, and to the designated depository of public documents in each congressional district in the United States, one copy each; and the remaining copies shall be kept by the Secretary of the Interior as a reserve, from which he may supply newly-created offices; and members of Congress one additional copy each.

SEC. 2. That, hereafter, the lists directed by sections one hundred and ninety-eight and five hundred and ten, of the Revised Statutes, to be furnished by the several departments and offices of the government for the Biennial Register, shall be made up to the last day of June of each year in which a new Congress is to assemble, and shall be filed as soon thereafter as practicable in the Department of the Interior.

Approved, December 15, 1877.

NOTE.

It has been found impossible, on the part of those having the matter in charge, to supply the statistics relating to the postal service of the United States in time to admit of the publication of the Official Register, in its usual form, earlier than March or April, 1880.

It is therefore deemed expedient to issue the work in two volumes, in order that such portion of it as could be prepared might be available for the use of Congress at its convening in December.

It is believed that the public convenience will in this way be best subserved, and that the division of the work into two volumes will be acceptable to those who have occasion to consult it.

The second volume will embrace only such statistics as relate to the Post-Office Department and the postal service, and will be issued as soon as practicable.
