

IN MEMORIAM

It is fitting and proper

*that the bridge over the Clinch River at White Wing
be commemorated with affection and respect to the memory of*

CHARLES VANDEN BULCK

*and to the contributions he made to this Nation's atomic energy program
as a key member of the staff of*

*The Manhattan Engineer District of the U. S. Corps of Engineers
as Assistant Manager for Administration of Oak Ridge Operations
and as Special Assistant to the General Manager
of the United States Atomic Energy Commission*
