~~TOP SECRET~~COPY NO. 1419 December 1947STATE-ARMY-NAVY-AIR FORCE COORDINATING
SUBCOMMITTEE FOR THE FAR EASTSUMMARY - STATUS OF PAPERS PENDING IN SFENote by the Secretary

Attention of the Subcommittee members is invited to the regular STATUS OF SANACC PAPERS circulated by the Secretariat at the beginning of each month. Matters pending in SFE, including Working Groups, are listed in Section II of this status. These monthly status sheets should provide a ready means for checking the progress of papers, but owing to the pressure of more urgent business, it is believed they do not always get the attention they might otherwise receive. The enclosure, a brief summary of papers outstanding in the Subcommittee as of 19 December 1947, is circulated herewith for convenience, and with the hope that it will facilitate "smoking out" the longest standing problems.
