that a eyes, face, hands and limbs are all oright in requisition, and her "dumb show" from gives a clearer idea of a character that an be gathered from mere words. The enter ament will conclude with the "Maid of Manor: We learn that Zoe will be presented to a handsome testimonial.

A ADERIY OF MUSIC.—There is another than the contract of programme the receiver of programme the second.

with a handsome testimonial.

A ADEMY OF MUSIC.—There is another case of programme, this evening. This has been we fancy, nesless trouble on the part of Musicer Bidwell, as there was shoot of the flat of the earlier part of the week, to have stand crowded houses for a seven-night. Nor has there been, in this city, such an accessory of varied talent as perform nightly at the Academy." Certainly, a better cutertain that then the one imangurated on Monday hast, could be imagined.

We are pleased, however, to see the "Drunk of the Family" resisted. The power displayed by title Alice Zavistowski, in her appeals to be drunken father, gives promise of future excellence in the histrionic branch of the processor as has chosen. No appeal, even though the control of the Constitutional Amendment.

We have an Academy, programme before us, of the moment, the particulars of which we diducted to transcribe to our column. But when we come to anninc them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, and see how miscrous they are, and how each is worthy of intending them, are the proposed to the Beer of the Constitutional Amendment.

Femian Trials in Cauada.

Treasury. But while i is very casy to assume a protectorate upon paper, we cannot see by what principal of international law the United States will act when 11 comes to take active States will act when II comes to take active measures. According to the principles is in down by Mr. Seward the only way that the meint to night, and appears in a new play led the "Female Brigand." To see Zoe in a vote of the people, to give them a chance to see the play is to become more and more constructed of her remarkable pantonime gifts. The those eyes, face, hands and limbs are all challes eyes.

BY TELEGRAPH.

[To the New Orleans Bee.]

103a. Cotton closed easier with sales of 1100 blose Middling Uplands at 33 to 33be. Flour lower. Wheat stuady. Corn 2 to be lower. The study of the properties of the sale was to be suffered by the sale was to be suffered by the sale was taken to his residence, between Prietries and Johnson streets, on Harracks street. Joseph Seelis, the colored man charged with the shooting from Quebec on a special train. On the arrival here the Cabinet Council will decide the fact of the ponviced Fenians. His Secretary 109% for 60 day bills.

Mostroul, Dec. 5.—(iov. Gen. Monck is coming from Quebec on a special train. On has arrival here the Cabinet Council will decide the fate of the powieted Fenians. His Secretary leaves for England on Saturday. It is rumored he will not return.

A powder magazine of great strength is being built on St. Heleu's feland.

Montroul, Dec. 5.—Gov. Gen. Monks is coming from Quebeco on a special train. On his arrival here the Cabinet Council will derive the fate of the convicted Fenians Ills Secretary leaves for England on Saturday. It is rumored he will not reture.

A powder magazine of great strength is being built on St. Heleu's island.

Ottowa, Dec. 6.—The garrison and battery are being recruited to their full strength, and put in an efficient state. The navigation of the river is closed.

Quelec, Dec. 6.—The British American Insurance Company, among the heaviest losers by the late Quebec fire, has settled satisfactorily.

The Governor General tenves to-night for Montreal en route for England.

Capi Maitland of the Royal Engineers, broke his leg while skating.

Swetching, Dec. 6.—The United States Consul General tests inght to watch the Feulant trials. He was received and treated with high consideration of a contemptated rescue of the Fresident's measure will not allay.

Throate, Pec. 6.—The directic says seward's letter respecting the Fenian prisoners hug equited the deep anger of England, which the President's measure will not allay.

Throate, Pec. 6.—The Maitland of the Royal Engineers, bug equited the deep anger of England, which the President's measure will not allay.

Throate, Pec. 6.—The Maitland of the Royal Engineers, bug equited the deep anger of England, which the President's measure will not allay.

Throate, Pec. 8.—The authorities have information of a contemptated rescue of the Fenians before the 13th of December, consequently visitors are excluded and the guard has been largely increased.
