No. 404 TUESDAY, AUGUST 5, 1947 Price 7.50 *yen*

CABINET ORDERS

I hereby promulgate the Cabinet Order concerning the Partial Amendment of the Official Regulations governing the Organization of establishing extraordinary Officials in Welfare Ministry and etc.

Signed: HIROHITO, Seal of the Emperor

This fifth day of the eighth month of twenty-second year of Showa (August 5, 1947)

Prime Minister
KATAYAMA Tetsu

Cabinet Order No. 156

Art. 1. Part of the Regulations governing the Organization of establishing extraordinary Officials in Welfare Ministry shall be amended as follows:

(1) In the "Welfare Secretary" of Art. 1, "full time officials 21, 47," shall read "full time officials 29, 57" respectively.

(2) In the "Welfare Technical Officials" of the same Art. "full time officials 59, 65" shall read "full time officials 80, 83" respectively.

(3) In Art. 2, Par. 5, "the designated materials for production" shall read "the designated materials for production, designated medicines and other sanitary materials."

Art. 2. Part of the Regulations governing the Organization of the National Institute of Preventive Medicine and Hygiene shall be amended as follows:

(1) In the "Welfare Secretary" of Art. 2; "full time officials 1, 9" shall read "full time officials 2, 10," respectively.

(2) In the "Welfare Technical Officials," of the same Art, "full time officials 5, 19, and 52" shall read "full time officials 7, 28, and 69" respectively.

Supplementary Provision:

The present Cabinet Order shall come into force as from the day of its promulgation.

Minister of Welfare
HITOTSUMATSU Sadayoshi
Prime Minister
KATAYAMA Tetsu

NOTIFICATIONS

				Limited to the graduates on & after Mar., 1947.

Ministry of Agriculture and Forestry Notification No. 112

August 5, 1947

In accordance with the provisions of Art. 27 of the Fertilizer Distribution Regulations, handling procedures for returning or transferring containers of fertilizer are provided for as follows, and shall be enforced as from August 20, 1947:

Minister of Agriculture and Forestry
HIRANO Rikizo

1. Straw bags (as used for containing fertilizer)
(1) Designated Dealers' Handling Procedure
A. Collection
The designated dealers shall recover from farmers all of the straw bags used for the fertilizer which the said dealers have distributed to the farmers (the straw bags which have been cleared of their contents at the stores of the designated dealers shall be deemed as recovered; the recovery price shall be in accordance with the Price Board Notification), and shall bring together the same to the designated collection agency as specified by the Prefectural Branch of the Fertilizer Distribution Public Corporation (hereinafter called "the Branch of the Corporation").
B. Packing
The designated dealer shall assort the straw bags into two groups, i.e. those for ammonium sulphate and others, and without folding them up, shall pack each twenty pieces of them into a package affixed with two tags (Form No. 1) and sell it to the Fertilizer Distribution Public Corporation (hereinafter called "the Corporation") ex the foregoing collection agency.
C. Despatching
The designated collection agency shall deliver the straw bags to the railway station on behalf of the Corporation, and at the same time prepare the notice of despatch (Form No. 2)

and send a copy of it to each consignee as specified by the Branch of the Corporation, the Sub-Branch of the Corporation, and the Corporation.

D. Settlement of Accounts

The designated collection agency shall, at the same time as the notice of despatch is sent, ask the Branch of the Corporation to pay the purchase-money and commission. In this case, the designated dealer shall pay a fourth of the commission to the designated collection agency.

The designated collection agency shall claim from the Branch of the Corporation the payment of freight paid for it by submitting to it a written claim for advanced freight along with Slip "A" of the railway goods receipt or other documents certifying the amount of freight paid.

The Branch of the Corporation shall pay the sum required in accordance with the claims provided in the preceding two paragraphs.

(2) Consignees' Handling Procedure

A. Sorting

The consignee shall check up the number of straw bags received with the notice of despatch within seven days from their arrival, and shall, at the presence of an official of the Corporation as witness, sort them into the two grades of standard and sub-standard according to their fitness for further use for packing of fertilizer, and shall prepare reports on sorting (Form No. 3) and send a copy of the same to the (Regional) Branch Office and (Prefectural) Branch of the Public Corporation respectively.

B. Settlement of Accounts

The Branch Office of the Corporation shall ask the consignees to pay the purchase-money of the standard ones according to their reports on sorting (the account to be balanced three times a month, i.e. on the tenth, twentieth and last days of every month), and the consignees shall, for the asking, pay the purchase-money without delay into the banking organ as specified by the Branch Office of the Corporation.

Each time a consignee has paid for the Corporation the expenses for carrying straw bags from the arrival station to his store, he shall ask the Branch Office of the Corporation for the repayment of the advance; whereupon the Brance Office shall without delay pay to the consignee the amount of money advanced.

(3) Disposal of Sub-standard Straw Bags

The Corporation shall, with the approval of the Ministry of Agriculture and Forestry, specify the buyers of sub-standard straw bags, and the consignee shall forward the same to the buyers in compliance with their request.

2. Kraft Paper Bag (as used for containing fertilizer; excepting, however, such Kraft paper bags for lime nitrogen as their inner and outer bags are made to adhere to each other)

(1) Designated Dealers' Handling Procedure

A. Collection

The provisions of (a) of (1) 1 shall also apply here.

B. Packing

The provisions of (b) of (1) of 1 shall also apply here; provided however that in the case of empty paper bags for imported ammonium nitrate, each 25 pieces, and in the case of those for imported potassium, lime nitrogen and Thomas phosphate, each 30 pieces shall be packed into one package.

C. Dispatching

The provisions of (c) of (1) of 1 shall also apply here.

D. Settlement of Accounts

The provisions of (d) of (1) of 1 shall also apply here.

(2) Consignees' Handling Procedure

A. Sorting

When the paper bags came to hand, the consignee shall check up the number of them with the notice of dispatch (Form No. 2) and sort them into two groups, those which may be used again for packing fertilizer (including those which may be used again after a little repair) being made Class A and those which, though greatly damaged, have each the quantity of paper remaining as much as 2–3 or more of that of one whole bag or those which have got wet with water being made Class B, and them shall prepare reports on sorting (Form No. 3) and send a copy of the same to the (Regional) Branch Office and (Prefectural) Branch of the Corporation respectively. But the paper bags thus sorted shall be kept in custody by the consignee till the time to be specified by the Corporation.

B. Repairing and Remodelling

The consignees shall repair or remodel the paper bags in their custody according to the instructions of the Corporation.

C. Settlement of Accounts

(a) The Corporation shall pay to the consignees the charges for sorting, repairing or remodelling in accordance with the provisions to be determined separately.

(b) The Corporation shall sell the paper bags repaired or remodelled to the buyers, and the consignees shall deliver the same to the buyers according to the instructions of the Corporation.

(c) Each time a consignee has paid for the Branch Office of the Corporation the expenses for carrying paper bags from the arrival station to his store, he shall ask the said Branch Office to repay the money advanced; whereupon the Branch Office shall pay it to the consignee.

D. Disposal of Those Impossible to Be Repaired

The provisions of (C) of (2) of 1 shall also apply here.

3. Gunny (or Hessian) Bag (as used for containing fertilizer)

(1) Designated Dealers' Handling Procedure

A. Collection

The provisions of (A) of (1) of 1 shall also apply here; provided, however, that as only the contents are sold in the case of fertilizer packed in gunny (or Hessian) bags, the designated dealers shall return such bags dealt with by them to the sellers of the fertilizer.

B. Packing

The provisions of (B) of (1) of 1 shall also apply here; provided however that the classification of gunny (or Hessian) bags and the number of them to be packed into one package shall be as follows:

Large-sized gunny (or Hessian) bag (having a depth of 40 inches or more)
(One package to contain 50 pieces)

Small-sized gunny (or Hessian) bag (having a depth of less than 40 inches)
(One package to contain 50 pieces)

Small-bag (for containing 20 kg. or 25 kg. of fertilizer)
(One package to contain 100 pieces)

C. Settlement of Accounts

The provisions of (D) of (1) of 1 shall also apply here; gunny (or Hessian) bags being owned by the Corporation, however, the amount of money the payment of which the designated dealers claim from the Branch of the Corporation shall be the commission only.

(2) Consignees' Handling Procedure

A. Sorting

The provisions of (A) of (2) of 2 shall also apply here; provided, however, that sorting of gunny (or Hessian) bags shall be made in accordance the standards for brands to be determined separately by the Ministry of Agriculture and Forestry, and a copy of report on sorting (Form No. 4) shall be sent also to the designated collection agency concerned.

B. Repairing

The provisions of (B) of (2) of 2 shall also apply here.

C. Settlement of Accounts

The provisions of (a) and (c) of (C) of (2) of 2 shall apply with the necessary modifications.
