4. A statement of all allowances made by the Postmaster-General, within the same period of two years, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract and the sums paid as additional allowance.

SEC. 2. That, hereafter, the lists directed by sections one hundred and ninety-eight and five hundred and ten, of the Revised Statutes, to be furnished by the several Departments and offices of the Government for the Biennial Register, shall be made up to the last day of June of each year in which a new Congress is to assemble, and shall be filed as soon thereafter as practicable in the Department of the Interior.

Approved, December 15, 1877.
