Dear Wikimedia Foundation Board of Trustees,

On behalf of ORCID, I am writing to support the WikiJournal proposal, available at this link: <https://meta.wikimedia.org/wiki/WikiJournal>.

ORCID's vision is a world where all who participate in research, scholarship, and innovation are uniquely identified and connected to their contributions across disciplines, borders, and time. We care deeply about enabling researcher control over what and how their information is shared, and transparency of information source.

The WikiJournal proposal is exciting to us because of its focus on researcher control and transparency. We laud the use of persistent identifiers to enable attribution of authors, editors, and peer reviewers, and persistent links with their contributions.

Sincerely,

A handwritten signature in black ink, appearing to read 'L. Haak'.
