

CALCUTTA THURSDAY JANUARY 9 1919

Wilson's Adress to Italian Parliament

Right and Justice.

EASY TO SPEAK BUT DIFFICULT TO PRACTISE

LIBERATED NATIONS MUST BE INDEPENDENT

NC BALANCE OF POWER

President Wilson addressing the Italian peace rest on right. There could not the battlefield and steadfast endurance at levels of endeavour and achievement." home with admiration. Through all like a golden thread was the knowledge that the people of Italy had entered the war ! for the same exalted principles of right and justice that moved his own people. Therefore he welcomed the opportunity. conveying the heartfelt greetings of people of the United States. "But dow of this war without knowing there were things awaiting us more difficult; than those we had undertaken, because

Empires held different peoples reluctantly ed as unprecedented. under the coercion of force and the guidance of intrigue. The great difficulty among lay a disturbed population held not by speech. say what Government they should set up centres. but it is our duty to see that there is some protection around them which will hold them together. The only thing, if ship of the world."

The President continuing said that he ly. had found in the atmoshere of the nations

CONSUMPTION OF COAL IN INDUS-TRIAL ESTABLISHMENTS.

A PRESS COMMUNIQUE.

cial census was undertaken in 1918, similar India. This is the percentage arrived at in dwelt at some length on the Calcutta distur to that of 1917, by the Department Statistics, with regard to the consumption dustrial establishments which did not be said, was different from the offiof coal in the various industrial establish- dustrial establishments which did not fur- cial one. But facts remained what they ments in India during 1917. Circular letters nish returns—a small figure, and (3) Domes—were and people began to wonder that the whose names and addresses were available, asking for statements of their actual conb sumption of coal in 1917. The circulars were as from the coal producing areas in Indian States) amounted in 1917 to the record production of 18,213,000 tons. The census shows how much coal was consumed by railways, steamers, and Indian industries. on the Land Revenue Administration of and the safety of the holy places of Islam Professor Ramsay Muir has been

the plaintiff in the suit. (b) That the defendant accepts the plaint as substantially a correct statement of the unfortunate incident and he sincerely apologises for it.

Sd. F. CLAYTON,

After reading out the above Mr. Ahmad addressed the Court as follows:--"Sir,-The plaintiff in the suit is Mr. Hasal Imam, a gentleman of recognised position in the country and the leader of the Provincial Bar. Mr. Clayton holds a high office under the Behar Government and is also a extra. gentleman of position. That there should have been litigation between them is sad and I venture to think that every one in this Court and outside would be delighted if this case came to a termination, devoid of any unpleasantness. In filing the application I have just read out, you will agree with me that Mr. Clayton has displayed a commendable spirit of reasonableness and acted as a dowed. My client leaves himself in the application. hands of Mr. Hasan Imam and thereby submits to his decision and I have personally no doubt that my client will never regret 1-24, Manicktala Main Road, P. O. SIMLA,

The Hon'ble Mr. K. B Dutt now addressed the Court on behalf of Mr Hasan Imam. He

"The Hon Mr Clayton having admitted the f correctness of the plaint, having withdrawn his written statements, and having left himself in the plaintiff's hands, and the Government Advocate appearing on his behalf hav ing appealed to the generosity of the plaintiff, I am authorized by my client to say that he does not want to inflict upon Mr. Clayton any monetary punishment, and, therefore, he forgoes his claim to damages. The object | 1699 0 15 of the suit was to prevent bad behaviour on the part of Europeans towards Indians. Bad | Till IN manners are reprehensible in every country, but on the part of Europeans in India they are, in the words of Lord Morley, political crimes. We trust that the result of the suit and real 9kt. When the treatment is taker up in time there is no failure in cases of Cholera Littleoid, Pacumonia, Bronchilla, Cle. Lachina is theeked in 2 or 3 and Disbetes in for a days. In Despetate and Dysentery, I lacute or chronic and with or without com-I plications a specify and thorough cure in certain. All abscesses including those of the labelomen and of the liver, carboneles etc., nd obstinate nicers and sinuses yield to I Unipathy so quickly and thoroughly as to do away with the necessity of operation. Hernia is cured without operation in & months. Exeruciating pains as in stones. eie, rubside in half en hour. All obstinate female diseases are stamped out in a short time, In one word, in almost all diseases, acute or obtonic and with or without comphentions, the effects of Unipathic medicines are more rapid and lasting than those of any other medicine.

The faith of those who regard as supremely efficacious quinine, chalorodyne, soda. morphia, Makaradhwaj eic., and the treatnent by injection will be shaken after I witnessing the results of Unipathic medici-

The treatment is very easy. We coach gudents in Uninathy by correspondence and offer to medical practitioners trained in our I system a brilliant prospect of success in 12 Il months which cannot be expected under Il other systems of medicine in ten years. He grant diploma to deserving students.
