Dissolution Measures of Korean League
and Korean Democratic Youth League

1. In response to inquiries of various prefectural governments asking for an explanation of doubtful points in the subject measures, the Attorney-General's Office is reported to have informed them to the effect as stated in Inclosure A.

2. Furthermore, the Attorney-General's Office sent out its notification (Inclosure B) to all prefectural governments, requesting them to initiate an investigation of organizations whose activity falls under any of the items enumerated in Article 6 of the Organizations Control Order (Cabinet Order No. 64 of 1949).

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 715013

Inclosure A

1. Scope of Subsidiary Organizations Affiliated with the Korean League

a. The following organizations are considered to come under the category of so-called subsidiary organization affiliated with the Korean League:

All Japan Korean Teachers' League

Korean Students' League

Democratic Korean Women's League

Boy Scouts of the Korean League

Association for the Support of Korean Liberation Movement

Commission on Korean Educational Problem

Liberation News

People's News-reel Company of the Korean Democratic Youth League

New Asia News

Youth Society

Federation of Korean Cultural Organizations

b. Since Paragraphs 1 and 2, Article 5 of the Organization Control Order are naturally applicable to the subsidiary organizations, it is necessary for the prefectural governments to conduct an investigation of such organizations accordingly. However, it is possible that the said Article 5 is not made applicable to the subsidiary organizations that are deemed by the Attorney-General's Office to be of practically harmless nature, even if they conflict with the provisions of Article 5. When there are found the subsidiary organizations coming under the above-mentioned case, prefectural governors are requested to submit their report together with their opinion to the Attorney-General's Office.

c. In case where constituent members of the dissolved locals of the Korean League, playing active part in it, organize former members of the Korean League into chapters or locals of the Korean Residents' Association, Article 5 will be applied to these chapters or locals on a case by case basis. When these chapters or locals are considered not to practically do any harm even though they conflict with the provisions of Article 5, the prefectural governors are requested to take some step as mentioned in the preceding paragraph.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 715073

d. Of the constituent members of the subsidiary organizations affiliated with the Korean League and Korean Democratic Youth League, the persons assuming any one of the following positions are regarded as falling under the category of principal officers stipulated in Article 5 of the Organizations Control Order:

(1) Members of deliberative organ, Inspection Committee, Central Committee, Standing Committee and Departmental chiefs of organizations operating on nation-wide level (Organizations similar to Regional Council of the Korean League).

(2) Chairman and Vice-Chairman of Committee, Chairman and Vice-Chairman and departmental chief of organizations operating on regional level (Organizations similar to Regional Council of Korean League).

(3) Chairman and Vice-Chairman of Committee, Chairman and Vice-Chairman and departmental chief of organizations operating on local level (Organizations similar to chapter or locals of the Korean League operating on prefectural, country, city, town, village and ward level).

2. Reconstruction Activity

a. In some prefecture, posters are put up, handbills distributed and meetings held in the name of the former Korean League or League Opposing the Designation by the Government of the Korean League as Dissolved Organization, alleging the government action taken in connection with the dissolution of the Korean League being unwarrantable suppression of Koreans. These activities should be screened in the light of Article 1, paragraph 2 of the Organizations Control Order. In case where they are found not to be as resistance or opposition to the Occupation Forces, or encouragement or justification of terroristic methods, but as mere literature propaganda activity or a meeting of a small number of people only intended for opposing the designation by the government of the Korean League as the dissolved organization, Articles 2, 3 and 14 of the Organizations Control Order are interpreted not to be applicable to them. However, whenever such activities are started, prefectural governments will take steps for perpetuation of evidences through taking photographs and other methods and at the same time gather all available information. In the event prefectural governors consider, based on the evidences they gathered, such activities to be so doubtful that they might come under the provisions of Article 2, Item 1 or 7 of the Organization Control Order, they will make report to the Attorney-General's Office of the actual circumstances thereof. (Procuratorial and police authorities will also take action in line with the same policy as above).

b. There is no objection on the part of the Attorney-General's Office for prefectural assemblies or similar organs receiving petitions from the subsidiary organizations affiliated with the Korean League regarding the dissolution of the Korean League.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 715073

3. School Facilities

a. All school facilities belonging to the Korean League are exempted from being taken over by the government in the process of the dissolution procedure of the Korean League. The following are included in the scope of these school facilities:

(1) Korean (Korean League) high, middle, primary and technical schools.

(2) Normal school and branch of primary school.

(3) San-ichi Gakuin

(4) Shu-ka Gakuin

(5) Educational Control Commission

(6) Educational Control Cooperative Association

(7) Korean Teachers' League

(8) Shogaku-Kai

4. Property Held in Custody by the Government

a. No property taken over by the government will be leased or lent to anybody. It is held in custody by the Attorney-General's Office under the authority of Article 6 of Cabinet Order No. 238 and will not be released without the permission of the Attorney-General's Office.

b. In case where organizations occupy, on a lease contract, part of office buildings of the Korean League, which has been taken over by the government, such lease contract shall be deemed to have become extinct. Therefore, as a measure to insure the safe custody of the Korean League's property under Article 6 of Cabinet Order No. 238, prefectural governors will have to prohibit the occupants from using the part they occupy and further request them to vacate it.

Kyoto,
October 4th, 1949.

Officer Interested,
Sasebo Repatriation Camp,
Present

Dear Sir:-

As ill luck would have it, my brother: Kin Ko-shoku (25 years old) was accidentally arrested by the Japanese police together with a group of illegal Korean immigrants in a Japanese hotel on Tsushima Island, on Sept. 12th, and was later sent down to the Sasebo Repatriation Camp as though he were an illegal immigrant himself.

I requested the repatriation officer, Kokura Division Headquarters, that the police in the Repatriation Camp investigate into this case so that my brother's uninterrupted living in Kyoto might be verified.

Owing to the delay in their investigations, I have got official certificates of my brother's uninterrupted living in Kyoto. Inclosed you will find relative documents (translations attached) for your perusal and your approval of my brother's early release from the Sasebo Repatriation Camp.

Yours very truly,

Kin Shun-moku (aged 24)

for release of Ko Kyo Gen

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 715013

To : Legal Officer of the Kyushu Civil Affairs Region

From : Ko To Sei, 51 362, Ano, Yawo City, Osaka

Subject : Petition asking release for my son Ko Kyo Gen, 19 years old

Dear sir :

I was greatly surprised to find, on the morning of 19 August, that my son, Ko Kyo Gen, who haw been living in Japan for more than 17 years and educated in Japanese school since his childhood, had been taken away to Yawo Police Station by unknown reason.

I learned, after several visits to the Station, that he was arrested on suspicion of illegal entrance to Japan.

And he was sent to the camp of Hario, Nagasaki.

Though I am a korean, my family, except my old mother, have been staying in Japan for over 17 years.

Right after the War ended, I sent my boy, Ko Kyo Gen, a person in question, to Korea to bring my mother back to Japan. But, to our great regret, when he go home, he found that his grandmother had already been dead. And after a menthers finishing the funeral ceremony of her, he returned back to Japan alone by a Japanese repatriation ship.

Can any one dare to say under such circumstances my son a criminal?

Neverthless, the Japanese Police arrested him this time and is doing to send him to Korea where no one is waiting for him, no house for him to live in. Why, this is the modern "Uncle Tom's Cabin" in twentieth century!

I think Japanese police is really cruel, and their deed itself is illegal. It's no doubt that my boy has right to live in Japan because,

(1) He is registered as a foreigner lodging in this country by the Japanese Government.

(2) Mayer of Yao City regards him as a citizen of Yao City.

Incl 1

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 715013

(3) He has been given the right to accept rice and other rations in Japan.

(4) He is now attending to a Japanese High School.

I would be greatly pleased of you should kindly research the truth and after some necessary investigation release my boy as soon as possible to his home in Japan.

Petition

(Continued from the one submitted the other day)

My 2nd son, Ko Kyo Gen, was taken away by two police men of the Yao Municipal Police Station in the morning of 19th August without telling any reasons.

They told me, when I asked them about it, that the boy went to Korea in Oct. '45 and came back to Japan in April 1946. He stayed in Korea for about 6 months, without a permission.

Consequently he should be arrested as an illegal entrant to Japan and deported back to Korea.

I don't recognize the reason they claimed, as his protector and father.

Because ---------;

I have been living in Japan since I brought my wife and two sons here in 1932.

In 1940 my wife and son went to Korea by some reason and could not be back because of the War.

Getting no news, we'd bean deeply worrying each other.

The War ended before long.

Ko Kyo Gen, dagerly longing to see his mother, went to her place and stayed there for six months. I never recognize the reason they claimed, for the registration began from August 1947 and my son was registered as an legal resident. And he was getting ration foods, registered in Yao City Office as a temporary resident .

Now registration was canceled by the policemen after the boy was arrested. They proceeded the authorities, I think.

Also he is a student of Yao High School.

I wish your kind consideration and fare decision for my son.
