MEMORANDUM:

SUBJECT: Application for Approval of Temporary Retention of Former Naval Personnel

FROM: Commander Hussey

TO : Public Administration Division

DATED: 10 February 1947

1. Under plans approved by Chief of Staff on 25 January 1947, Government Section has been ordered to proceed with the elimination of ex-officer personnel in the Demobilization Board. Under these plans, the Imperial Japanese Government will be required to justify the retention of each individual officer. I am working on the whole project. I see no reason why we should not comply with ComNavJap request provided replacement at the earliest practicable date is insisted upon.

2. The facts submitted in the justification of the retention of these eight appear sufficient.

DEMOBILIZATION BOARD

Letter

SDB No.444

11 Aug 1947.

To : Vice-Admiral R.M. GRIFFIN, ComNavFe.

Subject : Concerning the Filling of the Vacancies to be Caused by the Two Former Captains to be Discharged Shortly.

Your approval is requested for the following shifts:-

As was reported to you in advance on 21 July, we wish to dismiss on August 25 the two persons mentioned below:-

Former Paymaster Captain SHIRAISHI Ryōkichi, Chief of Accounting Office, Maizuru D.D.B.

Former Paymaster Captain ŌWADA Tsutomu, Chief of Supply Office, Maizuru D.D.B.

To fill the vacancies caused by these two former Captains, we wish to appoints as follows:-

Former Captain AKANE Kazuo to Shokutaku attached to the Investigation Section, S.D.B.

Former Captain IWAKI Shigeru to Shokutaku attached to the Investigation Section, S.D.B.

The reason for these shifts comes from the necessity to strengthen the lineup of persons to be engaged in various investigations as requested by GHQ, -- investigations deemed of more moment in carrying out the over-all duties of S.D.B. The vacant posts of the Chiefs of the Accounting Office and of the Supply Office of Maizuru D.D.B. are scheduled to be filled from the rank of former

commanders.

The particulars of the prospective posts, the reasons for taking up the prospective posts, etc. for the afore-named two persons are as set forth in the respective written applications for retention.

FOR THE CHIEF OF BUREAU:

I. Yokoyama

I. YOKOYAMA,
Second Demobilization Bureau.

Name: AKANE Kazuo

Former Naval Rank: Captain.

Post: Shokutaku attached to Investigation Division, S.D.B.

I. Particulars of Post.

A. Investigations concerning affairs relative to POWs as requested by GHQ, SCAP.

B. Affairs concerning Class B and Class C War Criminal Trials.

C. Affairs concerning Overseas Military Tribunals of the Allied Powers.

II. Reasons to take up office.

He had been in charge of the above affairs since the inception of the Investigation Division, and had played very important role in smoothly carrying out investigations of judicial matters and affairs concerning military tribunal. He was dismissed under the restriction in number of the captain rank. Buttthe mounting increase in the investigation of judicial matters along the progress of B Class and below Trials has made his reinstatement imperative; shortly one secretary on captain level is to be dismissed to make room for him.

Further, in the investigation of POW affairs no other suitable person can be found other than he, who was in charge of land warfare as a member of the Naval General Staff during the recent war, inasmuch as relevant records were all burnt up by fire.

III. Tenure of Prospective Post.

Until the closing down of S.D.B.

IV. His Post up to recent date.

Up to April this year he held the same post mentioned above.

V. Summary of Personal History.

As set forth in the annex.

Name : IWAKI Shigeru.

Former Naval Rank : Captain.

Post : Shokutaku attached to Investigation Division, S.D.B.

I. Particulars of Post.

A. Synthsizing and coordinating of affairs concerning War Criminals investigation as requested by GHQ, and public relations affairs.

B. Taking care of defense counsel and witnesses.

II. Reason that he is necessitated to take up office.

He had been in charge of the above affairs since the inception of the Investigation Division, and had played a very important part in carrying out smoothly the investigations in judicial matters and affairs concerning military tribunals. He had to quit office owing to the restriction laid on the number of captain rank. But in the steady increase ~~in the steady increase~~ in the amount of business along with the progress of investigations in judicial matters and the military trial the effect of his resignation has been felt with growing intensity. Shortly one secretary of captain level is to be dismissed to make room for him.

III. Tenure of Prospective Post.

Until the closing down of S.D.B.

IV. His post up to the present.

Up to April this year he had been in charge of the same affairs mentioned above as a secretary of S.D.B.

MEMORANDUM FOR THE RECORD:

1. Arrangements have been made with G-2 for inspection of the past records of these persons to insure they are not undesirable for public office for reasons other than their status as regular commissioned officers. Herewith is forwarded an application from the Second Demobilization Bureau concerning the employment of Ex-Captain NAGAISHI. SECOND DEMOBILIZATION BUREAU
OF THE
JAPANESE GOVERNMENT

SDB. No. 502 16 October 1947

To: Brigadier General Patrick H. Tansey, CPC.
Through: Central Liaison Office, Tokyo.
Subject: Filling Vacancy in Secretaries of Ex-Captains.

Ex-Captain NAGAISHI Masataka had been in charge of the affairs related with the defunct Department of Naval Aeronautics, Naval Technical Department and Naval Civil Engineering Department since the end of the war, but he was dismissed in June 1947 owing to the restriction in the number of secretaries of the ex-captain.

Thereafter, a considerable number of investigation matters concerning the above-mentioned departments have come from GHQ, SCAP, especially from CPC and each time we have sent for him in order to ask him to investigate these matters. They concern munition production, shipping, reparation machinery, etc. and amount to a sizable number. In the investigation matters relevant to industrial technique and tactical technique, we cannot find any other suitable investigator except him and we presume that many investigation matters which call for his service will croup up hereafter. We wish, therefore, that we should be authorized to employ him again. We hope he is now available, because a vacancy for an ex-captain is created by the dismissal of Ex-Captain KIYOMOTO Kiyoshi, Sasebo D.D.B. on October 3. Your good offices are earnestly requested to get permission for us from

Government Section, GHQ, SCAP, to re-employ Ex-Captain NAGAISHI.

FOR THE CHIEF OF BUREAU.

I. Yokoyama

I. YOKOYAMA,
Second Demobilization Bureau.

Name: NAGAISHI Masataka

Former Naval Rank: Captain.

Post to be assumed: Institute of War records and Technical Intelligence.

I. Particulars of Post to be Assumeds.

Partakes in the investigation works demanded by GHQ (particularly by CPC,ESS & CNFe) relating to war materials, production, establishments, articles etc. connected with former Department of Naval Aeronautics, Naval Technical Department and Naval Civil Engineering Department.

II. Reason for Installing in Above Post.

He was engaged in the above-mentioned affairs up to recent date when be was obliged to be dismissed due to the limitation of number of secretaries of ex-Captains. We have experienced much in convenience as not a few investigations have encountered with difficulties without his handling. Now the duty of Kiyomoto, Ex-Captain, is drawing to its end and he shall be dismissed from it as of October 3rd. To fill the Vacancy thus made, it is necessary to call NAGAISHI to this post so that the investigation works shall be carried on smoothly.

III. Tenure of this Post.

Up to the abolition of S.D.B.

I. The applicants :

NISHIMURA, Kunigoro ..... former Lt.Commander, I.J.N.

WADA, Shoji ..... former Lt.Commander, I.J.N.

2.

The reasons of request:

In the previous request for temporary retention of WADA the terms of tenure of his office was proposed as until 3I July I947, but the supply work to the mine sweepers, for which his service was required, did not complete on the expected date, and in view of his expressed desire of retirement (on account of his personal reasons) the need to find a suitable successor had been keenly felt .

Under these circumstances NISHIMURA , whose terms of office were to expire 3I August I947, was appointed to replace WADA , as the Ominato Marine Office, where he had been stationed, was being closed incidentally. However, NISHIMURA was detained in Ominato until towards the end of August to settle up the remaing work down there, causing WADA, thereby, remain in office until the end of September to hand over the charge of duties to his successor.

3. The proposed terms of extention :

WADA ..... until the end of September, I947.

NISHIMURA.... Until the completion of supply work to the mine sweepers.
