GIVE AID TO ACCIDENT VICTIMS

While enjoying a ride along the Skyline boulevard last Sunday afternoon the Rev. Stanford and the boys of his Sunday school class were called upon to assist in aiding victims of an automobile accident. A machine was turned over when it skidded in the mud while trying to pass another car. All of the occupants of the car were more or less scratched. The Rev. Stanford drove the injured to a San Francisco hospital while his Sunday school boys guarded the damaged machine.

Joseph Powers is planning to build a bungalow in Huntington Park to be followed by others at a later date.

J. J. McNeill of Huntington Park is able to be about again after the accident which occurred while he was working on one of the municipal tanks. He is still on crutches.

Mr. and Mrs. Edwards of South San Francisco will move into the Lund home on Kains avenue this week.

Feel Better In Few Hours Or No Cost!

Quit Poisoning Yourself Today! Notice Quick Difference in the Way You Look, Eat, Sleep and Feel

The great agitation over SELF-POISONING is sweeping the country. The menace is great! It is one that should cause every man, woman and child to pause and consider one's own condition.

Self-poisoning, as it is called, is the direct result of allowing the liver, the body's filter, to become sluggish and clogged. This is why many wake up feeling dull and tired—tongue coated—bad taste in mouth and offensive breath.

Why You Feel Bad This explains why so many suffer from just such symptoms as poor digestion, sour stomach and formation of gases, improper movement of the bowels, pimples, slow complexion, sick headaches, and a nervous, upset and over-taxed condition of the system—why one catches cold so easily while in this run-down condition and why the system is not healthy enough to throw off various diseases as Nature intended.

Due to Neglect But there is no need for alarm! This self-poisoning menace is not contagious—but due entirely to one's own neglect. And, just as science has traced these symptoms directly to a poisoned liver and system, so medical authorities have perfected a remedy that overcomes the cause of self-poisoning

and quickly relieves miserable sufferings. Gives Quick Relief The great prescription of Dr. H. S. Thacher is considered the most efficient of all methods in aiding Nature to throw off these poisons. Great numbers are daily reporting quick relief from its use and practically every experimental method of overcoming self-poisoning has been abandoned as case after case of remarkable restoration to health and happiness through Dr. Thacher's Liver and Blood Syrup has been noted.

Strengthens System Dr. Thacher's Liver and Blood Syrup helps Nature to cleanse and tone the liver, wake up your appetite, strengthen your digestive organs, soothe the tired and over-taxed nerves, brace up your system and purify your blood. The result is you quickly feel a return of your strength, vigor and energy.

Sold Under Guarantee Dr. Thacher's Liver and Blood Syrup contains ingredients that are known to physicians for their corrective and health-building qualities. Just try it and notice the quick difference in the way you eat, look, sleep and feel. Dr. Thacher's is sold by all leading druggists with the understanding that you will be completely satisfied, as others have, or there will be no cost. Avoid substitutes. Remember this guarantee.

TWO FIRMS MAKE PLANS FOR CIVIC BEAUTIFICATION

Chamber Directors Discuss Harbor Improvement Bills in Session Monday

Added plans for the beautification of the Civic center were presented before the directors of the Chamber of Commerce on Monday night by W. A. Hoff, of the West Coast Nurseries, and Donald McLaren and Emery A. LaVallee, of the Macorie & McLaren Company. The general discussion seemed to indicate that any plans for the beautification must anticipate the future use of the Civic center for general buildings that will be necessary, as the community grows and that plans should take this into consideration.

It was also the opinion that plans for beautification should be made with a view to the future and that immediate completion of the project will be an example of what the community can attain in the matter of dressing up, and in the way of health due to recreation.

Fred Morton and W. J. Higgins, of the Foster & Kleiser Company, addressed the directors concerning the ordinance regulating billboards which was recently enacted by the city trustees. They stated their organization had the interests of the community at heart and they had done the work at cost and they declared that anything in excess of a 10 percent tax on their net revenues in the community was excessive.

Dr. F. S. Dolley told the meeting that Foster & Kleiser had constructed the three signs at the three entrances to the city, that they had done the work at cost and are still paying the ground rental for the property on which two of the signs are located. It was the opinion of the board that license tax here should conform with that in other cities.

Bills in the state legislature and in Congress looking toward harbor development here were discussed. It was moved and duly seconded that Senate Bill No. 114 and Assembly Bill No. 107, granting the City of South San Francisco its harbor would serve the purposes of the community more nearly than any of the other bills.

Cross-word menus were a feature of the Geographical Association dinner in London recently, and some of the guests became so engrossed in solving the puzzles that they forgot to eat.

ORDINANCE NO. 132

An Ordinance Regulating Trees and Ordinances Them a Nuisance Under Certain Conditions.

The Board of Trustees of the City of South San Francisco do ordain as follows:

SECTION 1. Any tree on any of the sidewalk parking or streets or alleys in the City of South San Francisco, in whole or in part, which by its roots or trunk lifts the sidewalk or any portions of the streets or alleys, or so encumbers its roots around or into the underground pipes, shall be deemed a nuisance.

SECTION 2. When it appears that any tree in the City of South San Francisco is of the character as set forth in Section 1 of this ordinance, the City Marshal, together with the Chairman of the street committee of the Board of Trustees of said City, shall cause same to be removed forthwith so as to remove such obstruction, and when said tree is of the character as mentioned in Section 1 of this Ordinance and is partially on private property and partially on public parking, the City Marshal, together with the Chairman of the street committee of the Board of Trustees of said City, shall give a written notice to the owner, agent or lessee of said property where said tree is located to remove the tree within ten days from the receipt of said notice; and if not so removed within that time, the City Marshal and Chairman of the Board are directed to summarily abate said nuisance by causing same to be removed in such manner as will be least objectional to the neighborhood. But in abating such a nuisance only such part of the tree as is objectional shall be removed and when a tree can be saved by removing certain branches or roots, such abatement shall go no further than the removal of such branches

SECTION 3. When damage is done to sidewalk caused by a tree or trees of owner, lessee or agent, the cost of repair shall be borne by said owner, lessee or agent.

SECTION 4. Any person violating any of the provisions of this ordinance shall upon conviction thereof be fined in a sum not to exceed \$100 or by imprisonment in the City Jail not to exceed ten days or by both said fine and imprisonment.

Ten Weeks' Tourney Is Begun on Mattle & Stokes Bowling Alleys

With nine teams competing in a ten weeks' contest for ten pin honors, the Avalon Club team, composed of Ted Fischer, Homer Gibbs and Jack Bonalanza, crept definitely into the lead this week with a team score total of 1416. The tourney is being held on the Mattle & Stokes alleys and has been in progress since February 2. Every team meets every other team in the tourney and must play one series of three games each week. The other contesting teams are composed of:

Team No. 1—Colon Stokes, Jack Lewis, Victor Sonati.
Team No. 2—Bill Brown, Fred Myles, George Webster.
Team No. 3—Dick Rabboli, John Fontana, Bill Webster.
Team No. 4—"Red" Rowe, "Slim" Thomas, Charles Stanley.

Louis F. Beltramo, Menlo Park; Victor Freinne, Woodside; Victor Drago, Colma; William F. Ballhause, San Bruno avenue; Yow Kee, Sing Wong, Chew Hen, Menlo Park; Gabriel Pugas, Five Points; Alex Nelson, Woodside, and Chas. Cleaver, Salada Beach.

A map of subdivision No. 2, Belmont Terrace properties, was brought before the board and a resolution accepting the same was moved by Supervisor Brown, seconded by Supervisor Hickey and passed.

Chester Hagggett, secretary of the Dumbarton Bridge Association appeared before the board to find out if there was any objection to cutting off a small southern portion of the Ravenswood Slough, in building a new approach to the bridge.

"It was deemed advisable by the association," said Hagggett, "to make this change. It eliminates a great number of turns which would have to be made in the old approach to Cooley avenue. The new approach will run direct from the bridge portals to the proposed Bayshore highway, by route of the Corenduff Lane." The original approach was to be south of the newly proposed road.

According to Hagggett, the Fish and Game Commission, the War Department, and the State Engineering department, have stated that they would be in favor of the change, but the association must first get the sanction of the board. Immediate action on the resolu-

BANK REPORTS OF CONDITIONS ARE GOOD. REPORTS CO. GRAND JURY

REDWOOD CITY, Feb. 12.—The San Mateo County Grand Jury submitted its report to Superior Judge George H. Buck Friday.

Conditions were found to be satisfactory in most of the departments of the county government, according to the report. There were no sensational charges, and the report was comparatively brief. Two criminal indictments were brought by the grand jury during its investigations and true bills returned. These were in the cases of J. Sume, alleged check forger, and Jack O'Connor, bandit suspect.

County Jail
Conditions in the county jail were described as satisfactory, with the exception of the number of employees. The jury held that there should be two additional aides to the sheriff. At the present time the deputies work 12 hours a day, seven days a week, and the jury would cut the time to 8 hours per day.

It was recommended that the jail should be enlarged and that its heating system should be improved.

County Farm
The force of employees employed at the county farm is inadequate, the report declares. It is advised that two more aides be employed. There is no proper place for the separation and care of inmates with contagious diseases, and "proper care and attention are not given all such cases," the report stated.

County Surveyor
The county surveyor's office suffers from lack of help, the jury believes. A stenographer should be provided, and one of the present assistants should be appointed a deputy to properly handle the volume of work. It was suggested that the county surveyor's salary should be increased to \$3,500 per year.

County Funds
The firm of certified public accountants which was employed by the jury to examine the books of the county reported that the books were in good condition.

Community Hospital
The Community Hospital at Berkeley was found to be in satisfactory condition and able to care for patients in a creditable manner, the report stated.

Juvenile Home
The Juvenile Home is "entirely satisfactory," the grand jury report stated. The county clinic was also given a clean bill of health.

District Attorney
It was the belief of the jury that the legal assistant in the district attorney's office was not adequately compensated, and an addition of \$25 a month to his salary was recommended.

County Librarian
The county librarian has not sufficient help to perform her duties, and she should be given an assistant, it was stated.

Tax Collector
According to the grand jurors, the chief deputy in the tax collector's office is not paid enough money. It is recommended that

SPRING VALLEY WATER CO. ASKS AMENDMENT FOR REIMBURSEMENT

Spring Valley Water Company has applied to the railroad commission for a supplemental order granting permission to applicant to amend condition three of the railroad commission's order dated August 12, 1921, and amended April 12, 1922, to provide that the company may reimburse itself from the amortization fund for capital expenditures made in excess of \$300,000 per annum, which is the sum fixed in the commission's original orders, in the event that the city and county of San Francisco should exercise its option to purchase the properties of applicant on or before January 1, 1934.

CONTRACTOR SUES TO FORECLOSE LIEN

REDWOOD CITY, Feb. 12.—H. H. Putnam has filed a suit in superior court to foreclose a mechanics' lien against Dorothy, K. Palmer and others. It is alleged that the plaintiff built a house and garage for the defendants on lot 14, block 58, Easton addition to Burlingame, and that there is now due to him \$1914. Kirkbride and Gordon are the attorneys for Putnam.

the salary attached to this office be advanced \$25 per month. An assistant deputy should also be employed the year around, according to the report.

Auditor's Office
The chief deputy in the auditor's office, Edward Stack, performs duties which should entitle him to an increase of \$25 per month, and the office should have another deputy in addition to its present force, in the opinion of the jury.

County Clerk
It was found that the force of assistants employed in the office of County Clerk Elizabeth M. Kneese is adequate to care for the man duties which fall upon this office. One additional assistant should be employed for the year around, and additional assistants at election time, it was recommended.

County Surveyor
The county surveyor's office suffers from lack of help, the jury believes. A stenographer should be provided, and one of the present assistants should be appointed a deputy to properly handle the volume of work. It was suggested that the county surveyor's salary should be increased to \$3,500 per year.

County Funds
The firm of certified public accountants which was employed by the jury to examine the books of the county reported that the books were in good condition.

AMALGAMATION MEETING TO BE HELD WEDNESDAY

REDWOOD CITY, Feb. 12.—Permission to use the supervisors' room at the county court house for a meeting Wednesday night, February 18, was granted by the board Monday afternoon to the committee which has been making a study of the proposed consolidation of San Francisco and San Mateo counties. This action was taken by the supervisors following a request from Daniel C. Imboden, secretary-manager of the Three Cities Chamber of Commerce.

The amalgamation committee has completed its report, which will be made public at the meeting to be held in the supervisors' rooms.

The board accepted a map of the Hermosa Tract subdivision at Belmont.

A resolution providing for the construction of a culvert near Purissima at a cost of \$700 was passed.

The Community Christmas Tree Committee of Redwood City, in a communication to the supervisors, notified the board that another tree will be held this year.

Invitations were received by the supervisors to attend a dinner at the Community Hospital on the evening of February 18.

A communication from the California State Automobile Association which was received called attention to the fact that under existing traffic laws, 15 and 20 mile speed markers could only be erected where houses were not more than 100 feet apart for one mile. In regard to erecting such signs at Lomita Park, as had been requested at a past meeting of the board, it was stated that an investigation would be made to

FLOOD CAUSE OF DAMAGE TO COAST FARMS

REDWOOD CITY, Feb. 12.—Bursting of a dam on the Casanelli Ranch near Half Moon Bay Sunday resulted in the flooding of the countryside in that vicinity, causing damage to crops and ranch property estimated at over \$15,000, according to word received in Redwood City Tuesday.

The dam impounded waters in a big reservoir used for irrigation purposes. Heavy rains during the past week end raised the water to a high level, and on Sunday the dam gave way.

Sweeping away all obstacles in its path, the torrents of water flooded a portion of the green peach crop on the Casanelli ranch washed away several small buildings on the George March property, and caused considerable damage on the George Alves ranch. The March home was damaged by water and the basement was flooded. A number of chickens, caught in the surging waves, were drowned. The road to Half Moon Bay was covered with mud and debris for a considerable distance, and was practically impassable until workmen cleared a way for traffic, it was reported here.

see if this district came under the law.

Endorsement was given the plan for an increase in the gasoline and license taxes on automobiles.

Plans and specifications for the repair of the bridge opposite Dr. Shear's place northwest of Redwood City were passed.

County Surveyor George Kneese was instructed to make a survey for a bulkhead on San Gregorio Creek opposite Big Tree Inn at La Honda, and to bring the plans and specifications to the supervisors.

A motion was made by Supervisors passed on \$26 claims.

Western Meat News Items

BY RALPH LUND
The employees of the Western Meat Company extend their deepest sympathy to Lyle Woodman in the loss of his mother, who passed away last Friday evening.

Hail, hail, the gangs all here! When good fellows get together they sometimes have a bowling tournament and so it happened that on last Friday evening a group of our elite adjourned to one of the alleys in the city and there rolled their daily dozen. The team composed of J. O. Snyder, Russell Dow and Arthur Anderson hung crepe on the hopes of J. E. Grateau, Chief Watt and Pat Bowler. It is the consensus of opinion that J. O. Snyder was the star of the meet. The gentleman from Portland claims to be some bowler, though, so the gang will probably get together again this week for a return match.

'Tis rumored that Hal Woods is contemplating putting in a cement floor in his garage.

Bill Turnbull has returned to us after a year's absence. Bill was foreman of the butterine department before his departure. He will work with John Bowler at the wool house.

The shipping dock is organizing a quartette which will entertain us at some future welfare club affair. As one passes this part of the plant any time of day, one recalls a popular slogan, "there is music in the air." If practice makes perfect, we are in for some good music.

Another young fellow aspires to manhood. Have you noticed the mural decoration on Hermann Radatz' upper lip? It's a bologna.

Lyman Moulden, beau brummel of the general office and manager of the butterine department, journeyed to Sacramento last week.

Supervisor Thomas Hickey to have the creek in the vicinity of La Honda surveyed. This was passed. Before adjourning, the supervisors passed on \$26 claims.

THEY GAVE AGAIN, HAVE YOU CONTRIBUTED?

Community Chest Teams Find Resolicitation of Last Year's Subscribers Comparatively Easy; Seek New Members

In two hours on Tuesday morning one team in the Community Chest drive solicited persons who gave last year and found practically a 99 per cent response. Shortly afterward team No. 2 did the same thing in its district. Work of enrolling new members in the Community Chest is now going on. No person reported he had been refused a pledge. That is a record South San Francisco may justly be proud of. The campaign for community funds from which worthy charities may be cared for and directed from one central head is placed on the honest basis of the Golden Rule, "Do unto others as you would have them do unto you."

Various slogans have been coined as "Suppose Nobody Cared?" and "If you care, give," but they all are derived indirectly from that same Golden Rule which forms the religion of many persons.

Have you contributed your mite yet? Will you show your approval of a method which rids you of the responsibility of choosing between this organization and that upon which to bestow your pittance for the aid of the needy? Or, will you dodge this one request and in so doing cripple the various organizations which draw upon the Community Chest for the funds with which they administer to unfortunate mankind?

You have until next Friday, February 20, to contribute your mite.

WHY NOT BUILD THE HIGHWAY HIGHER?

Flood conditions along the road to San Bruno cause scores of motorists to hesitate about using the Bayshore road to travel on. The importance of accessible highways to and through a city needs no description. Since the dykes have failed to hold the water out but rather have tended to hold it in the road would it not be wise to build the road in that area to the present height of the dykes so that conditions which now keep the motorist away from this region will not have to be reckoned with in another season of heavy rainfall?

PENINSULANS URGED TO BACK LEGISLATORS

(Continued from Page 1)

had adjourned more money had come into the state treasury which should be made available for road building. Messages were read from the following legislators of the peninsula and valley district, giving assurance of their support of the highway fight: Senators Sanborn Young, Herbert C. Jones and M. B. Johnson, and Assemblymen T. M. Wright and Frank Ekwad. Says Fight Three-Fourths Won. Mr. Toy declared that the fight for the Bayshore highway is three-fourths won in the legislature, but emphasized the critical importance of having strong reinforcements of support from this district in order to win the fight the other fourth of the way. He urged that the communities interested send delegations to Sacramento to take part in the fight.

Regarding the proposed 2-cent gasoline tax advanced as the means of financing the road building, Mr. Toy stated that "it is a 100-to-4 shot that this tax will go over." He stated that if it should fail, "road building in California would stop and California would be the only state in the union in such a position." Highway building, he declared, is the greatest single activity in the United States today.

T. P. Andrews, secretary of the Down Town Association of San Francisco, and chairman of the legislative committee of the Peninsula Chambers of Commerce, Federated, stated that the opposition from Southern California has proven a serious obstacle in the campaign to put the Bayshore highway over, but reported that important conferences are now being held in the South, and that he believed there is a good possibility of winning the fight provided the citizens in this territory show the proper interest. "Right now we need help," he said, "from men in your communities. We need delegations to convince the legislators in certain counties now before the legislature reconvenes."

Gasoline Tax to Reach Tourists
E. W. Millburn, president of the Down Town Association of San Francisco, stated in behalf of the proposed gasoline tax that this would provide a means of assessing the motoring tourists from other states their part for the roads which they come here to enjoy.

Wendell Thomas, managing director of the San Jose Chamber of Commerce, and chairman of Santa Clara County Consolidated, reported that financial help for the campaign was to be counted on from the 13 organizations embraced in the consolidation.

At the suggestion of Supervisor Thomas L. Hickey of South San Francisco it was decided to write to the San Francisco supervisors, asking that the mile stretch of Third street, San Francisco, from Army street to Townsend street be put in better condition for the benefit of the motorists who enter San Francisco from the peninsula. **Dumbarton Bridge Makes Headway**
A progress report on the Dumbarton bridge given by Frank Toyne of Redwood City stated that the preliminary construction work is under way. Contracts for the steel work and piles have been awarded, he said; concrete is being poured for the permanent piles and test piles are being driven on the East bay side; and a channel is being dredged on the peninsula side so that the tides will not interfere with continuous work of pile driving when that work is to commence.

Harvey Toy urged that the people of the peninsula back the movement to popularize the Peninsulas National Monument. A federal appropriation has been granted for building a road to the monument, he said.

It was stated that the annual election of officers of the Peninsula Chambers of Commerce, Federated, world be held at the next quarterly meeting, which will be held at Burlingame.

The federal government is preparing to widen the present road from the floor of the valley to Wawona and the Mariposa Big Trees in order to convert it into a two-way road. An appropriation of one and one-half million dollars has been made for this purpose by congress. The money is now available and the bureau of national parks will begin construction immediately.

UNITED COMMUNITY PROJECT OF CHAMBER COMPLETED IN 1924

(Continued from page 1)

Federated, the Down Town Association, our representatives in the legislature and other organizations within the ten counties in the Bay District, to secure legislation that will insure the construction of the Bayshore Highway from San Francisco to San Jose.

Paradise Valley Highway
This committee, consisting of nine, secured the additional right of way necessary to this highway from the Crocker estate and on Monday night, February 2, in cooperation with the City Attorney introduced before the Board of Trustees the necessary ordinance to permit the County to construct the two miles of highway necessary to a junction with the road to Daly City.

City Parks
This large committee has actively co-operated with the City Trustees in educating the community to the necessity of providing ample parks to insure the attractiveness and recreation and health of the community in the future. This committee through its subcommittee has conducted a campaign for the beautification of the Civic Center.

Proposed Increase in Water Rates
This committee representing all of the elements of the city, now has under consideration the application of the South San Francisco Water Company to increase its water rates and it is studying the appraisal report on the property.

DALY CITY NOTES

ROBBERIES BAFFLE POLICE
The police of this town have been baffled as to the identity of the robbers who have been committing so many robberies in this community in the past two weeks. Two weeks ago, the garage owned by Robinson brothers, 6024 Mission street, was robbed. The intruders forced their way in by prying open a window. All that was stolen was a Remington typewriter.

Mrs. B. Tuttle, English teacher of the Jefferson Union High School, and five children have moved from 114 Irvington street to Buena Vista avenue in San Francisco.

Mrs. G. Peterson, 185 Santa Barbara avenue, has been ill at her home this week.

Last week, the pool room on 6025 Mission street was broken into and the owner, Luke Zera, was relieved of \$100 worth of merchandise. The police believe that it is the work of youths and are now working on the case.

Clarence Anderson, Bellevue avenue, while playing on a "scooter," fell and broke his arm.

Jeanet Jones, 458 Templeton avenue, has recovered from her illness and has returned to her studies in the local high school.

George Henry is still ill at his home.

Allen Childers of 55 Oliver street, has been on the sick list this week.

Marian Stotts, former pupil of the South San Francisco High School, is now taking a course at Healths Business College.

William Maguire, recent graduate of the Mission High School, has been employed in the office of the local steel corporation.

Mrs. E. Maffei of Lomita Park, Mr. and Mrs. E. Bergmann of San Francisco, Miss Eleanor Bergmann and Miss Elisa Alger of San Francisco spent last Sunday visiting at the B. W. Haubrich home.

The Young Spaghetti Rollers sponsored a successful dance in Castle Hall last Saturday evening. This was the first dance to be held in the remodeled hall and drew a large crowd.

It is said that a number of valuable racing hounds in this locality are ill and two have succumbed to strychnine poisoning. Constable S. A. Landini is searching for the malicious poisoner.

Bennie Picetti of Price street is driving a Chandler sedan.

Mrs. A. Bertetta of Price street is still ill and under the doctor's care.

A marriage license was issued in San Francisco last Thursday to Antonio Scoposi of Colma and Carlotta Garibaldi of Havelock street, San Francisco.

The members of the soccer teams enjoyed a dandy dinner at the Jefferson High School after Friday's game. The girls under the direction of Misses Torello and Earle, prepared the meal.

Mrs. Carl Schwarz, of San Francisco, formerly of Colma, visited Mrs. Edward Bauer of Price street and Mrs. B. W. Haubrich of Mission street, last Monday afternoon.

John Degliantoni is now directing an accordion orchestra at the Winter Garden Dancing Academy in San Francisco on alternating Sundays.

The Colombo Mutual Benevolent Society is to give a masquerade ball at Lovchen Gardens Sunday, February 22.

Mrs. Rod McDonald of Coursing Park is ill at St. Lukes Hospital.

The Victory Highway Association has announced its plan for the establishment of a chain of California information stations all the way across the continent, according to the announcement of Ben Blow, manager of the association, in a letter to the western headquarters of the National Automobile Club.

The Board of Directors reports that at its meeting Monday night, February 9 it had before it for consideration three bills now before the State Legislature affecting the harbor of South San Francisco.

School Bond Committee
The work of this committee undoubtedly was responsible for the almost unanimous carrying of the recent school bond issue. The particular factor was that this committee through its work educated the community by putting the facts clearly before it.

Community Chest
The Chamber of Commerce, through its management, actively co-operated with the finance committee of the Community Chest, aiding in the work of the two teams appointed in the business district by the manner in which the work was programed and in addition the teams were aided by the knowledge that the members of the Chamber unanimously supported and individually worked for the fund.

LAST RITES HELD FOR ACCIDENT VICTIM
Services were held for the late Milton de Vries at Holy Angels church on San Pedro avenue last Friday afternoon at 2:30 o'clock. He was the beloved son of George de Vries and Mrs. Lillie Wilson, loving brother of Georgina and Herbert de Vries. He was 11 years of age and was a native of San Francisco. He was a victim of an automobile accident on the Skyline boulevard near here last Monday, as was Mrs. Ethel Carney, who passed away at the South San Francisco hospital. Besides internal injuries she suffered from a basal fracture of the skull.

Mrs. George Lagomarsino was tendered a stork shower at the home of her parents, Mr. and Mrs. Henry Loranz of Mission street last Wednesday evening, by a number of friends and relatives. All enjoyed the evening which terminated in a delicious spread.

A marriage license was issued in San Francisco last Monday to Miss Louise Perata, of Colma, and Harry V. Burke, of San Francisco. Miss Perata is a popular local girl and was a graduate of Jefferson Grammar School several years ago.

Thursday evening, February 19, at Holy Angels Parish Hall, a big pre-lenten whist will take place. Numerous excellent prizes have been donated by parishioners. There will also be dancing.

Mrs. Martini of Union Coursing who underwent an operation at a San Francisco hospital, is now home.

Many local residents attended the Druidic Festival in the civic auditorium last Sunday afternoon and evening given under the auspices of the Druidic lodges. Miss Pearl Faucchi reigned as queen of the day. Mrs. Rod McDonald of the day.

Board of Directors
The Board of Directors reports that at its meeting Monday night, February 9 it had before it for consideration three bills now before the State Legislature affecting the harbor of South San Francisco.

School Bond Committee
The work of this committee undoubtedly was responsible for the almost unanimous carrying of the recent school bond issue. The particular factor was that this committee through its work educated the community by putting the facts clearly before it.

Community Chest
The Chamber of Commerce, through its management, actively co-operated with the finance committee of the Community Chest, aiding in the work of the two teams appointed in the business district by the manner in which the work was programed and in addition the teams were aided by the knowledge that the members of the Chamber unanimously supported and individually worked for the fund.

LAST RITES HELD FOR ACCIDENT VICTIM
Services were held for the late Milton de Vries at Holy Angels church on San Pedro avenue last Friday afternoon at 2:30 o'clock. He was the beloved son of George de Vries and Mrs. Lillie Wilson, loving brother of Georgina and Herbert de Vries. He was 11 years of age and was a native of San Francisco. He was a victim of an automobile accident on the Skyline boulevard near here last Monday, as was Mrs. Ethel Carney, who passed away at the South San Francisco hospital. Besides internal injuries she suffered from a basal fracture of the skull.

Mrs. George Lagomarsino was tendered a stork shower at the home of her parents, Mr. and Mrs. Henry Loranz of Mission street last Wednesday evening, by a number of friends and relatives. All enjoyed the evening which terminated in a delicious spread.

A marriage license was issued in San Francisco last Monday to Miss Louise Perata, of Colma, and Harry V. Burke, of San Francisco. Miss Perata is a popular local girl and was a graduate of Jefferson Grammar School several years ago.

Thursday evening, February 19, at Holy Angels Parish Hall, a big pre-lenten whist will take place. Numerous excellent prizes have been donated by parishioners. There will also be dancing.

Mrs. Martini of Union Coursing who underwent an operation at a San Francisco hospital, is now home.

Many local residents attended the Druidic Festival in the civic auditorium last Sunday afternoon and evening given under the auspices of the Druidic lodges. Miss Pearl Faucchi reigned as queen of the day. Mrs. Rod McDonald of the day.

THREE TEAMS START IN COMMUNITY CHEST DRIVE

With two teams canvassing the city and another working in the Industrial Zone, the Community Chest Drive got off to a strong start Tuesday morning at 9 o'clock. The district south of Grand avenue is being canvassed by the following team: A. J. Eschelbacher, F. A. Cunningham, O. B. Hemptstead, A. C. Buehler, and City Marshal Louis Belloni.

The team in the northern section of the city is composed of H. L. Haaker, captain; Dr. J. C. McGovern, vice captain; Fred J. Lautze, Enrico Rossetti, and Constable James A. Wallace. H. F. McNellis, chairman of the finance committee, and P. R. Thompson, secretary of the chamber of commerce, are members of both committees.

H. F. McNellis, Ira H. Potter, and Ben H. Traux will be in charge of the campaign in the factory district. It is hoped to exceed the mark of \$5,000 collected last year. The purpose of the community chest is to handle all worthy charities from one source and to rid the people of the bother of so many drives. It has proven highly successful here as in other places.

Martedì mattina alle ore 9 con due squadre adibite alla città

Un'altra alla zona industriale ebbe principio la campagna per la raccolta dei fondi per il Community Chest. Il distretto a sud di Grand avenue è coperto dalla squadra formata dai seguenti cittadini: A. J. Eschelbacher, F. A. Cunningham, O. B. Hemptstead, A. C. Buehler e dal marciante cittadino Luigi Belloni. La squadra per la sezione nord della città è composta dai seguenti: H. L. Haaker, capitano, Dr. J. C. McGovern, vice capitano, Fred J. Lautze, Enrico Rossetti ed assistente James A. Wallace.

Il sindaco H. F. McNellis, presidente del comitato di finanza e P. R. Thompson, segretario della Camera di Commercio sono pure membri delle due squadre. H. F. McNellis, Ira H. Potter e Ben H. Traux saranno i sollecitatori della campagna nel distretto industriale.

E' da aspettarsi che la presente campagna sorpassi di gran lunga la cifra di 5,000 dollari raccolta l'anno scorso. Lo scopo del Community Chest è quello di maneggiare la moneta raccolta ed elargirla a scopi caritatevoli ed eliminare il disturbo continuo di collette e sottoscrizioni pubbliche. L'esperimento dell'anno scorso a dato prova di grande successo tanto qui come altrove.

SEARS' WILL FILED MONDAY

REDWOOD CITY, Feb. 12.—The will of the late Ida J. Sears, of La Honda, was filed Monday in the county clerk's office, together with a petition for letters of administration of the estate, which is valued at over \$1,000.

The petitioner is a sister of the deceased, Annie L. Sears. The two women were joint managers of Sears Hotel at La Honda. Searsville, a thriving town in pioneer days of the county, the site of which is now covered by Searsville Lake, was named for the Sears family.

The will, which was dated August 26, 1909, follows: "Being about to take a short sea voyage and knowing life is uncertain, I wish this to be my last will and testament. Everything I possess, both real and personal, I wish to leave to my sister, Annie L. Sears, as I know she will amply provide for and take care of my son."

The estate left by Mrs. Sears includes a one-third interest in a tract of land known as the Sears Ranch at La Honda, consisting of 300 acres; a half interest in four unimproved lots in San Francisco.

SHARON IS HEAD OF SAN MATEO ELKS

REDWOOD CITY, Feb. 12.—John J. Sharon, San Mateo councilman and secretary of the Spring Valley Water Company, will lead the San Mateo Elks' lodge during the lodge year beginning on April 1. Sharon was nominated for the high office Wednesday night to succeed Horace W. Amphlett, whose term as exalted ruler expires on March 31.

Fred E. Beer was nominated for esteemed leading night; Kenneth Melrose for esteemed loyal knight; W. D. Shawhan for esteemed lecturing knight; S. H. Dado for secretary; R. M. Amphlett for treasurer; R. M. Wisnom for tyler; P. P. Simmen for trustee; Horace W. Amphlett for delegate to the grand lodge, and E. L. Hoag for alternate delegate.

NEW DIRECTORS NAMED FOR BASEBALL CLUB

San Mateo Baseball Club has appointed a new board of directors consisting of Dr. Charles Eckart, C. L. Cook and Al Masterson. The former board resigned a few days ago on account of a disagreement over the signing of a new player, Al Silva. The members of the old board were Michael Burke, H. Kroger and E. W. Foster.

A bill is now before the California legislature to provide for the improvement and maintenance of the Madera highway in the Yosemite National Park.

SEEKS \$55,000 FOR SON'S DEATH

REDWOOD CITY, Feb. 12.—Declaring that his son met death through the negligence of a driver for the Peninsula Rapid Transit Company, Leon Perraud on Tuesday filed an action to recover \$55,000 in damages from the concern.

Perraud's son, Roy, aged 16 years, was walking along the highway near the Cypress Lawn Cemetery at Lawndale on December 14, 1924, when he was struck by a Peninsula Rapid Transit bus driven by Weldon McEwen, the complaint sets forth. It is asserted that the bus was passing another car on a curve when the accident happened. The boy was struck and died in San Francisco January 3, 1925, as a result of his injuries he is charged.

The tunnel connecting Paris and Boulogne will bring those cities within two and one-half hours of each other.

HOW GLANDS CONTROL HEALTH, STRENGTH, VIGOR

Eminent Scientist Reveals Startling Facts About the Vital Glands and Their Functions—Tells Why Every Man and Woman Should Strive to Keep the Important Glands in Perfect Condition

Through a New Scientific Discovery the Vital Glands May Be Assisted in Their Work of Supplying the Energizing Glandular Secretions Which Are So Necessary to Life and Health—Thousands of Men and Women Are Now Taking Glandogen to Help Regain Health and Strength, and Overcome a Weakened, Run-Down, Nervous, Exhausted Condition.

Now that men and women are turning to glandular treatment for restoring former youthful power and vigor, it is well worth the opinions of certain eminent authorities be quoted at this time. That every organ of the human body depends upon the glands for proper functioning is stated by Dr. Serge Voronoff, who has devoted years of study and experiment to Organotherapy. It is Dr. Voronoff's opinion that the brain, the nerves, the muscles, as well as the liver, the kidney and all other organs, would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the result of the activity of our glands, and when the bodily functioning is disturbed, the cause, in most cases, should be sought, not in the condition of the organ itself, but in the condition of the glands which controls it.

Glands that function perfectly are responsible for desired qualities which should exist in every normal man or woman. This is the opinion of Dr. G. W. Crile, the American surgeon, who states that the courage of the soldier and the charm of the vivacious woman are largely dependent upon the activity of the thyroid gland.

Glands which have become inactive or weakened should be nourished in order that they may supply the blood with their vital secretions. As Dr. Arnold Lorand says in his book, "Old Age Deferred," in speaking of the glands, "We must insist upon the reinforcement of their functions if changed by age

MIDGET BASKETERS WIN 'B' DIVISION CHAMPIONSHIP

The 130-pound boys' basketball team of South San Francisco High School won the B Division championship Friday by defeating Mountain View by a score of 26-11. The game was featured by good team work and a perfect defense. The first play of the game resulted in a field goal for the local team. The boys had their five-man defense working so well that their opponents had only three points to 16 at the end of the first half. There were no individual stars of the game, all of the team working as one man, both on the defense and offense. The game started with Lopez, Thomas, McGraw, Raffaelli, and Feltsenthal on the floor. Ringué, Volonti, Enderlin, and Davis substituted in the second and last quarters.
