st law, and its fate is sealed.

A report of an extraordinary character has used been read from the Attorney-General, relating to election reets and disturbances at elections in New Orleans. One of his recom-mendations is that a State armed force be

In the New York papers, of the 29th ult., received by yesterday's mail, whole columns are filled with details of shipwreok and suffering by the late storms. We make room for the most prominent cases.

LOSS OF THE SCHOONER BOUGH AND READY.

Loss of the Brid Azor.

Halifax, Jan. 28.—The brig Azof, from hields for Boston, was totally wrecked of ow Bay, near Halifax, last night. The crew ere saved.

Marine Disasters.

Boston, Jan. 28.—The ship Nara Purringios, from New Orleans, has touched in the Narrows, and remains with a list to the starboard. She will get off at high water. The brig Chesopeake, Bailey, from Darien, Ga., lumber-laden, is anchored in Lighthouse Channel, with two feet of water above the dock. She was cut through by the ice off Sancoty Head. The crew of the British bark Light Brigade rom Hayti, arrived below, were badly frost

tience this evening, can learn nothing of her trip.

Accounts generally agree that it is a lirities adde wheel steamship, bark-rigged, in the ice off Nantucket. Nothing more has yet been learned.

The schooner Assanda, from New York for Boston, is sahere near Holmes's Wharf.

Considerable damage has been done to Union Wharf and the Marine Railway Pier.

Arrived January 21st, brig Susan, from Georgetown for Boston; lost deck load and was carried hard schore on East Chop.

Wood's Hole, Jan. 22.—An unknown bark is badly sahere on the Hedge Pence.

EFFENT OF THE LATE OALE AT SANDY HOUK.

SANDY HOOK, Jan. 22.—Telegraphic commu-

EFFETO OF THE LATE OALE AT SARDY HOUK.

SANDY HOOK, Jan. 27.—Telegraphic communication with New York was rosumed this morning. During the recent gale the hight was forced up to the light-houses, and swept of all the bridges upon the Hook. The life-boat connected with the news reporting castablishment of the Asseciated Press, though firmly secured and 330 yards from high water, was swept away and crushed in the ice. Efforts were made to board the steamer Arago this morning, but the floating ice rendered it impossible. TOTAL LOSS OF SHIP FRANKLIN KING.

TOTAL LOSS OF SHIP PRANKLIN RING.
British back Chin, arrived Wednesday,
from Malagas, reports that, on the 10th insi,
bat 36.45, 10th of the property of the property of the control of th

offices.

The following is a list of the cargo on board the Frankin King:—1012 barrels rosin, p351 bushels wheat, 12,704 do. corn, 3156 barrels flour, 238 boxes bacon, 575 bales cotton, and 82 bags clover seed. 82 Dags clover seed.

servised on Wednesday from Europe, reports having very heavy weather. Has been North of Bermuda since January 1, and was twice on Soundings, and blown off. On the 4th, in a heavy gale, lost two topsails, and two top mast staysads blown from the bolt repes Has feet jibboom, jib and foretopgallant mast in a gale from N. E. to S. W.

sonciusion of his letter of the 13th November, and his brief episite of the 14th:

"I have no time to add any spedulations in reference to the probable issue of these hostilities. Be one, as yet, pretends to see to the each of them. The Admiral has waived, it is correctly a correctly and the set of the each of them. The Admiral has waived, it is correctly a correctly and the probable is the probable and now insist join free admission into the city, in accordance with the treaty for forther and the correctly and the correctly accordance with the treaty for forther and the correctly accordance with the treaty for forther and the company of the correctly accordance with the treaty for forther and the company of the correctly according means for preventing misunders as the company of the correctly according to the company of the admirals demands. Bothe case stands. How the matter will each no encan tell.

"On one thing there is no doubt—and it is an opinion which I heard expressed by a prominent merchant the other day; to the company of the com

THE LATEST INTELLIGENCE.

CANTON, Friday, Nov. 11, 1856.—The Admiral has just issued a circular, in reply to an application of the English merolants, requesting information in regard to his plans.

He says that he is fully determined to insit upon his desirants, and shall continue to use force to obtain a compilance with them, although of curies, he cannot given detailing plan of opportions. His demands, he says, are admitted by a great number of the Language of the Governor that he has a compelled to his present course. He has is compelled to his present course. The has a compelled to his present course. The has a compelled to his present course. The has a benefit of the circular. I have not been able to obtain a copy.

Nothing of importance has occurred since whiled and four wounded. The Chinese made a vigorous resistance, and must have suffered a severe less. The forts were all taken and partially destroyed. The guins, probably at least two burdered, were all spiked.

To-day, I understand, the French Folly fort is to be wholy gentroyed. It was acquired a few days ago, but not occupied, and the Chinese has we been remounting guins on it.

G. B. B. Private address received in this city yes. THE LATEST INTELLIGENCE.
