Peer Learning Program

Learn. Share. Grow – Together!

Bukky658, CC BY-SA 4.0

- Joint **Community–Foundation** initiative.
- **Co-creation** of learning model in the Wikimedia ecosystem.
- Share experiences, **exchange skills,** and support each other.
- **Open to all –** new and experienced contributors alike!

- **DO** showcase the diversity of backgrounds and experiences including the Indigenous communities.
- **VIBRANT** platform to bring Foundation work closer to the Movement, contributing to Movement knowledge documentation and strengthening the Movement's capacity-building ecosystem.

- As a diverse and safe learning space, Let's Connect is **contributing to Movement equity** goals.
- Let's Connect allows people **to build skills and network,** which is an incentive to grow and stay in the Movement.
