Technical Collaboration
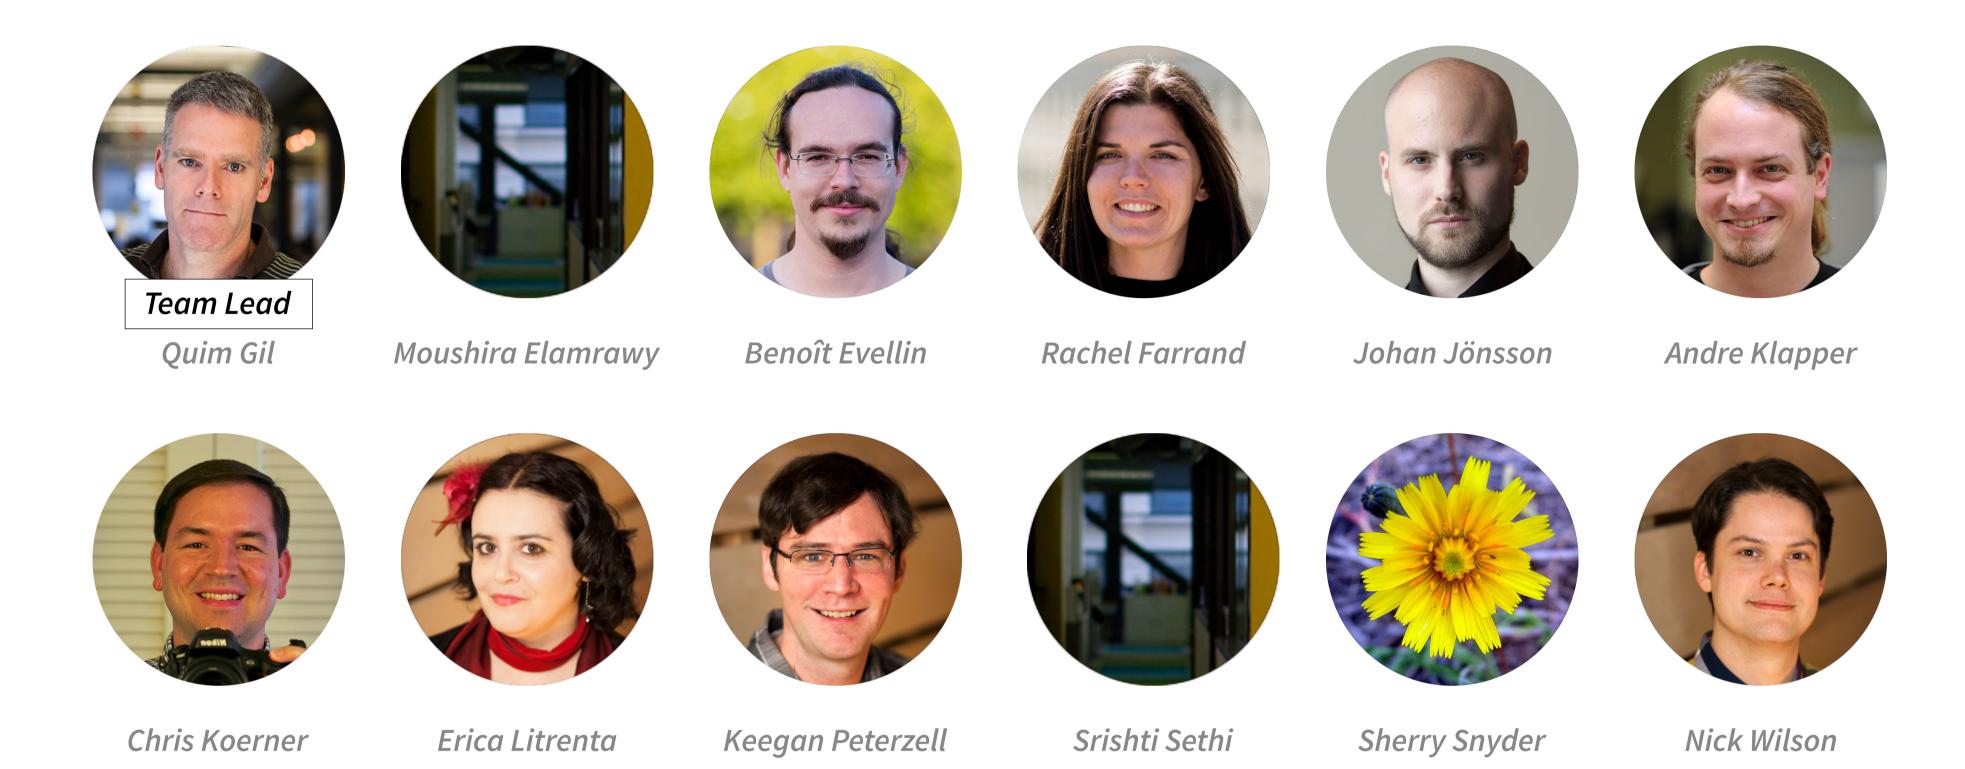

To improve collaboration between software teams and volunteer developers, Wikimedia contributors, and readers.

Team Lead					
Quim Gil	Moushira Elamrawy	Benoît Evellin	Rachel Farrand	Johan Jönsson	Andre Klapper
Chris Koerner	Erica Litrenta	Keegan Peterzell	Srishti Sethi	Sherry Snyder	Nick Wilson

‣ *We facilitate communications from and to the WMF Product department.*
‣ *We assist with testing, bug filing, and documentation writing.*
‣ *We deliver announcements, news, and feedback.*
‣ *We engage translators for the user interface and for documentation.*

‣ *We organize online and face-to-face developer events.*
‣ *We coordinate Wikimedia's participation in developer outreach programs.*
‣ *We help managing bug reports and code contributions.*
‣ *We supervise tech community health and metrics.*

‣ *Inform our communities.*   ‣ *Involve our communities.*   ‣ *Recruit new developers.*
