<p>Osler, sir William, 1849-1919 <u>Bibl. Osl. 7667</u> [Private notes of cases, 1895-1917; 239 selected cards.] Sir William Osler left instructions that the notes of his private cases should be destroyed, with the exception of about ten case-cards from each year, as samples, to be preserved in his library. The selection has been made by Dr. T. McCrae. Patients' names are erased. No one permitted to examine patient records less than 100 years old. - O.L. Policies No. 3.</p>	<p>1895-1917</p>	<p>Osler Niche</p>
