

A journey from Education program to a community formation

Anup Sadi,
Bangladesh

First Education Program: 3 September, 2019

Problems of Education Program in a backward area.

- No Easy access to the internet
- A underdeveloped country,
- Work in remote area
- Irregular Students
- Drop-out of students
- Backward economy

Our Programs

- Two Workshops
- Several Meet-ups
- Bangla Wiki Survey
- Anniversary Celebration
- Several Photowalks

Our Achievements

- Wiki Gatherings
- Organized Editathons
- Organized Datathons
- Involvement of Higher Education
- Started Local community: **Mymensingh Wikimedia Community in 2022**
- Organized Photowalks
- Involvements of Students
- Started a Banglawiki women Community: **Wikinandini in 2024**
- Collaboration with other communities

Education Program in 3 regions

Our Objectives

- Overcome problems
- Presents Wikipedia in universities
- Make a Future Plan

Gracias
