Estimable Friend

Since writing the last, wheat  
I found has advanced a little in price, here  
& in N. York - I conclude that if it has not  
risen some with you, it soon will. - If  
they can buy the first quality, wheat at 1/2  
all the time till 20<sup>th</sup> of next month -  
don't miss of a good crop first rate wheat.  
If they has to allow one or two Cents more

In haste than Respectfully
