MAY 19TH COMMUNIST ORGANIZATION (M19CO);  
DOMESTIC SECURITY/TERRORISM INVESTIGATION

OFFICE OF ORIGIN - NEW YORK

DATE INVESTIGATIVE SUMMARY PREPARED:

OCTOBER 7, 1988

I. Predication

The MAY 19 COMMUNIST ORGANIZATION (M19CO) came to the United States Government's attention following the October 20, 1981 robbery of a BRINKS armored car at Nanuet, New York and the subsequent murder of a BRINKS guard and two Nyack, New York police officers. Investigation into this incident determined members of the M19CO and the Republic of New Afrika (RNA) had formed a criminal enterprise for the purpose of funding (through "expropriations", or armed robberies) their domestic terror organizations.

Subsequent investigation has determined this criminal enterprise to encompass a series of armed robberies prior to, and including the Nanuet, New York incident, murder, bombing conspiracy, theft and storage of explosives, possession and interstate transportation of weapons and explosives, and the manufacture of false identification. The purpose for this criminal enterprise has been determined, through evidence and statements of M19CO members, to be the dismantling of the United States Government.

Since the initial authorization for a domestic security/terrorism investigation, the M19CO has been the subject of continual investigation, renewal authority for which has been obtained at 180-day intervals. Current authorization for this investigation was granted May 2, 1988, to expire October 29, 1988.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

II. Background

The MAY 19TH COMMUNIST ORGANIZATION (M19CO) is a Marxist-Leninist group that advocates the overthrow of the United States (US) Government through armed struggle and revolution. Members of the M19CO are linked through evidence to known terrorist organizations such as the New Afrikan Freedom Fighters (NAFF), a clandestine organization comprised primarily of black revolutionaries engaged in terrorist activities, and the Fuerzas Armadas De Liberacion Nacional (FALN), an armed clandestine Puerto Rican terrorist group dedicated to end the US control of Puerto Rico. The M19CO evolved directly from the Weatherman Underground Organization (WUO) and the Prairie Fire Organizing Committee (PFOC).

Over the past decade, members of the M19CO, acting in concert with various members of the FALN and NAFF, have participated in the following acts of criminality:

On May 21, 1976, [redacted] (FALN/MLN member), escaped from the Bellevue Hospital prison unit, East 27th Street, New York, New York. Upon his arrest in Mexico in May, 1983, [redacted] stated that bolt cutters used by him to effect his escape were smuggled to him by [redacted]

[redacted] New York, New York. [redacted] is a M19CO member and shares [redacted] with fellow M19CO members and [redacted] and [redacted]. Their office manager is M19CO member, [redacted].

On November 2, 1979, convicted murderer, [redacted] [redacted] was taken from the Correctional Institution for Women, Clinton, New Jersey, in a successful prison break orchestrated by members of the RNA known as the "Family", and supported (through vehicle surveillance and transport) by M19CO members [redacted]

[redacted] and [redacted]

On February 20, 1980, M19CO members [redacted] and [redacted] participated with the "Family" (namely [redacted] [redacted] and [redacted]) in an aborted attempt

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

to rob a COIN DEPOT armored truck at Greenburgh, New Jersey.

On October 20, 1981, M19CO members [redacted] and [redacted] participated in the robbery of a BRINKS armored truck at Nanuet, New York, in which one guard was killed and the subsequent shootout at Nyack, New York in which two Nyack police officers were killed and one wounded.

b6  
b7C

On November 5, 1981, a communique was issued to a New York radio station stating the October 20, 1981, BRINKS robbery was a joint effort of black and white combatants who were all members of the Revolutionary Armed Task Force, stating further that robbery was part of their larger plan to "accumulate millions of dollars."

On September 26, 1981, five M19CO members were arrested in an altercation with Port Authority Police at JOHN F. KENNEDY INTERNATIONAL AIRPORT during a protest of the visiting South African Spring Bok rugby team. During this demonstration, acid was thrown in the face of a PORT AUTHORITY police officer, blinding him. Arrested on riot and assault charges were M19CO members [redacted] and [redacted]. Four were sentenced to six-month and 18-month jail terms on these charges. [redacted] is currently subject of an Unlawful Flight to Avoid Prosecution warrant (UFAP) issued September 14, 1982, by the EDNY.

On February 28, 1982, a series of four bombs exploded in the financial district of New York City, causing damage to the MERRILL LYNCH building, the CHASE MANHATTAN PLAZA, the NEW YORK STOCK EXCHANGE and the AMERICAN STOCK EXCHANGE. A five-page communique was left in a telephone booth on Riverside Drive in Manhattan, stating the [redacted] was responsible for the bombings. On November 9, 1982, a federal search warrant was issued for the residence of [redacted] [redacted] New York, New York. Nine items were seized pertaining to the bombings including a cut-and-paste communication identical to the [redacted] communique, and what was later determined to be an exact

On January 23, 1983, a bomb exploded in the ladies room adjacent to the offices of the FBI, Staten Island, New York. Responsibility for this was claimed by the Revolutionary Fighting Group (RFG).

On April 5, 1984, a bomb exploded at the office of ISRAELI AIRCRAFT INDUSTRIES, 50 West 23rd Street, New York, New York. Claiming responsibility for this through a written communique was the Red Guerrilla Resistance (RGR).

On September 26, 1984, a bomb exploded at the South African Consulate, 425 Park Avenue, New York, New York. Claiming responsibility for this through a written communique was the Red Guerrilla Resistance (RGR).

On February 23, 1985, a bomb exploded in the ladies room adjacent to the Police Benevolent Association (PBA) offices, 250 Broadway, New York, New York. Claiming responsibility for this through a written communique was the RGR.

Also found was a written communication stating, "...We would like to more formally describe our organization, the Red Guerilla Resistance. During this time we have tried to consolidate a rudimentary political and military infra-structure as well as obtain the skills necessary to survive. We have done a number of armed propaganda actions claimed under the names of the Revolutionary Fighting Group, the Armed Resistance Unit, and more recently, the RGR."

On September 2, 1984, M19CO members [redacted] and [redacted] armed with handguns, robbed a grocery store in Cromwell, New Jersey, posing as Drug Enforcement Agents trying to serve a search warrant. The "warrant" was left by mistake at the location. [redacted] fingerprints, plus a positive identification of [redacted] tied them both to this robbery.

On November 29, 1984, M19CO members [redacted] and [redacted] were arrested while unloading 14 weapons and 749 pounds of explosives into a storage facility at Cherry Hill, New Jersey. They were sentenced on federal firearms and explosives violations following convictions on May 20, 1985, at Newark, New Jersey, to 58 years imprisonment.

On May 11, 1985, [redacted] and [redacted] were arrested at Dobbs Ferry, New York. [redacted] at the time had been a fugitive. The vehicle they were driving was registered to [redacted] known alias for M19CO member [redacted]. Both [redacted] and [redacted] were armed with handguns when arrested.

In conjunction with the arrest of [redacted] and [redacted] on May 11, 1985, a search warrant was issued for a safehouse located in Baltimore, Maryland. Among items seized was a New York Telephone identification card of M19CO member [redacted] and written instructions, later determined to be [redacted] handwriting, indicating the use of the telephone truck and location of underground cables to the Holmes Protection Agency, New York, New York, with the words, "If a stick of dynamite is strapped to the cable and lit, the whole central office will blow up putting out most of Manhattan."

During March 1980, a portion of dynamite and other explosive paraphernalia were stolen from the BLAND CONSTRUCTION COMPANY, Austin, Texas, known location of an active M19CO chapter.

On January 1, 1983, an improvised explosive device consisting of four sticks of dynamite was recovered from the plaza of the United States Attorney's (USA's) Office, SDNY, New York, New York, following the nearby bombings at 1 Police Plaza and 26 Federal Plaza (FBI Offices). The FALN took responsibility for all three devices. Investigation through date/plant/shift code determined this dynamite came from the BLAND CONSTRUCTION theft. On March 26, 1982, a battery operated detonator, also stolen from the BLAND COMPANY, was recovered in the search of the safehouse apartment of BRINKS armored car robbery suspect [redacted] [redacted] at [redacted], New York, New York.

On November 29, 1984, M19CO members [redacted] and [redacted] were arrested at Cherry Hill, New Jersey, offloading a U-HAUL trailer containing 729 pounds of the BLAND COMPANY dynamite (same date/plant/shift code).

The BLAND theft and subsequent use of the fruits of this theft by the M19CO, FALN and RNA crystallizes the theory of interweaving illegally obtained resources to accomplish their domestic terrorism goal.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

These incidents are samples of the criminal activity engaged in by members of the M19CO in New York. Although some have been prosecuted and jailed for their actions, there is no indication their goals of revolution through force or violence have changed, nor those of the remainder of the organization.

2. Key Leaders and Members of the Group

The M19CO remains an umbrella organization, overseeing and providing cohesiveness of direction to a series of committees: The Free Puerto Rico Committee (FPRC; formerly the New Movement in Solidarity with Puerto Rico), the Committee to Fight Repression (CFR); and the John Brown Anti-Klan Committee (JBAKC).

The M19CO offers support to the FALN, the MLN (Movimento de Liberacion National Puertorrigena), the New Afrikan Freedom Fighters, and the New Afrika People's Organization, (NAPO), all of which are presently the subject of Domestic Security/Terrorism investigations.

In New York, the FPRC is headed by [redacted] with members [redacted] and [redacted] [redacted]. This group maintains close contact with active MLN and FALN members, and participates in rallies, demonstrations and appropriate activities relating to Puerto Rican independence. b6 b7C

The Chicago FPRC maintains a rotating leadership of three persons assigned to the "Steering Committee" to achieve liaison with other groups and chapters.

The New York based CFR is headed by [redacted] and includes [redacted] and [redacted] Members [redacted] and [redacted] have directed their committee toward developing contacts with known international terrorist groups. b6 b7C

Both the FPRC and the CFP have closed memberships and do not welcome newcomers to their ranks. Their membership is derived from long-term associations and mutual trust, which

limits the potential for informant development.

In New York, the FPRC holds bi-monthly general meetings, but will periodically schedule other meetings during the month.

The following addresses are currently in effect for FPRC communications and to obtain the FPRC newsletter:

The JBAKC is a branch of the M19CO, self-described as a white organization determined to avenge the oppression of blacks within the US. The New York based JBAKC schedules general meetings on the first Wednesday of each month, held in randomly selected classrooms at the New School for Social Research, 66 West 12th St., New York City.

Subcommittees meet more regularly at locations not disclosed to members over the telephone. Members meet at predetermined street corners and are led by the subcommittee chairman to various restaurants within the West Greenwich Village section of Manhattan. The following three subcommittees were active during the past 180 days:

a. Newsletter Subcommittee: Purpose to plan a newsletter for the JBAKC membership.

3. Finances of the Group

As stated in the predication section, the M19CO has previously depended upon "expropriations" or armed robberies, in cohesion with other domestic terrorist groups, to generate funds for the organization. After the series of successful government prosecutions of members for these "expropriations", the M19CO has been forced to resort to more legitimate means for funding.

Currently, financial constraints and unsuccessful fund raising have limited the New York M19CO chapter. Recent highly publicized trials and convictions of M19CO members have also eroded public support, making future fund raising tentative.

Investigation has determined that some members earn a limited amount from speaking engagements on various campuses. Chicago M19CO member [redacted] and New York M19CO member [redacted] are example of persons who have earned small amounts for their presentations.

b6  
b7C

Both New York and Chicago chapters are run by member contributed funds, earned through mainstream employment. The communal living arrangements exercised by all chapters not only increase control over members, but also reduce the individual's living expenses, so as to allow more money for organization coffers.

4. Geographical Dimensions of the Group

The M19CO maintains its most active chapters in New York City and Chicago. Although numerous activities have been planned during the past six months to include members from both chapters (specifically the July 3, 1988 demonstration at the Lexington, Kentucky Federal Women's Control Unit, and the August 13-15, 1988

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

demonstrations on behalf of the United Nations Decolonization Hearings for Puerto Rico), there is reportedly little day-to-day coordination between these groups.

Investigation at Minneapolis, Minnesota has indicated a possible support base for M19CO members traveling there from New York City and Chicago, however there is yet no indication any formal chapter has, or will be organized.

The JBAKC maintains its most active chapters in New York City, and Austin, Texas where a tightly knit group of M19CO members interact with certain members of other chapters. As has been evidenced throughout, certain persons from both chapters maintain dual membership in the M19CO. M19CO fugitive [redacted] had been tied closely with JBAKC hierarchy [redacted] and [redacted] in Austin prior to her fugitive status. Each of these women maintain dual JBAKC/M19CO memberships. Similarly, many M19CO members maintain dual membership in the PFOC. Certain significant PFOC members from San Francisco have recently relocated to Chicago, and have become absorbed in the M19CO membership there.

b6  
b7C

Although investigation has determined that each group (M19CO, JBAKC, PFOC), and chapter, are separate administrative entities, certain individual members of these groups are very mobile, making contact and establishing liaisons between chapters across the country.

5. Planned Activities and Goals of the Group

As stated previously, the M19CO's basic goal is to achieve political change in the US Government through force or violence. Short-term objectives in furtherance of this goal include the close monitoring of any Federal, State or local investigations and/or prosecutions of group members, or members of allied organizations such as the MLN, the FALN, or the NAFF. Substantial effort has been exerted toward this particular objective over the past six months in light of the [redacted] [redacted] trial, and the indictments of [redacted]

b7C

[redacted] and [redacted] for a series of eight bombings in New York and Washington, DC. (See Litigation section of report).

b6  
b7C

Additionally, the M19CO seeks release of presently incarcerated group members and others deemed "political prisoners". An active campaign to close the Women's Control Unit at the Lexington, Kentucky federal prison gained momentum and national attention through M19CO efforts. Rallies are staged periodically to protest the plight of these prisoners, most recently during July, 1988, at the Lexington, Kentucky facility, and during March, 1988, at New York City's Metropolitan Correctional Center (MCC). Civil disobedience had been planned for June 2, 1988, at the Bureau of Prisons, Washington, DC to protest human rights violations, by members of the New York M19CO. It was unsuccessful, falling too close to the [redacted] conviction, the bombing indictments and arraignments.

b6  
b7C

A further primary objective of the M19CO is to maintain a complex underground support structure for fugitives within their ranks. This structure, developed and refined over the past twenty years, consists of multiple information relay points, false identification outlets, and moving residences for members actively sought by law enforcement agencies.

Recent contacts by M19CO members indicate an alignment with international terrorist groups to be a current, actively pursued objective.

6. Association with other Organizations/Groups

As stated in the introduction, the M19CO has continually provided support to the FALN, the MLN, NAPO and the NAFF. Recently, members have attended demonstrations and hearings at Federal District Court in Hartford, Connecticut, in support of incarcerated EPB-Macheteros members promoting Puerto Rican Independence.

## MAY 19TH COMMUNIST ORGANIZATION (M19CO)

These associations represent a continued attempt by the M19CO at solidarity with other terrorist groups to achieve their goal of political change.

Based upon the past criminal acts outlined previously in this report, it is clear that underground M19CO members have coalesced with members of other terrorist groups into a single criminal enterprise carrying out, among other crimes, armed robbery and police killings.

### Activities During the Last 180 Days

#### A. Litigation

On February 26, 1988, a Federal Grand Jury was empaneled in Washington, DC to hear evidence that members of the M19CO, acting as the Red Guerilla Resistance/Armed Resistance Unit, were responsible for four bombings in WDC and four bombings in New York City from 1983 through 1986. These bombings were as follows:

- 1/28/83 Bombing of Federal Building, Staten Island, New York, by Revolutionary Fighting Group (RFG).
- 4/26/83 Bombing of National War College, Ft. McNair, WDC, by Armed Resistance Unit (ARU).
- 8/18/83 Bombing of Navy Regional Data Automation Center (NARDAC), Washington Navy Yard, WDC, by ARU.

2/23/85 Bombing of Patrolman's Benevolent Association, New York City, by PCP.

On April 20, 1988, this Grand Jury returned a five-count indictment against [REDACTED] MAPILYN JEAN RUCK, [REDACTED] ALAN BERKMAN and [REDACTED] charging violations of Title 18, USC, Section 371 (Conspiracy), Section 244(f) (Malicious Damage of US Property by Means of Fire and Explosives), and Section 2(a) and (b), (Aiding and Abetting and Causing an Act to be Done). This indictment remained sealed until May 11, 1985, when a United States District Court (USDC) jury in the Southern District of New York (SDNY) reached a verdict in the trial of [REDACTED] and [REDACTED]

b6

On November 9, 1987, trial began in USDC, SDNY, before USDC Judge CHARLES S. HAIGHT, charging [REDACTED] and [REDACTED] with multiple violations of Title 18, USC, including Racketeering; Conspiracy to Carry Out a Criminal Enterprise Through Armed Robberies (Title 18, USC, Section 1961 and 1962(d); Bank Robbery (Title 18, USC, Section 2113(a) and 2112); Armed Bank Robbery (Title 18, USC, Section 2113(d) and 2112); and Killing During Bank Robbery (Title 18, USC, Section 2113(e) and 2112).

b6  
b7C

On May 11, 1988, [REDACTED] and [REDACTED] were found guilty on all eight counts and all predicate acts of the above charges. Three months later, on August 2, 1988, Judge HAIGHT sentenced [REDACTED] to a total of 50 years imprisonment, of which she must serve 34 years, after serving 12 years on previous convictions. She will not be eligible for parole for 30 years. [REDACTED] was sentenced to a total 60 years imprisonment, of which he must serve 40 years on these charges. He too, will not be eligible for parole for 30 years.

On May 25, 1988, arraignment was held at Federal District Court, Washington, DC, for BERKMAN, [REDACTED] [REDACTED] and [REDACTED]. Each introduced themselves to the court as a "Prisoner of War" and advised they would not recognize

They may also have served to relay messages to, or meet with, members of their fugitive underground.

Apparent financial considerations caused the M19CO to move their offices from [redacted] Brooklyn, New York to [redacted], New York, New York during 1987. This condominium was purchased in the name of [redacted]

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

[redacted] and is occupied by [redacted] and [redacted] all M19CO members. Most administrative business continues to be conducted at this location, however during April, 1988, M19CO leaders [redacted] and [redacted] moved together to [redacted] New York, New York [redacted]. This possibly indicates the establishment of a second administrative headquarters in that neighborhood.

b6

Following the vacating of the Brooklyn office space, certain files were taken to a storage facility located on New York City's upper west side. Investigation has revealed this location is most probably a storage room rented since 1984 under the name of M19CO members [redacted] and [redacted] at RIVERSIDE MINI STORAGE, New York, New York.

M19CO members in New York still maintain an answering service ostensibly to obtain defense funds for convicted members of the UNITED FREEDOM FRONT terrorist organization. Currently, M19CO member [redacted] has an account in her name at MESSAGEBANK, INC., 250 West 57th Street, Suite 1527, New York, New York. This is a computerized message service, with [redacted] assigned telephone number [redacted]. The recorded message upon dialing this number states, "The Sedition Committee works on behalf of the Ohio Seven and other US political prisoners to share information about political cases and continue in the fight against US repression."

Prior to beginning the MESSAGEBANK service in September 1987, the New York M19CO used ACTION ANSWERING SERVICE, 134 West 32nd Street, Room 602, New York, New York. Both [redacted] (M19CO) and [redacted] maintained accounts there (under JBAKC and "The Ohio 7 Committee").

b6  
b7C

M19CO members have maintained frequent communication with the incarcerated UFF members. These include [redacted] (JBAKC), [redacted]

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

Specifically contacted at the federal penitentiary at Hartford, Connecticut, were [redacted]

and [redacted]

The United Freedom Front was a terrorist organization responsible for 10 bombings and one attempted bombing in the greater New York area between December 12, 1982 and September 26, 1984. The seven members were convicted on March 7, 1986 in the Eastern District of New York on various bombing and conspiracy counts. [redacted] and [redacted] were each sentenced to 45 years imprisonment; [redacted] and [redacted] were sentenced to 53 years; and [redacted] and [redacted] were sentenced to 15 years imprisonment. M19CO member [redacted] acted as pseudo-paralegal during the trial.

b6

Investigative analysis conducted at Chicago has determined a significant exodus of former San Francisco PFOC and M19CO members to Chicago during the past three years. This pattern has continued to the present, with the July, 1988 relocation of [redacted] dob [redacted] to a location in Chicago which currently houses two other M19CO members.

Other San Francisco PFOC and M19CO members to move to Chicago recently include [redacted] and [redacted] (1987); [redacted] (1987); [redacted] and [redacted] (1986); and [redacted] (1985). Chicago has speculated these people represent the above-ground support system for the Sequel Six Fugitives, their relocation possibly signaling similar relocation of these fugitives. Surveillance efforts attempted periodically by the Chicago office have determined these people to be astutely surveillance conscious.

b6  
b7C

During February, 1988, the Newark Division initiated a photo surveillance of [redacted] Hoboken, New Jersey, the residence of [redacted] and [redacted]. On February 28, 1988, a male and female were observed visiting that location. Both were later identified by the New York Office as [redacted] aka [redacted] and [redacted] the active

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

hierarchy of the Austin, Texas JBAKC. Both were traveling in a vehicle bearing Florida registration [redacted] registered to [redacted] or [redacted] Indialantic, Florida.

These are parents to New York M19CO member [redacted]

M19CO member [redacted] is the subject of an active fugitive investigation stemming from her assault upon a police officer during an M19CO demonstration (which turned to riot) in September, 1981. Telephone tolls gathered from [redacted] former associates at [redacted] New York, New York (a communal living establishment) revealed a series of contacts with one [redacted] [redacted], Austin, Texas. [redacted] aka [redacted] was formerly the US representative to the Italian Communist Party.

Investigation conducted at Austin has revealed [redacted] is the [redacted] Austin, Texas, a location which housed [redacted] a known mail-drop to Austin law enforcement. Further inquiry determined that [redacted] (known alias for [redacted]), had used that address to obtain a Texas State Identification Card in 1982. Review of the photograph attached to this identification shows a strong resemblance to M19CO convicted conspirator [redacted]

The Austin FBI is currently determining if other fugitives may have used [redacted] building as a home address for fictitious identification. Additionally, inquiries are being made to determine why [redacted] maintains four mobile home/travel trailers registered in her name and purchased over the past four years.

Investigation conducted to locate [redacted] has revealed that her sister, fellow M19CO member [redacted] resides permanently in Managua, Nicaragua and is employed by the [redacted] reported her passport to be damaged in June, 1988. The damaged passport was marked "canceled" by the US Embassy at Managua, returned to her, and a new passport issued. Previous investigation conducted by New York has focused on the

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

possibility M19CO FUGITIVE [redacted] may be traveling/living with her sister in Nicaragua.

C. International Contacts

In April, 1988, the New York FBI was provided previously undisclosed reports from [redacted] on the April, 1986 visit by five West German Red Army Faction (PAF) members (formerly the [redacted] Gang) to New York, their attendance at pre-trial hearings for MARILYN JEAN BUCK and [redacted] and meeting with M19CO member and attorney [redacted]. These five included: [redacted] dob [redacted] West German attorney (unknown to Federal Republic of Germany intelligence); [redacted] dob [redacted] West German attorney and sister to [redacted] known [redacted] member; [redacted] dob [redacted] West German attorney and sister to RAF member [redacted] dob [redacted] West German attorney and RAF supporter; [redacted] dob [redacted] West German attorney and sister of [redacted] founder of [redacted] Gang.

b6  
b7C  
b7D

On August 20, 1988, New York M19CO member [redacted] advised she would travel to New Haven, Connecticut to meet with persons from West Germany. It is unknown as to the exact identity of those with whom [redacted] met, however it is surmised this meeting was an offshoot of the above described April, 1986, West German visit.

New York M19CO member [redacted] in conjunction with Chicago MLN member [redacted] prepared and presented a report on human rights violations of "political prisoners" in the US, namely the condition at the Womens' Control Unit, at Lexington, Kentucky, to the Soviet Foreign Ministry. The report was timed to be used by the Soviets in countering US claims at civil rights violations within the USSR, and was reportedly presented to [redacted] prior to his June, 1988, visit to New York to address the United Nations.

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CC)

IV. Justifications of Continuation of Investigation

The M19CO has consistently stated that US Imperialism is a major issue to be attacked, and that "armed struggle" is the only way to achieve its goals. It has violently opposed US involvement in Central America and supported Puerto Rican independence through violent actions. It has used these issues as ideological underpinnings for a hard-core revolutionary movement dedicated to the overthrow of the US Government. Past participation in criminal activities by some M19CO members indicates the groups' willingness to use violence to achieve its goals.

Despite the severe blows felled upon M19CO membership through successful prosecutions and additional indictments over the past six months, the group has demonstrated a continual desire to revamp, regroup and re-emerge:

The recent discovery that a previously unknown mail-drop utilized by MARILYN JEAN BUCK and [redacted] was housed in a building owned by a current associate of New York M19CO members evidences the existence of an active underground network engaged in the harboring of fugitives, and other violations of US criminal law. This network has only been partially exposed through investigation thus far.

The regular presentations by Chicago M19CO leader [redacted] verbally articulating her support of armed struggle for Puerto Rican independence, shows most obviously that neither she, nor her group, have waived from their embrace of violence as means to a political end.

M19CO member [redacted] covert approach to Soviet officials in June, 1988, to provide information for anti-United States human rights policy attacks, demonstrates a bold new approach to anti-US Government international contacts.

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

The recent clandestine meeting of New York M19CO leadership in the remoteness of New Hampshire, provided an opportunity for the three leading decision-makers, [redacted] [redacted] and [redacted] to redefine the M19CO strategy.

As previously reported, discoveries continue to be made on M19CO links to international terrorist organizations. Those include: [redacted] link to the Japanese Red Army, discovered in 1986, but not lent investigative credence until the April, 1988, arrest of [redacted] apprehended in New Jersey while transporting three explosive devices; and the 1986 West German Red Army Faction meetings with M19CO attorney [redacted] [redacted] and their attendance at trial proceedings for M19CO member MARILYN JEAN BUCK. These show a definite trend toward the approach and affiliation with noted international terrorist organizations.

b6  
b7C

The above developments, coupled with the compendium of prosecutions forthcoming by the USDC, Washington, DC, against M19CO members, plus the continued fugitive status of M19CO members [redacted] and [redacted] provide strong evidence that the M19CO is a viable criminal enterprise deserving of continued federal investigative interest.

Chicago M19CO members continue to be involved with numerous organizations in the Chicago area. This involvement runs the gamut from total organizational control of some organizations to heavy influence and/or strong support of other organizations.

Chicago M19CO appears to be in complete and total control of groups calling themselves the following: the JOHN BROWN ANTI-KLAN COMMITTEE (JBAKC); the FREE PUERTO RICO! COMMITTEE (FPRC) which is also called the FREE PUERTO RICO! SOLIDARITY COMMITTEE which is the new name given to the group which was formerly called the NEW MOVEMENT IN SOLIDARITY WITH PUERTO RICAN INDEPENDENCE AND SOCIALISM (NMS); the PRAIRIE FIRE ORGANIZING COMMITTEE (PFOC); the COMMITTEE TO END THE MARION LOCKDOWN (CEML); the NATIONAL CAMPAIGN TO ABOLISH THE LEXINGTON WOMEN'S CONTROL UNIT (NCALWCU).

The JBAKC continues to utilize [redacted] Chicago, Illinois 60680, which was initially opened on 8/24/79. The JBAKC in Chicago uses telephone # [redacted] on JBAKC pamphlets and flyers as its Chicago contact number. This telephone number is an answering service.

b6

The FPRC in Chicago utilizes [redacted] Chicago, Illinois 60614, which is a private lockbox service. [redacted] was opened on 7/14/79 under the NMS. The FPRC utilizes telephone # [redacted], which is subscribed to by [redacted] Chicago, which is the [redacted] of Chicago M19CO member [redacted].

The PFOC utilizes [redacted] Chicago, Illinois 60614. This lockbox was opened on 2/12/81.

The CEML's mailing address is listed as [redacted] Chicago, Illinois, telephone [redacted] which is the office number for the [redacted] a [redacted] which is consistently used by FALN defendants.

b6  
b7C

The mailing address for the NCALWCU is listed as [redacted] Chicago, Illinois 60614, telephone [redacted] (supra).

During the past six months, the M19CO in Chicago utilizing the organizational names of JBAKC, FPRC/NMS, PFOC, CEML and NCALWCU sponsored numerous lectures, forums, conferences, benefits, films and demonstrations. The M19CO in Chicago remains particularly supportive of activities which are sponsored by the MLN. Chicago M19CO members regularly frequent the MLN operated PUERTO RICAN CULTURAL CENTER (PRCC) in Chicago.

In addition to being supportive of the MLN, the M19CO in Chicago is supportive of the philosophy espoused by the REPUBLIC OF NEW AFRIKA/BLACK LIBERATION ARMY/NEW AFRIKAN FREEDOM FIGHTERS. The M19CO in Chicago appears to be supportive of activities promoting the Sandinista Government in Nicaragua, promoting the armed clandestine movement in Puerto Rico, detesting apartheid conditions in South Africa, detesting racism in the U.S., promoting the PROVISIONAL IRISH REPUBLICAN ARMY (PIRA), detesting U.S. policy and actions against Libya, detesting treatment being afforded "political prisoners" in U.S. prisons, promoting activities which are anti-U.S. military and anti-nuclear power and promoting gay rights activities. Chicago M19CO is supportive of the WOMAN TO WOMAN CAMPAIGN, which is an organization which sponsored several pro-Nicaraguan government functions in Chicago, and the PLEDGE OF RESISTANCE (POR) which is an organization concerned with Central American issues, particularly Nicaragua and contra aid.

Chicago M19CO appears to be heavily involved in a Chicago group called the NO PARASAN WOMEN'S AFFINITY GROUP, which describes itself as a women's action group. Chicago M19CO members regularly involved with this group are [redacted]

All markings, notations, and items of information contained in this communication are classified "~~Secret~~" unless otherwise noted.

For information of recipients, the Terrorist Research and Analytical Center at FBIHQ is producing a continuing series of short, informative articles on a variety of topics relating to FBI counterterrorism investigations. (U)

Within the last few years, FBI investigations have indicated that individuals from some U.S. domestic terrorist groups have been in contact with members of international terrorist organizations, or representatives from countries who sponsor terrorism. This communication will be the first in a series of airtels that will closely examine the significance of these contacts. Additionally, assessments will be made to determine the possibility of U.S. domestic terrorist groups conducting joint operations with a foreign terrorist organization, or performing a terrorist act in the United States on behalf of a country sponsoring terrorism. The following addresses information relating to the M19CO contacts with European terrorist groups. (U)

RE: May 19th Communist Organization (M19CO);  
Domestic Security/Terrorism (DS/T)  
Full DS/T Investigation Expires March 8, 1989  
OO: New York

The M19CO has been one of the most criminally active domestic terrorist groups in the United States. It is an anticapitalist, antimilitary, and anti-Government group that advocates the overthrow of the U.S. Government through armed struggle and violence. Since 1976, members of this organization have participated in several illegal activities, either alone or in concert with other left-wing terrorist groups. These acts have included armored truck robberies and assisting in the prison escapes of Black Liberation Army leader [redacted] and [redacted] de Liberacion Nacional (FALN) bomb maker [redacted]. (U)

b6  
b7C

Some members of the M19CO were also implicated in bombings claimed by the Armed Resistance Unit, the Red Guerrilla Resistance, and the Revolutionary Fighting Group. These three groups were allegedly responsible for bombing activities in the New York City and Washington, D.C., areas, from 1983 through 1985. The U.S. involvement in Central American politics and South Africa's apartheid policy were issues used to justify these group's attacks. (U)

During the 1980s, some members and associates of the M19CO were in contact with members or supporters of European terrorist organizations. The following is a chronology of some of those contacts. (U)

- January 4, 1985: M19CO member [redacted] met with [redacted], an imprisoned member of the Red Army Faction (RAF), a West German terrorist group, at a correctional facility in Luebeck, West Germany. During their meeting, [redacted] described to [redacted] the freedom fight in the United States. She also spoke of the November 1984 arrests of M19CO member [redacted] and an unnamed male, presumably M19CO member [redacted] and [redacted] were charged and convicted in 1985 in the U.S. District Court, Newark, New Jersey, of explosive, firearms, and false identification violations.) [redacted] asked [redacted] why the North American Freedom Movements had not been included in RAF writings. [redacted] answered that "the RAF was aware of the North American Movements in the United States, but the conflict is a global point of view and the fight must first begin and be conducted (in Europe) where imperialism offers itself as the immediate enemy."

[redacted] then described imprisoned freedom fighters in the United States, specifically referring to members of Puerto Rican terrorist groups. She further stated that inmates in the United States were strongly interested in the freedom fight and the status of prisoners in West Germany.

- January 12, 1985:

[redacted] participated in an International Podium Discussion in West Germany attended by defense attorneys from the United States, Netherlands, France, Spain, Greece, West Germany, and Switzerland. These attorneys represented imprisoned terrorists in their respective countries. During the conference, [redacted] publicly stated the armed struggle in Europe was spreading to the United States. She also emphasized the importance of a continued international information exchange between Europe and the United States. Other topics publicly discussed by those in attendance were injustices imposed on their clients, prison conditions, and their desire to continue the fight against U.S. imperialism. (The German translation did not indicate who sponsored the International Podium Discussion.)

- May 1985:

M19CO member, [redacted] attended a New Movement meeting in New York City. The New Movement includes M19CO and Prairie Fire Organizing Committee (PFOC) members who support Puerto Rican terrorist groups (The PFOC is an above ground support group formed in the mid-1970s to support the Weather Underground Organization, a violent terrorist group.) During the meeting, [redacted] a leader of the

- August 8, 1985: A car bomb exploded in a parking lot at the U.S. Rhein-Main Air Force Base, Frankfurt, West Germany, killing a U.S. airman and his wife. The bomb injured 20 people, 18 of whom were U.S. citizens. The RAF and the Action Directe jointly claimed credit for the attack under the name of the "Commando George Jackson." Jackson, an American, was a member of the revolutionary group, the Black Panther Party (BPP). The BPP, active in the 1960s, was involved in several criminal acts including shoot-outs with law enforcement personnel. Jackson was killed on August 21, 1971, during an attempted prison escape from San Quentin Prison in California. (U)

- August 23, 1985: Federal and local authorities searched a Los Angeles, California, safehouse utilized by Top Ten Fugitives, [redacted] and their four associates. [redacted] along with [redacted] are M19CO associates and members of the PFOC. They have been charged with several Federal violations stemming from their involvement in the 1985 attempted prison escape of FALN leader, [redacted]. RE: May 19th Communist Organization (M19CO);  
Domestic Security/Terrorism (DS/T)  
Full DS/T Investigation Expires March 8, 1989  
OO: New York

Threat Assessment

The M19CO contacts with European terrorist groups appear to be a cooperative liaison relationship more than a merger or union. Although the United States and NATO will continue to be primary targets of European terrorist organizations, the possibility of the M19CO conducting terrorist operations with these various groups seems unlikely for two reasons. Many of the European groups, as well as the M19CO, have suffered tremendous setbacks resulting from arrests of key individuals within their organizations, which has hindered their criminal operations. Secondly, the European groups apparently desire to merge first with one another to form a united front in Europe against imperialism before considering joint operations with U.S. domestic terrorist groups. (U)

The M19CO is still committed to building a worldwide revolutionary movement that is against U.S. imperialism and the American way of life. The group believes that its aims will be realized through well-orchestrated action, rather than reliance on a theoretical premise. The M19CO contacts with European groups signifies their determination to do whatever is necessary to make their goal a reality. (U)

The following investigation was conducted by  
Special Agent (SA) [redacted]:

On December 7, 1988, [redacted] also known  
as (aka) [redacted] date of birth [redacted]  
[redacted] telephone number [redacted] supplied the following  
information to SA [redacted]:

[redacted] indicated that he is the owner of the  
[redacted] the Wilderness  
Way Resort. [redacted]

[redacted] the Wilderness Way Resort was established.  
Originally, [redacted] and [redacted] were partners in  
establishing the resort. They purchased the land from an  
individual and then built all of the structures located on  
the property. To his knowledge, they did most of the  
building construction themselves. He had heard that they  
were from the Chicago area and moved here because they had  
trouble with a similar operation in that region. He had  
also heard that both [redacted] and [redacted] may have been in some  
type of legal problems involving sexual abuse of children.

b6  
b7C  
b7D

He has heard that the resort is for lesbians, but  
is unable to confirm this. He does know that a lot of the  
resort patrons are masculine looking women. Many of the  
resort's visitors [redacted] They are usually not  
a problem, but occasionally will get "chummy chummy" with one  
another. He has seen an occasional male visitor to the  
resort, but describes them as very clean-cut and not a  
hunting or fishing type. He has also seen some colored  
visitors as well as small children.

b6  
b7C  
b7D

He is familiar with the name [redacted] and knows  
that she is somehow associated with the resort. There are  
also a couple of female doctors from the Minneapolis area  
that are associated in some way with the resort. These  
doctors have recently built a residence in the general  
vicinity of the resort property.

The picture of fugitive [redacted] looked  
very familiar to him. He feels there was a possibility that  
she [redacted]  
[redacted] is [redacted] and would be better  
able to say if this woman was [redacted]

MI 183G-691

2\*

As he can tell, the summer seems to be the resorts busy season. The resort does have a three unit cottage with an additional cottage by the lake and deeper in the woods. In the past they have had some summer activities, such as a canoe or running race. [redacted] finds it very hard to believe that the resort can make any money. He often thought that [redacted] was being funded from an outside source. He is fairly sure that the resort had guests in the late September early October time span.

[redacted] has had in the past a few arguments with [redacted]. These usually involved boundary disputes between their two properties. [redacted] owns and operates a small black pickup which is registered in the State of Wisconsin. He is unsure if she lives at the resort or at another residence in the Gordon area.

The resort does not advertise its location with a sign on the turnoff road. However, on different occasions throughout the summer, a sign with "Arabic-type" writing is erected pointing to the Wilderness Way. It will be in place for only a few days and then be taken down.

Many people stop at the post office and ask  
directions to the Wilderness Way Resort. Most of these are  
"mannish" looking women. The resort guests usually keep to  
themselves and do not bother anyone in the Wascott area. She  
has never talked with any male visitors or foreign travelers  
to the resort.

[redacted] stated that the resort does maintain a Post  
Office Box, [redacted] at her office. Most of the  
resort's mail is either coming in or going out to the Twin  
Cities area. [redacted] is also known to have a private  
residence somewhere outside of GORDON on County Trunk M. The  
only vehicle that she has ever seen her drive is a small,  
late model black pickup truck with a red stripe.

b6

After reviewing a photo of fugitive suspect,  
[redacted] indicated that she looked quite  
familiar and could have given her directions to the resort at  
one time.

The name [redacted] was also familiar to [redacted].  
She knows [redacted] to be a summer employee of the resort. She  
described [redacted] as being in her early 30's. She is unsure  
if [redacted] lives in the general area all the time or just in  
the summer.

The following investigation was conducted by  
Special Agent (SA) [REDACTED]:

On December 7, 1988, [REDACTED] Post Master,  
Gordon Post Office, 110 Main Street, Gordon, Wisconsin,  
telephone number [REDACTED] supplied the following  
information to SA [REDACTED]

b6  
b7C

Postal delivery records revealed that [REDACTED]  
receives delivered mail through the Gordon Post Office. She  
receives this at an address listed to Wilderness Way, [REDACTED]  
[REDACTED] Wascott, Wisconsin. [REDACTED] indicated that this  
address is off of County Trunk T in the Wascott area.

It is common knowledge to people of the area that  
the Wilderness Way Resort is a lesbian camp. [REDACTED]  
[REDACTED] of the resort, purchased it approximately 10 years ago  
with partner, PAUL JANS. These two individuals came to  
northwest Wisconsin from the Chicago, Illinois area. When  
they first moved in, they started and operated a small  
newspaper out of Minong, Wisconsin. The newspaper was a  
small local news tabloid entitled "The River Way Echo".  
After a short period of operation, the newspaper was sold and  
subsequently went out of business. JANS then left [REDACTED]  
and moved to an unknown location in Michigan. [REDACTED] heard  
a few years ago that he was killed in an auto accident  
involving a logging truck.

b6  
b7C

[REDACTED] has heard that [REDACTED] advertises her  
resort and some of the twin cities newspapers as a camping  
and canoeing resort for women. She described [REDACTED] as  
being 5'6", 140 pounds, mid 40's, stringy blonde hair parted  
in the middle. [REDACTED] also owns a home on County Trunk M,  
approximately six miles west of the village of Gordon. The  
home is located [REDACTED]

[REDACTED] It is an older house with yellow and brown siding and  
an attached garage. She is unsure if [REDACTED] lives in the  
house or rents it out to others. [REDACTED] checked the Gordon  
phone directory and found that [REDACTED] is listed as  
living in Gordon with a phone number of [REDACTED]. A  
further check of the name [REDACTED] also showed that she  
lives in Gordon at phone number [REDACTED]. The name [REDACTED]  
[REDACTED] is unfamiliar to her and does not recall her receiving  
any mail through their office.

When shown a list of aliases used by the fugitive  
[redacted] thought that mail was once  
received at the resort addressed to the name [redacted] This  
mail was within the last year and would have been delivered  
by the Rural Route carrier.

Telephone number [redacted] is subscribed to by [redacted] and [redacted]

Milwaukee indices are negative regarding [redacted] JANS, [redacted] and the WILDERNESS WAY.

Wisconsin Department of Motor Vehicles inquiries regarding [redacted] and JANS set forth negative results; however, [redacted] has a current Wisconsin driver's license. The following is descriptive data from her license:

[redacted] Investigation at the Eau Claire RA sets forth that [redacted] receives mail at the aforementioned post office box as well as an address for the [redacted] Wascott, Wisconsin. Both local postmasters contacted further advised that JANS has since moved to Michigan and was killed in an auto accident. Neither postmaster was familiar with [redacted]. Regarding the WILDERNESS WAY, both described this as a lesbian camp that has been operated by [redacted] for approximately 10 years. Both further advised that [redacted] had moved to Wascott, Wisconsin, from Chicago, Illinois. When shown a photograph of fugitive [redacted] Postmaster [redacted] Wascott, Wisconsin, stated [redacted] looked familiar to her and may have stayed at the WILDERNESS WAY. Postmaster [redacted] Gordon, Wisconsin, when shown a list of aliases used by [redacted] thought mail was addressed to an individual named [redacted] an alias used by [redacted] at the WILDERNESS WAY.

[redacted] of the [redacted] located next to the WILDERNESS WAY, corroborated the information provided by [redacted] and [redacted] and identified a photograph of [redacted] as having visited his bar within the past year.

For the information of receiving offices, WILDERNESS WAY is located in an extremely remote and sparsely populated section of northwest Wisconsin, handled via road trip from Eau Claire, Wisconsin. All logical persons have been interviewed regarding fugitive [redacted] in this matter. Milwaukee Division feels further contacts in that area may lead to undesired notoriety of FBI inquiries into the whereabouts of [redacted] and other fugitives. An interview of [redacted] nee [redacted] [redacted] Rockville Center, New York, revealed that an individual identified as [redacted] of [redacted] Brooklyn, New York, whom she met at a summer camp alumni reunion in 1986, advised her that he had been "a good friend" of [redacted] and her boyfriend (not described) while they were in Mexico in the early 1970's.

As a result of the above, attempts have been made to contact and interview [redacted] who is known to be a musician. The results of this potential interview will be furnished to receiving offices.

In addition, a re-interview of [redacted] [redacted] Staten Island, New York 10312, is being contemplated and may be attempted in the near future. [redacted] was initially interviewed on 8/12/88, at his residence. Interviewing Agents advise that [redacted] admitted being "very close" to [redacted] at one time. [redacted] also advised that he last saw [redacted] about 1982, while in San Francisco on a business trip. However, [redacted] would not elaborate on where and with whom [redacted] possibly resided with at that time, as well as how he was able to contact her, and subsequently meet with her in person in San Francisco. This last question appears to be reason enough to re-contact [redacted] since past investigation referenced the Sequel Six subjects established that [redacted] as well as the others, may have begun to go underground about that period of time.

[redacted] and [redacted] or [redacted].

Numerous references regarding [redacted], and [redacted] were located in New York indices. However, without identifying data identification of these individuals is not possible. A review of NY File 100-83192 revealed that a [redacted] was a Communist Party USA member as of 1/22/47 at which time he resided at [redacted] Bronx, New York. [redacted] This individual's date of birth was given as [redacted] at New York City. This individual was described as 5 feet 10 inches in height with brown eyes and brown hair. In addition, NY File 100-85800 Serial 3808, Page two reveal that a letter of protest was mailed on 9/8/49 by a [redacted] to protest the trial of a Communist Party USA member.

For receiving offices information, recent interviews conducted of family members of [redacted] who reside within the New York Division, revealed no information regarding her current whereabouts. Information developed during these recent interviews revealed that an individual identified as [redacted] or [redacted] Brooklyn, New York, [redacted] [redacted] advised that he was friendly with [redacted] aka [redacted], while both attended school in Mexico during the mid 1970's. [redacted] is described as being 5 feet 8 inches in height, a white male, with brown hair, and apparently 35 years of age.

[redacted] (DOB [redacted]).

Receiving offices should be aware that [redacted] and [redacted] are known associates of [redacted] and are being investigated by San Antonio under the Harboring Statute.

For the information of offices not previously in receipt of communications relating to subject organization and captioned fugitives, [redacted] is a member of the May 19th Communist Organization (M19CO) and has been a federal fugitive since [redacted]. She jumped bond in Philadelphia after being

NY 183G-3072

arrested with Federal fugitive and M19CO member, Dr. ALAN BERKMAN. BERKMAN was wanted by the FBI for his participation in the Brinks armored car robbery in Nanuet, New York (NYROB, Major Case 37), which resulted in the deaths of one (1) Brink guard and two (2) Nyack, New York police officers. At the time of their arrest, both [redacted] and BERKMAN were in possession of four (4) fully-loaded weapons and false identification. A garage near the arrest site which was identified as being rented by [redacted] under an alias, contained more weapons, explosives, and multiple pieces of false identification.

b6  
b7C

[redacted] also a member of the M19CO, participated in a M19CO sponsored demonstration in September of 1981 at the John F. Kennedy International Airport in New York City. This demonstration, organized to protest the United States tour of the South African Springbok Rugby Team, resulted in a riot which caused the partial but permanent blinding of a Port Authority police officer. [redacted] along with other M19CO members were arrested subsequent to the incident and when [redacted] failed to appear after her release on bond, an arrest warrant was issued. She became a Federal fugitive (UFAP) on 9/14/82 in New York City. Detailed background information on both of these individuals can be found in the enclosures.

b6  
b7C

Based on latent fingerprint evidence in two (2) safehouse locations in Baltimore, Maryland and on evidence seized after the 1985 arrest of [redacted] and BERKMAN in Pennsylvania, it was believed that [redacted] and [redacted] were living and traveling together. [redacted] was identified from photographs as being in the New York City area during 1985 and [redacted] was last identified from photographs as being in Austin, Texas during early 1988. Neither had been seen together until they were both recently identified from photographs as being in northwestern Wisconsin during the Summer of 1988.

b6  
b7C

Other investigation following the 1985 arrest and flight of [redacted] centering on the transcription of a typewriter ribbon, seized at the time of [redacted] arrest, resulted in a number of leads in various field divisions. Several of these leads led to

b6  
b7C

NY 133G-3072

the identification of close associates of [redacted] that were previously unknown. These individuals were identified from letters apparently written by [redacted] to her two children, [redacted] and [redacted]. The resulting investigation is as follows:

Investigation by San Antonio has resulted in the identification of two close associates of [redacted] and [redacted] is thought to be the [redacted] who is mentioned in several transcribed letters believed to have been written by [redacted]. [redacted] was also mentioned in these letters in a context which indicates that she and [redacted] are being used as communication conduits for [redacted] in her present fugitive status.

Background investigation by [redacted] at [redacted] through the use of mail covers, toll records and other investigative techniques, have identified the [redacted] in [redacted]. [redacted] is located [redacted]. This [redacted] might be significant in that the investigation at [redacted] place of employment had previously resulted in the positive identification of [redacted] from photographs as being in [redacted] during early [redacted]. The individual who made this identification actually met [redacted] and was introduced to him as [redacted]. [redacted] mail cover has revealed a number of letters postmarked [redacted] which are thought to have originated in the [redacted] area of [redacted]. [redacted] also [redacted] which houses a mail drop. Investigation there has revealed a now expired mailbox as being utilized by [redacted] a known alias of former Federal fugitive and currently incarcerated M13CO member, [redacted].

San Antonio's investigation of [redacted] has determined her association with another individual, since identified as [redacted] aka [redacted] (black/male, DOB [redacted], the [redacted] [redacted] of the New African People's Organization (NAPO). (NAPO is currently being investigated as a FBI full domestic terrorism/security investigation to expire 5/14/89

100A-133023, (OO:NY). [redacted] and [redacted] were attempting to steal FBI Identification Orders (IOs) of BERKMAN, BUCK, [redacted] and others who are directly involved with various domestic terrorism groups in the United States from the Austin Community TV (ACTV) station where [redacted] worked. These IOs were to be used on a pro-law enforcement program produced by the same station employee responsible for identifying [redacted] from photographs as the "writer" who had been introduced to him by [redacted] has since moved from the Austin, Texas area, telling neighbors she is going to Canada. Investigation had revealed that [redacted] currently resides with [redacted] Almond, Wisconsin.

b6  
b7C

b6  
b7C

Recent investigation by San Antonio with [redacted] sister, [redacted] determined that [redacted] one of [redacted] transcribed letters, is [redacted] former husband. [redacted] is reported to be employed in a wine store in the San Antonio area.

Investigation by Chicago, also initiated by the transcription of the typewriter ribbon which revealed a letter to a [redacted] has resulted in the location and identification of [redacted] (white/male, DOB [redacted]. [redacted] is a self-employed carpenter living in Chicago. A review of [redacted] telephone toll records have revealed several (4) calls to Wisconsin as well as calls in other field divisions. Investigation has generally identified a large portion of these calls as originating from public pay telephones. [redacted] a former resident of Austin, Texas, is not known to law enforcement as a member of any revolutionary group and it is currently unknown in what context [redacted] knows [redacted] [redacted] is also known to have traveled to Wisconsin on a camping trip in the Summer of 1988.

b6

Extreme caution should be exercised in order to protect the confidential source of the following information relating to investigation by Minneapolis. On [redacted] the [redacted] and [redacted]

Investigation by Milwaukee based on leads set forth by referenced Minneapolis teletype, resulted in the identification of a lesbian camp in Wascott, Wisconsin called Wilderness Way. Two (2) local United States postmasters stated that [redacted] photograph looked familiar to them and one thought that [redacted] (an alias used by [redacted] received mail at Wilderness Way. Other investigation in the area of northwestern Wisconsin resulted in two (2) more photo identifications of [redacted] having been in the area within the past year. Per referenced Milwaukee tel call to New York on 2/24/89, further investigation in northwestern Wisconsin resulted in a positive identification from photographs of IO Fugitive [redacted] who had also frequented the area during the Summer of 1988. This corresponds with [redacted] identifications being made in the same area.

b6  
b7C

To summarize, [redacted] was positively identified from a photograph as being in Austin, Texas during early 1989. [redacted] was also positively identified from photos in three separate locations in 1988 around the northwestern Wisconsin area. Mail covers in Texas indicate that mail postmarked in Canada is being received by known associates with whom [redacted] corresponded while she herself was in "underground" status with Dr. ALAN BERKMAN. One of these associates has suddenly moved to central Wisconsin and told neighbors in Texas that she was going to Canada. Another individual in Chicago with whom [redacted] corresponded while "underground", has been taking trips to Wisconsin and a review of his telephone toll records reveal a number of calls originating from public telephones in central Wisconsin. An associate of [redacted] captioned fugitive [redacted] has a brother who

b6  
b7C

NY 183G-3072

Former investigation by Legat Ottawa, in cooperation with the [redacted] resulted in an extensive background investigation of [redacted] to include a brief mail cover.

b6  
b7C  
b7D

With Texas receiving mail from Canada, postmarked "Guelph, Ontario, Canada"; [redacted] brother in Canada; and the relative ease in which the US/Canada border can be crossed, the NYO now believes an above ground M19CO support system is assisting the travels and harboring of fugitives [redacted] and [redacted] between Canada and northern Wisconsin.

The US/Canada border is classified as an open border and logical access points to be used to facilitate travel into northwestern Wisconsin are located at the following three (3) locations:

International Falls, Minnesota; Grand Portage, Minnesota; and Sault Ste Marie, Michigan.

[redacted] as well as [redacted] has a well-established past history of false identity use and is believed to possess enough self-confidence to legally use these recognized borders and not run the risk of being apprehended in a routine border patrol sweep. This belief is based on [redacted] and/or [redacted] actually living in Canada, or possibly traveling to Canada where there is less chance they will be recognized by law enforcement authorities.

FROM BAY AREA PLEDGE OF RESISTANCE, TO JBAKC, TO WOMEN AGAINST IMPERIALISM, ALL SHARE THE COMMON LEADERSHIP PROVIDED BY THE PFOC. M19CO MEMBERS WHO TRAVEL TO SAN FRANCISCO WORK CLOSELY WITH PFOC MEMBERS, BUT DO NOT ATTEMPT TO SET SEPARATE AGENDAS FOR THESE GROUPS DIFFERENT THAN THAT SET BY PFOC.

SAN FRANCISCO RECOGNIZES THAT INVESTIGATION OF PERSONS LINKED TO M19CO, IF NOT ACTUAL MEMBERS, IS PERMISSIBLE UNDER THE ATTORNEY GENERAL GUIDELINES. SAN FRANCISCO NOTES, HOWEVER, THAT ALL PERSONS IN SAN FRANCISCO CLOSELY LINKED WITH M19CO, ARE ACTUALLY MEMBERS OF THE PFOC, OR ONE OF ITS AFFILIATE GROUPS. PAST INVESTIGATION HAS SHOWN THAT, WHILE LINKED BY COMMON IDEOLOGY, THE PFOC AND M19CO ARE QUITE DISTINCT IN THEIR GOALS AND METHODOLOGY. UNLIKE CHICAGO, WHERE PFOC AND M19CO MEMBERS RETAIN THEIR GROUP IDENTITIES, M19CO MEMBERS WHO MOVE TO SAN FRANCISCO QUICKLY ASSIMILATE INTO THE PFOC.

IN LIGHT OF THE ABOVE, SAN FRANCISCO REQUESTS THE BUREAU TO PROVIDE DIRECTION AS TO HOW IT CAN TARGET FORMER M19CO MEMBERS IN SAN FRANCISCO FOR INVESTIGATION WHEN THEY ARE NOW IN FACT PFOC MEMBERS, AND STILL BE IN COMPLIANCE WITH BUREAU TELETYPE, DATED JUNE 24, 1988, CEASING INVESTIGATION OF PFOC AS A DOMESTIC

The following is a summation of Chicago's DS/T investigation of captioned matter during the period 10/30/88 to the present:

b6

Chicago M19CO members continue to be involved with numerous organizations in the Chicago area. This involvement runs the gamut from total organizational control of some organizations to heavy influence and/or strong support of other organizations.

Chicago M19CO appears to be in complete and total control of groups calling themselves the following: the JOHN BROWN ANTI-KLAN COMMITTEE (JBAKC); the FREE PUERTO RICO COMMITTEE (FPRC) the PRAIRIE FIRE ORGANIZING COMMITTEE (PFOC); the COMMITTEE TO END THE MARION LOCKDOWN (CEML).

The JBAKC continues to utilize [redacted] Chicago, Illinois 60680, which was initially opened on 8/24/79. The JBAKC in Chicago uses telephone [redacted] on JBAKC pamphlets and flyers as its Chicago contact number. This telephone number is an answering service.

The FPRC in Chicago utilizes [redacted] Chicago, Illinois 60614, which is a private lockbox service. [redacted] was opened on 7/14/79 under the name NEW MOVEMENT IN SOLIDARITY WITH PUERTO RICAN INDEPENDENCE AND SOCIALISM. The FPRC utilizes telephone [redacted] which is subscribed to by [redacted] Chicago, which is [redacted]

b6  
b7C

The PFOC utilizes [redacted] Chicago, Illinois 60614. This lockbox was opened on 2/12/81.

The CEML's mailing address is listed as 343 South Dearborn Street, Suite 1607, Chicago, Illinois 60604, telephone [redacted] which is the office number for the [redacted] which is consistently used by FALN defendants.

A M19CO controlled group called the NATIONAL CAMPAIGN TO ABOLISH THE LEXINGTON WOMEN'S CONTROL UNIT (NCALWCU) ceased to function as an organization as of the fall, 1988. Chicago surmises that this group was terminated when one of its principal concerns, the existence of the Control Unit at the Lexington Federal Women's Prison, was closed by the U.S. Bureau of Prisons. [redacted] has advised that the NCALWCU was incorporated into the NATIONAL COMMITTEE TO FREE PUERTO RICAN PRISONERS OF WAR, which is an MLN organization.

b6  
b7C  
b7D

During the past six months, the M19CO in Chicago utilizing the organizational names of JBAKC, FPRC, PFOC and CEML sponsored numerous lectures, forums, conferences, benefits, films and demonstrations. The M19CO in Chicago remains particularly

supportive of activities which are sponsored by the MLN. Chicago M19CO members regularly frequent the MLN operated PUERTO RICAN CULTURAL CENTER (PRCC) in Chicago.

In addition to being supportive of the MLN, the M19CO in Chicago is supportive of the philosophy espoused by the REPUBLIC OF NEW AFRIKA/BLACK LIBERATION ARMY/NEW AFRIKAN FREEDOM FIGHTERS. The M19CO in Chicago appears to be supportive of activities promoting the Sandinista Government in Nicaragua, promoting the armed clandestine movement in Puerto Rico, detesting apartheid conditions in South Africa, detesting racism in the U.S., promoting the PROVISIONAL IRISH REPUBLICAN ARMY (PIRA), detesting U.S. policy and actions against Libya, detesting treatment being afforded "political prisoners" in U.S. prisons, promoting activities which are anti-U.S. military and anti-nuclear power and promoting gay rights/AIDS awareness activities. Chicago M19CO is supportive of the WOMAN TO WOMAN CAMPAIGN, which is an organization which sponsored several pro-Nicaraguan government functions in Chicago, and the PLEDGE OF RESISTANCE (POR) which is an organization concerned with Central American issues, particularly Nicaragua and contra aid.

Chicago M19CO appears to be heavily involved in a Chicago group called the NO PARASAN WOMEN'S AFFINITY GROUP, which describes itself as a women's action group. Chicago M19CO members regularly involved with this group are [redacted]

[redacted] and [redacted]

[redacted] has advised that the FPRC in Chicago is comprised of the following individuals:

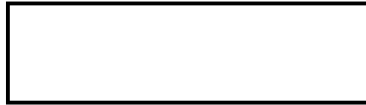

[redacted]

b6  
b7C  
b7D

Source further advised that the FPRC regularly meets every other Sunday at the MLN operated PRCC in Chicago and that FPRC members regularly work security details at the PRCC.

[redacted] has advised that the CEML in Chicago is comprised of the following individuals:

[redacted]

The CEML sponsored a major conference in Chicago in 10/88 which included a panel featuring [redacted] and [redacted] who discussed the significance of Cuba's granting political asylum to [redacted] and [redacted].

b6  
b7C  
b7D

Chicago M19CO peripheral member [redacted] was one of the leaders of an International Women's Day demonstration held in Chicago on 3/8/89 demanding that M19CO member [redacted] and FALN member [redacted] be moved out of holding centers into federal prisons. Several protestors were arrested when they blocked traffic by stretching a heavy chain across a street.

Chicago's profiles of its members of the M19CO have not substantively changed from Chicago's previously submitted inserts.

Copies of this communication are being directed to all offices which have an investigative interest in the M19CO.

As the Bureau and receiving offices are aware, on 5/11/85, after the arrest of MARILYN JEAN BUCK and [redacted] [redacted] Baltimore Agents forcibly entered apartment located at [redacted] Baltimore, Maryland, and arrested [redacted]. Subsequent to a search warrant, approximately 10,000 pieces of evidence, mostly documentary, were located in the apartment which was the safehouse for BUCK, [redacted] and [redacted]. Among the evidence located was Baltimore item #H1-127-1, which is a spiral notebook containing names, DOB's, and descriptions of the individuals, mostly in the New York area. It is believed that these identities are from stolen pieces of identification or perhaps identities found in public records. It is highly likely that the names of these individuals correspond to people living in the New York area. Several of the names on the list were used by the May 19th fugitives such as MARILYN BUCK, [redacted] and [redacted]. It is Baltimore's theory that the Baltimore safehouse of MARILYN BUCK provided and printed false identification for much of the radical movement in the United States, to include the FALN, as hundreds of blank Social Security cards, Puerto Rican driver's licenses, and other pieces of identification were found in the safehouse. It is noted on this list that several of the names are crossed out. It is felt these names are currently in use by underground figures or fugitives.

b6  
b7C

San Diego advised in retel that in 12/88, an individual named [redacted] had made contact with the [redacted] in San Diego. Review of San Diego's indices reflected that a [redacted] appears in their indices as his name was one of the identities located by Baltimore on this particular list. San Diego is currently conducting investigations focused on [redacted].

b1  
b3  
b6  
b7C

Based on the use of the false identities by an individual using the name of [redacted] in San Diego, apparently the individual does not know that the false identities have been compromised at Baltimore, Maryland. Therefore, it is requested that each field division check indices for each name on the list and those offices with state DMV offices within their territory are to run DMV checks on the names on the enclosed list to determine if anyone, in particular fugitives, are still using these aliases.

MAY 19TH COMMUNIST ORGANIZATION (M19CO);  
DOMESTIC SECURITY/TERRORISM INVESTIGATION

OFFICE OF ORIGIN - NEW YORK

DATE INVESTIGATIVE SUMMARY PREPARED:

APRIL 10, 1989

I. Predication

The MAY 19 COMMUNIST ORGANIZATION (M19CO) came to the United States Government's attention following the October 20, 1981 robbery of a BRINKS armored car at Nanuet, New York and the subsequent murder of a BRINKS guard and two Nyack, New York police officers. Investigation into this incident determined members of the M19CO and the Republic of New Afrika (RNA) had formed a criminal enterprise for the purpose of funding (through "expropriations", or armed robberies) their domestic terror organizations.

Subsequent investigation has determined this criminal enterprise to encompass a series of armed robberies prior to, and including the Nanuet, New York incident, murder, bombing conspiracy, theft and storage of explosives, possession and interstate transportation of weapons and explosives, and the manufacture of false identification. The purpose for this criminal enterprise has been determined, through evidence and statements of M19CO members, to be the dismantling of the United States Government.

Since the initial authorization for a domestic security/terrorism investigation, the M19CO has been the subject of continual investigation, renewal authority for which has been obtained at 180-day intervals. Current authorization for this investigation was granted October 29, 1988, to expire April 27, 1989.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

II. Background

The MAY 19TH COMMUNIST ORGANIZATION (M19CO) is a Marxist-Leninist group that advocates the overthrow of the United States (US) Government through armed struggle and revolution. Members of the M19CO are linked through evidence to known terrorist organizations such as the New Afrikan Freedom Fighters (NAFF), a clandestine organization comprised primarily of black revolutionaries engaged in terrorist activities, and the Fuerzas Armadas De Liberacion Nacional (FALN), an armed clandestine Puerto Rican terrorist group dedicated to end the US control of Puerto Rico. The M19CO evolved directly from the Weatherman Underground Organization (WUO) and the Prairie Fire Organizing Committee (PFOC).

Over the past decade, members of the M19CO, acting in concert with various members of the FALN and NAFF, have participated in the following acts of criminality:

On May 21, 1976, [redacted] (FALN/MLN member), escaped from the Bellevue Hospital prison unit, East 27th Street, New York, New York. Upon his arrest in Mexico in May, 1983, [redacted] stated that bolt cutters used by him to effect his escape were smuggled to him by [redacted]

[redacted] New York, New York. [redacted] is a M19CO member and [redacted] with fellow M19CO members and [redacted] and [redacted]. Their [redacted] is M19CO member, [redacted]

b7C

On November 2, 1979, convicted murderer, [redacted] was taken from the Correctional Institution for Women, Clinton, New Jersey, in a successful prison break orchestrated by members of the RNA known as the "Family", and supported (through vehicle surveillance and transport) by M19CO members MARILYN JEAN BUCK, [redacted] and [redacted]

b6  
b7C

On February 20, 1980, M19CO members MARILYN JEAN BUCK and [redacted] participated with the "Family" (namely [redacted] [redacted] and [redacted] in an aborted attempt

to rob a COIN DEPOT armored truck at Greenburgh, New Jersey.

On October 20, 1981, M19CO members [redacted] MARILYN JEAN BUCK, [redacted] and [redacted] participated in the robbery of a BRINKS armored truck at Nanuet, New York, in which one guard was killed and the subsequent shootout at Nyack, New York in which two Nyack police officers were killed and one wounded.

b6  
b7C

On November 5, 1981, a communique was issued to a New York radio station stating the October 20, 1981, BRINKS robbery was a joint effort of black and white combatants who were all members of the Revolutionary Armed Task Force, stating further that robbery was part of their larger plan to "accumulate millions of dollars."

On September 26, 1981, five M19CO members were arrested in an altercation with Port Authority Police at JOHN F. KENNEDY INTERNATIONAL AIRPORT during a protest of the visiting South African Spring Bok rugby team. During this demonstration, acid was thrown in the face of a PORT AUTHORITY police officer, blinding him. Arrested on riot and assault charges were M19CO members [redacted]

and [redacted]. Four were sentenced to six-month and 18-month jail terms on these charges. [redacted] is currently subject of an Unlawful Flight to Avoid Prosecution warrant (UFAP) issued September 14, 1982, by the EDNY.

On February 28, 1982, a series of four bombs exploded in the financial district of New York City, causing damage to the MERRILL LYNCH building, the CHASE MANHATTAN PLAZA, the NEW YORK STOCK EXCHANGE and the AMERICAN STOCK EXCHANGE. A five-page communique was left in a telephone booth on Riverside Drive in Manhattan, stating the FALN was responsible for the bombings. On November 9, 1982, a federal search warrant was issued for the residence of [redacted]

b6  
b7C

[redacted] New York, New York. Nine items were seized pertaining to the bombings including a cut-and-paste communication identical to the FALN communique, and what was later determined to be an exact

carbon of that original communication. Fingerprint analysis revealed positive print identification to M19CO members [redacted] and [redacted] and [redacted] were convicted and jailed for contempt of Grand Jury when they refused to testify before an Eastern District of New York (EDNY) Grand Jury investigating the bombings.

b6  
b7C

On January 23, 1983, a bomb exploded in the ladies room adjacent to the offices of the FBI, Staten Island, New York. Responsibility for this was claimed by the Revolutionary Fighting Group (RFG).

On April 5, 1984, a bomb exploded at the office of ISRAELI AIRCRAFT INDUSTRIES, 50 West 23rd Street, New York, New York. Claiming responsibility for this through a written communique was the Red Guerrilla Resistance (RGR).

On September 26, 1984, a bomb exploded at the South African Consulate, 425 Park Avenue, New York, New York. Claiming responsibility for this through a written communique was the Red Guerrilla Resistance (RGR).

On February 23, 1985, a bomb exploded in the ladies room adjacent to the Police Benevolent Association (PBA) offices, 250 Broadway, New York, New York. Claiming responsibility for this through a written communique was the RGR.

A search of a safehouse located at [redacted] [redacted] Baltimore, Maryland was conducted on May 11, 1985, which was residence for fugitive MARILYN JEAN BUCK, [redacted] and [redacted]. Items obtained during this search included a coded message, deciphered by the Federal Bureau of Investigation (FBI) Laboratory to read, "Did you hear we bombed the PBA Office in support of the struggle against killer cops?" Also found was a written communication stating, "...We would like to more formally describe our organization, the Red Guerilla Resistance. We are a clandestine Communist political/military organization. We are comprised of revolutionaries from the North American oppressor nation. A

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

number of our members were formerly part of May 19, but we have been a totally independent organization for the last two years. During this time we have tried to consolidate a rudimentary political and military infra-structure as well as obtain the skills necessary to survive. We have done a number of armed propaganda actions claimed under the names of the Revolutionary Fighting Group, the Armed Resistance Unit, and more recently, the RGR."

On September 2, 1984, M19CO members [redacted] and ALAN BERKMAN, armed with handguns, robbed a grocery store in Cromwell, New Jersey, posing as Drug Enforcement Agents trying to serve a search warrant. The "warrant" was left by mistake at the location. [redacted] fingerprints, plus a positive identification of [redacted] tied them both to this robbery.

On November 29, 1984, M19CO members [redacted] and [redacted] were arrested while unloading 14 weapons and 749 pounds of explosives into a storage facility at Cherry Hill, New Jersey. They were sentenced on federal firearms and explosives violations following convictions on May 20, 1985, at Newark, New Jersey, to 58 years imprisonment.

On May 11, 1985, MARILYN JEAN BUCK and [redacted] were arrested at Dobbs Ferry, New York. BUCK at the time had been a fugitive. The vehicle they were driving was registered to [redacted] known alias for M19CO member [redacted]. Both BUCK and [redacted] were armed with handguns when arrested.

In conjunction with the arrest of BUCK and [redacted] on May 11, 1985, a search warrant was issued for a safehouse located in Baltimore, Maryland. Among items seized was a New York Telephone identification card of M19CO member [redacted] and written instructions, later determined to be [redacted] handwriting, indicating the use of the telephone truck and location of underground cables to the Holmes Protection Agency, New York, New York, with the words, "If a stick of dynamite is strapped to the cable and lit, the whole central office will blow up putting out most of Manhattan."

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

On May 23, 1985, M19CO National Central Committee (NCO) member [redacted] was arrested with fugitive ALAN BERKMAN at Doylestown, Pennsylvania. Both were carrying numerous pieces of false identification and three loaded weapons, including a sawed-off shotgun. After being charged with federal firearms violations, harboring a fugitive and false identity statutes, [redacted] was released to the custody of her sister, and has since jumped bail. A bench warrant was issued by EDPA on October 13, 1985, and [redacted] remains the subject of an extensive fugitive investigation.

b6  
b7C

During March 1980, a portion of dynamite and other explosive paraphernalia were stolen from the BLAND CONSTRUCTION COMPANY, Austin, Texas, known location of an active M19CO chapter.

On January 1, 1983, an improvised explosive device consisting of four sticks of dynamite was recovered from the plaza of the United States Attorney's (USA's) Office, SDNY, New York, New York, following the nearby bombings at 1 Police Plaza and 26 Federal Plaza (FBI Offices). The FALN took responsibility for all three devices. Investigation through date/plant/shift code determined this dynamite came from the BLAND CONSTRUCTION theft. On March 26, 1982, a battery operated detonator, also stolen from the BLAND COMPANY, was recovered in the search of the safehouse apartment of BRINKS armored car robbery suspect [redacted] at [redacted] New York, New York.

b6  
b7C

On November 29, 1984, M19CO members [redacted] and [redacted] were arrested at Cherry Hill, New Jersey, offloading a U-HAUL trailer containing 729 pounds of the BLAND COMPANY dynamite (same date/plant/shift code).

The BLAND theft and subsequent use of the fruits of this theft by the M19CO, FALN and RNA crystallizes the theory of interweaving illegally obtained resources to accomplish their domestic terrorism goal.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

These incidents are samples of the criminal activity engaged in by members of the M19CO in New York. Although some have been prosecuted and jailed for their actions, there is no indication their goals of revolution through force or violence have changed, nor those of the remainder of the organization.

2. Key Leaders and Members of the Group

The M19CO remains an umbrella organization, overseeing and providing cohesiveness of direction to a series of committees: The Free Puerto Rico Committee (FPRC; formerly the New Movement in Solidarity with Puerto Rico), the Committee to Fight Repression (CFR); and the John Brown Anti-Klan Committee (JBAKC).

The M19CO offers support to the FALN, the MLN (Movimento de Liberacion National Puertorriquena), the New Afrikan Freedom Fighters, and the New Afrika People's Organization, (NAPO), all of which are presently the subject of Domestic Security/Terrorism investigations.

In New York, key M19CO leaders include [redacted]

[redacted] (FBI # [redacted]) served a one year prison term during 1982-1983 for civil contempt after failing to answer to a Federal Grand Jury investigating the October 20, 1981 Brinks Armored Car robbery and subsequent shoot-out with Nyack police officers. [redacted] had rented a van used by the robbers to make their getaway. [redacted] was also arrested in September, 1981 during a protest riot at JOHN F. Chicago M19CO members continue to be involved with numerous organizations in the Chicago area. This involvement runs the gamut from total organizational control of some organizations to heavy influence and/or strong support of other organizations.

The following people are believed to be members of the Austin chapter of M19CO/JBAKC:

3. Finances of the Group

As stated in the predication section, the M19CO has previously depended upon "expropriations" or armed robberies, in cohesion with other domestic terrorist groups, to generate funds for the organization. After the series of successful government prosecutions of members for these "expropriations", the M19CO has been forced to resort to more legitimate means for funding.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

Currently, financial constraints and unsuccessful fund raising have limited the New York M19CO chapter. Recent highly publicized trials and convictions of M19CO members have also eroded public support, making future fund raising tentative.

Investigation has determined that some members earn a limited amount from speaking engagements on various campuses. Chicago M19CO member [redacted] and New York M19CO member [redacted] are examples of persons who have earned small amounts for their presentations.

b6  
b7C

Both New York and Chicago chapters are run by member contributed funds, earned through mainstream employment. The communal living arrangements exercised by all chapters not only increase control over members, but also reduce the individual's living expenses, so as to allow more money for organization coffers.

4. Geographical Dimensions of the Group

The M19CO maintains its most active chapters in New York City and Chicago. Although numerous activities have been planned to include members from both chapters (specifically the July 3, 1988 demonstration at the Lexington, Kentucky Federal Women's Control Unit, and the August 13-15, 1988 demonstrations on behalf of the United Nations Decolonization Hearings for Puerto Rico), there is reportedly little day-to-day coordination between these groups.

Investigation at Minneapolis, Minnesota has indicated a possible support base for M19CO members traveling there from New York City and Chicago, however, there is yet no indication any formal chapter has, or will be organized. Possible Minneapolis M19CO supporters/sympathizers would include [redacted] [redacted] (W/F, DOB [redacted]), with whom [redacted] resides

b6  
b7C

during her Minneapolis visits; [redacted] (W/F, DOB [redacted]), a close associate of [redacted] and other M19CO members; [redacted] (W/M) and [redacted] (W/M, DOB [redacted]), both close associates of [redacted].

b6  
b7C

Investigative analysis conducted at Chicago has determined a significant exodus of former San Francisco PFOC and M19CO members to Chicago during the past three years. This pattern has continued to the present, with the July, 1988 relocation of [redacted], dob [redacted] to a location in Chicago which currently houses two other M19CO members.

Other San Francisco PFOC and M19CO members to move to Chicago recently include [redacted] and [redacted] (1987); [redacted] (1987); [redacted] and [redacted] (1986); and [redacted] (1985). Chicago has speculated these people represent the above-ground support system for the Sequel Six Fugitives, their relocation possibly signaling similar relocation of these fugitives. Surveillance efforts attempted periodically by the Chicago office have determined these people to be astutely surveillance conscious.

b6  
b7C

The JBAKC has active chapters in New York City, San Francisco, and Austin, Texas where a tightly knit group of M19CO members interact with certain members of other chapters. As has been evidenced throughout, certain persons from both chapters maintain dual membership in the M19CO. M19CO fugitive [redacted] had been tied closely with JBAKC hierarchy [redacted] and [redacted] in Austin prior to her fugitive status. Each of these women maintain dual JBAKC/M19CO memberships. Similarly, many M19CO members maintain dual membership in the PFOC. Certain significant PFOC members from San Francisco have recently relocated to Chicago, and have become absorbed in the M19CO membership there.

b6  
b7C

## MAY 19TH COMMUNIST ORGANIZATION (M19CO)

Although investigation has determined that each group (M19CO, JBAKC, PFOC), and chapter, are separate administrative entities, certain individual members of these groups are very mobile, making contact and establishing liaisons between chapters across the country.

### 5. Planned Activities and Goals of the Group

As stated previously, the M19CO's basic goal is to achieve political change in the US Government through force or violence. Short-term objectives in furtherance of this goal include the close monitoring of any Federal, State or local investigations and/or prosecutions of group members, or members of allied organizations such as the MLN, the FALN, or the NAFF.

Additionally, the M19CO seeks release of presently incarcerated group members and others deemed "political prisoners". An active campaign to close the Women's Control Unit at the Lexington, Kentucky federal prison gained momentum and national attention through M19CO efforts.

A further primary objective of the M19CO is to maintain a complex underground support structure for fugitives within their ranks. This structure, developed and refined over the past twenty years, consists of multiple information relay points, false identification outlets, and moving residences for members actively sought by law enforcement agencies.

### 6. Association with other Organizations/Groups

As stated in the introduction, the M19CO has continually provided support to the FALN, the MLN, NAPO and the NAFF. Recently, members have attended the trial at Federal District Court in Hartford, Connecticut, in support of EPB-Macheteros members promoting Puerto Rican Independence. That trial was completed during the week of March 27, 1989.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

Recent contacts by M19CO members indicate an alignment with international terrorist groups to be a current, actively pursued objective.

In April, 1988, the New York FBI learned that on April, 1986 five West German Red Army Faction (RAF) members (formerly the Bader/Meinhoff Gang) had visited New York, attending pre-trial hearings for MARILYN JEAN BUCK and [redacted], and meeting with M19CO member and [redacted]. These five included: [redacted] DOB [redacted] [redacted] (unknown to Federal Republic of Germany intelligence); [redacted] DOB [redacted] [redacted] and [redacted] to [redacted] known Bader/Meinhoff member; [redacted] DOB [redacted] [redacted] and [redacted] to RAF member [redacted] [redacted] DOB [redacted] and RAF supporter; [redacted] DOB [redacted] and [redacted] of [redacted] [redacted] of Bader/Meinhoff Gang.

New York M19CO member [redacted] in conjunction with Chicago MLN member [redacted] prepared and presented a report on human rights violations of "political prisoners" in the US, namely the condition at the Women's Control Unit, at Lexington, Kentucky, to the Soviet Foreign Ministry. The report was timed to be used by the Soviets in countering US claims at civil rights violations within the USSR, and was reportedly presented to [redacted] [redacted] [redacted] prior to his June, 1988, visit to New York to address the United Nations.

b6  
b7C

On October 30, 1988 a secret meeting was observed at New York, New York, between M19CO leadership [redacted] and [redacted]; NAFF members [redacted] [redacted] and [redacted] and [redacted]. It is believed this meeting was a high level planning session, possibly concerning a prison escape from Leavenworth Federal Penetentiary of convicted RNA members.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

These associations represent a continued attempt by the M19CO at solidarity with other terrorist groups to achieve their goal of political change.

Based upon the past criminal acts outlined previously in this report, it is clear that underground M19CO members have coalesced with members of other terrorist groups into a single criminal enterprise carrying out, among other crimes, armed robbery and police killings.

On April 20, 1988, this Grand Jury returned a five-count indictment against [redacted] MARILYN JEAN BUCK, [redacted] ALAN BERKMAN and [redacted] charging violations of Title 18, USC, Section 371 (Conspiracy), Section 844(f) (Malicious Damage of US Property by Means of Fire and Explosives), and Section 2(a) and (b), (Aiding and Abetting and Causing an Act to be Done). This indictment remained sealed until May 11, 1985, when a United States District Court (USDC) jury in the Southern District of New York (SDNY) reached a verdict in the trial of [redacted] and MARILYN JEAN BUCK.

b6  
b7C

On May 25, 1988, arraignment was held at Federal District Court Washington, DC, for BERKMAN, [redacted] BUCK, [redacted] [redacted] and [redacted]. Each introduced themselves to the court as a "Prisoner of War" and advised they would not recognize the jurisdiction of the court. Multiple hearings have been scheduled since this date including on-going suppression hearings. No trial date has yet been set.

Assistant United States Attorney (AUSA) [redacted] Eastern District of New York (EDNY), has reaffirmed his commitment to prosecution of members of M19CO for Title 18, USC, Section 2384, Seditious Conspiracy in connection with participation and support to previously stated bombing activities, and abetting the fugitive status of M19CO members. MARILYN BUCK, [redacted] and [redacted] [redacted] New York is currently preparing a prosecutive report to obtain indictments.

B. Investigation During the Past 180 Days

On [redacted] Chicago M19CO member [redacted] area [redacted] accompanied by MLN leader [redacted]

Chicago M19CO members [redacted] and [redacted] met with [redacted] in [redacted] all of whom stayed at the residence of [redacted]. In anticipation of this, a pen register was effected on [redacted]

b3  
b6  
b7C

Investigation into telephone calls from [redacted] phone placed to two locations in [redacted] during this time period has revealed a possible "safe haven" for M19CO fugitives [redacted] and [redacted]. Fugitive investigation around [redacted] a [redacted] has netted multiple positive sightings of [redacted] and [redacted] as residents of [redacted] during [redacted] and its proprietor, [redacted] had been telephoned many times during [redacted] stay.

b3  
b6  
b7C

This location, currently the focus of extensive priority investigative effort by the Milwaukee, Minneapolis and New York Divisions, is believed to be a segment of the M19CO complex underground support structure for fugitives, the maintenance of which has remained a primary objective of the M19CO.

b6  
b7C

Additionally, Austin, Texas M19CO member [redacted] temporarily changed her address during December, 1988 to [redacted] Investigation has determined this to [redacted]

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

be a [redacted] owned by [redacted] located in a remote part of Northern Wisconsin (south of Wilderness Way).

[redacted] according to witnesses, brought M19CO fugitive [redacted] into the [redacted] where she worked during January, 1988. [redacted] is therefore considered to be active in the M19CO conspiracy to harbor fugitives [redacted] and [redacted]

b6  
b7C

Investigation conducted at [redacted] including a mail cover and pen register on [redacted] residence, has revealed [redacted] during [redacted] This location is [redacted] [redacted] had been contacted telephonically by New York M19CO members, known associates of fugitive [redacted] residing at [redacted] New York, New York (a communal living establishment). [redacted] aka [redacted] was formerly [redacted] to the [redacted]

b3  
b6  
b7C

Investigation conducted at [redacted] has revealed [redacted] is also [redacted] a location which housed Handi-Private Mailbox, a known mail-drop to Austin law enforcement. Further inquiry determined that NORMA EMILIE MILLER (known alias for MARILYN JEAN BUCK), had used that address to obtain a Texas State Identification Card in 1982. Review of the photograph attached to this identification shows a strong resemblance to M19CO convicted conspirator [redacted]

The Austin FBI is currently determining if other fugitives may have used [redacted] building as a home address for fictitious identification. Additionally, inquiries are being made to determine why [redacted] maintains four mobile home/travel

b6

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

trailers registered in her name and purchased over the past four years. It is believed possible these trailers may be housed on the [redacted] Almond, Wisconsin for use by M19CO members for discreet transport of fugitives.

During January, 1989 prison authorities at LEAVENWORTH PENITENTIARY were advised to a planned prison break by members of "The Order", a white supremacist group, and convicted Brinks Robbery (October, 1981) participants (and NAFF members) [redacted]

[redacted] aka [redacted] and [redacted] aka [redacted] It has been theorized that such a prison break would involve prior contact with NAFF, NAPO and M19CO supporters for its planning and execution.

In support of this theory, on October 30, 1988, M19CO leaders [redacted] and [redacted] were observed meeting clandestinely with [redacted] (NAPO), [redacted] (NAFF), [redacted] (NAFF), [redacted] (NAFF), and [redacted] (FALN), in New York, New York. Information concerning this high level, secret meeting was not disseminated to any group members except to indicate it concerned "prisoners of war" and involved only the trusted leaders of each group.

On January 16, 1989 [redacted] flew from New York to SAN FRANCISCO INTERNATIONAL AIRPORT, where he was met by PFOC member and M19CO associate [redacted] then drove [redacted] to a local church where a meeting was held involving San Francisco JBAKC and PFOC members. At its conclusion, [redacted] was driven with two unknown females to the San Francisco residence for [redacted] former Austin M19CO member and close associate of fugitive [redacted] FBI # [redacted] is a member of NAPO. He has been convicted several times of felony assault, burglary, robbery and obstructing governmental administration.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

Apparent financial considerations caused the M19CO to move their offices from [redacted] Brooklyn, New York to [redacted] New York, New York during 1987. This condominium was purchased in the name of [redacted] and is occupied by [redacted] and [redacted] all M19CO members. Most administrative business continues to be conducted at this location, however during April, 1988, M19CO leaders [redacted] moved together to [redacted] New York, New York [redacted]. This possibly indicates the establishment of a second administrative headquarters in that neighborhood.

b6  
b7C

Following the vacating of the Brooklyn office space, certain files were taken to a storage facility located on New York City's upper west side. Investigation has revealed this location is most probably a storage room rented since 1984 under the name of M19CO members [redacted] and [redacted] at RIVERSIDE MINI STORAGE, New York, New York.

b6  
b7C

M19CO members in New York still maintain an answering service ostensibly to obtain defense funds for convicted members of the UNITED FREEDOM FRONT terrorist organization. Currently, M19CO member [redacted] has an account in her name at MESSAGEBANK, INC., 250 West 57th Street, Suite 1527, New York, New York. This is a computerized message service, with [redacted] assigned telephone number [redacted].

b6  
b7C

Multiple calls to this message service have appeared on a pen register assigned to the home telephone of [redacted] (NAPO), [redacted] New York, New York [redacted] indicating this message service to be an informational conduit between the M19CO and NAPO.

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

M19CO members have maintained frequent communication, both in person and written, with the incarcerated UFF members. These include [redacted]

[redacted] (JBAKC), [redacted] and [redacted] Specifically contacted at the federal penitentiary at Hartford, Connecticut, were [redacted]

[redacted] and [redacted]

b6  
b7C

The United Freedom Front was a terrorist organization responsible for 10 bombings and one attempted bombing in the greater New York area between December 12, 1982 and September 26, 1984. The seven members were convicted on March 7, 1986 in the Eastern District of New York on various bombing and conspiracy counts. [redacted] and [redacted] were each sentenced to 45 years imprisonment; [redacted] and [redacted] were sentenced to 53 years; and [redacted] and [redacted] were sentenced to 15 years imprisonment.

IV. Justification of Continuation of Investigation

The M19CO has consistently stated that US Imperialism is a major issue to be attacked, and that "armed struggle" is the only way to achieve its goals. It has violently opposed US involvement in Central America and supported Puerto Rican independence through violent actions. It has used these issues as ideological underpinnings for a hard-core revolutionary movement dedicated to the overthrow of the US Government. Past participation in criminal activities by M19CO members coupled with their continued violent rhetoric indicates the groups' willingness to use force to achieve its goals.

The recent discovery that a previously unknown mail-drop utilized by MARILYN JEAN BUCK and [redacted] was housed in a building owned by a current associate of New York M19CO members evidences the existence of an active underground network engaged in the harboring of fugitives, and other violations of US criminal law.

b6  
b7C

MAY 19TH COMMUNIST ORGANIZATION (M19CO)

The regular presentations by Chicago M19CO leader [redacted] verbally articulating her support of armed struggle for Puerto Rican independence, shows most obviously that neither she, nor her group, have waived from their embrace of violence as means to an end.

As previously reported, discoveries continue to be made on M19CO links to international terrorist organizations. Those include: [redacted] link to the Japanese Red Army, discovered in 1986, but not lent investigative credence until the April, 1988, arrest of [redacted] apprehended in New Jersey while transporting three explosive devices; and the 1986 West German Red Army Faction meetings with M19CO attorney [redacted] [redacted] and their attendance at trial proceedings for M19CO member MARILYN JEAN BUCK. These show a definite trend toward the approach and affiliation with noted international terrorist organizations.

The above developments, coupled with the compendium of prosecutions forthcoming by the USDC, Washington, DC, against M19CO members, plus the continued fugitive status of M19CO members [redacted] and [redacted] provide strong evidence that the M19CO is a viable criminal enterprise deserving of continued federal investigative interest.

## UNITED STATES PRISONERS AND ACTIVISTS PROTEST TREATMENT OF SOUTH AFRICAN AND WEST GERMAN PRISONERS

On February 1, 1989, over 50 political prisoners from the RAF and the Resistance began a hungerstrike to demand association together in large groups with access to common exercise, immediate release of the prisoners medically unfit for imprisonment, free choice of medical care and open political information and communication for the prisoners with all groups in society.

On January 23, 1989, 170 South African political prisoners at Diepkloof Prison initiated an unlimited hungerstrike against the use of preventive detention. They are joined by over 130 political detainees in Durban and Port Elizabeth.

In prisons across the United States, on March 15, 1989, hundreds of prisoners support the demands of the South African and West German political prisoners with a one-day solidarity fast. Activists from the Committee to Fight Repression and The Seditious Committee will demonstrate our support for the prisoners on hungerstrike and report on the solidarity actions of prisoners in the USA in front of the UN Mission of the Federal Republic of Germany at 600 3rd Avenue in New York City, from 4:30 to 6:00 PM on March 15, 1989.

The fight against preventive detention and isolation torture and for human rights for political prisoners is being made by prisoners and activists from South Africa to West Germany to the United States.

Press Statement

From the attorneys of the political prisoners in the Federal Republic of Germany:

According to our current information, 48 political prisoners from the RAB and the resistance have been on hungerstrike since February 1, 1989. We know for certain that the following prisoners are on hungerstrike:

[Redacted]

Other prisoners have also joined the hungerstrike:

[Redacted]

b6

and three prisoners in Berlin Tegel prison.

With the tenth hungerstrike since the beginning of the 70's, the prisoners are demanding their association together in large groups with access to common yard exercise with other prisoners, immediate release of the prisoners who are unfit for imprisonment, free choice of medical care for all prisoners, and open political information and communication for the prisoners with all groups in society.

With that, the prisoners are carrying forward their 18-year struggle for prison conditions which make survival for them in prison possible. In his statement of February 1, 1989, [Redacted] made the situation, the demands, and the determination of the prisoners clear (see attached).

The initial reactions of the state to the hungerstrike were:

- initiation of an investigation of the striking prisoners because of membership in a terrorist association (129a)
- cell raids and physical attacks against several prisoners (for example, in Celle prison)
- criminalization of attorneys as the "wire-pullers" in the "hungerstrike action" (for example, in the Welt am Sonntag, Feb. 2, 1989)
- immediate separation of several prisoners who had been together a few hours a day (for example, in Frankfurt prison)

We support our clients in the demands of their hungerstrike, just as we, out of our knowledge of the prison situation, have for years demanded the abolishment of isolation and the association of the prisoners who demand that together in large groups.

We call upon the responsible federal and local government agencies to stop all sanctions and criminalization in connection with the hungerstrike, to meet the just demands of the prisoners immediately and not, as they have up to now, to jeopardize the lives of the striking prisoners through inactivity, refusal, or "medical solutions."

We do not doubt the determination of our clients to attain for themselves humane conditions now, and that means to put through their demand of association together.

~~SECRET~~

We believe the Ohio Sediton Committee, the Sediton Committee, and the Committee to Fight Repression to be part of the May 19 Communist Organization which we have a current and active investigative interest in. We believe the group descended from the Weather Underground of the 1960's. Members of the May 19 group are currently under indictment for bombings in Washington, D.C. and in New York between 1983 and 1985 which were targeted principally against military targets, US Government installations, and Israeli Government offices. We believe members of the group were in contact with elements of the [redacted] radical group, and we held discussions about this link with some visiting police officials from the FRG two years ago. Our efforts are being closely coordinated with the New York City Police in this matter, and we expect that formal exchanges of information would have taken place between the New York City Police Department and the appropriate FRG police agency.

b6  
b7C

Although we are aware of violent acts attributed to the May 19 group in the past, we have no specific reason to believe that they represent an immediate threat to the security of your Mission. We received your account of their picketing activity with great interest, and would be grateful to receive any additional detail you may have about the event. We would be particularly pleased if photographs of the picketers were taken or if the picketers were identified to you by name. We would also be grateful to be advised promptly if you receive any more information about the group, if your Mission or Consulate has any further contact with them, and certainly if there is any resumption of the picketing. As we are highly interested in learning identities of participants in such activities, we would be grateful to receive photographs of future picketing incidents if convenient.

THE ONLY UNSOLVED THEFT OF EXPLOSIVES IN THE DIVISION IS THE THEFT-ON 3/7/88 THAT OCCURRED BETWEEN 10:00 P.M. ON 3/6/88 AND 6:45 A.M. ON 3/7/88, AT THE OLSON EXPLOSIVE STORAGE AREA OF THE BECKER QUARRY NEAR PLAINVIEW, MINNESOTA. ENTRY WAS MADE BY PUTTING A CHAIN OVER ONE GATE AND PULLING IT DOWN, AND ENTRY INTO THE INDIVIDUAL STORAGE AREAS, WHICH WERE TRAILERS, WAS MADE BY MEANS OF A LARGE BOLT CUTTER. STOLEN WAS 880 POUNDS OF APEX 220, WHICH IS A BLASTING AGENT THAT IS USED IN CONJUNCTION WITH DYNAMITE. THIS WAS IN 44 20-POUND CONTAINERS, AND HAD A

PAGE FOUR DE FO 0006 UNCLAS

MANUFACTURER'S NUMBER OF 10176A2. THE CONTAINERS WERE DESCRIBED AS APPROXIMATELY FOUR INCHES SQUARE BY 20 INCHES DEEP. ALSO TAKEN WAS A ONE-HALF POUND PORTION OF A MATERIAL CALLED KINPAK, AND ONE CASE OF LIQUID. KINPAK. WHEN THE DRY FORM AND THE LIQUID FORM ARE MIXED TOGETHER, WOULD BE CONSIDERED TO HAVE ENOUGH POWER TO DISINTEGRATE A FAIRLY GOOD SIZE TREE STUMP. THE 20-POUND PACKS OF APEX 220 WOULD BE, WHEN SET OFF BY DYNAMITE, A VERY POWERFUL EXPLOSIVE. NO SUSPECTS HAVE BEEN DEVELOPED IN THAT THEFT.

A NUMBER OF REMAILING LOCATIONS HAVE BEEN CONTACTED WITH NEGATIVE RESULTS CONCERNING IDENTIFICATION OF CAPTIONED FUGITIVES, ALONG WITH THE SEQUEL SUBJECTS. PASSENGER RAILWAY SERVICE BETWEEN MINNEAPOLIS AND DULUTH WAS DISCONTINUED A COUPLE OF YEARS AGO.

A COMPLETE LIST OF SUBSCRIBERS TO TELEPHONE NUMBERS CONTACTED DURING THE [REDACTED] OF THE PEN REGISTER WILL BE FORWARDED UNDER SEPARATE COVER TO THE NEW YORK DIVISION.

RECEIVING OFFICES ARE REQUESTED TO REVIEW INDICES ON THE ABOVE LISTED SUBSCRIBERS TO TELEPHONE NUMBERS CONTACTED FROM [REDACTED] FROM RESIDENCE AT WHICH [REDACTED] RESIDED.

SUMMARY: INVESTIGATION AT ILLINOIS BELL TEL COMPANY DISCLOSED THAT CG NUMBERS 312-281-9757 AND 312-281-9655 ARE NOT WORKING NOS . AND HAVE BEEN DISCONNECTED FOR AT LEAST SIX MONTHS. INFO REGARDING PREVIOUS SUBSCRIBER IS NOT AVAILABLE. THESE PAY PHONES ARE LOCATED OUTSIDE OF THE JEWEL FOOD STORE AT 3132 N SHEFFIELD AVE, CGT, WHICH WAS CLOSED OVER A YEAR AGO. THIS LOCATION IS WITHIN SEVERAL BLOCKS OF THE JBAKC OFFICE AT [REDACTED] CG, WHICH IS NOT KNOWN TO HAVE ITS OWN TEL. IT WAS ALSO LOCATED WITHIN BLOCKS OF THE NOW DEFUNCT M19CO/JBAKC RESIDENCE AT [REDACTED] CG AND THE M19CO/JBAKC RESIDENCE AT [REDACTED] CG. CG ASSUMES THAT CALLS TO OR FROM EITHER OF THESE NOS PROBABLY INVOLVED M19CO/JBAKC MEMBERS. THE [REDACTED] IS LOCATED AT THE JEWEL FOOD STORE AT 3531 N BDWY, CG, WHICH IS LOCATED CLOSE TO THE [REDACTED] IT IS ALSO LOCATED WITHIN SEVERAL BLOCKS OF THE LAKEVIEW LUTHERAN CHURCH AT 835 W ADDISON ST, WHICH IS FREQUENTLY USED BY THE M19CO/JBAKC FOR PUBLIC FUNCTIONS. CG HAS NOT ENCOUNTERED ANY M19CO/JBAKC USAGE OF THE JEWEL ON BWAYS TEL IN THE PAST. THE HARD TIMES CONFERENCE HELD AT CHICAGO'S UNIVERSITY OF ILLINOIS CIRCLE CAMPUS, 1-30 THRU 2-1 1976, ESSENTIALLY WAS AN EFFORT BY THE WUO TO INVERT FROM THEIR CLANDESTINE STATUS TO A POSITION OF LEADERSHIP IN THE LEFTIST COMMUNITY IN THE US THROUGH THE PFOC FRONT GROUP, THE WUO ATTEMPTED TO GATHER REPRESENTATIVE OF VARIOUS LEFTIST ORIENTED GROUPS, MANY OF WHOM WERE COMPOSED OF MINORITIES, INTO A GIANT CONFERENCE THROUGH WHICH THE PFOC WAS GOING TO MOLD A KIND OF COALITION EXPOSING A PHILOSOPHY SIMILAR TO THAT OF THE WUO. IF ALL WENT WELL, THE PFOC WOULD CREATE FROM THE SINGLE CONF, A NEW COALITION GROUP ENTITLED SOMETHING LIKE HARD TIMES WHICH WOULD BE THE VEHICLE THROUGH WHICH WUO MEMBERS WOULD RAISE FROM THE UNDERGROUND AND ULTIMATELY ASSUME LEADERSHIP POSITIONS. [REDACTED] [REDACTED] CAME TO CG FROM NY TO PULL THE STRINGS BEHIND THE CONFERENCE, AND [REDACTED] RENTED AN OFFICE IN DOWNTOWN CG. UNFORTUNATELY FOR THE WUO, MANY OF ITS OWN MEMBERS WERE OPPOSED TO THE INVERSION IDEA. WUO LEADERS INCLUDING [REDACTED] AND [REDACTED] DEMANDED THAT THE WUO REMAIN CLANDESTINE AND DURING EARLY 76 OPENLY CRITICIZED FELLOW LEADERS INCLUDING [REDACTED] AND [REDACTED] OVER THE ISSUE. THE PFOC ITSELF MIRRORED THE UNREST IN THE UNDERGROUND. ULTIMATELY DURING 76 THE WUO CAME APART AND MANY MEMBERS DID INDEED COME TO THE SURFACE. THE PFOC ALSO SPLIT WITH THE EAST COAST NY FAC TION BECOMING THE M19CO, AND THE WEST COAST FACTION CONTINUING TO USE THE PFOC NAME. THE HTC WAS WELL ATTENDED BUT PFOC WUO COULD NOT CONTROL IT AND THE RESULTANT PHILOSOPHY WAS NOT EXACTLY WHAT THEY HAD DESIRED. ALTHOUGH A DECISION WAS MADE TO CONTINUE THE COALITION, THE DRIVING FORCE BEHIND IT, THE PFOC/WUO, DID NOT DESIRE TO DO SO, CONSEQUENTLY NO 1. HARD TIMES ORGANIZATION EVER DEVELOPED. ATTENDEES AT THE HTC INCLUDED SUCH NY SUBJECTS AS [REDACTED] AND [REDACTED] WHO WAS THE COORDINATOR OF THE PROGRAM.

Baltimore enclosure was a xerox copy of an eighteen page list of names, dates of birth and descriptions of individuals, mostly in the New York area. This list was contained in a spiral notebook which was seized as evidence in 1985 from a safehouse for MARILYN JEAN BUCK, [redacted] and [redacted]. Baltimore believes that M19CO and FALN fugitives may be using above list of false identities. b6 b7C

Baltimore requested Charlotte to check indices for each name on the list and to run DMV checks on the names on the list, in order to determine if anyone, in particular fugitives, are still using these aliases.

Charlotte indices showed the following references:

Referenced communication requests recipients to check indices for each name and to run DMV checks to determine if anyone, in particular fugitives, are still using the given aliases.

For information of recipients, a review of Jackson Division indices revealed no identifiable references for given names.

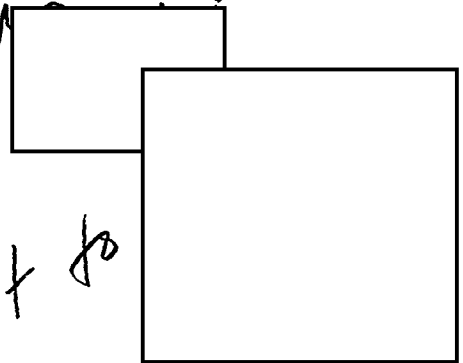

A review of DMV records revealed no exact date of birth or Social Security Account Number matches for given names. Those with similar names or dates of birth were reviewed further, however, all met with negative results.

In view of the above and since no investigation currently remains in the Jackson Division, this matter is being considered RUC'd.

NY 183G-3072

For the information of El Paso, who is not previously in receipt of communications relating to subject organization and captioned fugitives, [redacted] is a member of the M19CO and has been a Federal fugitive since October, 1985. [redacted] jumped bond in Philadelphia after being arrested with Federal fugitive and M19CO member Dr. ALAN BERKMAN. BERKMAN was wanted by the FBI for his participation in the Brinks Armored Car robbery in Nanuet, NY, (NYROB Major Case #37) which resulted in the deaths of one (1) Brinks guard and two (2) Nyack, NY, Police Officers. At the time of their arrest, both [redacted] and BERKMAN were in possession of four (4) fully-loaded weapons and false identification. A garage near the arrest site which was identified as being rented by [redacted] under an alias, contained more weapons, explosives, and multiple pieces of false identification.

b6  
b7C

[redacted] also a member of the M19CO, participated in a M19CO sponsored demonstration in September of 1981 at the John F. Kennedy International Airport in NYC. This demonstration, organized to protest the US tour of the South African Springbok Rugby Team, resulted in a riot which caused the partial but permanent blinding of a NY/NJ Port Authority Police Officer. [redacted], along with other M19CO members, were arrested subsequent to the incident, and when [redacted] failed to appear after her release on bond, an arrest warrant was issued. She became a Federal fugitive (UFAP) on 9/14/82 in NYC.

Based on latent fingerprint evidence from two (2) safehouse locations in Baltimore, Maryland, and on evidence seized after the 1985 arrest of [redacted] and BERKMAN in Pennsylvania, it was believed that [redacted] and [redacted] were living and travelling together. [redacted] was last identified from photographs as being in the NYC area during 1985 and [redacted] was last identified from photographs as being in Austin, Texas, during early 1988. Neither has been seen together until they were both recently identified from photographs as being in northwestern, Wisconsin during the Summer of 1988.

b6  
b7C

Detailed background information on both of these individuals can be found in the enclosures.

NY 183G-3072

El Paso should also be aware that [redacted] and [redacted] are known associates of [redacted] and are being investigated by San Antonio under the harboring statute. [redacted] recently moved to the Wisconsin area in December of 1988 and although her established residence has been determined, her activities are currently unknown to the Bureau.

Numerous photo identifications of both fugitives have been made in Wisconsin and Minnesota in recent months. Investigation in the MI Division has focused on establishing the daily routine of individuals thought to be associated with [redacted] and [redacted] and has included mail covers; pen registers; credit and arrest checks; employment histories; financial record checks; and spot surveillances. As there is no indication that the fugitives are in this area of northwest, Wisconsin at this time, investigation has been very discreet and it is anticipated that they may return in the Summer of 1989.

On 5/24-26/89, the referenced conference, hosted by the MI Division with the attendance of case agents from various field divisions and included which FBIHQ personnel, was held to discuss overall investigative strategy or thrust needed to locate and apprehend the captioned fugitives focusing on the Summer of 1989.

As previously mentioned, overt but discreet investigation has been conducted to date and with the concurrence of the conference participants, areas of investigation were identified where showing photo spreads and photographs at gun stores; public transportation centers; acupuncture centers; and using an explosive detection dog at various public storage facilities under the guise of searching for narcotics, could be facilitated without compromising the investigation. Covert investigation was identified by the Technical Services branch personnel from FBIHQ and includes the use of photograph surveillance equipment in addition to Special Agents knowledgeable about the captioned group and subjects being utilized in order to

b6  
b7C

NY 183G-3072

gain on site information from various locations.

With reference to one of the several ongoing mail covers, a letter was received by WILDERNESS WAY, a camp thought to be associated with captioned fugitives, from El Paso Saddlery, El Paso, Texas. This company is known to be a manufacturer of leather gun accessories such as holsters and bullet pouches. In addition to this letter, a MI Division source has recently advised that automatic weapons fire has been identified as originating from the WILDERNESS WAY CAMP. Both fugitives have been identified from photographs in the immediate vicinity of this camp, is located in a very secluded area and which has proved almost impossible to surveil.

El Paso should also be aware that captioned fugitive [redacted], is known to have been in contact with the Sequel Six (6) fugitives, two (2) of which [redacted] and [redacted] are currently listed on the FBI'S Top Ten fugitive list. The Sequel Six (6) investigation is actually part of the Bureau's overall investigation of the FALN, and centers upon the use of explosives and weapons for initiating an escape of an FALN leader, [redacted] from Leavenworth Prison in Kansas.

ReNK A/T to the Bureau, 2-24-89.

Regarding the leads set out for Tampa in the referenced Newark airtel, Tampa notes that this lead has been satisfactorily addressed previously and results furnished to Headquarters and origin.

The address of [redacted] Indialantic, Fl., is that of [redacted] and [redacted] believed to be the parents of M19CO member, [redacted]. This address has repeatedly come up over the years, primarily as a result of telephone toll record checks or through the sighting of [redacted] vehicle, which she apparently still registers through her Florida relatives address.

b6  
b7C

The New York Office, office of origin in the [redacted] case, is aware of that subject's local relatives in Central Florida through her contact with them over the years. The New York case on [redacted] is in a closed status and New York has advised that she is relatively inactive in captioned group at the present time and New York and Tampa both concur that inquiries regarding, or with [redacted] relatives in Central Florida is unwarranted at the present time.

Tampa considers the lead set out in referenced airtel at Indialantic, Fl. as having been handled.
