## **Home!**

**GIVE THEM BACK THEIR JOBS**

When the Boys, Flushed With Victory, Return to  
Their Homes and Reappear in Civilian Dress—

## **What Will You Offer Them?**

What Remains on the Dying Echo of Your Resounding Cheers?

The least you can do is to let them have their old jobs or better jobs if possible. They left your store, your office, your factory, to fight your battles, to preserve your safety, to protect you, your family and your property.

THEY RETURN WITH THE PRIDE OF ACCOMPLISHMENT—  
WITH THE SENSE OF A DUTY WELL DONE.
