SONS OF DUMMER REUNION OCTOBER 25

It will be "back to Dummer" on Saturday, Oct. 25. At that time the former students will gather and be entertained by a versatile program at South Byfield. There will be plenty of "pep".

The sport event will be the game between the school eleven, which has been going good all season, and the Essex Agricultural School of Danvers. The kickoff is to be at 3 o'clock. At 5:30 the Sons of Dummer will meet in special session, an almost unprecedented number in itself, for generally the society gets together for a meeting about once a year at graduation time in June. Several matters of interest are to be brought up and an attempt made to have a closer connection between the organization and the school of today. It will be an open meeting and a forum will be in order.

Some who have been connected with the school gain the wrong impressions about the Sons of Dummer. One does not have to be a graduate to become a member if he has attended the school at all he can join.

The get to gether Saturday is for every one who is a former student whether affiliated with the Sons of Dummer or not. The officers of the Sons would be glad to have many pay their dollars and enroll in the unit, but it is not essential. The Sons of Dummer, with all its weaknesses, is the alumni society of the school and such a body is needed to carry on the endeavors to boost the academy and guard its interests. The alumni must be organized to accomplish anything and one of the drawbacks in the past has been due to the fact that the Sons of Dummer was not stronger.

It is not an easy task to attract the ex-students to such a rally. Those who have taken their coats off and put their shoulders under the effort are doing so out of pure love for the old institution and what it stands for. They are busy men either in college or with brain and hand engrossed in the daily tasks of professional or business life and needless to state receive not a cent of compensation for their work in behalf of Dummer. All, for that matter, have contributed funds to the school beside. But if in their enthusiasm it is not a burden to help lift Dummer's load, although naturally it is depressing to note that some never assist even to the

DUMMER OPENS FOOTBALL SEASON DEFEATING LAWRENCE

Dummer started its season Saturday, Oct. 4th, by defeating Lawrence Academy of Groton 25 to 0. Dummer received the opening kickoff and ran the ball back 10 yards. Successive drives by Kenney and Hinds netted two first downs. Capron lost two yards on an attempted end run. A fifteen yard penalty forced Forsberg to kick.

Lawrence unable to gain kicked to Kenney who fumbled on his own 18 yard line, Lawrence recovering. After two ineffectual stabs at the line Lawrence tried a drop kick which fell short of the mark. Forsberg punted, Lawrence fumbled and Dummer recovered. White made 10 yards off tackle, fumbled, but recovered. Two drives by Hinds made it first down. Kenney made three. White fumbled but recovered the ball and the quarter was over.

Hinds opened up the second quarter with six yards, then Capt. Forsberg made two. Hinds made it first down and on the next play carried the ball ten yards for a touchdown.

Dummer kicked off and Lawrence ran the ball back five yards. An attempted punt was blocked by Whalen who recovered. Successive line plunges by White, Capron, and Whalen were followed by a touchdown by Whalen. Forsberg failed to kick the goal.

Dummer kicked. Ruiz replaced Morse, Horr replaced Kenney. The half ended with the ball in Dummer's possession.

The second half opened with Dummer kicking to Lawrence. After a few futile attempts Lawrence was forced to punt. Kenney fumbled but Capron recovered. White, Kenney Whalen and Hinds carried the ball to Lawrence's ten yard line. Here Lawrence intercepted a forward. A fumble was recovered by Forsberg who dashed over the goal line and thinking that he had crossed the wrong goal turned about and headed for the opposite goal, but the shouts of his teammates brought him to his senses and he again crossed his opponents line and made the touchdown doubly sure. The try for the extra point failed due to offside.

Dummer again kicked off to Lawrence and the ball was advanced five yards. Lawrence punted to Hinds, Kenney made three, then an inter-

cepted forward and the period was over.

In the last period Forsberg and Whalen made 18 yards but a 15 yard penalty called for a punt which went to Lawrence's five yard line. Lawrence returned the punt to its 35 yard line. Whalen gained five and on the next play ran 30 yards for a touchdown. A forward pass to Derby added another point.

Horr replaced Capron, Phillips replaced Bridges, Allen replaced White Hart replaced Hinds, Dummer kicked to Lawrence. After an 8 yard gain Lawrence fumbled Dummer recovering. Hart, Horr, and Whalen carried the ball to the thirty yard line. Whalen on the next play broke through for 30 yards but was called back on a penalty. A fumble, Lawrence recovering as the gun ended the game.

DUMMER EASILY DEFEATS HAMPTON ACADEMY

Dummer Academy eleven clearly swept Hampton Academy off its feet Saturday, Oct. 11. The visitors were outclassed in every department of the game except, perhaps, in forward passing. Hampton completed three or four pretty little passes, while Dummer showed itself still weak in the aerial department. However Dummer gained almost at will

through Hampton's line, the local backs plowing for five or 10 yards at a blow. Dummer's team work seemed better in this game than against Lawrence, and there were only two fumbles, both of which were recovered by the backs who made them.

DUMMER STOPS SANBORN SEMINARY

Today's game showed the superior power of an eleven man machine over a mediocre line and a one-man backfield. Manfreda, Sanborn's flashing triple-threat back, got away just once on an end run. The rest of the time Dummer pounced on him before he had a chance to move. The game was straight football versus erratic brilliancy. Although Dummer made one touchdown on a 60 yard run by Whalen, yet it was not a break, but a good play perfectly executed. Good interference by Hinds and Captain Forsberg left the big boy a clear field for a touchdown.

Sanborn kicked off to Dummer, Hinds running the ball back to Dummer's 23 yard line. Dummer then tried a forward, but the pass ground-

School is again upon us. Therefore it behooves us to again stir ourselves and put the Archon in circulation. Encouraged by last year's experience, we will again present the Archon in its new form, that of a new sheet. Now in order to make it a success in every way it will need the support of the entire school, not only as subscribers, but contributors as well. Last year it was the untiring efforts of a very few that kept the pages full and the paper in circulation. This year we would like to have more contributors to the paper, for a school paper is representative of the school, not its editorial staff.

CLUB ATHLETICS

From the above title it may seem worse than it is. However on investigation you will see that it is the scheme to get every boy interested in some form of physical exercise. Mr. Temple our new coach, has divided the entire school into two athletic clubs, the Reds and the Whites. Points may be made for the respective clubs by members competing in the various sports. Every member making a varsity team adds five points to his club score. Considerable interest has been developed thus far, and it is hoped that inter mural activities will increase as the year goes on.

MILESTONE BOARD MEETS

At a meeting of the Senior Class called by its president "Lawnie" Whalen in the Library, Monday evening Oct. 13th, the following boys were elected to serve as the Milestone Board this year:

Editor in Chief and Literature—Paul Capron.

Business Managers—Albert Horr, and Lawrence Whalen.

Art Editor—Alberto Andreani.

Photograph Editor—Farley Morse.

Athletic Editor—Clifford Ray.

Faculty Advisor—Mr. Faust.

The Board had its first meeting in the recreation room of Moody House at which some of the early plans for publishing the book were discussed. Mr. Faust told the Board something of the plan of work followed by the Board of last year. Considerable enthusiasm was shown and the Board hopes to put out a book this year that will be a credit to the class and the school.

Jack: Is there any soup on this menu?

C-x. There shouldn't be. I thought I wiped it all off.

Dum. (Sitting on a hill) Wonderful vista isn't it?

Dummer. Yes. And the view isn't bad either.

Hint to Dummer students. Don't tip the waiters it upsets them.

Haley thinks Rex Beach is a summer resort.

"A fellow would be crazy to go to a place like that," said Jackson as he gazed at the large institution on the hill in Danvers.

Another Dummer landmark has passed into history, "Pop" Farrell's brown bag. We had hopes that it would have lasted until the reunion on the 25th, so that the old boys might have had one last look.

LIBRARY OPENED.

The school library is to open this year as last, every Monday, Wednesday and Friday evenings from 6:30 to 7:15. Books will be let out for periods of two weeks, and a fine of two cents a day will be charged for books kept out over time. Each student in the English classes is required to read books amounting to thirty points. A number of new books have been added since last year. The following boys have been chosen by Mr. Faust to assist him on Library evenings:
Paul Capron, Gerald May, John English, William H. Kenney.

NEWS OF INTEREST

Dummer presented a mid-summer loneliness the week-end of the 18th. All but a few of the boys took advantage of the general week-end.

The fire escapes on Pierce Hall, have received a new coat of red paint. One luckless individual, who would avisting go one night, looked, on his return, as if there had been an argument.

During the past summer work was continued on Perkins Hall. The first floor has been completed by contractor James Sleeper. This has given us six double rooms and a suite for a house master. Mr. P. B. Skerreye is in charge of Perkins and has nine boys with him at present.

George I'hillips the energetic business manager of last year's Archon has taken over the management of the school store.

An old-fashioned spelling match has been suggested for some night in the dim future.

Dr. Ingham has announced that all the boys in the Upper School will be expected to give two or three five minute talks, before the school, on subjects that interest them. This news was received enthusiastically? by all.

The Dramatic Club hopes to put over something this year.

N. Schultz is up in the air. He is constructing an aeroplane.

There is prospect that Dummer will be represented by a debating team this year. The English department already has plans under way to arouse those interested.

SOPHOMORE CLASS
ELECTS OFFICERS

At a class meeting held Wednesday October 15 the Sophomore Class elected the following officers for the year:

President	Frank McKinney
Vice-Pres.	George Haley
Sec.-Treas.	Elvin Cox
Historian	John English

Mr. Faust was asked to act as class sponser and other business such as dues, etc., were discussed. The class decided to hold meetings every two weeks and possibly plan for a Sophomore Dance in the spring.

ed. Successive line plunges by Hinds and White followed by a 23 yard dash by Hinds, took the ball to Sanborn's 26 yard-line. Then followed a penalty and a fumble. Dummer recovering. Sanborn intercepted a pass on their own 18 yard-line. Next came a play that made the Dummer rooters tremble, Manfreda, the man that the local boys had been warned especially against, took the ball on a punt formation and ran eight yards for a touchdown. Unfortunately for Sanborn, he was called back because one of his teammates was holding. Sanborn failed to gain on the next two plays and Manfreda punted to his own 20-yard line, where Dummer fumbled the low kick, giving Sanborn the ball. Sanborn failed to gain and Manfreda punted again, this time to Dummer's 38-yard line. Hinds made a short dash, then an offside penalty forced Forsberg to punt to Sanborn's 40. Here Manfreda scooped up the ball and cleverly reversing the field, he zigzagged through the whole Dummer team, running 60 yards for a touchdown. Sanborn missed the extra point. Score Sanborn 5, Dummer 0.

At the beginning of the second period Sanborn again kicked off to Dummer. The runner was dropped in his tracks. Then the local boys started their triumphal march down the field. Hinds and Whalen did most of the ball carrying, each averaging five or six yards at a time. Hinds then shoved it over from the eight-yard line, but Dummer missed the extra point. Score Sanborn 6, Dummer 6.

Dummer kicked to Sanborn, then after two plays seized the ball, but was soon forced to relinquish it on an intercepted pass, Manfreda punted from his own 18 to Dummer's 32-yard line, and the half ended, score Sanborn 6, Dummer 6.

The Second Half

The half started with Dummer kicking to Sanborn, who after two plays punted to Dummer's 40-yard line. Here Whalen took the ball, and with perfect interference, ran 60 yards for a touchdown. A forward pass added the extra point. Score, Dummer 13, Sanborn 6.

Dummer again kicked off to Sanborn and Manfreda ran the ball back 20 yards. Another play made first down, then a pass gained 30 yards. A play failed to gain, then Sanborn fumbled, but recovered for a 10-yard gain. Dummer took the ball on downs after four plays, and a line buck went for four yards. End of third quarter.

Two gains by Whalen and Forsberg made a first down, then there was a fumble and a penalty, but a pass regained the lost ground. Two more penalties forced Forsberg to kick. After a couple of plays Sanborn kicked 50 yards to Dummer's eight-yard line. Dummer started another march

which ended at Sanborn's 35-yard line. Sanborn blocked a kick, which gave them a ball on their own 40-yard line, but a penalty took them back to 25. Sanborn opened up an aerial game which, helped out by a run by Manfreda, took the ball to Dummer's 20-yard line, then the game ended. Score, Dummer 13, Sanborn 6.

Manfreda did all the passing, and his throws were wonderfully accurate. This man proved to be fast, shifty, a good punter and an accurate passer. But one man does not make a team, as the score testifies. The summary:

JUNIOR FOOTBALL.

The Junior football season opened on the 22nd. The team will be composed largely of new men. C. Schultz, Ray, Russell, Budgell, are boys who played on the team last year, Haley, Fitzsimmons, Steinhater, E. Cox, Whitehead, Watts, Bell, Gove, Chandler, McKinney, Frohock, Fearnside, are the new members.

The first game of the season was played with the Byfield Grammar School, the Juniors winning 56 to 0. Our opponents were weak, knowing little or nothing about the fine points of the game. The Junior line-up was le, Bell; t, McKinney; lg, M. Cox; Whitehead; c, Watts; rg, Fearnside; Russell, Chandler; rt, E. Cox, re, Gove, Fitzsimmons; qb, Ray; lhb, Steinhater; rhb, Haley; fb, C. Schultz.

THE ATHLETIC FIELD

The grading of the athletic field was resumed this past summer. The work accomplished was the removal of the unsightly clay bank filling and grading a strip along the southern boundary, and another large area towards the western boundary. This work was in charge of Mr. Farrell.

Work on the field will be resumed right away. Mr. Farrell has secured a contractor, G. I. Little, of Newbury to carry on the grading to the western boundary. This will give an opportunity to improve the diamond this spring.

The plan will finally call for two gridirons and two baseball diamonds, with the possibility of some more tennis courts. Entrance to the new field will be just below the garage.

SONS OF DUMMER REUNION

(Continued from Page one)

extent of moving a finger.

A gathering without something to eat would be decidedly lacking and so the banquet at 6:30 will no doubt attract. At this writing the list of speakers has not been definitely made out but will include Judge Alden P. White, of Salem, president of the trustees; Dr. Charles S. Ingham, headmaster; Walter ("Pop") Farrell, faculty manager of athletics; and George Temple, school football coach an old Andover Academy and Huntington School athlete. If the officers of the Sons have their way Lawrence P. Dodge, John H. Morse, Everit B. Terhune and Roland Sherman will be among those delivering addresses also.

It is hoped that John W. Perkins and Mrs. Perkins will be able to attend as honored guests. Mr. Perkins was principal of Dummer more than 25 years ago and with his wife raised the money to pay for the wooden gymnasium now being renovated into a dormitory, known as Perkins Hall. Mr. Perkins, formerly superintendent of schools in Salem, recently observed his 83rd. birthday.

Dress at the banquet will be informal and the price very nominal, probably not over \$1.25 a plate. It is imperative that those who plan to attend notify Guild R. Holt, 197 Washington Street, Somerville, Mass. telephone Prospect 0726 at once or in case of those living near the academy who will not be able to determine that fact until nearly the date of the event, they should get in touch with Dr. Ingham, tel. Newburyport 261-M.

The program is diversified. There will be athletics, "eats" and short rapid-fire speeches, music and entertainment. The whole idea is to boost boost of, and boom Dummer in general. There will be plenty of opportunity afforded to give the school of today the "once over."

Those who attended in the past will note many changes even within the last few years. New dormitories have been erected within the decade and marvellous improvements are being made in the athletic field, up to date tennis courts have been laid out and many other advantages will be observed. There is much to be done but the advances under Dr. Ingham and his faculty with the backing of the trustees and friends has been marvellous. This will be touched upon at the post-prandial exercises Saturday evening.

All the buildings will be thrown open and whether it rains or shines there will be something doing. Of course if a person can only attend one event, either afternoon or evening, he will be cordially invited to that. If the former students really care for the school and what it stands for now is the time to act. Some no doubt have received no written or

printed invitations but that is not to be wondered at with the addresses of not a few unknown. Regard this article as a bid and come back to Dummer!
