**RESOLUTION** requiring the Secretary of State to compile and print, once in every two years, a register of all officers and agents, civil, military, and naval, in the service of the United States:

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That, once in two years, a Register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September of each year in which a new Congress is to assemble, be compiled and printed, under the direction of the Secretary for the Department of State. And, to enable him to form such Register, he, for his own Department, and the Heads of the other Departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, in their respective Departments, including clerks, cadets, and midshipmen, to be made and lodged in the office of the Department of State. And the said lists shall exhibit the amount of compensation, pay, and emoluments, allowed to each officer, agent, clerk, cadet, and midshipman, the State or country in which he was born, and where employed.

2. *Resolved,* That the Secretary of the Navy subjoin to the list of the persons employed in his Department the names, force, and condition, of all the ships and vessels belonging to the United States, and when and where built.

3. *Resolved,* That five hundred copies of the said Register be printed; and that, on the first Monday in January, in each year when a new Congress shall be assembled, there be delivered to the President, the Vice President, each Head of a Department, each member of the Senate and House of Representatives of the United States, one copy of such Register; and to the Secretary of the Senate, and Clerk of the House of Representatives, each ten copies, for the use of the respective Houses; that twenty-five copies shall be deposited in the Library of the United States, at the Seat of Government, to be used like other books in that Library; and that the residue of the said copies be disposed of in such manner as Congress shall, from time to time, direct.

4. *Resolved,* That, for the information of the present Congress, such Register, as aforesaid, be prepared and distributed as aforesaid, on the first day of its next session.

APPROVED, April 27, 1816..

#### **RESOLUTION** respecting the Biennial Register.

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled,* That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution, passed on the 27th of April, one thousand eight hundred and sixteen, there shall be included a correct list in the next Register, of all printers of the laws of the United States, subsequent to the 30th of September, one thousand eight hundred and thirty one, to the 30th of September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers within the period aforesaid, in any way employed by Congress, or by any Department or officer of the Government, with the compensation allowed to each, designating the Department or officer causing the printing to be executed; and that said Register shall contain a correct statement of all allowances made by the Postmaster General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract, and the sum as additional allowance. And to enable the Secretary of State to comply with this resolution, the several Heads of Departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists, and the matter thereby required to be added, to be lodged in the office of the Department of State, as is directed in other cases, by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

*Resolved,* That said Register shall contain a correct list of the Presidents, Cashiers, and Directors of the Bank of the United States and its branches, in office on the thirtieth of September, eighteen hundred and thirty-three; which list shall be transmitted by the President of said Bank to the Secretary of State, by the first Monday of October, one thousand eight hundred and thirty-three.

*Resolved,* That all Biennial Registers, under the said resolution of April twenty-seventh, one thousand eight hundred and sixteen, shall hereafter be compiled and published conformably to the principles therein and hereby established.
