PRICE TWO CENTS

DEATH OF HARRY L. HOPPER

The community was shocked beyond expression by the news of the death of Mr. Hopper, which occurred on New Year's Day at 10 o'clock in the morning. Mr. Hopper had only been ill about ten days, suffering from an attack of pneumonia. Hopes were entertained of his recovery, as there were some slight signs of improvement, but these were rudely shattered by the unexpected news on Tuesday morning.

Mr. Hopper was president of the Board of Trustees of Bucknell University, Lewisburg; treasurer of the American Baptist Publication Society, trustee of the Philadelphia Baptist Association, chairman of the Executive Committee of the Pennsylvania Sabbath School Association and was actively identified with many charities and other institutions of the Baptist Church. He also was a trustee of Hahnemann College and Hospital.

His wife, who survives with four children, was before her marriage Miss Harriet M. Bucknell, a daughter of the late William Bucknell, wealthy philanthropist, who liberally endowed the university which took his name. Mrs. Craigie Lippincott, of 1025 Spruce street, and Mrs. James H. Little, of Wallingford, are sisters of Mrs. Hopper. H. Brandon Hopper, of Merion, who is connected with his father's brokerage house, is a son of Mr. and Mrs. Hopper, and their daughters are Miss Marie L. Hopper, Miss Laura S. Hopper and Miss Margaret B. Hopper.

Besides his brother, William G. Hopper, Harry S. Hopper is survived by a sister, Mrs. Charles E. Milnor. Mrs. William B. Hanna, who died three years ago, the widow of a Judge of the Orphans' Court, was a sister.

Mr. Hopper was a member of the Sons of the Revolution. His clubs were the Union League, Merion Cricket, Radnor Hunt and Penn.

IN APPRECIATION

Life is short but eventful. The unexpected is always coming upon us. The sudden passing away of Mr. Harry S. Hopper comes as a shock to us all, especially to the church in which he filled so large a part. Personally my words fail to utter what my heart feels as I endeavor to give some appreciation of what he meant to the life of the church. All the beautiful things that can now be said can only be but the reflection of his noble life.

Mr. Hopper was a product of Christianity and a practical demonstration of the reality of Jesus Christ in this present day. No one could long be in his presence without becoming conscious of the sweetness of his disposition and realizing that he was in the presence of one of God's noblest men. He knew the value of religion and among the last things he said in the church he loved so much was, "I could not have lived and worked through these busy years without faith in Jesus Christ as my Saviour." If the meek shall inherit the earth, then the Heart's Country is his by divine right. If the pure in heart shall see God, then his eyes have seen Him in His beauty. If those who hunger and thirst after righteousness shall be filled, then he is satisfied, for he is awake in His likeness. We can be sure that he has whatever there is in religion.

Of his work and interests at large others will speak. To his church he was particularly faithful. Here we met him and shared those deep and tender intimacies which will rest upon us as a sweet benediction through all time. Among the crowded moments of his busy life there was always room for things which will live when life and time are past. As we now look back every act of his is there. There are all the Sabbaths and all the well-spent days between; the hours of prayer and a thousand noble acts that will never be known here.

I can say, from personal experience, without qualification or reserve that he was his pastor's friend and

Town Meeting To Hear All About Narberth Plan

Next week's issue of "Our Town" will contain the detailed announcement of time and place of the town meeting at which a complete public statement will be made regarding the Narberth Plan for economic marketing.

At this meeting speakers will explain to the citizens just exactly how the plan will work, and what each resident who desires to enter the plan will have to do. The whole plan will be unfolded and made clear.

Look for this important announcement in next week's issue.

NEW COUNCIL WILL MEET NEXT MONDAY

To Elect President and Secretary

The newly elected Borough Council will hold its first meeting next Monday night, January 7, in the Council meeting room, at the Fire House. A new president and secretary will be elected and Council will then adjourn for one week, until Monday evening, January 14, at which time the president will announce his appointments of the standing committees.

At the January 14 meeting Council will take up the budget for the ensuing year, a matter in which every resident of the borough, and particularly every property owner, is vitally interested. It is hoped that as many of the citizens as can will attend this meeting.

Council holds its regular monthly meeting on the second Monday of each month, at 8 P. M. in the Fire House, and it would be a good thing if each meeting were attended by a good sized delegation of citizens. Not that Council needs watching, but rather that the citizens need to know more about the affairs of the community in which they live.

Much is being said and written these days about democracy, and the more the better, providing the "saying" and the "writing" is backed up by thinking and acting. "Our Town" believes that a good place to practice democracy is right here in Narberth, and that the people to begin the practicing are the residents of our borough.

The members of Council are giving their time and services for the good of the community, and they should have, as they desire to have, the cooperation, support and honest, constructive criticism of all the people.

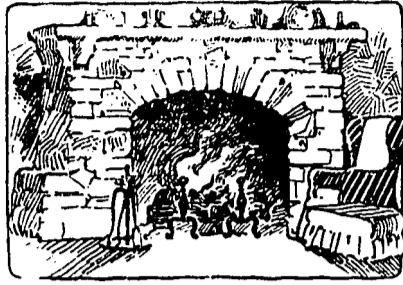

A RECITAL

A recital will be given by Gertrude E. Wright, soprano, assisted by Piotr Wazla, Polish baritone; Bernard Poland, tenor; Henry Lukens, at the piano; Mrs. B. Franklin Armiger, reader, at Elm Hall, Narberth, Pa., Monday evening, January 21, 1918, 8.15 o'clock. Dancing will follow the recital.

THE ANNUAL SUFFRAGE MEETING

On next Friday at 3 o'clock the annual meeting and election of officers of the local suffrage organization will be held in the home of Mrs. John Klinger, Jr., 503 Haverford avenue. All the members should make an effort to attend this important meeting and hear the various yearly reports read, so that each one may know what this branch is doing both in a financial and patriotic way. Visitors will be especially welcome. At the December meeting it was unanimously agreed to subscribe \$12 a year to "Our Town."

The enlisted men of Narberth will have a box sent to them by the organization as soon as their addresses can be obtained. Any relative can send the name and mailing address to Mrs. Charles Verna, Box 918, of phone Narberth 645, so that your boy may be remembered.

OVER THE TOP

The Christmas dance given in Elm Hall, Friday, December 28, was the big social success and financial benefit of the season. The local Red Cross room will receive about \$125 after all expenses are paid. This will be a great help to those who are working so earnestly and willingly for the boys who are on the job for us all.

By eight-thirty the machines began to arrive and by nine o'clock both sides of Forrest avenue, for a block or so, were lined with autos. Elm Hall was attractively decorated with evergreens and a generous supply of Red Cross flags, our own national colors and those of our allies, with the lights giving a soft red glow, the Hall was indeed attractive and seemed to give an air of home and Christmas. Old Jack Frost was working overtime on the outside, but Prof. Myers and his splendid orchestra kept the blood tingling. It was one grand evening and seemed like dreamland. The cause was a worthy one—a get-together community affair, which seemed to make every one realize that life is worth while when we are forgetting self and help to make others happy.

Never before has Elm Hall had such large crowd at a dance—over sixty couples were on the floor at one time besides the walls were lined with guests who enjoyed being in the atmosphere of such fun. The handsome gowns worn by the Narberth ladies and those from out of town was the occasion for much favorable comment. After the intermission an elimination dance was a feature. The lady's prize, a handsome Red Cross pin designed by Mr. Frederick Brown and donated by Mrs. Frederick Brown, was presented to Miss Batten, Philadelphia, and a book of Thrift Stamps, the gentleman's prize, was presented to Mr. P. W. White, Philadelphia.

Just at twelve o'clock Prof. Myers and his orchestra played the National anthem, the guests all singing and standing at attention, made the scene a most impressive one. After this good nights and Jack Frost again, but the warmth at the heart in memory of the cause kept old Jack away.

Those responsible for the affair Mrs. Carroll Downes and Mrs. James Foote, wish to thank all for their help and splendid response.

The Christmas week dance—proceeds for the Red Cross—was one grand success; all the great and near great were present. The Cub loomed for a ticket, but didn't appear in the box score.

Councilman W. R. D. Hall was on the job and never missed a dance.

When the Burgess wasn't jazzing he was bowing or making speeches.

Bill Henderson danced, but didn't have much to say. This is the first meeting he hasn't monopolized the whole show.

Ray Jones' disguise was perfect. I wonder how he strains his coffee now?

Flick Stites didn't appear in the lineup until the third inning. The bases were full, but the old boy certainly fox trotted from one end of the field to the other. Thought he had St. Vitus dance.

Old Doc Hoffman wanted to stop the dance to see if there was anybody of draft age. Did you notice the second button in his dress shirt? The Chinaman forgot to take it out.

Everybody regretted that Harry Jacobs didn't appear as advertised. He has been taking lessons, but the instructor said he wasn't ready for the trial trip.

Fred Walzer took tickets and insulted people at the door.

"Lew" Hess, retired, appeared as exhibit A. Lew danced with twenty ladies (in the Paul Revere.)

CHRISTMAS CLUB DEVELOPS SAVING HABIT

The Merion Title and Trust Company, Ever Alert to the Best Interests of This Community, Offers This Popular Form of Savings For 1918

The popularity and success of its Christmas Club has been phenomenal. This club gives everybody a chance to save regularly, for the bank is willing to accept small amounts. Even boys and girls are invited to become members, for it is a well-known fact that the saving habit needs to be fostered in this country. Once the youthful mind realizes how really easy it is to save and how pleasant it is to have money in bank, the saving habit will become life-long.

A large number of people, whether their incomes are large or small, find it difficult to "get ahead" financially. They postpone the time when they will start saving to provide for the rainy day because they never seem to have enough spare money to start a bank account. The Christmas Club is a great benefit to the people in this way, for they don't need any more capital to get started than the first small payment, and, after all, the start is the important thing.

Although the first club payment was due December 24, members may join now. The club runs fifty weeks, so that each member will receive check in time for Christmas shopping. When payments are made regularly the bank allows interest on the account, which is always an encouragement to saving.

A number of plans are offered and members may select one or more of them. In the uniform classes one may pay 25c, 50c, \$1 or \$2 weekly, the totals amounting respectively to \$12.50, \$25, \$50 and \$100. Another way is what is known as the progressive class, in which the payment increases every week. One of these classes starts at 2c, next week 4c, and so on. The 2c progressive club matures at \$25.50. Then there is a 5c progressive club maturing at \$63.75. These progressive clubs may be reversed, starting at the highest amount first and finishing with the lowest. The 5c reducing class starts at \$2.50 and works down to 5c, while the 2c starts at \$1 and comes down to 2c as the last payment.

Ordinary books are not needed in carrying the Christmas Club accounts. The Merion Title & Trust Co. is using a patented card system, in which the record of payment is made by punching cards. This not only gives the depositor a receipt, but also shows exactly how much has been paid in to date, and does away with any possibility of error.

This attractive method of saving has proven most popular.

SHALL WE HAVE UNION SERVICES TO SAVE COAL?

Why could not the Evangelical Churches of Narberth hold services during the balance of the winter in the Y. M. C. A. or in one of the churches, either union services or separate? This is suggested as a measure to save coal during the next four months approximately 100 tons of coal could be saved in this way. Are we willing to help win the war? If so, here is an opportunity. Coal is the great force behind the men in the trenches, behind the battleships, the transports, the ammunition factories and the railroads.

EDITORIAL

It is with the deepest sorrow that we record the passing away of our beloved fellow-citizen, Harry S. Hopper. The blow has come with startling suddenness, as only a week had elapsed since he was seized with the fatal attack of pneumonia that ended at 10 o'clock on New Year's morning. The entire community is stunned by the sad news, which it is so hard to realize, and the deepest sympathy of every heart goes out to the stricken family.

His was one of those rare spirits whose presence is an inspiration and uplift to everybody within the sphere of its influence. His presence and personality immediately inspired unlimited confidence, love and esteem in all privileged to come in touch with him, no matter in what relation of life. In his church and in the Sunday School Association, in Prohibition work in the Young Men's Christian Association, and in the many other important causes with which he was identified, he was a very tower of strength.

In attempting to express adequately the thoughts that come crowding to one's mind at such a time, the words of Tennyson in memory of Arthur Hallam come to us with deep and appropriate significance:

"But who shall so forecast the years
And find in loss a gain to match?
Or reach a hand thro' time to catch
The far-off interest of tears?"

I sometimes hold it half a sin
To put in words the grief I feel;
For words, like Nature, half reveal
And half conceal the Soul within.

But, for the unquiet heart and brain,
A use in measured language lies;
The sad mechanic exercise,
Like dull narcotics, numbing pain.

In words, like weeds, I'll wrap me
Over,
Like coarsest clothes against the
cold;
But that large grief which these en-
fold
Is given in outline, and no more."

The straight and narrow path isn't
wide enough for some people.

A great man is seldom taken at his
true value; but lots of others pass current
for more than they are worth.

mainstay in all the affairs of the church life.

His kind sympathy, his broad interest and his loving disposition are graces the more effective because they came without ostentation or display. The church will greatly miss him and mourn his loss. We have prized his friendship, our lives have been benefited by his companionship and we shall ever cherish his memory. A great man has entered into his eternal reward.

Avery S. Demmy.

Pastor, Baptist Church of the Evangel, Narberth, Pa., January 1st, 1918.

The occasions which brought me in contact with Mr. Hopper in the past five years, in State Sunday School Association and temperance work, were always treasured with a peculiar happiness because of the sunny Christian influence which he unfailingly dispensed. His evident love for the Master whom he was serving, his abundant consecration, his wide-hearted fellowship, and his quickly-recognized business capacity, made him a leader in all uplift and reform organizations, and every related work of the church, whom all were glad and proud to follow.

Since my entrance upon the work of the Narberth Young Men's Christian Association, I have every day been more impressed with the fact that this enterprise had a strong hold upon his heart, and those of us who are left to carry on its work may well realize that our success will but serve as an enduring monument to Mr. Hopper's untiring devotion of time and thought and money and effort to the welfare of the young people of Narberth.

W. G. Nyce.

Gen. Secretary Narberth Y. M. C. A.

Y. M. C. A. DIRECTORS MEET

As an expression of respect and sorrow for the loss of the well-loved and universally esteemed president of the association, Mr. Harry S. Hopper, who died on New Year's Day, a largely attended meeting of the board of directors and the managers was held on the evening of the same day. All united in tributes to the character and achievements of the late president, and voiced the great sorrow felt at the loss experienced by the family and the entire community.

The following resolution was adopted, and the secretary directed to forward a copy to the family:

WHEREAS in God's providence, our beloved friend, Harry S. Hopper, the president of the Narberth Young Men's Christian Association, having entered into rest, passing away suddenly in the midst of his many activities,

Be it hereby RESOLVED that the directors of the association express their high appreciation of his fine Christian character, manifested by him in every walk of life, and very especially by his efforts in behalf of this association. He was untiring in his work as president, giving unstintingly of his time and means to further its interests, and ever keeping in mind that whatever was done by it, should be done with an eye single to the approval of our heavenly Father.

His loss is keenly felt by the association, as his wise counsels and sound advice have ever been of untold value in the consideration of every question bearing on its progress and welfare.

To the bereaved family, the directors express their heartfelt sympathy for the irreparable loss they have experienced, trusting that strength may be given them to sustain them through their hours of trial and sorrow.

In the death of Mr. Hopper, the Pennsylvania State Sabbath School Association has lost a most valuable advisor and counsellor. For the past seven years, Mr. Hopper has been a regular attendant at the monthly meetings of our State Board of Directors. During that time he was not absent more than a half dozen times. His interest in Sunday school improvement was intense and progressive. His look into the future was always from the standpoint of the optimist. He believed in the molding influence of the Sunday school as few churchmen do, and he never hesitated to invest his time, his brains, and his money in making the State-wide interdenominational Sunday School Organization a power for good in every county.

The influences Mr. Hopper has set in motion, through the State-wide Sunday School Association, will never die.

Through our grief we rejoice in the bigness of the life he lived.

W. G. Landes,

General Secretary Pennsylvania State Sabbath School Association.

My Dear Mrs. Hopper and Family:

It is with much sorrow I learn of the death of my friend, your husband and father, Mr. Harry S. Hopper.

Permit me to mourn with you in your hour of deep affliction. I have known Mr. Hopper several years in connection with the Montgomery County Temperance Campaign; also in the Pennsylvania State Sabbath School Association work, he was always earnest, enthusiastic, reliable, punctually attending all meetings, commanding and very generous. I shall greatly miss his pleasant smile and warm and hearty greetings.

"Kept peaceful in this world of strife
Forgiving and forgiven."

Respectfully and sincerely yours,

S. S. Marvin,

Bryn Mawr, Pa.

DEATH OF HARRY SEABOLDT

January 1, 1918, Mr. Harry Seaboldt in his 78th year, died at the home of his son, Mr. R. E. Seaboldt, Narberth and Price avenues. Interment Friday at Honeybrook, Pa.

NOTICE

Narberth has 1125 Red Cross members and with so large a membership should have more regular meetings in the work rooms. We have one of the largest and best work rooms on the Main Line and they should be filled every day they are open, which are as follows:

Surgical dressings—All day Monday and evening; Tuesday morning; all day Friday.

Day supplies—All day Wednesday; all day Thursday.

VEGETABLE GARDEN AND CHICKENS

The need of vegetable gardens next season will be imperative. Are you going to have one? Now is the time to plan for it.

And how about hens? They can be fed mostly on table scraps, and very little space is required for them. Here is what one Narberth family does each year. A "Lullaby" Brooder is purchased at a cost of \$1, an order sent for twenty-five day-old chicks to some chicken raiser who will ship them in good shape for about \$3.50. These are gotten about March 1st. With care and attention, as prescribed in a good poultry catalogue, about twenty are raised (one year we raised twenty-four). When large enough the male birds are eaten (saving that much meat) and the pullets kept for laying eggs. After the hens become two years old they are also used for food, as the new lot of pullets come into service each year. It is interesting, and it pays, but above all at this time it is a patriotic service to raise 50 or 100 pounds of poultry and eggs for the family table during most of the year.

MAN AND THE DEED

A sub-editor on a North of Ireland newspaper, late one night, as he was reducing a heap of "fimsies," heard a modest tap on the sub-editorial door.

"Come in," he murmured, wearily.

A typical Hibernian entered.

"I have an item of news," he said.

The sub-editor drew a sheet of paper towards him.

"Yes," he said, poised his pencil.

His visitor threw back his shoulders and recited:

"This evening a plucky rescue was effected in the River Foyle. An elderly man was walking along the quay side when his foot slipped, and, overbalancing, he fell into the river. A young man named William Doherty, who was standing near at the time, without divesting himself of his clothing, plunged in and succeeded in dragging the man out of danger. We think William Doherty should be awarded the Humane Society's medal for his plucky deed."

He paused, and the sub-editor looked up with interest at the man.

"Just as a matter of form," he said, "I would like your name. It is usual, you see, in the case of an outsider bringing in news."

"Och!" said the visitor, "I'm the man who did the plucky rescue—William Doherty."

MOST heartily do we appreciate your more-than-generous patronage during the year just closed! Folks no store ever served! And most earnestly do we bespeak for all of you a New Year brimful of health, happiness and heart's-desire! Godspeed the plans we hold most dear!

CUB'S WEEKLY LETTER

To the Editor of Our Town:

An esteemed fellow Narberthian, just after saying good-bye to a relative who stayed at his home six months, was heard to remark: "All the sponging isn't done in tailor shops."

Would you care to eat muskrat? A certain fellow on the south side says he can't distinguish the taste from turkey. The same fellow enjoys eating croakers, all of which goes to show he has a perverted taste. Maybe you know him. He's a young gray haired man, smooth faced (when he shaves), sports a bay window and thinks he's a hard worker. Looks like a tragedian.

There hasn't been much to complain of in the matter of ash collections this season, although here and there you'll find a kicker. We could all help the game along by taking our own ashes out of the cellar and placing them where they might be picked up easily and much time saved. But then we are getting into such luxurious habits that we'll soon expect someone to come in fire the furnace, prepare the breakfast, shovel the snow, and then will growl about the taxes. Where else can you get what Narberth gives you for the same money?

Some people blame the Democratic party for recent poor train service. Ed. Haws will be glad to explain.

Just as sure as a man falls in love he loses his mental balance, and it's doubly sure the next thing he loses is his bank balance—at least so Dan Leitch thinks.

With coal growing more expensive every day these fellows who leave instructions to cremate their remains ought to double their life insurance.

WHAT HAVE YOU GIVEN UP?

What specific thing have you given up as a war measure, as a voluntary sacrifice to help our boys "over there?" One prominent Narberth man has given up eating butter for the period of the war, a prominent young woman will eat no white bread till the world is made safe for democracy. Sacrifice is a necessity and should be voluntarily made.

HAVE YOU DECIDED

what you will do with the money given you for Christmas? How about buying War Savings Stamps? They pay four per cent. compound quarterly, and also help to win the War.

A SURE CURE—FORGIVENESS

At a meeting of ladies the subject of cures came up. After listening to several, Mrs. Goodfriend said: "I tell you my cure—you may think it a funny thing, but I have used it for years, and have never known it to fail. Once, years ago, I had a dreadful headache. I had not slept a wink the night before. I was grieving about a friend who had not treated me right. I was brooding away, going over and over in my mind what I would say to her some day, when I saw what a big grudge was growing right up inside of me. 'Now,' said I to myself, 'suppose Fanny did do that; is that any reason that you should keep a grudge against her? So I set right about forgiving her as hard as I could, and pretty soon I just loved Fanny, no matter what she had done. And when I had thoroughly forgiven Fanny, my headache was gone. It set me to thinking. After that whenever I had an ache I practiced going away by myself and forgiving someone. It worked wonderfully." "Did you always have someone to practice on?" asked one of the ladies. "Dear me, no," said Mrs. Goodfriend. "Everybody always treated me so nicely I ran out of folks to forgive long ago." "How did you manage your cure then?" they asked. "Along about the same time I ran out of aches and pains, too. I haven't had a headache or other pain in forty years. Love is the great healing power of the universe."

There was a pause. Mrs. Brown, with shining eyes, broke the silence. "Ladies, I move a vote of thanks to this dear friend for her bit of deep and very lasting philosophy. And I move, also, that we adopt her cure and practice it."—Youth's Companion.

On Friday evening, January the 4th, the Teachers' Association will hold their regular monthly meeting. Dr. Charles A. McGalpin will make the address. With this speaker we are assured of an evening of unusual interest.

Mr. St. John has proved to be a Bible teacher of more than ordinary ability. He brings out the eternal

truths in such a way as to help one solve the perplexing problems of this life. Any man who is not regularly attending Sunday school elsewhere is invited to come to Mr. St. John's Bible Class at 9.45 each Sunday morning. You will make no mistake. He is among the best.

Dr. Woolston lived up to his reputation last Thursday evening when he both charmed and instructed the crowded house who came out to hear him at the Christmas festival.

If you are weary and discouraged, come to our prayer meeting on Wednesday evening. The large number present and the spirit of the meeting will give you added strength for the week's work.

We shall be glad to welcome you all to our services.

SUPERSTITIONS OF MOUNTAINEERS

The Himalayas are the home of countless gods, spirits and witches, and anything at all of the common is at once attributed to supernatural agency. A certain enormous rocking stone, so they tell you, possesses several miraculous properties. For instance, if a small portion of it is chipped off and put into the milk, a much larger yield of butter may be expected. On the top of the boulder will always be found a large number of small pebbles. The story the natives tell about these is that if a man is expecting an addition to his family, the rocking stone will prophesy for him the sex of the child. The method of procedure is delightfully simple. The man stands some little distance away and throws a pebble on the top of the stone. It remains there, the child will be a boy; if it falls off, a girl. They do not tell you how often the prophecy proves false, but judging from the number of pebbles which may always be found resting on its top, this Himalayan rocking-stone enjoys considerable popularity as an oracle.—Wide World Magazine.

Says a woman: "I care not who does the thinking so long as I am permitted to do the talking."

When your neighbor begins to boast of his honesty it is up to you to put an extra bolt on your back door.

OVER THE TOP

(Continued from First Page)

Footie left nothing undone to make everyone have a good time. They were every place—incidentally trying to show amateurs how to dance—some job.

Hugh Brown came clean (?) from Pittsburgh to the dance.

Howard Wilson bought a ticket but wouldn't go when he found that he couldn't carry his pipe with him. He gave his ticket to four people.

Cliff Moore sat in his periscope and looked them over. Sayeth he to me, "Boy they certainly looked good to me, you know I am a minister's son and never get out much."

As a dancer Chief Noel is a great fireman.

Charley Humphreys was one the side line, but didn't get in the game. You know "Hump" never could run the bases.

A lady who was dancing with Councilman Bill Maddox was heard to say: "Pardon me, Mr. Maddox, I have one foot you haven't stepped on yet."

This was Bob Pattison's "coming out" party and he certainly had his nerve. He netted several, but never missed a high or low one. It is rumored he got his two dollar's worth.

Safety first with Bob Saville. He blew at every corner. Looked like he had one bad tire, though.

POWER OF MONEY

It is convenient to have money. We all see many ways in which we would like to use it. But when we have money we are apt to wish it just a little more. Who is to say what is the exact amount it is right that we should possess? Wishes, tastes, desires, differ. We ourselves do not know what our limit should be.

With too much money one is likely to become conceited, to lose sympathy and be hard-hearted and more than likely regardless of the means he takes to add to his store. If he has too little he may be envious of others, embittered toward society, tempted to dishonesty, or there may be real suffering for need of what money can buy. No one, not even the man in a prison cell, can live in any degree of comfort without money. It is necessary to life.

Yet there are many things of greater value than money, things that money cannot buy, that are necessary to our welfare. Undue love of money is a poison in the soul, eating out what is of most worth. We may pay too high a price for its acquisition. We should judge our desire for money by our purpose, our motive in wanting it. Money is a power for good or evil, as we choose to use it.

THE FIRESIDE

(Continued from First Page)

Take time to stop at the postoffice and get a Thrift Card or a Certificate. Your help will add to the effectiveness of our efforts to win the war. The boys "over there" stand to lose a limb or their sight or their life. We must save and sacrifice for them.

Pennies, nickles and dimes do not earn anything while in the children's banks. They will earn interest if you buy savings stamps with them, and the small coins are in tremendous demand. The director of the Mint requests that all small coins be put in circulation.

All who are interested in the success of the \$2,000,000,000 Thrift Stamp sale should "talk it up." The investment pays four per cent, compounded quarterly. The Certificate Stamps may be cashed in at any time prior to maturity by giving the postmaster ten days' notice.

More than five hundred books from the Y. M. C. A. Library are out and have been out for some time. Many of these are not returned because of oversight, but it will at once be recognized that they will do more good in circulation than if retained after they have been read. The librarian would be very glad to have them brought in, as titles are frequently called for which are in the catalog file, but not on the shelves.

The Narberth Junior Boys' Basket

Ball team tried conclusions with the boys from Ardmore on Monday. The Comets were defeated by a score of 19 to 7. Superior team work on the part of the Narberth boys won the game. Locals lined up as follows: Charles Burns, center; Ed Noland, forward; Millard Dickie, forward; Donald Falls, guard; Warren Speakman, guard. The Narberth lads went to Ardmore on New Year's day.

A very pretty "old year out new year in" was given by Mr. and Mrs. W. S. Maddox Woodside avenue, in honor of their guest, Mrs. Nellie Watson, White Plains, N. Y. Those present were: Dr. and Mrs. Romaine Hoffman, Mr. and Mrs. Charles Churchill, Mr. and Mrs. Harry Bradley, Mr. and Mrs. Dinwiddie Walker, Mr. and Mrs. Bill Ehn, Mr. and Mrs. Carroll Downes, Mr. and Mrs. Horace Polhemus, Mr. and Mrs. George Rose, Mr. and Mrs. H. A. Claghorn, Miss Peoples, Miss Downes and Carroll Downes, Jr.

NARBERTH AS AN ART CENTER

Those interested in art have a treat in store. There will be an exhibition at the home of Charles Humphreys of the original "Duchess of Alderney," by Gainsboroski, the noted Swedish painter. This valuable painting was found in a West Manayunk woodshed by the noted art collector, Tom Trotter. Tom parted with it for a large sum of Fiji money. On Christmas morning it was presented to Burgess Downes who secured permission to exhibit it at the Humphreys' gallery for two weeks, commencing Friday, January 5, hours 9 to 12 P. M. The north gallery—open to the general public free.

At the expiration of two weeks our Burgess in the fulness of his heart will present the painting to the fire company. The "Duchess" will be hung directly back of the pinochle table facing the Council Chamber, where she can get a peek at the Councilmen hard (?) at work.

This opportunity to thank Mr. Humphreys for the courtesy of his galleries is eagerly seized by the art connoisseurs of Narberth.

It will be recalled by those of long memories that Mr. Humphreys' name appeared on the ballot at the recent election as a candidate for Tax Collector.

PHYSICAL TRAINING

AT THE Y. M. C. A.

The announcement of the new and varied gymnasium program at the Y. M. C. A. has been received with every evidence of interest by the citizens of Narberth, and applications are being received for membership in the association. No effort will be spared to make the classes now being set up as successful as the skill and experience of the physical director, Mr. A. V. Emmet, and the unstinted support and careful supervision of the Association, can make them.

A meeting of representatives of the various Sunday schools is being held this week to arrange for an Inter-church League, to come together a little later for basket ball and other athletic meets, in the building.

It will be seen that the work of the church and the work of the home are both fields in which the association seeks to become a factor and to lend a helping hand. In its spiritual influence the Y. M. C. A. will seek to point directly toward the church. And in its physical training department, it will endeavor to prove itself invaluable to parents of growing boys and girls, who can make no better investment than the moderate expense of a membership for each of their children over the age of nine years.

A membership campaign is being projected, and the following rates of membership have been worked out by the membership and Finance Committees in a joint meeting.

Full Membership

Men, \$5; women, \$3; boys and girls, under 16, \$3.

Social Membership

Men, \$2; women, \$1.20.
Special campaign rate for full membership for boys and girls for a year, \$2.

Now is the time for the boys and girls to come in. After January 31 at the close of the campaign, the rate will be \$3.

It is the ambition of the directors, the committees, the physical director and the general secretary to give real value for the membership fees received, and with the co-operation of the townspeople, at large and individually, this can be done, and the institution become a genuine source of pride and satisfaction to all.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, addresses, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
