Freight Bill 15.90
Mantle Broke 2.25
18.15 friend Johns I would have sent thee a draft for the marble before this but have been trying to make Chamberlain & Tailing pay for 2 pieces which was broken but they say that it was broken when they got them that they have paid the freight to the Commercial Line if any damages thee must get it from them in Albany or Troy where the marble was put on board I think they have charged too much freight. their bill is \$15.90/100 which I have deducted from the amt of marble say 65.84 - also 1 Mantle Broken 5 feet - @ 45 is \$2.25 (the win dow side broken which I loose) leaving a balance of \$47.69 for which I herewith send a draft on C. G. Fairbank & Co New York at sight please forward the back hearth thy friend
