Agricultural Land Commission [redacted] Election

HEADQUARTERS
TOKUSHIMA CIVIL AFFAIRS TEAM
APO 1050

23 August 1949

MG-LG

SUBJECT: Agricultural Land Commission Election
(Reports Control Symbol MG-22-R1)

TO : Commanding General, Eighth Army, APO 343

1. In spite of a heavy rainfall, floods which inundated the land and impassable roads 90% of the men and 80% of the women went to polls in this prefecture on 18 August 1949. This is remarkable when taking into consideration two factors: (1) Little interest was displayed prior to the election and (2) an estimated 400,000,000 Yen damage was inflicted on the prefecture on the same day.

2. Less than 1% of all candidates were of the communist party, 91% being independents, the balance being other parties with the labor-farmers party having no candidates. Thirty-nine (39)% of the towns and villages election ended in a non-voting election. Seven towns were forced to postpone the election due to the flood.

3. This team had six surveillance teams in the field on election day and visited 43 polling stations. One violation was noted wherein a successful candidate was also a member of the public safety commission which necessitated a re-election. Another instance noted wherein the voters were deprived of their voting right. Both of these instances were brought to the attention of the proper Japanese authorities.

4. Many reasons can be given for the unexpected interest in the election, but chief among these are:

a. Voters in general have come to be election conscious.

b. Voters have suddenly realized that who they elect has a direct bearing on their livelyhood.

c. The election campaigns were thoughtfully conducted due to the fact that the spheres of electioneering were limited within small districts.

d. Voters became disgusted with incompetent and unscrupulous land commissioners.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 115013

TOKUSHIMA CIVIL AFFAIRS TEAM
APO 1050

MG-LG 29 August 1949

SUBJECT: Agricultural Land Commission Election
(Reports Control Symbol MG-22-R1)

TO : Commanding General, Eighth Army, APO 343

1. In spite of a heavy rainfall, floods which inundated the land and impassable roads 80% of the men and 60% of the women went to polls in this prefecture on 18 August 1949. This is remarkable when taking into consideration two factors: (1) Little interest was displayed prior to the election and (2) an estimated 400,000,000 Yen damage was inflicted on the prefecture on the same day.

2. Less than 1% of all candidates were of the communist party, 91% being independents, the balance being other parties with the labor-farmers party having no candidates. Thirty-nine (39)% of the towns and villages election ended in a non-voting election. Seven towns were forced to postpone the election due to the flood.

3. This team had six surveillance teams in the field on election day and visited 43 polling stations. One violation was noted wherein a successful candidate was also a member of the public safety commission which necessitated a re-election. Another instance noted wherein the voters were deprived of their voting right. Both of these instances were brought to the attention of the proper Japanese authorities.

4. Many reasons can be given for the unexpected interest in the election, but chief among these are:

a. Voters in general have come to be election conscious.

b. Voters have suddenly realized that who they elect has a direct bearing on their livelyhood.

c. The election campaigns were thoughtfully conducted due to the fact that the spheres of electioneering were limited within small districts.

d. Voters became disgusted with incompetent and unscupulous land commissioners.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

B. Result of election 106-4

Some new figures have debuted.

1. The general will of farmers was well expressed in the ballot enough to arouse the introspection of the former land commissioners, of whom some troubled good farmers by abusing their right upon the extrication and resale of lands. Their anxious interest on election was fully displayed in eliminating bad commissioners and recommendating better land leaders.

2. The villagers have come to be disgusted with the bosses in their living districts.

3. It is however certain fact that there are still some bosses here and there. They interferred with the free election to a certain extent, by charming ignorant villagers or by conducting house-to-house visit.

C. General review and criticism.

1. To our regret, it is fairly difficult to find out voters who cast their votes in the ballot after their deliberate appreciation of candidate

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175015

On the last election for land commissioners

A. Great interest shown

It is a delightful phenomenon that (though it rained heavily that day) the villager's enthusiasm for electing good commissioners resulted in the remarkable voting rate of over 70% in the latest election for rural land commissioners.

Many reasons are thinkable to this result. The following points are some of them.

1. Voters in general have come to be conscious of the great importance of election. Frequent elections heretofore have fostered in voters the ability of electing good candidates.

2. Voters are comparatively a small part of prefecturers.

3. They have come to know whether they elect better candidates or not is directly a vital question of there livelihood.

4. The election campaigns for candidates were thoroughfully conducted because the spheres of electioneering were limited within small districts.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 115013

B. Result of election 106-4

Some new figures have débuted.

1. The general will of farmers was well expressed in the ballot enough to arouse the introspection of the former land commissioners, of whom some troubled good farmers by abusing their right upon the extrication and resale of lands. Their anxious interest on election was fully displayed in eliminating bad commissioners and recommendating better land leaders.

2. The villagers have come to be disgusted with the bosses in their living districts.

3. It is however certain that there are still some bosses here and there. They interferred with the free election to a certain extent. by charming ignorant villagers or by conducting house-to-house visit.

C. General review and criticism.

1 To our regret, it is fairly difficult to find out voters who cast their votes in the ballot after their deliberate appreciation of candidate

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

農地委員選挙に就て.

A 烈しい雨にもかゝわらず 70% を超える好投票率を示した事は.
特ぶべき現象である.
此の理由としては色々と考へられるが次の諸点が最も
影響したことと思はれる.

1. 選挙民が選挙の重要性を自覚して来た事.
   衣その選挙によって候補者を択ぶ力が生れて来た事.
2. 有権者は農民に限られた少範囲であった事.
3. 委員の択び方の良否は 農民に取っては直接
   死活問題である事.
4. 候補者の選挙運動範囲が少部分に限定されたために
   徹底した選挙運動が生れた事.

B. 選挙の結果.

新人の進出が認められる.
1. 氏の理由として. 従来の委員に対する不平. 不満.
   即ち農地の Extrication 及. resale 等に関して
   其の権力を利用して農民を苦しめた. 従って此等の
   委員について排撃し. より良き農民の指導者を得んと
   する切実なる意思の表はれと考へられる.
2. ボス的存在の候補者に対して興味を持たなくなった.
3. ボス候補者間にボス委員が相当ある事は見逃が
   せない. 氏れは依然として比較的無知な農民
   を買収し個別訪問し甚しく自由な投票を束縛した
   結果とも考へられる.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

C. 批判.

1. 何れの選挙に就ても考へらるる事であるが候補者の手腕. 力量. 人格を正しく評価して真の吾々の指導者として充分であると言ふ信念のもとに投票した」と思はるる点は少ない。

2. 一般に農民は純朴である.
候補者が不適当な場合でも候補者に対する情実から脱し切れない点がある。

3. 各地方に於て次の如き違反行為が多い。
o. 買収行為.
o. 個別訪問.
o. 代理投票.
o. 強迫 Coercion.

4. ③の点に就ての取締り. 選挙の啓蒙運動に就て充分研究する必要がある。

5. 投票場に於て.
投票立会人並監視員等の厳重なる監督が望ましい.

6. 最近の選挙に於て比較的 ~~違反行為は~~ 犯罪は 減少してゐる。
此れは決して違反行為の減少とは考へられない。
捕縛検挙の不徹底による事が多い。
検察官の一層の努力が望ましい.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

from his political ability, capability or human character etc, and after their conclusion that it is he who deserves truly their leader.

2. Speaking generally, farmers are simple and honest. Consequently they are not seldom able to extricate themselves from favouritism of candidates.

3. There are many election violation cases as the following in each electorial district;

a. bribery
b. house-to-house visit
c. illegal proxy vote
d. intimidation (coercion)

4. More study is necessary for controlling the above-mentioned conducts. Publicity campaign is to be conducted in better manner.

5. It is necessary for election administrative commissioners and supervisers to pay more careful and strict watch to the voters at polling places.

6. As to the recent various elections, criminal offences are decreasing in number. But it doesn't tell alwdys diminution of violation.

turn over

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175813

It is highly desirable for the public procurators to take initiative in order to prevent various illegal conducts.
