Labor Standards Bureau Activities Report
for the Month of March, 1950.

Submitted by the chief of
Chiba Prefectural Labor
Standards Bureau.

In compliance with your memorandum dated 5 January 1950, I hereby submit the subject report for the month of March. The details run as follows :

1. Effectiveness of local inspection offices :

We have been exercising close supervision over the major workshops in particular under the program specially prepared for the purpose and striving to deal sternly with ill-natured violators of the law. As a consequence, the situation has taken a turn for the better and not only those major workshops but also medium and small sized workshops are showing a cooperative attitude towards strict observance of the law.

2. Attitudes and reactions of imployers toward the Labor Standards Law and its provisions :

The employers in the prefecture are showing a cooperative attitude toward the Labor Standards Law and its provisions by recognizing the importance of the Law which is in inseparable relation to the establishment of self-supporting economy.

3. Attitudes and reactions of the unions toward the Labor Standards Law:

The unions are assuming a most cooperative attitude towards the Law.

4. Methods being used by the bureau to assure compliance with the Labor Standards Law.

(a) In accordance with the special supervision program, we are exercising close and thoroughgoing supervision over the workshops. Among others law-breaking work-shops have been placed under closer and continual supervision during a fixed period of time until they have ac-
