Deals with the practical things---the realities of life
Sounds serious and is serious

But the humanely cheerful, helpful treatment which is the basis of our editorial policy makes the subjects intensely interesting in a clear way to over 15,000 readers. In news North Adams is first, last and always—then follows, National and Foreign news.

Such a newspaper is certain to attract those advertisers whose products are worthy of entering into Herald readers homes.

The Importance of a Well Patronized City Directory

The city that supports a good directory will give the same support and prosperity to all of its inhabitants; one who is looking for a location will judge wisely if he selects a city that has a well patronized city directory.

It is an infallible evidence of intelligence, thrift and general success and prosperity.

The standard of life in such communities is always high. The people all live well and prosper, because the directory draws trade from all the tributary country.
