THE PRESIDENT.

Whereas, the Associated Press reports to the American public that Mrs. Pankhurst's deportation has been ordered by the board of inquiry at Ellis Island and,

Whereas, such action is in direct violation of the traditions and customs of the United States which has always been hospitable to the political offenders and revolutionists of all nations, and,

Whereas, our sister republic, France, is at the present moment sheltering Christabel Pankhurst,

Now, therefore, be it resolved: That we, the undersigned women of Chicago, protest against this flagrant violation of our long established public policy, and,

Be it further resolved: That we respectfully petition the Department of Labor in reviewing the case of this distinguished English woman to reconsider the decision of the Board of Inquiry and to admit Mrs. Pankhurst; thus maintaining the high traditions of America's devotion to liberty and right of free speech.

Haley, Business Representative Chicago Teachers' Federation; Ida L. M. Furstman, President Chicago Teachers' Federation; Mrs. Harriet S. Thompson, Director Chicago Political Equality League; Edith A.
