SUBJECT: Corrected Progress Reports on Allocations 1-62, 2-54 and 4-57

TO : Supreme Commander for the Allied Powers,
General Headquarters, APO 500
(Attn: Civil Property Custodian Section
Reparations Property Division)

1. Reference is made to Operational Directive 51, Headquarters Eighth Army, dated 27 September 1949, subject: "Industrial Rehabilitation".

2. Attached are four copies of packing lists and four copies of corrected progress reports on allocations 1-62, 2-54 and 4-57.

3. The above correction was made following the discovery that 3 and ½ tons of grinding wheels (part of the division of cutting tools) were not packaged. This was due to a misunderstanding by the Japanese that although the item numbers were allocated the quantity was 3½ tons over the amount originally reported.

4. A correction to the evaluation report has been submitted through Japanese Government channel.
