ANNUAL MEETING AND ELECTION NARBERTH CIVIC ASSOCIATION

Last Thursday evening the Civic Association held its annual meeting and election. The officers and directors elected were the same as officiated last year, with the exception of Mr. George M. Colesworthy, who was elected secretary-treasurer, replacing Mr. Frank J. Wisse, who resigned last fall. Mr. Horace C. Obdyke was elected to fill Mr. Colesworthy's place in the directorate.

Miss Maizie Simpson's report as cashier for Our Town was interesting, in that it showed that very many of our citizens who receive the paper, do not pay the small annual subscription. This is rather surprising, in view of the firm place that little paper established in the esteem of Narberth people. Apparently, many do not realize that it takes very close figuring to meet the weekly expense bill, and that money has been borrowed to keep the paper going, owing to the neglect of many who could well afford it, to pay the subscription price.

A committee of four was appointed to assist the management of Our Town to devise means to place it on a firm financial basis. A vote of thanks was given Editor Harry A. Jacobs for his work during the past year.

Mr. Fletcher W. Stites, in his short but very eloquent address, paid a tribute to those who devote themselves to civic uplift in the community, the State and nation. He traced the guiding principle in the lives of men like Washington, Lincoln, Cromwell, Luther, Savonarola, St. Paul and John the Baptist, back to Jesus, who first clearly enunciated the great principle of reciprocity among men, and established the highest ideals of service for its own sake, rather than for sordid, personal gain. Mr. Stites, himself a fine example of this ideal, is hopefully optimistic as to the future of our optical system, and sees the "silver lining" behind the clouds that at times seem hopelessly dark.

After the address, there was a general discussion on matters of local interest. Mrs. H. R. Cook, Jr., announced that she would supervise a number of school children who were to cultivate a vacant lot. Mr. Stites volunteered to pay the expense of preparing the ground for this purpose. About fifty members attended the meeting, and many took part in the discussions.

FIRE

On Monday evening the alarm of fire was sent in by a neighbor who discovered the large private garage on the Estate of Charles Rogers, of Wynnewood avenue near Montgomery avenue, on fire. The building was completely burned down, and the glare could be seen for many miles.

Hundreds of residents of the surrounding country jumped into their machines and hurried to the place, while the fire companies were being summoned. When the Narberth Fire Company arrived, in charge of Chief Charles B. Noel, the machines were blocked some distance from the burning building, and the process of making room for the fire engines still further blocked the roads, so that the Ardmore Company, arriving a few minutes later, had difficulty in getting through.

By the time a way had been opened for the Ardmore engines, the Bryn Mawr Company arrived with its motor apparatus. Although the Ardmore Company could get in, the scores of machines blocked its way to fireplugs. Chief Noel sharply criticized the motorists for their thoughtlessness. The loss of the building will be more than \$10,000.

BRING YOUR HUSBAND

To the Arcade Theatre next Monday evening—so that he may learn if you are treating him as a husband should be treated.

A RARE TREAT

Hon. M. Clyde Kelly, the brilliant young Congressman from Pittsburgh, will be the speaker at the union meeting of the churches of Narberth to be held in the Presbyterian Church on next Sunday evening, May 6. This is the occasion of the annual union service held by the churches of the town under the auspices of the Pennsylvania Anti-Saloon League, and Mr. Kelly comes as their representative. He spoke in the Y. M. C. A. two years ago and to the persons who heard him then or have heard him elsewhere, no word of commendation is necessary.

As a newspaper man and a member of Congress he has devoted special attention to the liquor problem and is a member of two of the most important committees in Congress that have to deal with this problem; namely, the "Rules Committee" and the "Committee on Alcoholic Liquors." Because of the nation-wide interest aroused in prohibition in its relation to food conservation and military efficiency, no man in the county is better competent to speak than Mr. Kelly who comes with inside information.

The distinguished speaker is a very active and highly honored layman of the United Presbyterian Church and will be the orator at the banquet of the Social Union of that denomination to be held in Philadelphia on the following evening.

MUSICALE WAS A SUCCESS

The musical given by the Women's Home Missionary Society of the Methodist Church, at the home of Mrs. Miller Burkhardt, 100 Maple avenue, on Thursday evening last, was a great success. Notwithstanding the inclement weather, there was a large attendance, and those present were well repaid by the very pleasing music and the interesting recitations with which they were favored. As a result of the entertainment, a substantial sum will be sent to the Deaconess' Home, 611 Vine street, Philadelphia, to be applied to the fund to provide outings for poor children, during the coming summer.

WOMAN'S SUFFRAGE MEETING

On next Friday, May 4, the regular monthly meeting of the Narberth Branch will be held at the home of Mrs. W. M. Cameron, 112 Essex avenue at 3 o'clock. An outline of the work which was accomplished in the conference at Harrisburg will be given, so it is rather important for the members to be present, and as it would be as interesting to outsiders, all are cordially invited to attend.

DRAWN FOR JURY DUTY

Among those drawn for jury duty for next month's session of Civil Court are the following from Lower Merion: Ralph Allen, George P. Baltz, William R. Fryer, Enos Hart, Alfred G. Hare, Casper Halberstadt, Hugh O'Donnell, George Taylor, George Tanner, John T. Worrell, Winfield Broadhead, William Brownback, B. C. Betner, Edward Bok, George F. Curwen, John Moarity, I. M. Sacrey, Horace W. Smedley and Charles R. Smith.

A WORD OF APPRECIATION

The undersigned heartily extend their sincerest thanks to all Narberth friends and neighbors for their extremely kind assistance, heartfelt sympathy and floral offerings during the illness and decease of their beloved daughter Charlotte.

Mr. and Mrs. N. A. Vogel,
246 Iona Avenue.

NARBERTH HIGH SCHOOL ALUMNI BUSINESS MEETING

The Alumni Association of the Narberth High School will hold its annual business meeting on Tuesday evening, May 8, at the school, at which time officers for the coming year will be elected.

This annual business meeting was formerly held in June on the same evening on which the June entertainment was given, but as this crowded too much into one evening, it was decided to hold this business meeting on a separate night, and the second Tuesday evening of each May was set apart for this purpose.

AMBULANCE INJURES WOMAN

Mrs. H. B. Painter was severely injured last Wednesday night when an auto in which she was riding at Montgomery and Narberth avenues, Narberth, collided with an ambulance from the Hahnemann Hospital.

William Pounder, 2057 St. Albans street, Philadelphia, driver of the ambulance, was arrested on a charge of operating an auto while under the influence of liquor. Mrs. Painter is the wife of H. B. Painter, an Ardmore attorney.

BRYN MAWR HOSPITAL FETE TO BE HELD MAY 9 FROM 12 M. TO 10 P. M.

A miscellaneous table selling articles ranging in price from 25 cents to \$1, will be in charge of the Women's Community Club of Narberth at the Bryn Mawr Hospital Fete, to be held May 9.

Considering that this hospital is the only institution of its kind immediately serving this section, you are urged to send some kind of contribution to any of the following committee: Mrs. T. Du Marais, Mrs. Odell, Mrs. W. Livingston, Mrs. L. Moore, Mrs. C. P. Fowler, Mrs. Mattison, Mrs. R. Clark, Mrs. H. Jacobs. Your efforts will be much appreciated.

BRING YOUR WIFE

NEEDLEWORK GUILD MEETING FOR RED CROSS WORK

For the convenience of members of the Narberth Branch of the Needlework Guild, which is now doing Red Cross work, Mrs. F. H. Hewitt, 116 Essex avenue (S. W. cor. Windsor and Essex avenues), has kindly offered her home as a center. A meeting for work will be held there Wednesday, May 9, at 2.30 P. M.

Members who wish to do work at home, may procure garments from Mrs. Hewitt, cut out and ready to be made up. It is hoped that all members will take part in this work.

Informal Shirtwaist Dance Wednesday Evening, May 18

Proceeds for the Benefit of the Narberth Branch of the Red Cross Society

Members of the Narberth Assembly, who held the last dance of their series in April, have decided to give another dance, and extend the invitation to their friends to attend the Shirtwaist Dance on the third Thursday of this month, to be held at the usual place, Elm Hall.

The committee hopes that the attendance will be such that the proceeds will be sufficiently large for such a worthy cause. All Narberth people who enjoy dancing should come out and attend this affair. One dollar and a half admits couple.

MacFARLANE LECTURE CANCELLED

The Alumni Association of the Narberth High School has been compelled to cancel the lecture to have been given by Dr. Charles T. MacFarlane, of Columbia University, on May 4, at the school auditorium. This was necessary on account of the rearrangement of Dr. Green of his lecture which was postponed from April 6 to May 1, due to a death in his family. It was next to impossible for Dr. MacFarlane to set a later date than May 4, and rather than take a chance of having two slim audiences (which would probably occur in having two lectures so close as May 1 and 4) for lecturers who are accustomed to full and crowded houses, it was deemed best to cancel the last lecture.

This is a great disappointment, we know, as Dr. MacFarlane is one of the finest speakers obtainable and would have told us things worth knowing, but we are sure those holding course tickets will appreciate the situation and be lenient in this matter.

An entertainment would be planned by the association to take the place of this lecture, but the association appreciates the fact that the weather is growing warmer and people do not wish to stay indoors any longer than necessary. Executive Committee of Narberth High School Alumni Association.

BRIDGE PARTY

On Tuesday afternoon, Mrs. Carroll Downes gave a bridge party. The decorations were sweet peas and American flags. Mrs. Downes was assisted by Miss Jane Laird and Miss Virginia Downes. That Mrs. Downes is a charming hostess, the following ladies will vouch for: Mrs. William S. Maddox, Mrs. Fletcher W. Stites, Mrs. F. D. Walker, Mrs. R. C. Hoffman, Mrs. C. T. Moore, Mrs. Jack Churchill, Mrs. H. G. Polhemus, Mrs. Frederick G. Woodworth, Mrs. John B. Williams, Mrs. A. K. Siler and Mrs. I. F. Hepler. Mrs. Jack Churchill, of Connecticut, was the honor guest.

COUNTY IN FINE FINANCIAL SHAPE

Has Over \$287,000 on Eve of Receiving Taxes for This Year—Statistics Interest

With \$287,378 available at this time, for county purposes, on the eve of receiving taxes for 1917, the county is, to-day, in an excellent condition, financially, to carry out the contemplated program of the present Board of County Commissioners to replace the Royersford and Conshohocken bridges with substantial concrete structures to meet the demands of present-day traffic and also permanently improve some of the much-traveled highways.

The total amount, for all purposes of the county, in the hands of County Treasurer Geo. M. Anders, April 1, according to the monthly report of Controller W. D. Heebner to the County Commissioners, was \$367,642.14, of which the \$287,378 is credited to the county funds account and applicable to the general needs, while difference is credited to special accounts, the chief accounts of which are the dog tax account totaling \$15,175.49 (belonging to the school districts) and the liquor license amount totaling \$36,450 (belonging to the borough townships and the State.) The balance on hand is an increase

of \$6945.87 over that of March 1, but does not represent an increase of receipts over disbursements during March, in that in the receipts for the month is the license money of \$36,450.

While the total receipts to the use of the county, through various channels and from the several departments during March, were \$11,371.68, the disbursements, for county and department purposes, were \$40,875.81.

Of the receipts for the month \$2430.49 was for taxes; \$837.99 towards the maintenance of supported insane patients; \$312 the county's dividend on its stock in the Norristown Insurance and Water Company; \$249.94 represents prison cash for sales of products there; \$446.56 represents Almshouse cash, for farm and dairy products sold, and the balance relates to miscellaneous items and receipts from the various departments of the Court House.

Of the disbursements, the expenditures for county purposes was \$30,878.07, of which \$9478.08 went to charitable and penal institutions; \$4568.20 for the conducting of the courts; \$4568.28 for bridge work. The Almshouse expenses were \$2811.10 and the prison expenses, \$2037.12. The major part of the remaining disbursements were for the maintenance of the various departments, salaries of attaches and miscellaneous items.

To the Editor of Our Town:

Is the "cub" really as young as he wishes us to believe he is? I would not be surprised if he is one of those old fossils, with thin, straggly hair, thick lens glasses and a squint; still, mayhap not, for he always writes so kindly of the children. Does he use the school library? He seems to know so much of the hardships of being a school principal.

Or, is he a she? If so, of course the above description would be entirely out of place. Won't you please relieve the anxiety to know of one of your three thousand readers?

FOR YOU AND ME

The local Board of Health has received a communication from the State Health Department, which points out the need of an energetic clean up in all localities, in order to assist in the controlling of any possible epidemic of infantile paralysis that may occur this summer. There were 2000 cases in Pennsylvania between July 1, 1916, and the end of the year, with 500 deaths. The fatalities might have been much greater had not the citizens adopted the measures suggested by the State authorities and it is urged that no effort be spared to repeat, or rather redouble, those measures this season.

Space does not allow us to print the full text of the Harrisburg communication, but the following extracts should be carefully noted by every resident of the borough and followed to the letter. The Board of Health is instructed to enforce these rules:

Stables—in Towns and Villages

Manure must not be allowed to accumulate in open piles. The daily contents should be placed in bins or bins tightly covered or thoroughly fly screened.

It must be removed once a week from the first day of May until the last day of November.

Stables must be cleansed daily.

Garbage

Garbage when kept must be placed in covered containers. The containers must be scrubbed clean with the liberal use of soap and water before refilling.

It must be collected at least three times a week from May 1 until November 1; the balance of the year it must be removed often enough to permit the container being kept closed.

Rubbish and Ashes

Rubbish, and ashes mixed with rubbish, must be collected regularly and disposed of in such a way as not to cause a nuisance.

House Cleaning

All vermin, such as lice, bedbugs, roaches, flies, mosquitoes, rats and mice should be exterminated.

Kennels, boxes and cages used by household pets should be frequently cleansed and disinfected, including floors, carpets, etc., used by them.

Cellars should be kept clean at all times; this includes the floors, walls and ceilings. Cellars should be kept dry. Cellars should have the windows as well as all other openings for ventilation, etc., fly-screened.

All houses should be thoroughly screened by the end of April and the screens kept in good condition until cold weather, or when insect life has ceased its activities.

General

Surface drainage of kitchen, laundry and bath waste water should not be permitted unless it is sprinkled over a large surface, where it will not reach a stream, and never to such an extent as to sour the ground.

Where no sewer system is available, separate cess pools had better be built to receive this waste water.

Streams must not be used for the dumping of sewage, garbage, ashes or rubbish of any kind.

Pools of stagnant water or any mosquito breeding places should be drained.

Water barrels, cisterns, etc., should be covered or screened.

All highways should be treated so as to keep down dust.

Street gutters should be frequently flushed out and kept free from accumulations of rubbish.

Ground where manure or garbage has stood or where made foul by sur-

CUB'S WEEKLY LETTER

To the Editor of Our Town:

There is a rumor current that the Ash Can Trust is in collusion with our local ash collector, but this is not generally credited. However, it is easy to understand why such a story should circulate and be believed by those of us who haven't more than three weeks' supply of ash cans in our cellars. If the ashes are not collected until Doomsday, they can't force me to buy any more cans, that's certain. Down with the Trusts!

I notice that those guys who are kicking about the cost of living and always blowing about the farm they intend buying "one of these days" aren't breaking their backs plowing up the back yard.

Two local fishermen tried their luck in a Jersey lake the other day. Bill whispered to Charley, "Let's fool the fish and make believe we are not fishing at all, but teaching the worms to swim." Charley agreed and then both in loud voices pretended to be talking to their baits. But suckers were scarce in that lake.

Do you think you know right from left? Of course, you think you do. Go around to Elm Hall Monday and Thursday nights and watch the drill, or, better still, go into the game yourself and find out how few of us know our right hand from the left.

No use worrying about the Perpetual Motion problem any more. Bert Eyre has solved it with his Victrola.

Peculiar thing happened to me last week. For one whole day nobody asked me to buy tickets, subscribe for

something or donate anything, either for charitable, war or other purposes. I am anxious to know if anybody in Narberth has ever had a similar experience.

FIRE ALARM BREAKS UP HOME DEFENSE DRILL

At about 8 P. M. Monday evening when a large number of Narberth men were about to begin drilling the fire bell changed and there was a rush for the fire, even Captain White was attracted by the bright glow from the burning of the Rogers stable and garage on Wynnewood avenue. Next drill will be Thursday evening when a full attendance of those interested is expected.

Be sure to see Ellis Parker Butler's screaming farce, "The Revolt; or, the School for Instruction in the Proper Treatment of Husbands," to be presented by the cleverest girls in Narberth. Proceeds for charity. The entertainments previously given by these young ladies have attracted crowds. Secure your tickets early—at Howard's or Fiedler's, or from any member of the Junior King's Daughters—35c and 50c. Bring the whole family and be assured of an evening of innocent fun.

SUBSTITUTION An Unprofitable Policy

We believe no more Solid Foundation can be laid for permanent success than the prestige and reputation of meeting people's wants. Mystery always creates suspicion, and that is why we make persistent effort to have every sale open and above board without a hint of even attempted substitution. We cannot substitute our own or other products, for trade marked or standard goods called for by customers, and be honest to ourselves, our customers and to the manufacturer who has helped direct trade to us. That's why you never find us so short-sighted as to grab at an immediate long profit at the expense of losing your more valued good will, and the future business of a satisfied customer. Plain old-fashioned honesty is our watchword.

Men's Bible Class

The teaching of Mr. R. Allen Dudley has greatly stimulated the attendance and interest of this class. Much attention is given to the application of Christian Social Service. Mr. Dudley is progressive in both teaching and methods. Before coming to us he taught a class in Vineland, N. J., which grew from four to sixty members. The class is taking an important part in the life of the community and as such solicits the support of all men not attending a Bible class.

from the department if those who contemplate enlisting will do so through Postmaster Haws.

Mr. and Mrs. Carl B. Metzgar have purchased the house on Narberth avenue, formerly occupied by Mr. Hanks. Extensive alterations are being made.

Mr. M. I. French, a veteran of the Civil War, on Sunday evening presented the Methodist Church with a beautiful flag, staff and spread eagle. Mr. and Mrs. W. R. Pierpont, of Wynnewood road and Chestnut avenue, who have been spending a few days in Atlantic City, have returned.

The house on Narberth avenue next to Dr. Town's, formerly occupied by Dr. and Mrs. Cameron, has been taken by Rev. Avery S. Demmy, the new pastor of the Baptist Church.

Henry Nash, of Dudley avenue, who has served four years in the Naval Reserve, has recently received honorable discharge, but is ready to re-enlist when his services are required.

Mr. and Mrs. Brown, of Philadelphia, have moved temporarily into the house next the Catholic Church. They are building a handsome country home north of Narberth, but this will not be completed until summer.

"The Revolt," by Ellis Parker Butler, at the Arcade, Monday evening, will be funnier than the "Futurist Minstrels." Get your tickets early—at Howard's, at Fiedler's or from any member of the Junior King's Daughters.

A testimonial dinner was tendered to George W. Braden, physical director of the Y. M. C. A., who is a resident of Narberth, under the auspices of John B. Stetson. Noonday Drop-In Bible Class, Tuesday evening, April 24th.

The W. F. M. S. of the M. E. Church will hold its monthly meeting in the lecture room on Monday afternoon, May 7, at 2.30 o'clock. There will be a story telling hour from the 5th chapter of "World Missions and World Peace."

It was President Lowell, of Harvard who said in his address when the Angell Memorial Hospital was dedicated: "It has always been a theory of mine that the degree of civilization could be measured by the width of human sympathy."

The final meeting for the season of the Women's Community Club will be held on May 22 at 1 P. M. It was deemed advisable to combine the programs for May 8 and May 22 on the latter date. Program will be announced in next issue.

Robert Saville announces that he has received seventy contributions from Narberth for the fund for the widow of William Humphreys. The funds have been deposited in the Merion Title and Trust Company. He is still receiving funds, and would appreciate prompt response to his request so that he may turn the funds over as soon as possible to Mrs. Humphreys.

Last week the Rev. Chris G. Koppel was invited to dedicate a new pipe organ that was installed at the Methodist Church in Schuylkill Haven, Penna. This honor was bestowed upon Mr. Koppel as a token of appreciation by the members of the church for his good work done while in charge there. It was the first church Mr. Koppel was sent to after being ordained.

charming manner and well merited the enthusiastic applause which she received from the large audience which crowded the auditorium.
"What is twice shall be thrice." A fire occurred on Conway avenue Monday afternoon, followed by the Rodgers' fire at 8 P. M. Before midnight (11:30 P. M. to be exact) a fire occurred in the rear of the Miss Posey home on Essex avenue. Several of the school teachers who reside there and who have had previous experience fighting fires, were aroused and not wishing to alarm the tired firemen, fought the fire successfully. Large quantities of dried brush and grass were burned and the fire was rapidly approaching the frame building in rear of house when the plucky teachers appeared.
Miss Caroline C. Lockhart, of Cody, Wyoming, is again a welcome visitor to Narberth. She is the guest of Miss Mabel Howard Seymour, 107 Woodside avenue. Miss Lockhart has been spending part of the winter in New York City, where she has been completing her fifth book and studying Spanish in preparation for a trip to Guatemala next winter. Miss Lockhart says she is not yet ready to go back to hear the coyotes howl and prairie dogs chatter and will indulge in some special newspaper work for diversion for a few weeks. Miss Lockhart was formerly known as "Suzette" of "The Evening Bulletin."

CHAPLAIN GLAD JUSTICE HAS BEEN AROUSED

Strong Appeal to Narberth Citizens for Service—Overflow Congregation Thrilled by Military Processional and Flag Presentation — Impressive Ceremonies—Singing of the Star-Spangled Banner—Fervent Speeches Aroused Patriotic Emotions in the Methodist Church Last Sunday Evening

For the first time in the recollection of old residents people were turned away from a church service last Sunday night, although nearly three hundred seats had been provided for the Patriotic Service in the "Little Church on the Hill." Every available foot of space was occupied. Chairs were placed in the vestibule and many men stood throughout the service.
Mr. M. I. French, in a few well chosen words assisted by the veterans from the Civil and Spanish-American Wars, a blue jacket from the Battleship Wisconsin and a member of the Boy Scouts, presented the church with a large American flag. The congregation sang the Star-Spangled Banner while the flag was unfurled and placed in the pulpit.
The Hon. F. W. Stites, in his inimitable manner, received the emblem with a brief address in which he said: "I believe it will become the gift of the United States to lead the nations into greater ideals of democracy, but this will not come until we are worthy, not till America is ready, not till Pennsylvania is ready, not till Narberth is ready." There was a hearty "Amen" in the heart of every worshipper when he closed with the words of a bystander in Pekin watching the boys of the United States of America passing by in the parade carrying the Stars and Stripes: "They carried My Flag."

Introducing the chaplain, the pastor, Rev. C. G. Koppel, made a stirring appeal in behalf of support for our army and navy. He referred to two outstanding events of the past week. The wonderful service in Saint Paul's cathedral last Friday. The English government set apart that day as the "day of the United States of America." Setting forth from the House of Parliament, the procession moved to the great cathedral of St. Paul's. The king and queen, the American ambassador, the leading statesmen, admirals, generals, were assembled in the cathedral where some of England's noblest men lie in the repose of death, and there joined in the sacred pledge of an hundred and fifty millions of American and British people. The two countries once separated by war were united henceforth in the purpose to secure liberty, justice and peace, not for themselves alone but for all the nations of the earth. He then spoke of the obligations we owe France for her general, her admiral, her soldiers, her ships and her money. Lafayette fought side by side with Washington and buried his French soldier boys side by side with our heroes in Pennsylvania, New Jersey and Virginia. In return to-day we must send her soldiers, sailors, guns, food, a billion or more money. Every consideration urges us to pledge France our fortune, our lives and our sacred honor.
Chaplain Lewis made a splendid impression as a fine type of naval officer and forceful speaker. He said he was glad for the privilege of being a Methodist and serving as a chaplain in the navy. He then made a strong plea for the enlistment of every man and woman in their country's service. "I am glad," he said, "that justice has been awakened. I am glad that the spark has been kindled into a flame. With a clear-cut message President Wilson has brought us into this struggle. Surely Americans to-day

can walk straighter and think clearer. This is not a war of one hundred thousand soldiers; not a war of one million soldiers; it is a war of one hundred and thirteen millions of people.

"This nation has a great heritage, this flag a great past; but we cannot live with the past and surely our nation will not be found wanting in this crisis. England is giving her soldiers and sailors a longer period of training now than she did at the beginning of the war.

"A new civilization is struggling to be born. A new period is dawning. Yet shall we find some without vision, some waiting?

"Women cannot all be Red Cross nurses, but you all can belong to the Red Cross Society and help in this great service.

"We have a great flag, we have a great history, but it is not going to amount to anything unless we come forward to do our part.

"This is not a time for 'business as usual,' this is not a time for pleasure, this is a time for service, for efficiency and co-operation."

Among the various branches of the nation's military service in the processional were the blue jackets, Sprague, Andrews, Hobson, Hess, Benedict, from the Battleship Wisconsin; newly enlisted men from the congregation and community in the various divisions of the army and navy; members of the G. A. R. and veterans of the Spanish-American War; Boy Scouts of Narberth; members of the Sunday school.

Souvenirs of the service were attractive leaflets with the order of service printed in the national colors and flags for the children. The church was tastefully decorated by Miss Ward with flags, spring blossoms and electrical effects in red, white and blue.

The musical parts in the service were also greatly appreciated. Miss Prescott never sang more beautifully in singing her solo, "The Lord is My Strength." Mr. Patten carried many back to bye gone days with his cornet solo, "Tenting To-night on the Old Camp Ground." During the Spanish-American War he was Bandmaster of the First Regiment of Illinois and played this song on the battlefield of Santiago.

NARBERTH CAPTURES FIRST LEAGUE GAME

Narberth, Pa., April 28.—The Narberth Champions won a close and interesting game in the opening of the Main Line League season here to-day from the Villanova team, represented by the Fourth Street Club, making its bow in the league. The score was 3 to 2.

Gibson lost control in the eighth, however, and two runs cashed in, but he fanned the side with three stranded on bases. The veteran Flick Stites and Durbin's hitting featured.

A Philly scout was on the job. He tried to get Gibson and Durbin for the Phils.

Durbin had his eye on the old onion, made three clean hits. This pleased the scout.

Senator Stites, with his usual Harrisburg style, hit the pill to the pike. He batted 750 for the day. Some record. We expect 1000 for the balance of the season.

Jim Robinson looked good in Fleck's garden. Hit the sphere hard on the trade mark, but not to a safe place.

A new grandstand will be erected this week with ample seating capacity for everybody.

Paoli will be here next Saturday.

They have a strong line-up. Morgan, leading pitcher of Delaware County League, is slated to oppose Gibson. This will be one of the season treats.

Humphries pleased the fans with a timely bingle to right, scoring the winning run for Narberth.

Hobey Light, Penn's clean-up hitter, has signed with Manager Walzer for the season.

Simpson must have been flirting with the Phils' scout. He played a great game.

For the first time in the history of Narberth a church was so full on Sunday evening people had to be turned away. The Methodist Church was the one that attracted so many on account of its patriotic program.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
