LOCKSLEY HALL.

*Comrades, leave me here a little, while as yet 'tis early morn!
Leave me here, and when you want me sound upon the bugle-horn.*

*'Tis the place, and all around it, as of old, the curlews call,
Dreary gleams about the moorland flying over Locksley Hall;*

*Locksley Hall, that in the distance overlooks the sandy tracts,
And the hollow ocean-ridges roaring into cataracts.*

*Many a night from yonder ivied casement, ere I went to rest,
Did I look on great Orion sloping slowly to the West.*

* * * * *

*Many a morning on the moorland did we hear the copses ring,
And her whisper throng'd my pulses with the fulness of the Spring.*

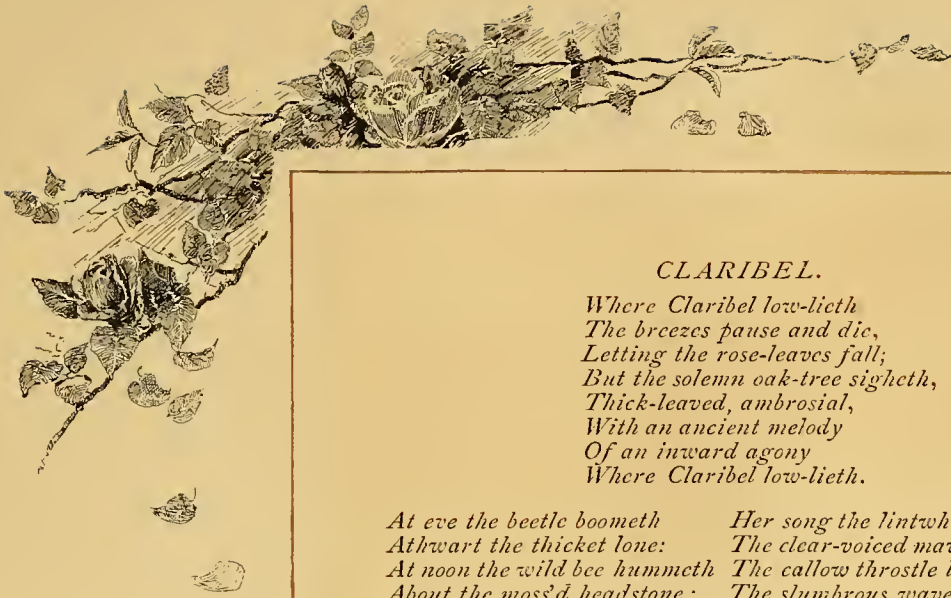

*Many an evening by the waters did we watch the stately ships,
And our spirits rush'd together at the touching of the lips.*

W. Goodrich Beal

CLARIBEL.

Where Claribel low-lieth
The breezes pause and die,
Letting the rose-leaves fall;
But the solemn oak-tree sigheth,
Thick-leaved, ambrosial,
With an ancient melody
Of an inward agony
Where Claribel low-lieth.

| | |
|------------------------------|----------------------------------|
| At eve the beetle boometh | Her song the lintwhite swelleth, |
| Athwart the thicket lone: | The clear-voiced mavis dwelleth, |
| At noon the wild bee hummeth | The callow throstle lispeth, |
| About the moss'd headstone: | The slumbrous wave outwelleth, |
| At midnight the moon cometh, | The babbling rannel crispeth, |
| And looketh down alone. | The hollow grot replieth |
| | Where Claribel low-lieth. |

MARIANA

*With blackest moss the flower-plots
Were thickly crusted, one and all :
The rusted nails fell from the knots
That held the pear to the garden-wall.
The broken sheds look'd sad and strange:
Unlifted was the clinking latch ;
Weeded and worn the ancient thatch
Upon the lonely moated grange.
She only said, "My life is dreary,
He cometh not," she said ;
She said, "I am aweary, aweary,
I would that I were dead !"*

BREAK, BREAK.

*Break, break, break
On thy cold gray stones, O Sea!
And I would that my tongue could utter
The thoughts that arise in me.*

*O well for the fisherman's boy
That he shouts with his sister at play!
O well for the sailor lad,
That he sings in his boat on the bay!*

*And the stately ships go on
To their haven under the hill;
But O for the touch of a vanish'd hand;
And the sound of a voice that is still!*

*Break, break, break
At the foot of thy crags, O Sea!
But the tender grace of a day that is dead
Will never come back to me.*

SWEET AND LOW

*Sweet and low, sweet and low,
Wind of the western sea,
Low, low, breathe and blow,
Wind of the western sea!
Over the rolling water go,
Come from the dying moon, and blow,
Blow him again to me;
While my little one, while my pretty one, sleeps.*

*Sleep and rest, sleep and rest,
Father will come to thee soon;
Rest, rest, on mother's breast,
Father will come to thee soon;
Father will come to his babe in the nest,
Silver sails all out of the west
Under the silver moon:
Sleep, my little one, sleep my pretty one, sleep.*

THE BROOK.

*I come from haunts of coot and hern,
I make a sudden sally
And sparkle out among the fern
To bicker down a valley.
By thirty hills I hurry down,
Or slip between the ridges,
By twenty thorps, a little town,
And half a hundred bridges.
Till last by Philip's farm I flow,
To join the brimming river,
For men may come and men may go,
But I go on forever.*
