The first part of the report is devoted to a general description of the country, its climate, soil, and natural resources. It is followed by a detailed account of the various industries and occupations of the people, and a list of the principal towns and villages. The report concludes with a summary of the progress made during the year, and a list of the names of the officers and members of the Board of Commissioners.

Our Evergreens are frequently transplanted, each individual dug with solid ball of earth.

You are invited to select your own Trees and Evergreens, otherwise we shall use our own best judgement.

We have a complete assortment of evergreens in smaller sizes, let us quote on your requirments.
