SWORN DEPOSITION (translation)

Deponent: YAMAMOTO Sadao

(Born Jan. 13, 1902 )  
No. 233 1-chome, Hamagawa  
Okusawa-machi, Setagaya-ku,  
Tokyo.

Having first duly sworn an oath as on attached sheet and in accordance with the procedure followed in my country I hereby depose as follows.

1. I am an ex-Captain of the Navy. At the time of outbreak of the Pacific War on Dec. 8th, 1941, I was one of the staff-officers of the Third Torpedo Flotilla and participated in the landing operation at Kotabarn.
2. Our transport group (consisting of three vessels) was anchored at zero hours on the 8th. At about 2 o'clock a.m., when we thought that our landing craft had almost approached the shore, we heard the roar of guns from the enemy's position, and from about that time the enemy aeroplanes began to attack our transport group. Our naval unit had to make a counter-attack.

3. It is certain that our naval unit did not bombard any British coastal-fortification about 1.40 a.m. on the 9th and that around that time, our naval units did not bombard any section on land.
