The target was a supply area located on the western slope of a ridge just outside of Shurl. There were no eleuds, but quite a bit of smale and have partially obscuring the target. Two bombing runs were made, releases being made at 1500 - 2000 . On the third run the area was thereughly strated. The bombs hit in the area and several fires resulted.

Beager and innocurate light A/A was encountered.
