ADMINISTRATIVE MEMO: NO. GS:9

SUBJECT: Government Section Clearances on Suitability of Appointees to Principal Offices in the Public Service.

1. Staff Memorandum 13, 11 January 1947, delegates the responsibility for Administration of SCAPIN 550 (Purge) to Government Section. Within Government Section, this responsibility is exercised by Public Service Qualifications Division.

2. Government Section specialists in divisions not concerned with the Administration of SCAPIN 550 give advice as to the technical qualifications of persons recommended for appointment to principal offices in the Public Service. Where opinions are given without reference to Public Service Qualifications Division to determine eligibility under SCAPIN 550, difficulty arises in that Staff Sections receiving such opinions consider that they constitute not only clearance as to technical qualifications, but also clearance under SCAPIN 550.

3. Therefore, no formal opinions on acceptability of nominees for appointment to principal positions in the Public Service will be made without reference to Public Service Qualifications Division for determination of eligibility under SCAPIN 550.
