Annexed Paper 1.

Statement of Reason.

It is considered to be appropriate that with respect to such organizations that have been designated to be dissolved under the provisions of Article 4 of the Organizations Control Order but whose purposes and activities are not of so extreme nature, and whose permanent dissolution has come to be deemed, under the passing condition of the time, to be inadequate, the designation of their dissolution should properly be cancelled for the future. However, there being no prescription, in the Organizations Control Order now in effect, as to the cancellation of designation already made, it is necessary that some such provisions should be newly added to the same Order. This is the reason why we intend to amend this cabinet order.

ANNEXED PAPER

Cancellation reason of designation
of organizations to be depurged

1. 亜細亜大陸協会
AJIA TAI RUKU KYOKAI (Asia Continental Association):

This organization was formed in October, 1937 by 古森貞久 丸山高義
KOMORI Sadahisa and MARUYAMA Takayoshi and some others with an object to enforce a restoration in the country, but since its establishment, there has been no activities worthy of attention except one or two lecture meetings. Its structure has been sterilized as far as it may be called to be KOMORI's one-man-party.

In March 1941, when KOA DOMEI (Asia Raising Alliance) was established, it was dissolved in order to be involved into it.

2. 大日本勤皇会
DAINIPPON KINNO KAI (Great Japan Loyality Society):

This organization was remodeled in May 1940 from 山梨県人会
YAMANASHI KENJIN KAI (Society for Those come from Yamanashi Prefecture) in which 田辺宗英 TANABE Munehide was centering around, with an object to diffuse the loyality spirit among the nation. The constituent members did not exceed 18. As to the activity, it did not more than to despatch some representatives, on request of other organizations, on the problems of Sacred Law Protection and public funeral of the war-dead soul.

3. 大東亜国民運動研究会
DAITOA KOKUMIN UNDO KENKYU KAI (Great Eastern Asia National Movement Research Society):

This organization was established in 1940, when the SHAKAI TAISHU TO (Social Mass Party) 社会大衆党 was ordered to be dissolved, with an object to achieve the mutual aid or connection among the members under the presidency of SHIRAKAWA Akikichi 白川明吉, speaker of Osaka City Assembly.

The constituent members did not exceed 10. The scale was very small and it was ordered to be dissolved by the special High Police of Osaka Prefectural Government in 1941.

4. 大東亜建設協会
DAITOA KENSETSU KYOKAI (Great East Asia Construction Association):

This organization was established in 1939 by a suggestion of Rear-admiral SEKINE Gumpei 関根郡平 with an object not only of study of all the countries in Asia and aiming at murual friendship of the members, but also of drafting a plan for construction of a Great Asia in order to submit it to the authorities concerned. Owing to financial difficulties, SEKINE escaped to Manchuria without initiating any activity.

Afterwards, ENDO Kosaku 遠藤柳作 was invited to be appointed the chairman, but the financial difficulties were not erased and no conspicuous activities worthy of attention were seen. In July, 1941, it was dissolved in order to be involved by the DAI NIPPON KOA DOMEI (Great Japan Asia Raising Alliance).

5. 同仁会
DOJIN-KAI (Universal Benevolence Society).

This Society, making 林 權助 HAYASHI Gonsuke its president, was established in the Physician Hall, Kanda, Tokyo Metropolis in 1901 with the purpose to popularize medical science and pharmacology and the technique of them in China and other countries in Asia and, simutaneously with these, to promote the betterment of the general conditions of sanitation. But this Society, judging from its character, is rather an organization gives free medical treatment and dispenses medicine free.

6. 北海道國民道場
HOKKAIDO KOKUMIN DOJO (Hokkaido People's Training Place).

This organization, at 林 貞四郎 HAYASHI Teishiro's suggestion supported by former right-wing persons, was established on February 11, 1937 with a purpose to enhance and saturate the Japanism and its ideology and to educate the students to contribute to a renovation movement in the future. Its structure and constitution is locally limitted within Hokkaido and there is no movement which is worthy to be noticed. It published the organ HOKKAIDO KOKUMIN (Hokkaido People). After all, this organization is such which has a strong

color to be a kernal of the election campaign for HAYASHI himself and the character to be a right-wing organization is extremely feeble.

7. JIHEN SHORI KENKYU KAI (Incident Disposition Research Society).

This organization, being spurred by the Sino-Japanese Incident, was established by TOMONO Hayaichi who took the leadership of it in July, 1938. It aimed at the discovery of the philosophical reason to save our country researching the world situation and the various trends inside the country at that time.
The structure of the Society was estremely small and it could, only a time, disseminate the written wishes to the situation as its movement.

8. KINNO GOKOKU-KAI (Loyalty Fatherland Defence Society).

This organization, making YANAGIMACHI Shigemichi the leader, was established in November, 1943 for the enhancement of the people's consciousness and is nothing more than a group availling itself of the situation. It only held the lecture-meeting of loyalty and Fatherland Defence.

興亜滅共連盟

9. KOA MEKKYO REMMEI (Asia Development And Anti-Communist League).

This organization was formed taking a club system as a permanent organ when the 興亜滅共全国有志大会 KOA MEKKYO ZENKOKU YUSHI TAIKAI (Asia Development Anti-Communist National Volunteers Convention) was held by the KOKUSAI HANKYO REMMEI (International Anti-Communist League) at Hibiya, Tokyo on December 7, 1939. It aimed at the destruction of the Communists which had been the main influence of China and the immediate solution of the Chinese Incident. But, with the formation of the 大日本興亜同盟 DAI-NIHON KOA DOMEI (Greater Japan Asia Development League) in July 1941 the organization was dissolved to amalgamate with the League without much activity to be mentioned.

興亜運動同志会

10. KOA-UNDO DOSHI-KAI (Asia Development Comrades Society).

This organization was made in April 1940 under the advocacy of 藤井貴康 FUJII Takayasu with the object of restoring of the whole Asia by propagating the Mohammedanism but with the development of the situation it turned to nominal one and was absorved by the Greater Japan Asia Development League in July 1941.

皇國同志会

11. KOKOKU DOSHI-KAI (Imperial Comrades Society).

This organization was formed in September 1941 with

the intention of throughgoing the faith of the Tenno, practising the unity of religion and state and clarifying the true meaning of Shinto shrine under the leadership of TAKAYAMA Noboru, But its structure was very feeble and its activity was only that lecture meeting was held for a couple of times advocating the movement to worship the sprits of fallen heroes as gods.

12. KOKUMIN SEIKATSU KENKYU-JO (National Life Research Institute).

This organization was formed upon the original principle of this organization with intent to investigate and research into the nationalistic renovation of the established living structure under the auspieces of OHNO Rei throughout Gifu Prefecture. And, with all their intentions to be engaged in the education for youths by establishing few schools in the prefecture as the expected result could not be gained it became a nominal Being after all.

13. NAGASAKI SOSEI KAI (The Nagasaki Creation Society)

This was a body organized aiming at clarification of spirit of Imperial way, elevation of morality, and increase of producing power, centering on HAYASHIDA Tatsuma, in Nagasaki Prefecture in September, 1939. The scale of it had been so small that it had been.limitted within the prefecture, and its work also had been in such a degree as correction of woman's dress, abolition of permament-waves and others in cooperation with the then so-called New Structure Movement.

14. NAMPO KAI (The Society of Phoenix in South)

This organization was the one which was formed with the object of researching the state of southern affairs for the expansion of Japanese race to the South in future, in October, 1941, centering on MIYAZAKI Ryusuke, director of the East Society, the activity of which had been in such a degree that it held only a round table meeting for research of southern problems or a lecture meeting of well - informed persons about southern matters, and the structure of it had been considerablly weak.

15. NIHON SHISO KENKYU KAI (The Research Society of Japanese Idea).

This body was organized, with the object of clarification of the real national character, and research of miscellaneous questions about national livings in general on the national characteristic point of view aiming at the establishment of its ideal, in Tokyo centering on ISHII Tadashi and other persons in January, 1931, the activity of which had been in such a degree that it published "Guide to the Japanese Ancient Language," other two or three publications and reports, etc. It was a research organization and was the being of "one man-- one party" of ISHII Tadashi.

16. SAGAKEN ISHIN DOSHI KAI (The Saga Prefectural Restoration Comrades Society)

This body had ever been called as "SAGAKEN SEINEN ISHIN JUKU " (The Saga Prefectural Youngmen's Restroration Academy) and was established in October, 1941 as a work of the former "TOA KENSETSU DOSHI KAI, SAGAKEN JUNBI KAI " (Saga Prefectural Arrangement Society of the East Asia Establishment Comrades Society), where they studied "KOJIKI " (Japanese Ancient History) and others. On the outbreak of Pacific War it carried out the training

of old comrades and enlightenment of common villagers , so that the structure of it had been limitted within a part of Saga Prefecture. It was only a local body.

17. 政教社 SEI KYO SHA (Political Education Society).

This was organized by 五百木良三 IOGI Ryozo and 松林亮 MATSUBAYASHI Akira in May, 1927 and it had no platform, but only published a magazine "Japan and Japanese " every month, in which opinions and discussions on home and foreign situations had been inserted. It was a so-called publication body and no activity had been observed, especially. And it was, moreover, of a small scaled.

18. 聖明塾 SEI MEI JUKU (Imperial Enlightenment Academy)

This body was formed by 林晋作 HAYASHI Shinsaku in 富山 Toyama Prefecture, composed of only four students besides the principla. There remains no material to observe its formation and activities .

The league was organized by 田中三明 TANAKA Seimei, former editorial staff of the Great Asia Association in June,

1937, which published its organ paper, "Youngmen's Asia News", but otherwise, there was no movement to be observed . It was such a small scaled body as the composing members were only 13 in all.

聖戰完勝会

This body was an organization formed along the line of then situation for the completeness of war with such a loyalty as a hundred million subjects' death in front of their emperor, centering on 石井実雄 ISHII Jitsuo, of the 啓明社 Keimei Society,.in August, 1944, amiddst of the Pacific War. The activity was in such a degree as it held the Showa Restoration National Like-Minded People's Grand Meeting.

21. SHIN TO JUKU (East Promotion School)

This body was organized in November of 1942 by SAKATA Yusaku in Minami-Tsugaru County, Aomori Pref.

Its constituent members numbered only five besides him and no material is available to know something about its old movements.

22. TATEYAMA JUKU (Tateyama School)

This body was organized in February of 1932 by OHMICHI Shigetsugu, advocator of agriculture-centered autonomy, in Kami-Shinkawa County, Toyama Pref. The school advocated intently eating of unrefined (or bran-coated) rice and vegetables, practice of the principle of immediate cultivation and reformation of living. Conclusion may well been drawn out of the character of the school, that it was an institute for the principal of the school OHMICHI Shigetsugu's private land reclamation works.

23. TOA SHIN CHITSUJO KENKYUKAI (Research Society for East Asian New Order)

This body was formed on July 14, 1940 by SUZUKI Takeshi as its superintendent for the purpose of making researches of any sort concerned with the establishment of the new order in East Asia. There had been held since about January 1942 several meetings such as for the

membership's mutual connection, researches on the current state of affairs, culture, race, Southern sphere, states of affairs in Manchuria and China and there were made occasionally movements to hear lectures given by prominent persons and do similar things.

This is a plain research body, which came into being, taking advantage of the then state of affairs and which was afterwards associated with the DAI-NIHON KOA DOMEI (Greater Japan Rising Asia Alliance), to be at last annexed to it.

東光会

25. TOKO KAI (Eastern Light Society).

This organization was formed on July 25, 1937, under the leadership of 大川 秀三 OHKAWA Shuzo, brother of 大川 周明 OHKAWA Shumei, in 酒田 Sakata City, 山形 Yamagata Pref. and, publishing

東光日日新聞
an organ called TOKO NICHINICHI SHIMBUN (Eastern Light Daily News), advocated the world view on the principle of unity of matter and spirit, while it felt with the creed and cause of OHKAWA Shumei. Its membership was some thirty in number and its movement itself became negative in the wake of the starting of the then so-called new system movement.

東京創生会
26. TOKYO SOSEI KAI (Tokyo Creation Society).

This body was organized in 1941 under the leadership 中野賢次郎
of its president NAKANO Kenjiro for the purpose of leading the common run of men, raising high the grand theistic way. The society opened the SOSEI JUKU (Creative School) monthly and published the SOSEI GYOZAI SHO (Material for the Work of Creation), but nothing more; its movement was otherwise low-toned usually. It was a very small body with several constituent members.

The organization was established at the end of 1939 by such ingestigators concerning South Sea Islands' affairs as TAKEI Juro 竹井十郎 and AKAIKE No 赤池濃 and so one with ADACHI Kenzo 安達謙蔵 as the ppesident for the purpose of conducting an emancipation movement for the South-eastern Asian as an aid to the accomplishment of our national policy.

The organization did not take any positive action, but made scientific research only. Immediately after the DAINIHON KOA DOMEI (Great Japan Asian Development Alliance) was formed, this organization was affiliated with the Great Japan Asian Development Alliance.

28 富山青年有志会
TOYAMA SEINEN YUSHI KAI (Toyama Interested Young men's Society)

The organization was formed on May 5, 1941 by promter FUSHIKI 伏木 治一 Jiichi at Toyama City in order to meet the national policy at that time by training young men under the principle of self-discipline. The organization contributed to train the minds and bodies of young men in the country by assembling them.

Its extreme movement was not adomitted.

29 全日本國民特攻隊總本部
ZEN NIHON KOKUMIN TOKKOTAI SOHOMBU

(All-Japan People's Special Attack Unit head-quarters)

The organization was formed in around November, 1944 by SUGIURA Tozaburo 杉浦藤三郎, NINOMIYA Takeo 仁宮武夫 and five (5) other persons who were stimulated with the unfavorable war situation them prevailing in order to inspire the spirits of people on the home front taking advantage of the current situation. The organization distributed leaflets a few times only and its specially-mentioned activity was not admitted. The structure of the organization is very small.

30 青森県勤皇青年同盟

The organization published approximately five hundred (500) copies of the 経国新聞 KEIKOKU SHIMBUN (Administration Newspaper), organ paper, monthly and held lecture meetings to guide the study of the current problems. And other noteworthy movement was not conducted by this.

Simultaneously with the reorganization of the DAINIHON KOWA DOMEI (Great Japan Asian Development Alliance) in March, 1942 this was amalgamated into this organization.

32. 大日本言論報国会 DAINIHON GENRON HOKOKU KAI (Great Japan Patriotic Press Association)

This is the so-called government-operated organization headed by 徳富猪一郎 TOKUTOMI Iichiro with a membership of the representative and leading persons in press circles, representative Diet members of both houses, representatives in various circles and retired military officers, which was formed in December 1942 in accordance with the then government policy in order to unite speech.

Its activity was not conducted at the mercy of the government's will and was inactive.

33. 神風特攻後続隊 KAMIKAZE TOKKO KOZOKU TAI (Providential Wind Special Attack Succeeding Corps)

常岡滝雄 This organization was formed by TSUNEOKA Takio, a retired major of the Army in April 1945, being instigated by the then war situation, and made the young men volunteer for anti-air-raid activities by stiffening their morale. However, it did nothing but enforcing anti-air-raid a few times, and although it had a branch in 東海 Tokai District beside the Headquarters in 東京 Tokyo Metropolis, it was essentially the so-called opportunistic organization at that time, and therefore, was dissolved voluntarily at the same time as the end of the war.

顕真塾 34. KENSHIN JUKU (Truth Revelation Private School)

This organization was established in December 1938 at Toyama City for the purpose of fostering patriots by 藤江清毓 FUJIE Seiko and others in parallel with the then prosperous nationalistic movements, but as its movements were within the range of localism and the activities had nothing to be particularly noticed about, there exist no data through which the details are known to us.

皇国運動同盟 35. KOKOKU UNDO DOMEI (Empire Movement Alliance)

This organization was formed on September 27, 1941 chiefly by ITO ~~Hideo~~ 伊藤力男 Rikio, AYAKAWA 綾川武治 Takeji and others

for the purpose of establishing the imperial politics, but being merely the so-called opportunistic organization at that time, it did nothing but holding sometimes lecture or research meetings and publishing the literature concerned. In such a way, there were no brisk activities, to be noticed about.

国柱団

36. KOKUCHU DAN (National Backbone Group)

This organization was formed in April 1945 chiefly by TANABE Osamu (田辺 治 constituents composed of a head and other five persons) in Osaka-fu for the purpose of elevating national morale to overcome the then war situation, but as it was already under violent air-raid at that time, it had no noticeable activities.

37. KOKUSAI HANKYO REMMEI (International Anti-Communist League )

The organization was formed on May 5, 1942, under the leadership of IDA Bannan, IRIE Tanenori, IWATA Ainosuke, etc. The purpose of the organization was the enhancement of Japanese spirit and the extermination of Communism, but no particular movement was observed except the publication of "Anti-Communist News", a monthly organ, and holding of lecture meetings for construction of Asia and extermination of Communism under the support of Tokyo government.

38. KOKUSAI SEIKEI GAKUKAI (International Politics and Economics Research Institute )

The organization was formed in Feburary, 1936, under the leadership of AKAIKE No for the purpose of studying "Freemason". It published a few kinds of pamphlets for the study of Judea, without any other particular movement.

39. KOMIN JISSEN KYOGI KAI (Imperial Subjects Action Conference )

The organization was formed on January 20, 1941, under the leadership of NIWA Goro, president of KOMIN KYODO TO (Imperial Subjects Cooperation Party), with the platform of "Establishment of win-the-war-at-any-cost national structure." 聖戦明朝国民運動総本部

41 SEISEN MEICHO KOKUMIN UNDO ~~SODOMEI~~ SOHONBU

(Sacred War Clearing National Movement General Headquarters):

This organization was established on January 25, 1941 chiefly by ~~SHU Kenro~~ 楯建帥 SURITATE Hajime, the representative of Kakumeiso, and his companions. Their activities were the holding of lecture meetings on sacred war clearing national movement and the distribution of the printings. However after the war-end, the movement becomes very inactive and its activities are always very negative.

世界皇化会

42 SEKAI KOKA KAI

(World Imperialization Society):

常岡 滝雄

This organization was established by TSUNEOKA Takio in February, 1944 with an object to secure a complete victory by means of fundamental reformation of living styles in food, clothing and habitation.

At that time, the surveillance of the Kempeitai was so strict that they could hardly do actual activity.

It was dissolved in June of the same year, only four months and a half later since its establishment.

至心寮

43 SHISHIN RYO

(Shishin Dormitory):

It is easily ~~known~~ that this organization was established

雲井 武志
in Kyoto City by KUMOI Takeshi in March, 1942, in order to elevate the morale of the youth, having been stimulated by the war situation at that time. However, there is no material which reveals the situation of activities since then and it is supposed to be a socalled organization with flatters the current times.

尊攘同志会
44 SONJO DOSHI KAI

(Reverence for the Empero and Expulsion of Foreigners Comrades' Society):

This organization was established under the advocacy of IIJIMA Yoshio, the superintendent, in April 1944, with an object to arrange and strengthen the internal structure at that time.

At the time of the war-end, IIJIMA and his companions committed suicide at Atagoyama. Therefore, the persons who had had some concern with this organization missed.

As to its organization and structure, there were two local secretariates, one in Kanagawa and the other in Fukui, except the Headquarters and the constituent member did not exceed only 20.

45. The KAKUSHIN SEINEN TO (The Renovation Youth Party)

The Party was formed by SANO Masashi and so on after the outbreak of the last war. Although we can only guess the ideological tendency of the Party which is likely to awaken the youth in this country through the spirit of the Japanese clasics, judging from SANO's personal way of thinking, we have no data from which we know its activities in detail.

46. The GAKUTO SHISEI KAI (The Students Loyalty Association)

The Association was a juridical foundation which was formed by NAGATA Hidejiro, the chief director, in February, 1935, in order to make the students of all universities and colleges render services to establish the DAITOA KYOEI KEN (The Great Asia Co-existence Hemisphere), through the trainning of them.

Its chief activity was to select the elite from each school throughout the country and to send them to Manchuria and the South Sea Area so that they may learn the actual circumstances in the area through the meetings with the student of the area. Afterwards it was affiliated with the DAI NIPPON KOA DOMEI (The Great Japan Asia Development Alliance). After all the Association was an organization which aimed to enhance the

standard of the public welfare and general culture.

47. The TAIWAN NANPO KYOKAI (The Formosa Southern Association)

The Asscciation was formed by SAITO Ju, the President, in order to investigate the situation of the South Sea Area around 1939. There had not been any other notable activities except for the publication of the organ "The South China and the South Sea".

By the way, the Association was regarded in the nature is one of agencies of the Formosa General Supervisory Government. In July, 1941, it merged into the KOA DOMEI (The Asia Development Alliance).

48. The TOA KENSETSU KYOKAI (The Far East Construction Association)

The Association was formed, centering around SEKINE Gumpei, Rear-Admiral, to research the situation of each area of Asia and besides to create the friendly relationship among the members.

Because of the financial embarrassment, however, its activity was rather lethargic except for holding lecture meetings from time to time.

## Statement of Reason.

It is considered to be appropriate that with respect to such organizations that have been designated to be dissolved under the provisions of Article 4 of the Organizations Control Order but whose purposes and activities are not of so extreme nature, and whose permanent dissolution has come to be deemed, under the passing condition of the time, to be unfair, the designation of their dissolution should be cancelled for the future. However, there being no prescription, in the Organizations Control Order now in effect, as to the cancellation of designation already made, it is needed that some such provisions should be newly added to the same Order. This is the reason why we intend to amend this cabinet order.

SPECIAL INVESTIGATION BUREAU

ATTORNEY-GENERAL'S OFFICE

June 25, 1951.

From : Director Mitsusada YOSHIKAWA of Special Investigation Bureau, Attorney-General's Office.

For : Lt.-Col. Jack P. Napier, Government Section, G.H.Q.

Subject: Partial Amendment to the Organizations Control Order.

I. It is considered not objectionable that with respect to any organizations that have been designated to be dissolved under the provisions of Article 4 of the Organizations Control Order but have been deemed, in the progress of time, to have no danger of being detrimental to the democratization of Japan, their objectives and activities not being of extreme nature, and whose permanent dissolution are deemed even unfair under such circumstances, the designation of their dissolution may be cancelled for the future.

II. However, there being no prescription, in the Organizations Control Order now in effect, as to the cancellation of designation already made, we are going to make the partial amendment, as shown in the separate paper, to the

said Order, of which we should be pleased to get the opinion of your quarter.

for Director of Special Investigation Bureau,
Attorney-General's Office.

June 25, 1951.

(Draft of) Cabinet Order Relating to Partial Amendment to the Organizations Control Order.

In accordance with the provisions of the Imperial Ordinance No. 542 of 1945 (Relating to Orders to Be Issued in Consequence of the Acceptance of the Potsdam Declaration), the Cabinet hereby institutes this cabinet order:

The Organizations Control Order (Cabinet Order No. 64 of 1949) shall be partially amended as follows:

The following shall be added next to Article 4 of the said Order:

(Cancellation of designation already made)

Article 4-(2).

In case that the Attorney-General has deemed any designation made under the provision of item (1) or item (2) of the preceding article to be unfair, he may cancel any such designation already made.

2. When such cancellation has been done in accordance with the preceding provision, the designation so cancelled shall be invalid as from the day of its cancellation.

3. The cancellation herein mentioned shall be published

in the Official Gazette.

In Article 5 (1, a) and (2), "preceding Article" shall be amended as "Article 4 (except in the case when designation of its dissolution has been cancelled in accordance with the provisions of the preceding Article)."

Supplementary Provisions.

1. This cabinet order shall be enforced as from the day of its promulgation.

2. The Cabinet Order No. 238 of 1948 (relating to the custody and disposition of properties belonging to dissolved organizations) shall be partially amended as follows:

The following shall be added next to Article 27 of the said Order.

"Article 28.

The cancellation of designation, made in accordance with the provisions of Article 4-(2) of the Organizations Control Order, shall have no influence on the effect of custody and disposition, being based on the present Order, of properties belonging to the organization concerned."

1st draft 25 June

June 25 , 1951. I.D. 540

On Organizations which are to be cancelled of their designation among Organizations which were decided to be dissolved in accordance with Imperial Ordinance No. 101 of 1946 and Organizations Control Order.

We hereby beg that the under-memtioned Organizations among the Organizations which were decided to be dissolved by Home Minister, Premier and Attorney-General, in accordance with Imperial Ordinance No. 101 of February 23, 1946 and Organizations Control Order of April 4, 1949, as Organizations of ultra-nationalism or terrorism, shall be cancelled of their designation for the reason under-stated.

As this matter needs juridical disposition, a draft of an Ordinance is now under investigation.

(Reason)

As the under-mentioned Organizations are not extreme of their character and their activity is slow ~~and also~~ or their system and structure are on a small scale, the continuance of designation as Organizations to be dissolved is not just, referring to the present situation.

It is also considered that they would not be of any obstruction to the democratization of Japan in the future, even if they were cancelled of their designation.

We, therefore, consider to be moderate to cancel of their designation this time.
