ADDRESSES

OF THE

Alumni of Amherst College.

JUNE, 1890.

Number III.

AMHERST, MASS.
PUBLISHED BY THE COLLEGE.
MDCCCXC.

LD 152
.3

The Address List of the Alumni has been found so useful that the intention is to print such a list every spring. In order that these lists may be as complete and authentic as possible, it is urged upon all graduates to acknowledge the publications of the College on the slips sent out by the Registrar, and also to correct any errors that may come to their attention. The slips returned are kept on file as part of the biographical memorabilia of the College, and as such are greatly valued.

Acknowledgements have been sent in more fully the past year than in any year previous; and of the list now submitted to the friends of the College, which contains the last known addresses, the large majority of the data have been sent in since December 1, 1889.

All corrections and additions should be sent to the Registrar.
