At Wikimania 2023

Caner from Türkiye and Eugene Ormandy from Japan became friends at Wikimania 2023 in Singapore.

Together with Eugene Ormandy from Japan attending Wikimania 2023, we are considering declaring the Wikipedia Student Clubs at our universities as sister clubs. In September 2023, we will start working after the completion of the establishment of my club at my university.

Friendship Projects

- On September 9, Caner and Eugene Ormandy launched Wikimedia Japan-Türkiye Friendship.
- In addition, Istanbul Bilgi University Wikipedia Student Club and Student Wikipedian Community in Waseda University Tokyo became sister clubs!

What's Next?

- Writing Diff (Wikimedia Community Blog) articles.
- Holding editathons which focus not only on Wikipedia but also on other Wikimedia Projects such as Wiktionary or Wikidata.
- Celebration of the 100th anniversary of diplomatic relations between Japan and Türkiye.
